Tara Duncan: It's an awesome honor too.

King Shark: Wasn't expecting you guys.

Multiple Man: Sorry this had to be your first day with us though.

Tara Duncan: We just wanted to get the rundown of what goes on here.

Me: Good idea.

Nico: We sure did! That was brutal!

Eccentro: (to Linka) You should take care of that Regisky.

Lexx, Lava Golem, Goofy, Ethan, Kira, Namine, Trent Fernandez, Sunset Shimmer, Pipsqueak, Fire Skylanders, Veon and Hagger VS 2016 Morbucks, Glomgold, Oxy Man, Tesla, Kusuna, Gravitational Spring, Money Violence Monster and Money Dopant (Theme including Lava Golem) - Nico's rescue was Cassidy's Baby Shower

Lava Golem: Yeah we sure did and it was cool.

Goofy: Garsh it sure was fun.

Sunset Shimmer: Yeah we also battled Girl Jordan's estranged sister Maya.

2016 Morbucks: I didn't know Girl Jordan had a sister.

Sunset Shimmer: We didn't either. Man it was brutal.

2016 Morbucks: What was her story?

Sunset Shimmer: Well it was terrible! Maya despised Lincoln with a blazing passion and tried numerous times to kill him and Girl Jordan to slake her thirst for blood. Lincoln absolutely despised her so much. A week before J.D. moved here to Michigan, Maya tried to kill Lincoln and Girl Jordan with a massive array of bombs, but it was also going to destroy all of Royal Woods and turn Michigan into a barren wasteland.

THEY GASPED!

Oxy Man: THAT'S HORRIBLE!

Sunset Shimmer: Yeah. Plus, Selene Arcangela told us that Maya also had the added help of Lori, Lynn, Lola, Lisa, and Luan, and they were going to kidnap Lincoln and Girl Jordan and drag them into the field where Maya had the bombs set up. But, the kidnapping plot failed when the rest of the Guardian Angels and Anna beat those five up badly and tied them up, then, they went after Maya who'd triggered the bombs to detonate, but they disarmed the bombs just in time, and they also pulverized Maya hard. Then, they alerted Girl Jordan's parents and told them of what Maya tried to do. They were mega furious and mega enraged at Maya for that, and it was the last straw that broke the camels back. They said they'd had it with her monstrous rampages and terrorizing her sister, them, Lincoln, and all of Royal Woods, and they disowned her and kicked her out of the house permananty and cut off all ties to her, and put her into the hands of the police, and she was found guilty by the court and she was thrown in The Vault for life with no possibility of parole.

THEY GASPED AGAIN!

Tesla: THAT IS TERRIBLE!

2016 Morbucks: I can't believe her sister was that dangerous!

Pipsqueak: (British Accent) No kidding there!

Sunburn: Yeah no kidding! And we also found out that Maya was also responsible for everything that happened to Girl Jordan and her vendetta! She was behind it all! Carnage ruining her life! Her parents falsely disowning her! EVERYTHING!

2016 Morbucks: WHAT!? That is crazy! Maya really RUINED HER!

Oxy Man: NO KIDDING!

2016 Morbucks: And you guys banished her to the Black Abyss no doubt. She had it coming. Lets do it!

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Demon Jack, or we're forcing you out.

A figure came out, and it was none other than Jack Howard's Demon Blood Influenced form: he looks exactly like him, but with black sclera and blood red iris.

Jack Howard: So, you're here, and the demon look isn't a good look.

Demon Blood Influenced Jack Howard: You can't get rid of me that easily, I'm part of you.

Jack Howard: Yes, you're a manifestation of the day I encountered Caleb after he came back from the dead, but this nightmare ends here and now.

Suddenly, Jack Howard was surrounded by a very massive vortex of black and blue energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a dark blue phoenix with blood red eyes with blue ring glaring at his Demon Blood Influenced self: the blood red eyes of eternal death and eternal judgement and the blue ring of understanding.

Let's do this.

Jack Howard, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Jack Howard, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Jack Howard, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords leaving painful scars on him, and they even scratched her with their gold-plated dragon claws and they smashed him all over the place with their superhuman strength, and it was making Demon Blood Influenced Jack Howard even more enraged.

Demon Blood Influenced Jack Howard: H-how?! How is this even possible?!

Caleb Maxwell: It's because Jack is no longer weighed down by what happened back in the past, and I forgave him for the time I exposed my darker nature to him that night.

Jack Howard: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God

Demon Blood Influenced Jack Howard saw it and smiled.

Demon Blood Influenced Jack Howard: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Jack Howard faded away, but not before giving Jack Howard a gift: his powers and abilities added to his own.

Jack Howard: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Jack Howard, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Jack Howard's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blue planets orbiting around his legs and fifteen black and blue smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and blue planets orbiting around his wrists and ankles, Third Eye, longer black tail, and massive black angel wings and four sets of larger black angel wings underneath his massive black angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Jack.

Jack Howard: That's right, just like Cage and his old man, the captain, Travis, and Roxy, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Coral Westbrook, Gene-Slammer and Avatar of Marincess Crystal Heart.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Coral Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Crystal Heart. She's the seventh eldest sister of The Westbrook Sisters, and she's the kindhearted defender of The Marincess Water Princesses. Lincoln met Coral Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and the rest of us in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and we also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Coral kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Coral hates Hawk and Hank with a blazing passion, because those stupid, ape-brained, moronic buttfaces polluted Lake Huron by dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the bastard they were, and enraged because of their behavior, Lincoln and Coral blasted them with water and they even electrocuted them, and Hawk and Hank got so mad, she called Coral a fish-faced bitch and they said that they hope that Coral dies in a pool of her own blood and they'll dance on her remains and skin her alive and eat her heart. The audacity and utter malice of his threat made Lincoln see red, and he blasted those gorillas so hard with two massive blasts of water, he sent them flying into the Royal Woods Police Department, and when the rest of the family heard Hawk and Hank's threats along with seeing what they did, everyone went to the jail and they beat them up so horribly, he was left as bloody messes with black eyes, broken arms, broken legs, missing teeth, and three lumps on their heads, and they turned to leave, but not before Luna gave them the finger, and that sent Hawk and Hank into total psychotic tailspins of rage as they banged on the bars of their cells and screeched like gorillas!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR!

Nico: Oh my God! Of all the rotten, vile, evil things those overgrown gorillas did.

Luna: Yep, you heard right, dude.

Laney: We really despised those gorillas for what they did dumping a dumptruck full of sewage into the lake, and they were laughing cruelly like the bastards they were.

Leni: But, what they did in calling Coral a fish-faced bitch and hoping that Coral dies in a pool of her own blood and that they'll dance on her remains and skin her alive and eat her heart, the audacity and utter malice of their threat made Lincoln see red, and he blasted them hard with massive blasts of water and sent them flying into the Royal Woods Police Department.

Lana: And when the rest of the family heard those gorillas' threat along with seeing what they did, everyone went to the jail and we beat them up so horribly, they were left as bloody messes with black eyes, broken arms, broken legs, missing teeth, and three lumps on their heads.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Coral, and her sisters in cleaning up Lake Huron, and then, we went home and we also went to the prison and we brutally thrashed him even more.

Me: Nice use of the Dirty Harry line Russ!

Cargill: Thanks J.D. That was awesome!

See More: We've finally seen the last of Cletus Kasady.

Xaldin: And Ultimate Carnage.

Abra Kadabra: Yeah, him too.

Girl Jordan: At long last. My vengeance is complete.

Qin: Good riddance.

Me: Yeah good fucking riddance to bad fucking rubbish!

Devack: (to Tara Duncan) Thanks for helping us with this.

Tara Duncan: Thanks guys! It was so awesome!

Me: We're glad you had fun Tara.

Will: Just like old times right guys?

Cal: You said it.

Spymaster: Hope to see you next time.

Sparrow: Yeah this was fun.

Me: It sure was.

Nico: Great job today everyone!

Girl Jordan: (To the viewers) Now my vengeance is complete. Never again will Carnage threaten me or my family again.

Me: Good riddance.

Qin: Yep.

We headed back home, and we were enjoying our time before we were about to head off to bed. As night fell and many of us went to bed, Lincoln was looking out into the skies.

Lincoln: Carly's not getting away with this, what she did to Adrianne seven years ago can never ever be forgiven. Tomorrow, she's going to die.

Lincoln went back to his room, and Caleb Maxwell heard the whole thing from inside his room.

Caleb Maxwell: Lincoln's right about what he said, Carly really is a monster just like Cletus Kasady, the one thing awaiting her tomorrow is a bullet to the head.

Then, another memory appeared in his head: it was right around the time that he, Hunter, and their friends were walking home after he finished at work at Uncle Christiano's restaurant.

Past Hunter: (German Accent) Are you sure you're going to be okay, Caleb? You got beaten up badly by that guy, Panther.

Past Caleb Maxwell: I'll be alright, Hunter.

Past Axel Adell: (Swedish Accent) I hope so, but still, I'm worried.

Past Tahara Udo: (Japanese Accent) There's no need to worry, remember, we all have powers and we can take The Big Claw Gang in a fight.

Past Caleb Maxwell: Yes, but against those two vampires, Cage Blunt and Travis Tackett, they can dodge any attacks and are immune to bullets and the other weaknesses of the vampires. So, you really got to watch it.

The memory ends as Caleb Maxwell sat on his bed.

Caleb Maxwell: I'm just glad that I made peace with Cage and Travis, they really did change since the council gave them their punishment, but it was more than just that, sacrificing myself to save them did hit them, and they also got together with The Salyers and made friends with Cronus Chase. But, I can guess Cronus' Demon Blood Influenced self is also due to the conflicted issues with his dad, so it's gonna get ugly when we get to that day.

We enjoyed the rest of the day before going to sleep. Tara and her friends went back home.

Alright, and for tomorrow, the next match-up is Jazz Jackson VS. Demon Blood Influenced Jazz Jackson

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Acmetropolis, and we are in for one brutal battle: we're going to destroy the enemy of Lincoln and The Loonatics: Carly Kasady, the descendant of Cletus Kasady A.K.A. Carnage, and just like her ancestor, she's a dangerous bloodthirsty serial killer who enjoyed killing, torturing, and slaughtering innocent people for her own amusement and she also enjoys seeing their lives run out. She's no angel, she's THE DEVIL TIMES INFINITY AND JUST AS HORRIFIC AS HER ANCESTOR! But, she just like Scoots did the worst thing that all of Lincoln's Guardian Angels absolutely despised: she murdered Adrianne Acmetropolis, Avatar of The Loonatics and Defender of Acmetropolis, and she even murdered Adrianne's parents when she was five, just so she can see their lives run out. She crossed The Moral Horizon years ago, but what she did murdering Adrianne Acmetropolis earned her the wrath of Lincoln, his Guardian Angels, and The Loonatics, who swore if they ever saw that psycho bitch again, they were going to kill her.

And we're going to meet Coral Westbrook, Gene-Slammer and Avatar of Marincess Crystal Heart, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Crystal Heart. She's the seventh eldest sister of The Westbrook Sisters, and she's the kindhearted defender of The Marincess Water Princesses. Lincoln met Coral Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Coral kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Coral hates Hawk and Hank with a blazing passion, because those stupid, ape-brained, moronic buttfaces polluted Lake Huron by dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the bastard they were, and enraged because of their behavior, Lincoln and Coral blasted them with water and they even electrocuted them, and Hawk and Hank got so mad, she called Coral a fish-faced bitch and they said that they hope that Coral dies in a pool of her own blood and they'll dance on her remains and skin her alive and eat her heart. The audacity and utter malice of his threat made Lincoln see red, and he blasted those gorillas so hard with two massive blasts of water, he sent them flying into the Royal Woods Police Department, and when the rest of the family heard Hawk and Hank's threats along with seeing what they did, everyone went to the jail and they beat them up so horribly, he was left as bloody messes with black eyes, broken arms, broken legs, missing teeth, and three lumps on their heads, and they turned to leave, but not before Luna gave them the finger, and that sent Hawk and Hank into total psychotic tailspins of rage as they banged on the bars of their cells and screeched like gorillas!

Next up is Timmy Turner's day to shine and we're going to battle Nega-Chin and send him to prison.

See you next time.

CHINTASTIC FUN

This chapter is where we go after Nega-Chin.

In the early morning hours around 1:17 AM, I was asleep. But I having a REALLY interesting dream.

I was flying over Equestria in Sunny's time and it was looking great. But then the Cutie Marks of Twilight Sparkle and friends appeared and swirled around me. They said Find Us. Which was really ominous. Then they dispersed and went all over the land.

Me: Where are they going?

The spirit of the tree came to me.

Me: Great Spirit. What's going on?

Spirit of the Tree: J.D. this is a message to you. It's to tell you about what is going on with Twilight and friends.

She showed me what happened. After Twilight and friends made the Unity Crystals to seal the magic away from Opaline, they went into a powerful state of hibernation for thousands of years waiting for the day to be found in the future by the descendants of Twilight and friends. Sunny and friends are about to embark on a perilous journey that will take them to the ends of Equestria and Earth where they will bring back the Guardians of Harmony and restore the legacy of Twilight Sparkle and friends.

Me: Wow! So now it's up to Sunny and her friends to find them.

Spirit of the Tree: That's right.

Me: I have a feeling we'll find them on their days to shine.

I later woke up around 7:30 AM

I went to help Nico with breakfast.

Nico: Morning J.D.

Me: Morning Nico. I had a really amazing dream.

Nico: What was it about?

Me: It's really something.

I told him everything and it was amazing.

Nico: Wow! Twilight and her friends might have their times to shine during what you saw in your dream.

Me: Yep.

We were getting our breakfast ready.

Later Timmy woke up to see Mismagius staring at him

Mismagius: Morning Timmy. Time for breakfast.

Timmy Turner: Oh boy!

He went and got dressed and came down to the table.

I gave him pancakes, bacon, eggs and sausages.

He loved it.

Fu: Yeah no kidding.

Qin: I agree there.

Lola: Yeah.

Nico: I'm glad we can relax.

Ibara: Same here with that.

Nico: Heat Man, I want to thank you, Flame Stag, and your teams for coming

Heat Man: No problem Nico. This is awesome.

AncientGreymon: I agree too Nico.

Nico: AncientGreymon, what do you like to do in your free time?

AncientGreymon: I teach at 1 of 10 special dojos me and the Legendary Warriors live at the secrets of the powers of the elements we represent. We have lots of students and they are excited and ready to learn.

Nico: That is cool.

Lola: Yeah!

Nico: 1 out of 10, huh? Can't wait to see the other 9.

AncientGreymon: Yeah it's great.

Qin: We can't wait.

Girl Jordan: Ahh!

She laid down on the ground in absolute relief and purity. A massive weight was lifted off of her.

Nico: Don't celebrate too soon. We still have his daughter to deal with

Girl Jordan: I know.

Lincoln: It's his descendant actually.

Nico: Oh sorry.

Qin: Yeah.

Girl Jordan: But that was scary seeing my Akuma.

Nico: She was VERY CRAZY!

Qin: No kidding!

Camie: Yeah!

Lola: But Tech's suit he made was REALLY Awesome!

Nico: It sure was.

Maria: Let's get hot dogs for the mascots

Me: Good idea.

THUNDERCLAP! THUNDERCLAP!

We saw Rainbow Lightning!

Me: WOW!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Me: Look at that! Rainbow Lightning.

Nico: But it's sunny out.

Me: Yeah!

Qin: Wow!

Nico: I think it might be one of Sonya's teammates.

Maria: Rainbow lightning isn't normal. No offense Rainbow Dash.

Rainbow Dash: None taken

Me: Yeah.

Lana: Look there!

We saw Raikou!

Me: Raikou!

Nico: What's that doing here?

Me: Good question.

Rainbow Dash: Lets see.

She used her telepathy and then gasped!

Rainbow Dash: (GASP) Comet Thunder!?

Me: Whoa!

Rainbow Dash: I'll explain later!

ZOOM!

She ran up to Raikou!

Rainbow Dash: Comet it's me! Rainbow Dash!

She roared in her face.

Rainbow Dash: Then this will get you to listen.

She fired a blast of lightning and blasted her.

Raikou roared.

Me: This will help her! (SNAPS FINGERS)

I snapped my fingers and she reverted back and was a girl with rainbow hair, had Raikou in the middle of her forehead and had an orange, green and purple version of Rainbow Dash's cutie mark on her arm.

Rainbow Dash wrapped a blanket around her and brought her over.

Rainbow Dash: Comet is my twin sister guys.

We gasped!

She woke up.

Comet Thunder: (Groans)

Rainbow Dash: Comet?

Comet Thunder: Dashie? (Gasp) Dashie!

She hugged her.

Comet Thunder: I'm so happy you're okay.

Rainbow Dash: I am too.

Nico: I'd ask how you met Rainbow Dash. But that would be stupid

May: Yeah.

Comet Thunder: No worries. But it's good to be reunited with her.

Me: You were turned into a Raikou by Dark Gale.

Comet Thunder: (GASP) I remember!

FLASHBACK!

She was wearing a purple body suit and was strapped to a table. Then she was injected and busted out and turned into Raikou and faster than lightning she ran out of the lair.

FLASHBACK ENDS

Comet Thunder: It was horrible.

Nico: What's your role in your team?

Comet Thunder: Super speed and lightning master. I has rainbow lightning powers and I can run as fast as lightning.

Me: Wow! That is awesome.

Rainbow Dash: Comet always has amazing speed and she is gifted with lightning powers.

Me: Wow! What do you do outside the team?

Comet Thunder: I am a great sports star and do all kinds of sports.

Rainbow Dash: She and I have so much in common. We both are powerful athletes and do it all.

Nico: Wow!

May: So, you two were inseperable since you two were born, right?

Comet Thunder: We sure were.

Me: Wow.

Comet Thunder: Me and Rainbow were born in Cloudsdale. But I accidentally got separated from her. I got sent into the human world.

Sunset Shimmer: And Comet is also one of my best friends too. Aside from my human versions of all my Pony friends I met Comet back when I was in Canterlot high.

Me: Wow! We didn't know about that.

Nico: Then you knew what Rainbow's been up to.

Comet Thunder: I sure did. She's a Wonderbolt, Ambassador of NFL Rush Zone and a true hero and an amazing guardian of Harmony.

Rainbow Dash: I sure am. And also one of Lincoln's future wifes.

Comet Thunder: Yep.

Lincoln: It's true.

Rarity: First lets get you some new clothes darling.

The Fashion Brigade get her aweome blue clothes and she looked great.

Comet Thunder: Wow! I look great!

Me: You sure do.

Qin: Yep.

Nico: Heat Man what do you like to do in your free time?

Heat Man: I work at the Heating Plant and make people warm by generating energy for the town.

Me: Awesome job.

Qin: Yep.

In MOE HQ…

G1 Starscream: I hope J.D. and the others find out about the new problem that just popped up!

Vypra: Patience Starscream. They will.

Back with us

Comet Thunder: It's great to be back with my sister.

Me: It sure is.

Qin: Yep.

Nico: Something on your mind, J.D.?

Me: As a matter of fact yes.

I pulled out a map of Equestria.

Me: My dream that I had earlier was believed to be a message.

I told them everything about it and more and it was amazing.

Twilight Sparkle: Wow! A dream that is telling us where to find Sunny's worlds versions of us?

Sunset Shimmer: And we went into hibernation after making the Unity Crystals? How bizarre.

Me: Yeah it's strange but for over a thousand years you girls were laying dormant.

Sunny Starscout: No way! So we're going to find my worlds version of Twilight and friends? That is so cool!

Nico: It sure is.

Me: I believe that they were scattered all over Equestria after making the crystals and went into a deep sleep and state of Suspended Animation.

Nico: Wow!

Maria: Very interesting

Nico: Yeah.

Me: I have some good ideas as to where they might be.

Nico: Really?

Me: Yep. Rainbow Dash is gonna be easy to figure out. My guess is either in Cloudsdale or in Zephyr Heights. Sunny does Cloudsdale still exist in the world you were from?

Sunny Starscout: No before the magic returned it was turned into Zephyr Heights.

Me: Okay then Zephyr Heights is where we need to look for Rainbow Dash.

Rainbow Dash: This will be awesome!

Me: Fluttershy is probably located in a hidden grove somewhere in the Everfree Forest with all of her animal friends looking out for her.

Fluttershy: Goodness.

Me: Yeah. Applejack is probably in one of her family's apple farms.

But with so many all over Equestria it's gonna be like trying to find a needle in a haystack.

Applejack: You're right about that.

Nico: And Pinkie?

Me: Pinkie Pie might be on her family's Rock Farm, Yakyakistan, Sugarcube Corner or Cheese's Gag factory.

Pinkie Pie: Ooh! This will be so cool!

Me: Yep. Rarity might be hidden in a crystal cave somewhere in Diamond Dog Territory.

Rarity: Oh my! Then we'll have to watch out for them

Nico: Good assumptions. But we'll have to watch out for Diamond Dogs then.

Me: Yep. Starlight Glimmer might be either in Starlight Ridge or where Thorax's kingdom is.

Starlight Glimmer: Those are two strong possibilities.

Me: Yep. Sunset Shimmer may be in Sires Hollow or underneath Canterlot High School.

Nico: Oh boy.

Sunset Shimmer: Wow this is gonna be a great adventure in the future.

Me: Yep. And Twilight Sparkle may be in the Ruins of Canterlot in the palace.

Nico: Any others?

Me: Nope unfortunately no.

Nico: Okay.

Me: I was told by the spirit that only the descendants of Twilight

Sparkle and friends can wake them up.

Sunny Starscout: So me and my friends. I'm descended from Twilight.

Misty Brightdawn: I'm descended from Sunset Shimmer.

Comet (MLP G5): I'm descended from Starlight Glimmer.

Hitch Trailblazer: I'm descended from Fluttershy.

Sprout Cloverleaf: I'm Descended from Applejack.

Pipp Petals: I'm descended from Rarity.

Zipp Storm: I'm descended from Rainbow Dash.

Izzy Moonbow: And I'm descended from Pinkie Pie.

Me: No doubt about that. You all have many things in common with them.

Qin: Yep.

Me: Finding them is not going to be easy though.

Xenia: Yeah.

Nico: We're going to do this on their days to shine.

Eli: Yeah.

Nico: We'll get to them in the future.

Me: And I have a really good feeling I know who we'll face on those days too.

Twilight Sparkle: Dame Dedtime

Sunset Shimmer: Nefarious.

Rarity: Emperor Yodon.

Applejack: Kyle Finkster.

Fluttershy: Sir Fangar.

Rainbow Dash: Wildcard.

Pinkie Pie: Tortoise John!

Starlight Glimmer: And Live Action Megatron.

Me: Yep.

Qin: Yeah.

Me: But since Wild Card is in the M.O.E. it might be someone that you all faced before. Like one of your enemies from Equestria.

Rainbow Dash: Yeah it might be Chrysalis.

Me: Oh boy. If it is then we're going to have one helluva battle on our hands.

Spirit of The Tree: (Telepathically to me) J.D. the time has come to redeem Chrysalis.

Me: (GASP) Spirit are you sure? After everything Chrysalis has done?

Spirit of The Tree: Yes it's time. I know there is good in her. She is not entirely evil. She is just driven mad.

Me: Oh man. Okay. Guys the Spirit contacted me. It's time for us to redeem Chrysalis.

EVERYONE GASPED!

Nico: Not to sound shocked but... (YELLING) WHAT THE FUCK IS WRONG WITH YOU!?

Me: Guys the Spirit may be right. She told me that there is good in her and she is not entirely evil. She was driven mad somehow.

Jamesdean5842: He's right guys. And many fans have been wanting Chrysalis to be on the road to redemption because they believe that she can be reformed just like Cozy Glow can. Because in my opinion giving Cozy Glow eternal imprisonment in stone is too cruel and harsh.

Nico: You're right. I hope you know what you're doing.

Me: Don't worry. We do.

Nico: Is there something we're missing?

Lincoln: Okay, gang, we're in for one really brutal battle: we're here on Cybertron, but we got bad news: Waspinator's been taken over by the spark of G1 Starscream!

WE GASPED IN SHOCK!

Me: WHAT THE?!

Nico: THAT GODDAMN TRAITOR'S BACK?! AND IN THE BODY OF WASPINATOR?! THAT'S IT, HE'S GONNA PAY FOR THIS BIG TIME!

Me: YEAH!

Eli: That traitor just doesn't know when to quit, does he?!

Nico: Apparently not, Eli. Well, this is the last time we ever have to deal with that traitor, but we got remove Starscream's spark from Waspinator at once, and then, put him right back in his original body, then we can destroy him.

Lincoln: Right.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have brought back Jagi, Amiba, Raoh, Uighur, and Kaioh, and that insane she-demon sent them after us.

Lincoln: You've got to be kidding me! Morgana, you little...!

Eli: Lincoln, what is it, is it one of Morgana's minions?

Lincoln: Afraid so, Eli, and it's not good: it appears Morgana Midnight Sparkle and her minions have brought back Jagi, Amiba, Raoh, Uighur, and Kaioh, and that insane she-demon sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's skeleton came out.

Qin: Oh Lord, I can't believe them!

Nico put his skeleton back inside.

Nico: I hate when that happens. I can't believe it, that insane she-demon brought Jagi, Amiba, Raoh, Uighur, and Kaioh, Lincoln, I hope you absorb them.

Lincoln: That's what I'm going to do.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as fast as we could.

Lori: I literally thought we were done with Starscream, but he had some nerve coming back and possessing Waspinator, he's gonna pay for this.

Lincoln: Big time.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and

massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Waspinator) AHA! I just spotted Waspinator who's possessed by G1 Starscream, he's 20 yards away, let's get going so I can remove that traitor's spark and put it back in his real body and we can destroy him. (Sensed Jagi, Amiba, Raoh, Uighur, and Kaioh) And I just spotted the next of Morgana's puppets.

Nico: Let's go save Waspinator and tear that traitor apart!

Lincoln: He's going to die with the very title he earned: the most notorious traitor in all of Cybertronian lore, and never again will he be reborn in this life, the next, or ever.

Flare Corona heard a Pokemon cry.

Flare Corona: Look here.

We saw a Magmar!

Me: Wow a Magmar.

Nico: Hot!

Flare gave it some food.

Flare Corona: There you go.

Magmar: Thanks.

Magmar ate the apples.

Flare Corona: Wanna come with me?

Magmar: Sure!

Flare Corona: Awesome!

We then took off into the air and we set out to free Waspinator and destroy Starscream once and for all and send him to the M.O.E. And banish Jagi, Amiba, Raoh, Uighur, and Kaioh to The Black Abyss forever.

We were flying in the air, and we spotted our target: Waspinator, and he was indeed possessed by G1 Starscream's spark.

Lincoln: There's Waspinator. (Sensed G1 Starscream's spark) And there's Starscream's spark, now to get it out of him!

Lincoln fired many orbs of colored energy with elements from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Maya Rosato, and they hit the possessed Waspinator and he got hit badly, and that pissed him off super badly as we landed.

Nico: I should've known you'd be back once again, Starscream, you son of a bitch!

Me: Seriously, you really don't know when to quit!

G1 Starscream: (In Waspinator's body) Silence! You pathetic humans have ruined all of my plans to finally destroy Megatron and rule the universe! Now, I will destroy all of you and have my revenge.

Brawn: Not on your life Screamer!

He was shocked!

Brawn: What's the matter Screamer? Not used to seeing your fellow

Decepticons again or the fact that we are under the command of a new leader?

Nico: Namely me.

G1 Starscream: (In Waspinator's body) Fools! I am not my weak Prime G1 Self! I am an alternate and more superior version!

Dinobot: Most likely the same one me and the other Maximals fought.

Nico: That is interesting and I remember that. Well I hate to disappoint you Starscream but Galvatron is gone and you're looking at his killer. ME! Also I'm glad that Galvatron blasted you into space dust!

G1 Starscream: (In Waspinator's Body) GALVATRON WAS A FOOL! I DESERVE TO LEAD!

Nico: You're right about one thing: Galvatron WAS a fool!

Me: That we can agree on!

Nico: Also if you want proof...

He showed his Medal.

Nico: This is a symbol of my authority!

G1 Starscream: (In Waspinator's Body) A Decepticon Leadership Medal!?

Ace Ukiyo: How did Nico get that?

Me: He was appointed as the new leader of the Decepticons after we destroyed Unicron and he is leading them on the road to redemption.

Ace Ukiyo: Wow! That is amazing.

Me: Yep.

G1 Starscream: (In Waspinator's Body) Well we'll see how long you last against me! Because I have my wits and my superior speed!

HE FLEW FAST IN THE AIR!

Me: Well lets see you last against my speed!

I flared up my power and flew after him and we were moving faster than bullets fired from a gun!

Qin: WOW! Look at them go!

Rainbow Dash: That is awesome speed!

G1 Starscream: (In Waspinator's Body) Even without my body, I'm still the top flier!

Me: Oh really?

I flew and kicked him in his face.

Me: Take that!

He fired his blaster and I dodged his blasts and punched him in his face and sent him crashing into a rock.

Nico: He's gonna be feeling that!

G1 Starscream: (In Waspinator's Body) YOU BEGIN TO IRRITATE ME!

Me: Would you put a cork in it Starscream?!

Nico: Yeah you're giving us a Headache!

Brawn: Now you guys know why we call him Screamer.

Ace Ukiyo: No kidding. Because he likes to scream a lot.

Brawn: Yeah it's one of the reasons why he was widely known as one of the Loudest of the Decepticons.

Maria: And how about we call you Ghost Starscream? We already have your G1 self in the MOE.

Me: That's for sure! And we're not going to let him become leader!

Lincoln: Not anytime soon, traitor of all Cybertronians. CYBERTRON STYLE NINJA ART: EVIL SPARK EXTRACTION!

Lincoln fired an orange energy blast, and it hit Waspinator and it removed G1 Starscream's spark: a bright blood red spark, and he resurrected his original body and threw the spark in it, and Ghost Starscream was brought back.

Ghost Starscream: NO! NOOOOOOO!

Waspinator: (GROANS) What happened? Waspinator has a headache in his whole body. (Sees G1 Starscream) You!

Lincoln: We're gonna find out how you wound up inside Waspinator after we get rid of you for good.

Me: Yeah!

Magmar charged at him and fired waves of fire and blasted him all over.

Qin: Yeah!

Lola: I got to tell you Starscream, you're giving space debris a very bad name.

G1 Starscream was flying towards the city fast!

WHOOSH!

He was really hauling ass.

I fired energy blasts and then G1 Starscream came!

G1 Starscream: Here I am!

He transformed and was ready!

Ghost Starscream: WHAT?! You're me!?

G1 Starscream: That's right and here I am at Very Long Last!

Me: Yeah!

G1 Starscream: Sorry. I was trying to warn you guys but the communications were jammed by my ghost self here

Nico: Weird. Electromagnetic interferance from his spark.

Camie: Wow.

Me: But the question is HOW did he get into Waspinator?

Ghost Starscream: Ah there's a tale. As he was monitoring for Energon I made my move!

* * *

Waspinator was looking for more energon. But the computer wouldn't come on.

Waspinator: Oh what is this? Program will not respond. Waspinator does not understand!

Then the monitor flashed white with G1 Starscream's eyes appearing.

Ghost Starscream: I'll bet Waspinator Seldom Does! But try not to let it depress you BUG FACE!

Then the light enveloped him and took over him! He then flew out laughing!

Lincoln, Lori Jimenez, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after G1 Starscream, and we fired extremely powerful blasts of rainbow energy, red and black energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at G1 Starscream and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Lori Jimenez, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really making G1 Starscream even angrier than ever.

Suddenly, Lincoln's five sets of massive white angel wings spread out as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit G1 Starscream, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Starscream. Then, Lincoln charged and smashed his rainbow energy infused left

fist into Ghost Starscream's stomach and a cluster of flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 8'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where it all ends for you!

Lincoln swung his massive greatsword and fired a wave of rainbow energy, which turned into a rainbow straitjacket and tied Ghost

Starscream up, and he opened up a portal behind him that led to The Masters of Evil's HQ. Lincoln lifted the traitor up and tossed him inside as the portal closed. Everyone cheered wildly as we holstered our weapons and we powered down and Lori Jimenez's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen red and black planets orbiting around her legs and fifteen red and black smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized red and black planets orbiting around her wrists and ankles, and massive black angel wings and four sets of larger black angel wings underneath her massive black angel wings are permanent.

Me: So, his punishment is eternal forced servitude in The M.O.E., but I don't like it, what if he tries to double-cross Vypra?

Lincoln: Oh, he won't, Vypra will make sure that doesn't happen and if that bastard tries, it's off to The Black Abyss for good.

Nico: Now, that we got that traitor out of the way, Waspinator, how did that bastard's spark wind up inside you?

Lincoln played the video of what happened on his wrist computer, and when we saw who it was that did this: we were horrified. The bastard responsible for it was a male with black hair and black clothes: his name was Jack Ramirez, one of Sebastian's minions.

Nico: Oh Hell no, I should've known! That guy who did this was Jack Ramirez, he was one of Sebastian's minions from long ago!

Eli: Wait, what?

Qin: After we cut all ties with Sebastian after that wedding incident from eight years ago, he refused to die that easily, so he gathered a group of people from all over New Jersey and New York, and they're absolutely the lowest of the low.

Qinlong Chen: Oh Hell freaking no! Not them!

Trudy Lawrence: Yep, They're none other than Jack Ramirez, Eric

Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, and their sisters, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs.

OUR JAWS DROPPED!

CLANG! CLANG!

ELI CLOSED OUR JAWS!

Me: Oh God!

Lincoln: So, that's who...! How the heck did they even get in?

?: That's what I want to know too.

Suddenly, we saw a girl appear: she has long black hair, red eyes, the symbol of The Fangires on her forehead and skirt, the symbol of the Kiva Kamen Riders on her right arm, white bridal gloves, black angel wings, black clothes, and she has the Zanvat Sword in her right hand and a massive darkness greatsword holstered on her back.

Lincoln: (GASPS) Felicia Fangire, Avatar and Queen of The Fangires.

Me: No way!

Nico: Whoa!

Selene Arcangela: I knew you would show up, everyone, this is Felicia Fangire, Avatar and Queen of The Fangires, she's Lincoln's Guardian Angel from Michigan and she's a deadly and powerful master of darkness, and she's the twin sister of Farah Fangire, and she's also immortal and a deadly force of good. Just like her sister, Farah, she's a powerful master of the Fangire Race and she has all their power and she's 100,000,000,000 times more powerful than all the Fangires combined, and she's also a vampire. Just like with Ravenna Amaranth, Embodiment of The Fangire Race, Felicia Fangire trained Lincoln in using the powers of darkness and the powers of the Fangires. Lincoln made her a powerful dark greatsword, and to show her thanks, she kissed Lincoln on the lips, and as a result, he promised that when he comes of age, Lincoln will marry her along with the rest of her harem, and she kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies in line with the threat of getting beaten to death and getting turned into vampires, and just like Felicia, she was absolutely disgusted with the way the Fangire Race were attacking people and they wanted them to work together with humans, not against them, and there was only one person, or persons to be blamed for it: King, the ruthless ruler of The Fangires A.K.A. Kamen Rider Dark Kiva, and the violent serial killer Takashi Sugimura A.K.A. Kamen Rider Arc, the first Fangire, and they swore they would destroy them and have them drained of their life energy and have them permanently turned into unbreakable stained glass statues.

Me: Incredible.

Nico: Nice! Now, then, we need to find out who did this.

Poromon: (Spin-changed into a detective) I'm willing to bet that someone let them in and did the dirty deed just to piss us off.

Poliwag: Yeah, but that someone would have to be incredibly insane and full of fucked-up hatred to do so.

Manaphy: That's right, a monster who still carries madness and darkness in their twisted black heart.

Suddenly, we saw "Sebastian" trying to tip-toe away, but then...!

Poromon: (POINTS WING AT SEBASTIAN) Isn't that right, "Sebastian"?! Or should we say, Dark Sebastian?

The real Sebastian Mendez appeared and slashed Dark Sebastian who was exposed, as we saw his appearance change from Sebastian's appearance back to Dark Sebastian, the bastard and absolute monster we'd met during the 2023 Ridonculous Race, and his black angel wings turned into black demon wings.

Poliwag: We know you've done so many horrific and atrocious things THAT fucked-up and THAT COMPLETELY INSANE! Need we remind you of all the times you've tried to kill Nico, Qin, and their friends in the past?!

Poromon: (Points wing at Dark Sebastian) Or the wedding incident when you conspired with Andrea and Clark to kill Helen and her mom?!

Lincoln: (To Nico) This is just like what happened last year.

Nico: Yep, and as always, this is really getting good.

Poromon: That's right, only you would resort to some truly horrendous and absolutely evil and vile things in the past, because only you were that insane and that fucked-up to do so.

Dark Sebastian: SHUT UP! SHUT UP! SHUT UP! FILTHY VERMIN! (DEMONIC ROAR)

Poromon: (Smirks) What's wrong, creepy and crazy? Getting nervous? And pissed off?

Me: And unlike you, the real Sebastian already made peace with Nico, Qin, and their friends who are now in his harem.

Poliwag: Yes, it's true, but I thought we got rid of you for good when Lincoln drained you and those other versions of you dry of energy and sent you all to The Black Abyss.

Horsea: That's true, he already made peace with Nico, Qin, and their friends, but his dark side refused to make peace with one group of girls whom he was never going to make peace with for his attack on Acme Acres all those years ago when they and Lincoln were there.

Selene Arcangela: You're right, we forgave Sebastian, but we never forgave Dark Sebastian for what he did, and the crimes he committed due to Chase Young's darkness and that also included the attempt on his life by Dustin Keystone drove him to the edges of darkness and madness, and that led to him committing betrayal at the wedding of Nico's friend, Helen Wendova, when he conspired with that sluttybritches bitch, Andrea, along with Helen's irresponsible and immoral fiancée, Clark Richards, and they were so great, he earned his spot among our list, and if it's true, then, that means...!

Mascots: He cheated death and sent a fragment of himself into the shadows to regain his strength, and he did all this just to spite us again, and because of it, Dark Sebastian Mendez, you've just earned yourself the wrath of THE TEAM LOUD PHOENIX STORM CUTE FORCE!

A MASSIVE EXPLOSION ERUPTED WITH ELEMENTS FIRING INTO THE SKIES!

Suddenly, the sclera of Dark Sebastian's eyes turned black and his red eyes turned bright red and HE ABSOLUTELY FUCKING LOST IT!

Nico: Oh...!

Qin: Shit! HE'S GONNA LOSE IT!

Dark Sebastian: (ENRAGED FUCKED-UP SCREAM) WHAT THE HELL?! I CAN'T BELIEVE YOU PUT IT ALL TOGETHER! YOU'RE SUCH A BITCH, POROMON, YOU'RE GONNA PAY FOR THIS! ALL OF YOU!

ACTION MUSIC PLAYS!

Poromon: AHA! YOU ADMITTED IT! We've had it up to hear with you for the last fucking time! TROUBLE BUSTERS!

Poliwag: YOU FREAKING BASTARD! (SLAPS DARK SEBASTIAN IN THE FACE MULTIPLE TIMES WITH HIS TAIL!)

Dark Sebastian: (SCREAMS IN PAIN) STOP!

Poromon: SHUT THE HELL UP! (PECKS DARK SEBASTIAN ON THE HEAD!)

Dark Sebastian: HAVE YOU LOST YOUR DAMN MINDS!? I'M GOING TO KILL YOU ALL!

Manaphy: I THINK IT'S THE OTHER WAY AROUND! YOU'RE THE

ONE WHO'S LOST HIS DAMN MIND! YOU'RE STILL AS INSANE AND FUCKED UP AS MY BOYFRIEND SAID IN THE PAST! HOW MANY SCREWS ARE STILL LOOSE IN YOUR HEAD?! YOU ROTTEN BRAINED GOOD FOR NOTHING SINGLE CELLED MORON!

Everyone: OH! BURN!

Dark Sebastian: (SCREAMS IN PURE RAGE)

DARK SEBASTIAN RAN AT HORSEA AND TRIED TO SLASH AT HER WITH HIS CLAWS, BUT SHE DODGED IT AND HEADBUTTED HIM IN THE STOMACH!

Horsea: MISSED ME! MISSED ME! NOW YOU GOT TO KISS ME!

HORSEA KISSED DARK SEBASTIAN ON THE MOUTH AND SLAPPED HIM WITH HER TAIL AND DARK SEBASTIAN WAS SPITTING LIKE CRAZY!

Dark Sebastian: BLECH! VERMIN GERMS!

Mevya: YOU BETTER WATCH YOUR MOUTH, YOU MOTH-MUNCHING BEAR TRAP! YOU'RE OUTMATCHED AGAINST US AND YOU'RE NO MATCH FOR OUR CUTENESS, YOU SINGLE CELLED MORON!

Dark Sebastian: (DEMONIC ROAR) HOW DARE YOU!

DARK SEBASTIAN FIRED A BLAST OF DARKNESS AT THE MASCOTS, BUT THEY DODGED IT! AND POLIWAG TOSSED IT RIGHT BACK AT HIM BY HITTING IT WITH HIS TAIL AND IT EXPLODED AS IT HIT HIM AND THAT MADE HIS BLOOD RED EYES TURN EVEN MORE BLOOD RED WITH TOXIC HATRED AND MADNESS!

Nico: OH, NOW YOU'VE GONE AND DONE IT! NOW, YOU'VE REALLY MADE MAD!

Poromon: YOU HAD IT COMING, SHIT BIRD! YOUR TOXIC MADNESS AND POISONOUS DECEIT HAS BEEN LAID BARE, YOU MOTHERFUCKING SNAKE!

Dark Sebastian: YOU PIECE OF SHIT! YOU THINK YOU'RE GOING TO GET AWAY WITH THIS?!

Poromon: What?! You gonna do something about it?!

Mascots: LET'S DANCE, BITCH!

Dark Sebastian: (JUMPS INTO THE AIR AND LETS OUT A DEMONIC ROAR) DIE! DIE! DIE! DIE! DIE! DIE! DIE! DIIIIIIEEEEEE! (CACKLING LIKE THE INFINITE-TIMES FUCKED UP MADMAN HE IS)

Dark Sebastian went charging at the Cute Force who had a red cape in front, but as soon as he meets the cape.

CLANG!

Dark Sebastian fell for the old anvil behind the cape gag and fell to the ground. Then, Lincoln stabbed his massive greatsword right into Dark Sebastian' chest as the gigantic blade impaled him in his black heart..

Lincoln: Now, to drain you of your life force.

Then, Lincoln began sucking out Dark Sebastian's life force energy and it went into him as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, as soon as Lincoln was done, Dark Sebastian was drained of his life force and Lincoln swung his massive greatsword with the impaled Dark Sebastian on it and tossed his corpse into the air and we blasted him which sent him into a portal Lincoln opened up that led into space and he was destroyed forever and he was sent to The Black Abyss forever.

Lincoln: And that is that.

Sebastian Mendez: I should've known that he'd cheat death again, this time, he's gone for good, good fucking riddance!

Nico: You said a mouthful, this reminded me of all the times you cheated death many times over and always came back.

Buster Bunny: He was stubborn, that really gave us and The Z-Fighters a headache, no matter how many times we defeat and kill him, he always comes back for more.

Lincoln: That's like with many of our old enemies. And it's so good to see you again, Felicia.

Felicia Fangire: You too, Lincoln.

Suddenly, Felicia Fangire had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When she was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, he had an atomic red blush on his face, hearts in his eyes, his nose was gushing out blood, steam whistled out of his large wolf ears and normal ears, and he was literally in Heaven.

Lincoln: (In Heaven) Whoa...!

Then, Lincoln with a sly grin on his face pinned Felicia Fangire to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with blood red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow thunderbird wedding ring on her left pinkie.

Felicia Fangire: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned me down and kissed me on the lips. (Seductive Voice and rubs Lincoln's massive pecs) Hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his face.

Lincoln: J.D.

Nico: We'll decide Ghost Starscream's archenemy in the future.

Me: Good idea.

Qin: Yeah.

Magmar: That was awesome.

Me: Yep.

Nico: Nice job Magmar!

Magmar: Thanks Nico!

Poromon: Want some beer?

Magmar: No thanks. I don't drink sorry.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough

Ish: That was fun though.

Comet Thunder: So you must be Ish?

Ish: That's right. Ish Taylor.

Comet Thunder: Awesome to meet you.

Ish: I'm also Rainbow Dash's brother

Nico: It's not blood related.

Me: We've had instances happen where the Ambassador missions got sibling bonds.

Nico: Yep.

Comet Thunder: Oh wow. So that makes me your sister too.

Ish: It sure does.

Me: Yep.

Nico: Which of Sunny's versions of Twilight and her friends do you think we'll find first?

Me: Fluttershy first.

Nico: Ooh. Okay.

Hitch: Me, Lilja and the Cutie Mark Crusaders will find her there.

Me: Good idea.

Nico: You know who we'll find first is subject to change, right?

Me: Right we know.

We nodded.

Poromon: Can we have some hot dogs?

Maria: Oh right. Be right back.

Maria went and got us LOTS OF HOT DOGS.

Poromon ate one.

Poromon: (Eating) Mmm! Delicious!

Manaphy ate one.

Manaphy: Yummy!

Me: (Eating) Delicious!

Poromon and Manaphy then got to eating the same hot dog and then their lips ended up touching

SMOOOCH!

Poromon: Wow. Can I get fries with that?

Manaphy: I liked it

They kissed more.

Nico: Like in Lady and The Tramp!

Me: Oh yeah!

Qin: So cute!

Poliwag: Can the four of us go out on patrol later?

Nico: Sure guys.

Qin: Go for it.

Poliwag: Okay!

Horsea ate a hot dog.

Horsea: Yummy!

Starfire was eating mustard

Starfire: Agreed friend Horsea. This tangy yellow beverage goes great with them. (SLURPING)

Ace Ukiyo: Uh Starfire that's mustard.

Starfire: Is there more?

Robin: (laughs) Starfire really loves mustard!

Me: She sure does.

Qin: Yeah.

Camie: Yeah she does.

Nico: I personally like ketchup.

Me: Different strokes.

Nico: Yep.

Ed: Who brought the tartar sauce?

Maria: Not me

Eddy: Shut up Ed.

Me: Now for the fun part.

Qin: The Anothers.

Eli: We got Another Flame Stag, Timmy Turner, Celtic Predator, Mekanorimon, Magmion, Electriri, and Sunturion.

We gasped!

Me: Another Timmy too!?

Timmy Turner: Oh man!

Nico: So Heat Man, AncientGreymon, Agunimon, BurningGreymon, Aldamon and EmperorGreymon.

Xenia: Yep.

Eli: And I sense the Anothers minus Flame Stag and Timmy are 6 people.

Me: Whoa!

Nico: There they are!

We saw Another Celtic Predator, Mekanorimon, Magmion, Electriri, and Sunturion!

Me: Here we go!

Qin: Yeah!

Camie: This is gonna be cool.

Another Celtic Predator: (In a girls voice) It sure will.

They merged and turned into 6 girls. They were the gene-slammers of Lunar, Solar, Umbra, Ash, Solwing and Sunhawk!

Nico: (GASP) Mira Luna, Saya Solar, Yulia Umbra, Eleanor Eagle, Sunny Sunhawk and Sahara Ash!

Me: WHOA! The gene-slammers of Lunar, Solar, Umbra, Ash, Solwing and Sunhawk.

Eleanor Eagle: That's right. Awesome to see you again Nico.

Yulia Umbra: Yeah. Looking great.

Nico: Thanks girls. Good to see you all again.

Sahara Ash: Same here.

Me: By the way girls are the Another Flame Stag and Timmy Turner friendly or hostile?

Mira Luna: Friendly but the Another Timmy has a score to settle with Timmy's parents.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Spring abundant holoél

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait

Qin: I wonder what kind of beef the Another Timmy has with Timmy's parents.

Nico: Yeah. Wait look.

We saw Timmy's parents coming and THEY WERE MANGLED AND BEATEN UP TO WITHIN AN INCH OF THEIR LIVES!

WE GASPED!

Camie: HOLY CRAP!

Me: Jumping Peanut Sticks! What happened to you guys!?

They fell to the ground and spit out teeth and blood.

Qin: Man someone REALLY DID A number on them!

Timmy Turner: Who did this mom and dad!?

Nico: Did a wild dog attack you guys?

Me: Looks like a bunch of rabid wolverines did this.

Mrs. Turner: (Weakly) It was...

Mr. Turner: (Weakly) she.

Varie got to healing them

We saw Another Flame Stag and Another Timmy!

Me: WHOA!

Another Timmy screamed in ballistic rage and Another Flame Stag held it back.

Another Flame Stag: (GRUNT) (In a girls voice) NOW THAT IS ENOUGH!

Me: That voice!

They reverted back and it was the Embodiment of Boonboomgers and a female version of Timmy as old as Icky Vicky.

WE GASPED!

Me: Taiyou Boonboom!

Timmy Turner: And Carla!?

Taiyou Boonboom: Awesome to see you J.D.

Nico: The Embodiment of The Boonboomgers! That is cool!

Me: And she has an explosively powerful fiery personality.

Flame Stag: Like me. That is cool.

Carla Turner: I WILL KILL THOSE IDIOTIC PARENTS OF OURS FOR HURTING TIMMY!

SHE WENT AT THEM AND TAIYOU HELD HER BACK!

Taiyou Boonboom: Yeah she has been REALLY WANTING to kill her parents for the idiocy they did.

Me: GEEZ!

Nico: No kidding!

Me: Yeah.

Nico: Carla, before you beat them up again, can we talk to you for a bit?

Carla Turner: Sure. But make it quick.

Nico: Okay, they have it coming. No argument there. But they've been punished enough

Mariah Demeter: That's right. They were punished more than enough for everything they did especially because of my mother Demeter the Goddess of the Harvest. They were punished more than enough.

Camie: That's right.

Me: Icky Vicky is dead thanks to us and was given the Black Abyss. That spawn of Satan had it coming. But they were punished more than enough. As you saw over the last couple of years how many of our enemies were punishing them right?

Carla Turner: Yes I did.

Me: Good then we don't need to explain it.

Kaito: (gets out Donbrothers gear) Did Swartz promise you anything?

Zocks: Because we can grant it instead. Zenkaiju gear!

Kaito and Zocks got weapons from Donbrothers and Zenkaigers and they donned their Zenkaiju Armor.

Me: I think it's pretty obvious. Revenge.

Taiyou Boonboomger: On Carla's part but not mine. I took Carla and we got out of there in a huge explosion.

Nico: Wow! Explosive.

Me: Yep.

Sougo: (gets out Donbrothers Ridewatch) Dark Laser is actually pretty cool

Geiz (gets out Zenkaiger Ridewatch): So is Foop.

Sougo got DonMomotaroArmor while Geiz got ZenkaizerArmor

Me: The only ones that deserve death are Crocker and Icky Vicky. We got half of that done with killing Vicky.

Varie: We sure did.

Me: Francis is not worth our time.

Camie: Yeah.

Nico: Yep.

Lincoln: Lets separate you first.

We did so.

Me: Lets do it.

Nico: (gets out Flame Stag's Ridewatch) Buddy, you're fucking fired

May: (Gets out Mekanorimon's ridewatch) Taste this. (Echoing) TWIN BEAM!

She fired a wave of red energy.

Maria: (Gets out Electriri's ridewatch) I am electrified.

AncientGreymon: (Gets out Celtic Predator's ridewatch) You're one UGLY motherfucker!

They used the powers of Flame Stag, Celtic Predator, Mekanorimon, Magmion, Electriri, and Sunturion and blasted them.

Overdrive Ostrich, Nanosec, Another Kabuto, Ms. Doombringer, Space Mutant (The Simpsons) and Bebe (Kim Possible) then came.

Me: Whoa!

Nico: Nice team Overdrive Ostrich!

Overdrive Ostrich: Thanks Nico.

Ms. Doombringer: So you must be the older Turner sibling.

Carla Turner: Ms. Doombringer? Wait is that you?

Ms. Doombringer: Wait it is you Carla!

They went and hugged!

Me: They must've gone to school together long ago.

Carla Turner: Yes we did. Ms. Doombringer was my teacher in Dimmsdale Elementary.

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Mastermind: It's true. She told us

Me: Wow!

Nico put his skeleton back.

Nico: I hate it when that happens! But that is crazy!

Qin: Yeah!

Me: What did you learn under her?

Carla Turner: She taught me how to be agile and fight with speed and skill and use my skills to beat up Crocker and many villains like him. She HATED Crocker as much as I do.

Nico: Wow!

Laney: Well Crocker will get what's coming to him.

Me: I hope Anti-Monitor brought him back so I can kill him again.

Qin: Yeah!

?: That would be cool.

2 Deramon came.

Me: 2 Deramon? Whoa!

Nico: Wow!

Deramon 1: (In a girls voice) (Irish Accent) Nice to see you Nico lad.

Nico: Saoirse McMurphy! Wow!

She reverted back and was a girl with orange hair, green eyes, green and white clothes and had green angel wings a new crest in the middle of her forehead, and had Deramon on her skirt and shirt and had Ireland's coat of arms on her arm and had a green digivice and a green sword.

Saoirse McMurphy: Good to see you Lad. We got this.

They fired waves of energy and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Qin: Awesome!

Me: You're one of Ireland's Digidestined. I can tell because of the Ireland Coat of Arms on your arm.

Saoirse McMurphy: That's right lad. And it's good for the luck of the Irish to help out.

Timmy: If I knew you were friendly towards Carla, I would've just talked you down in the past

Wanda: Aw don't be upset about that sport. You didn't know Carla was around back then.

Timmy Turner: You're right

Deramon: That was still a fun battle though.

Camie: It sure was.

Varie: Yeah. Ireland's Digidestined is also the Gene-slammer of her partner Digimon.

Xenia: Yeah.

Nico: What are the odds?

Me: Astronomical probably.

AncientGreymon: Do you have any favorite memories of Nico?

Saoirse McMurphy: When me and Nico battled a bunch of Meteormon running around in Dublin. Not a good sight it was.

Ebonwumon: (Irish Accent) So a bunch of Meteormon were running around in Dublin too.

Me: Not even the Emerald Isle was safe from the International Digimon Skirmish.

Nico: Nope. But after that was done me and Saoirse had an awesome Shepherd's pie feast.

Luna Loud: That's Mick Swagger's favorite dudes.

Nico: Yep.

Nico and Saoirse hugged.

Nico: I've missed you.

Saoirse McMurphy: Same here lad.

We went back home.

We're going to destroy the enemy of Lincoln and The Loonatics: Carly Kasady, the descendant of Cletus Kasady A.K.A. Carnage, and just like her ancestor, she's a dangerous bloodthirsty serial killer who enjoyed killing, torturing, and slaughtering innocent people for her own amusement and she also enjoys seeing their lives run out. She's no angel, she's THE DEVIL TIMES INFINITY AND JUST AS HORRIFIC AS HER ANCESTOR! And, just like Scoots, she did the worst thing that all of Lincoln's Guardian Angels absolutely despised: she murdered Adrianne Acmetropolis, Avatar of The Loonatics and Defender of Acmetropolis, and she even murdered Adrianne's parents when she was five, just so she can see their lives run out. She crossed The Moral Horizon years ago, but what she did murdering Adrianne Acmetropolis earned her the wrath of Lincoln, his Guardian Angels, and The Loonatics, who swore if they ever saw that psycho bitch again, they were going to kill her. Now, we're going to destroy her for good, and damn her to The Black Abyss forever.

Lincoln: Ah, we're here in the Acmetropolis sector of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we are in for one brutal battle.

Ace Bunny: I already know what's in store: we're finally going to destroy Carly Kasady, the descendant of Cletus Kasady A.K.A. Carnage.

Lexi Bunny: She's not getting away with what she did killing Adrianne Acmetropolis like that, she was our sister and Lincoln's future wife and Guardian Angel, and she's got her blood on her hands!

Tech E Coyote: And now that we got rid of Cletus Kasady for good, now we can get rid of Carly for good. Yesterday, when the news hit of his death, she went ballistic.

Me: Whoa!

Nico: Damn!

Rev Runner: We forgot to mention this, but she worshipped her ancestor like he's some sort of God, she's insane.

Lincoln: And here's how we're going to deal the ultimate insult to injury on her, we'll show Carly Kasady her ancestor's head with his eyes, tongue, and mouth torn out, and we're all going to say, this is what we're going to do to you. When Carly sees this, she will severely go ballistic, because she worshipped her ancestor like he's some sort of God. So, this will be the ultimate insult to injury, and to make it even more of an ultimate insult to injury, we're also going to take turn in thrashing her with some very very deadly weapons we'll pack with us: machetes, knives, guns, machine guns, bazookas, you name it.

WE GASPED!

Me: That...is...!

Nico: Pure sadistic, I love it!

Heat Man: That is really an awesome idea, if she loves inflicting pain and taking lives away, we'll see how much she loves it when the shoe's on the other foot!

Lincoln: Exactly, Heat Man.

Adrianne Acmetropolis: I also want in on this as well. That monster murdered my parents and killed me and tore a part of your soul and the souls of Ace, Lexi, Tech, Slam, Rev, and Duck in the process, she deserves the worst kind of pain there is.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Crystal Heart, she has a water greatsword in hand and with her are the eight girls.

Lincoln: (GASPS) Coral Westbrook, Gene-Slammer and Avatar of Marincess Crystal Heart.

Coral Westbrook: That's right, and I got the girls away from that psychopathic serial killer bitch, and she's out to kill you all!

Lincoln: Let's get her, gang, this is where she dies here and now.

We headed out, and we saw our target: Carly Kasady, the descendant of Cletus Kasady A.K.A. Carnage.

Carly Kasady: (LAUGHING LIKE A FUCKED-UP INSANE PSYCHOPATH) MORE PLAYTHINGS FOR ME TO SLAUGHTER! PERFECT!

Then, Lincoln took out the severed head of Cletus Kasady that was mangled up from Cargill blasting him with his eyes, tongue, and mouth torn out, and when Carly Kasady saw it, she went ballistic!

Carly Kasady: NO! NO! HOW DARE YOU DO THIS TO THE GREAT CLETUS KASADY! HOW DARE YOU ALL!

Lincoln: This is exactly what we're also going to do to you, Carly, you murdered Adrianne Acmetropolis' parents when she was five.

Me: That's right! We killed your fucked up ancestor! And you will join him shortly!

Adrianne Acmetropolis: And you also killed me as well, you psycho bitch, but guess what, I'm now back from the dead.

Carly Kasady: And you will die once again, I will enjoy slaughtering you and watching the life in your eyes go out again! (LAUGHING LIKE A FUCKED-UP INSANE PSYCHOPATH)

Me: YOU'RE FUCKING INSANE!

Ace Bunny: (FINALLY SNAPPED) GO TO HELL, CARLY!

The Loonatics blasted Carly Kasady hard with energy blasts and elemental blasts.

Then, Lincoln fired fire and sound blasts that removed the Carnage symbiote from Carly Kasady and it was destroyed and sent to The Black Abyss. Then, we also took turns with slashing Carly Kasady with machetes and knives, and blasted her with guns, machine guns, and bazookas. Finally, Lincoln, Girl Jordan, Adrianne Acmetropolis, and The Loonatics slashed off Carly Kasady's arms, legs, and finally, Adrianne Acmetropolis slashed off her head, and Lincoln sent her to The Black Abyss. We cheered as we holstered our weapons and powered down.

Ace Bunny: That's for every last victim you murdered along with our sister, you heartless psychopath.

Lincoln: May you and your ancestor burn forever in The Black Abyss. (To Coral Westbrook) And it's so good to see you again, Coral.

Coral Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Coral Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Coral Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Coral Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Coral Westbrook and hugged her, and Coral Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Coral Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Coral Westbrook, Gene-Slammer and Avatar of Marincess Crystal Heart, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Crystal Heart. She's the seventh eldest sister of The Westbrook Sisters, and she's the kindhearted defender of The Marincess Water Princesses. Lincoln met Coral Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Coral kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Coral hates Hawk and Hank with a blazing passion, because those stupid, ape-brained, moronic buttfaces polluted Lake Huron by dumping a dumptruck full of sewage into the lake, and she was laughing cruelly like the bastard they were, and enraged because of their behavior, Lincoln and Coral blasted them with water and they even electrocuted them, and Hawk and Hank got so mad, she called Coral a fish-faced bitch and they said that they hope that Coral dies in a pool of her own blood and they'll dance on her remains and skin her alive and eat her heart. The audacity and utter malice of his threat made Lincoln see red, and he blasted those gorillas so hard with two massive blasts of water, he sent them flying into the Royal Woods Police Department, and when the rest of the family heard Hawk and Hank's threats along with seeing what they did, everyone went to the jail and they beat them up so horribly, he was left as bloody messes with black eyes, broken arms, broken legs, missing teeth, and three lumps on their heads, and they turned to leave, but not before Luna gave them the finger, and that sent Hawk and Hank into total psychotic tailspins of rage as they banged on the bars of their cells and screeched like gorillas!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what the two gorillas did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: Varie almost got that close to tearing Hawk and Hank a new one, and you almost tore them apart from what I remember, J.D., and now that you're here, Coral.

Lincoln with his massive muscular arms still wrapped around Coral Westbrook leaned his head down the right side of Coral Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Coral Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Coral Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Coral Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Coral Westbrook.

Coral Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Coral Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Coral Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Coral Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Coral Westbrook: (In Heaven) My God.

Then, we went up to the eight girls, and when Lincoln saw them, he immediately recognized them, the eight girls are Vivi the Vampire from Brain Dead 13 and Asami Kaga, Asuka Kagohara, Kaori Irie, Miho Nakatani, Natsumi Wakou, Rie Kurakazu, and Saori Furuya from Happy Hospital.

Lincoln: Oh wow, it's Vivi the Vampire from Brain Dead 13 and Asami Kaga, Asuka Kagohara, Kaori Irie, Miho Nakatani, Natsumi Wakou, Rie Kurakazu, and Saori Furuya from Happy Hospital.

Nicole: Wow. Oh, and Vivi is an incredibly beautiful vampire and has a southern belle accent, and with you being a vampire too, Lincoln...

Lincoln: Right. Are you girls okay?

Vivi the Vampire: Yes, we're okay, thanks to you, sugar.

Then, when Vivi the Vampire and the other seven girls saw who it was that saved them from Carly Kasady, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild white hair going to the length of his shoulders with colored phoenix fire ombre streaks on the back of his hair and the front strands of his hair and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his

Vivi the Vampire: (Seductive Voice) Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Vivi the Vampire: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Vivi the Vampire, Asami Kaga, Asuka Kagohara, Kaori Irie, Miho Nakatani, Natsumi Wakou, Rie Kurakazu, and Saori Furuya with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home, and everyone was shocked to find out that the villain we went after was none other than Carly Kasady A.K.A. Lady Carnage, the descendant of Cletus Kasady A.K.A. Carnage.

But, when Lincoln showed what we did in trashing that psychotic serial killer bitch and Lincoln, Adrianne Acmetropolis, Girl Jordan, and The Loonatics slashing off her arms and legs, and Adrianne Acmetropolis slashing Carly Kasady's head off and Lincoln sending her to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Coral Westbrook have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that psycho bitch. You and The Loonatics feeling okay now?

Lincoln: We are.

Nico: I still couldn't believe that fucked-up bastard also has a descendant, disgusting.

Me: Honestly, the Kasady family is one SERIOUSLY FUCKED UP FAMILY!

Lincoln: They're on the same level as Dustin Keystone's family. Oh no, this also means that miserable fuckweed, Dustin Keystone, and his entire family are also back as well.

Caleb Maxwell: If we face them in the future, you'll kill them all like last time.

Nico: But, this time, they're getting The Black Abyss.

Selene Arcangela: After everything Dustin's done in bullying Lincoln and tried to kill him in the past, along with what he and his fucked-up parents did to Mia Addison's parents, he and his entire family more than deserve to be sent there.

Cage Blunt: We looked at their crime files, and I'm really disgusted at them.

Travis Tackett: Seriously, you haven't done anything to provoke that jerk, Lincoln, he's such a bastard.

Lincoln's Guardian Angels: We know.

* * *

After Lincoln and all of us destroyed Carly Kasady and sent her to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Coral Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Coral Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls

to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adria, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Coral Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Coral Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and

going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Travis Tackett got out a video.

Lincoln: What's this one, Travis?

Cage Blunt: Uh oh, this one's from a day after Caleb's infiltration into The Spotted Leopard, but this one is Allie's meeting with The Big Claw Gang. Of course, that also meant her brother was going to show up.

Casey Antonio: And she also ran into you as well, Cage.

Travis Tackett put up the video, as it played on the big screen, and we saw it: New York in the day time, and we saw Allie Maxwell walking in the city.

Past Allie Maxwell: Another day in the city of New York. Hopefully, it'll remain that way, and that Drake doesn't show his face again.

Suddenly, Allie Maxwell sees Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, and Nekome of The Big Claw Gang, and dressed in normal clothes.

Past Allie Maxwell: Looks like you guys made it here on time.

Past Carla Claw: We did. None of the cops suspected a thing, nor has your ex-older brother, Drake.

Past Hex: And I don't see your brother, Caleb, anywhere. Eh, he might be asleep.

Past Allie Maxwell: My brother's no vampire I assure you, Sarah.

Nico: She knew that all too well.

Caleb Maxwell: Yes, and she knew of my run-ins with Cage and Travis. She may have been ten at the time, but she soon figured everything out.

Past Panther: Aw, too bad, I would've wanted to go another round with him. At least, he's finally putting up a good fight.

Allie Maxwell grabbed him by the collar of his shirt and forced him to look her in the eye.

Past Allie Maxwell: (Glares at Panther) Don't even think about it, tough guy.

Allie Maxwell let go.

Past Panther: Yeesh, aggressive much, aren't you.

Past Carla Claw: (Snickers) You're definitely Caleb's sister.

Allie Maxwell joined them at a table and ordered some food.

Past Patch: Luckily, today's Saturday, and you don't have school. But, aren't you a bit worried your mom's going to find out?

Past Allie Maxwell: She found out about each of your stories, and she felt sympathy for all of you.

Past Nekome: (Japanese Accent) And what of your brother, Caleb?

Past Allie Maxwell: I did overhear him say that he couldn't do it last night. Wait, I heard a rumor that someone snuck into The Spotted Leopard yesterday?

Past Crowe: Yeah, someone snuck in, and we saw an orb of...dark energy head for us, and I shot it.

Past Shroud: Ah, shit, the guy who snuck into The Spotted Leopard last night was Caleb!

Past Allie Maxwell: My brother snuck in there last night?

Past Nekome: (Japanese Accent) The only way we would've found out it was him was the smell of death in the air.

Sally Gamble: (British Accent) But, he hadn't slaughtered anyone last night.

Past Mad Cat Max: Damn it, so it was Caleb who snuck in last night. But, he didn't even attack us and he managed to stay out of Panther's sight. Is he playing games with us?

Past Allie Maxwell: My brother's not that kind of person, yes, he's screwed up thanks to what that loser, Drake, did years ago, but...! But, he's still the same person I knew all those years ago.

Past Chester: He appeared normal, yes, but thanks to what Drake did, he turned into a dark and vengeful person. I know you wanted to believe it, Allie, but your brother has a darkness in him due to what Drake did.

?: YOU FUCKING BITCH!

Past Allie Maxwell and The Big Claw Gang: Oh, for God's sakes, when are you going to give it a rest, Drake?!

Suddenly, they saw Drake Maxwell heading for them, and he was really out for blood. But, then, he got hit in the left shoulder by a bullet.

Past Carla Claw: Was that Caleb?

Past Allie Maxwell: It wasn't.

Suddenly, they saw Cage Blunt arrive and shot Drake Maxwell in the left shoulder, along with Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, and Abby Smith who surrounded Drake's only way out.

Past Carla Claw: (To herself) The cops.

Past Allie Maxwell: Cage, you really saved us.

Past Cage Blunt: I should've known you'd show up here, and don't even bother, I made sure to call the rest of the squad here to cut off your escape. Drake Maxwell, you are under arrest for charges of drug trafficking, weapons trafficking, weapons violations, extortion, racketeering, murder for hire, money laundering, murder, and for the murder of Caleb Maxwell eight years ago.

Past Jack Howard: Now, either you come quietly or we're gonna have to get rough with you.

Past Drake Maxwell: SCREW YOU, ASSHOLE! I HOPE YOU AND YOUR GIRLFRIEND BOTH DIE ON THE STREETS!

?: Crude and disgusting as always, but you chose those to be your last words, now, it's time for you to die.

Past Cage Blunt: Oh crud.

Then, Caleb Maxwell appeared as a tornado of darkness erupted from nowhere.

Past Allie Maxwell: Yep, Caleb's here. Now, things are about to get super ugly.

Past Drake Maxwell: Fuck you, bitch!

Drake Maxwell fired at Caleb Maxwell who took to the air, and he shot at the bastard with his twin pistols as he let out a load of swears and curses. Then, Drake Maxwell tried to run off but Caleb Maxwell raised his pistols and he shot Drake Maxwell in the leg, but Drake Maxwell managed to escape, and he got out of the line of fire. By then, The Big Claw Gang had left and Caleb disappeared.

Past Allie Maxwell: Great, a lunch date ruined by my former ex-brother, Drake, showing up to kill me again. Doesn't he know when to quit?!

Past Cage Blunt: Sorry, Allie, but you know Drake's still out to kill you, and of course, that's just going to also attract Caleb's attention once again.

The video ended.

Roxy Drake: Allie was in a pretty sour mood that day because of Drake showing up again, and that also led to Caleb also showing up, and she almost attacked her brother.

Cage Blunt: But, we made sure to compensate Allie with a nice dinner at a nearby pizza place in Manhattan.

Lincoln: Was she really in a sour mood in having a pleasant lunch date getting ruined by Drake?

Caleb Maxwell: She was, and I almost got punched in the nose, thank goodness I was taller than her and I was quick with my reflexes.

Marlene Maxwell: Not to mention you went in a portal that led to Cage and Travis' apartment where you stayed there until Allie cooled off.

Allie Maxwell: I knew Drake was out to kill me again, and Caleb was out to kill him once more, but he had some nerve doing that in the daylight, how messed up.

Me: What a bastard.

Nico: Honestly, a bastard like him thinks he's so brazen and bold, they can do whatever the hell he wants. But, we did see how messed up he was thanks to him taking drugs after he'd been kicked out of his role in The Syndicate, he was like a drug addict times infinity.

Luna: He really really needed to be put down.

Laney: Or someone else was going to get hurt bad.

We got a shower, and then, Lincoln, Universe 666 Ranke. Universe 666 Kamira. He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Ranamon: I might've guessed Angewoman, Rosemon, AncientMermaimon, Kinkakumon, and Lillymon also had feelings for Linky.

Jenna: You guys had no trouble at all.

Icateztol: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Time to go back to Ruined Kingdom.

Me: You know I'll go for that one.

Ash: Me and Pikachu and Davis will go.

Davis: Yeah! This will be awesome!

Me: Oh yeah!

Nico: Lets go!

We went into the simulator and it activated and we were at Ruined Kingdom!

Nico: Awesome!

Ash: Wow!

Nicole: You guys are gonna get a good laugh out of the next baddie you're going to face. He's at the tower where you fought Lightning Lord.

Me: Nice!

Pikachu looked around.

Pikachu: Pika.

Ash: I know. This place is horribly messed up.

Nico: Lets head for the tower then.

We were off.

We flew and then landed on the tower and there we saw REUBEN!

Me: Reuben! So you are the baddie?

Reuben: That's right! I'm going to get revenge on Mung!

Davis: Says you Piggie!

Me: Yeah! Time for the pig to become my prey! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON! 🌙

Me: (HOWLS)

Nico: The Predator has been unleashed!

Me: Yep. RELEASE THE WOLF! (HOWLS)

(WOLF BLOOD BY ADRIEN VON ZIEGLER PLAYS)

I was enveloped in a massive vortex of blue fire and then I went at reuben and kicked him in his face and grave him a nasty front wedgie!

Davis: Get him, Veemon!

Veemon: Right! V-HEAD BUTT!

HE BASHED HIM IN HIS FACE AND BROKE HIS NOSE!

Qin: OUCH!

Me: Watch this one.

I used the Abarangers Gear and got Trent's quill.

Me: You like the Anvil Chorus?

I drew LOTS of Anvils and then they fell in Rhythm to The Anvil Chorus!

ANVIL CHORUS PLAYS!

CRASH! CRASH CRASH CRASH CRASH CRASH! CRASH!

HE WAS SQUISHED FLATTER THAN A PANCAKE!

Ash: Get him Pikachu!

Pikachu: Pika CHUUUUUUUUUUU!

HE FIRED A MASSIVE BLAST OF LIGHTNING AND ELECTROCUTED REUBEN ALL OVER!

Me: How about this too?

I drew coconuts and then...

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

11 coconuts bashed Reuben on his head!

Patrick: (LAUGHS) That guy got hit on the head with 11 coconuts! (LAUGHS)

Davis gave him a wet willie

Reuben: EW!

Me: Hey Reuben you know what's worse than nails grinding on a chalkboard?

Reuben: What?

Me: THIS!

LOUD CRUNCH!

I CRACKED MY KNUCKLES LOUDLY!

Ed: WHAT A PEST!

Edd: That's disgusting.

Ed: MAKE HIM STOP!

Reuben: AAAAAAAAAAAAHHH! THAT HURTS! IT HURTS!

Ash stomped on his foot!

LOUD CRUNCH!

Reuben: OOOOOOOOOWWWWW!

Nico formed 2 Frying Pans and then.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

HE BASHED HIM ON HIS HEAD NUMEROUS TIMES!

Then a blast of stars and wind blasted Reuben and knocked him down.

We saw the gene-slammer of Jirwolf and the embodiment of Wind Crowrang!

Nico: Jianna Jirwolf!

Jianna Jirwolf: Yep. Awesome to see you Nico.

Vixen Crowrang: And Vixen Crowrang, Embodiment of Wind Crowrang is here.

Tom Major: Wow!

Raimundo: Awesome to see you Vixen.

Vixen Crowrang: You too Tom and Raimundo. Been a while.

Nico: (gets out Sunstroke and Flame Stag's Ridewatches) Time to get burnt by the sun!

He activated them and fired waves of fire and blasted that pork head.

I fired waves of blue fire, Ash and Pikachu fired lightning blasts and Davis and Veemon fired lasers and energy and Jianna and Vixen fired waves of wind and stars and we blasted him down.

Nico: Take that you porkface.

We high five!

Nico: How did you meet Tom and Raimundo?

Vixen Crowrang: I met him and his friends when they were having trouble with Krystella. I gave that nasty bitch a punch to her face and knocked out some of her teeth.

Sarah Gunnerson: That was after she dumped chum all over me.

Nico: YUCK!

Me: Yeah.

Vixen Crowrang: And I met Raimundo when he and his friends were battling Jack Spicer. I destroyed all his Jackbots and gave him the worst wedgie ever.

Jack: AND I STILL AM FEELING THE PAIN FROM THAT!

Nico: Yeowch!

Me: And Jianna what's your favorite memory of Nico?

Jianna Jirwolf: When me and Nico were watching the stars in the wolf reserve of my family and it was cool.

Nico: Yep.

Me: Cool.

Nico and Jianna hugged.

Nico: I've missed you.

Jianna Jirwolf: Same here.

Me: Would you two like to join us?

Vixen Crowrang: We would be honored.

We left the simulator and we cheered wildly.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Alyeen Solis: Roger, what are you doing?

Roger Smith: Licking cocaine. And before you say anything, it was given to me. I didn't steal it!

Maria: Roger, who gave this to you?!

Roger Smith: I'll get back to you on that after I lick the rest of this cocaine.

Jamesdean5842: Oh so you want to play rough huh Roger Smith. (Takes a pencil) Well this is what you get for messing with cocaine.

Roger was turned into shoe heel that said First Class Heel on it.

Roger Smith: WHAT THE!?

He was then turned into a Donkey with the word Jack on his butt!

Hayley Smith: Oh my god! What's happening to you Roger?!

Jamesdean5842: You like many personalities? How about a Dirty Skunk?

He turned Roger into a stinky smelly skunk!

Roger Smith: WHY AM I TURNING INTO THESE!?

He then turned into a Crab!

SNAP SNAP SNAP SNAP SNAP!

Then a Duck with his face on its butt!

QUACK QUACK!

He turned into a football.

Then a guy in a fire hydrant costume and a dog whimpered as he was about to pee on him.

Roger Smith: WHY IS THIS HAPPENING TO ME!?

Crag: This what happens when you incur the wrath of the Author of this story.

Jamesdean5842: Yep. Next time Roger, I will turn you into a pile of protoplasmic slop if you lick drugs again.

Nico: Roger, I got a worse punishment for you than getting turned into slop or getting kicked off the team.

Roger Smith: What's that?

Caroline Hellstrom: Being Stan's maid for a week. But right now, please tell us who gave the cocaine and crack to you!

Roger: Okay okay! I was given it by a man dressed in a Santa costume.

Nico: What!?

Me: I think I know what's going on. It's the Work of The Druggie Santa! He's a notorious drug giver that gives kids Crack, Cocaine, Heroin and more. He is wanted in 7 seven states over the course of 5 years. 30 people died from him.

Poromon: Such a nice day. Right, guys?

Poliwag: You said it!

May: It sure is nice outside.

Manaphy: i love it mama.

Horsea: It sure is awesome.

Then they saw a bunch of kids fighting!

Manaphy: Look, it's Santa!

Santa Guy: Ho ho ho! Would you kids like some presents?

Horsea: Don't mind if we do!

May was very suspicious. It's not Christmas. It's the middle of February.

They opened the presents and in them were DRUGS!

May gasped!

Manaphy: These are strange presents

May: Those are drugs!

Mascots: DRUGS!? CUTIE ATTACK!

The mascots jumped the phony Santa and knocked him down!

Poliwag: You want to know what we think of your presents?

Manaphy: Yeah!

Santa Guy: Do you like them?

Poromon: Here's our answer! (SHOWS HIM THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

SANTA GUY SCREAMED IN FRIGHT!

Santa Guy: WHAT THE FUCK IS THAT!

Manaphy: YOU LOOK AT IT!

Santa Guy threw up!

Poliwag: YOU LOOK AT IT!

Santa Guy: IT'S TORTURE!

Horsea: LOOK AT IT!

SANTA GUY SCREAMED!

Tentacool: LOOK AT IT!

Jirachi: LOOK AT IT!

Mevya: LOOK AT IT!

Hoppip: LOOK AT IT!

Emolga: LOOK AT IT!

Eevee: LOOK AT IT!

Rattata: LOOK AT IT!

Gatomon: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

HE SCREAMED IN FRIGHT AND HIS SANTA COSTUME POPPED OFF AND WE ARRIVED AND SAW HIM!

Me: (GASP) I don't believe it! Connor Ronnson! Another old enemy of mine.

He was curled up in a fetal position and shaking in extreme fright!

Dirt Boss: Holy shit. What's wrong with those kids?

Varie: They all have Cocaine, Heroin, Crack and Ecstacy in them. Call their parents now!

I slapped the cuffs on Connor.

Nico: They used the trailer on him.

Qin: That is funny and fitting.

Nico: Wait you know this guy?

Me: Yep. Connor went to our school together with me and Allie, Brittney and Sakura back then. But he was expelled for bringing crack cocaine to school and they sent him to prison. His parents thought it was okay. But it wasn't. They got their parental rights terminated and they were sent to prison for life. Leaving Connor to be the states problem. NUMEROUS Foster homes wouldn't take him. He was sent to live in an orphanage.

Nico: Geez! Well he is still doing drugs again.

Punch: You should be ashamed! Disgracing Santa by selling drugs!

Me: I agree!

Connor Ronnson: (Quivering and shaking) YES I'M SORRY! JUST SEND ME BACK TO PRISON! I'M SO SCARED! I'M SCARED!

Poromon: Next time we'll show you the trailer again! And make it your ULTIMATE NIGHTMARE! LOOK AT IT!

Youngblood: Ho Ho Ho, asshole!

Nico: Yeah!

Me: You're spending the rest of your miserable life in prison.

Sheila: Without a doubt he will get the chair.

Camie: Good riddance.

They took him away.

Later we went back home.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, The Nega Chin, he's come back from the dead and he's causing havoc once more. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is something that's really going to piss us all off: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, The Nega Chin, he's come back from the dead and he's causing havoc once more.

WE GASPED IN HORROR, AND AS SUCH, WE WERE PISSED OFF!

May: ARE YOU FUCKING KIDDING ME?!

Wanda: I thought you destroyed him and Nega Timmy in Vigrid last year.

Lincoln: This has Anti-Monitor written all over it. But, we're not going to banish him to The Black Abyss, just like I did with Brainiac, I'll turn the tips of my tails into Cell's stingers, stab him in the chest and absorb his powers reducing him to a mere toothpick, and we'll send him straight to prison forever.

Nico: Nice one.

Me: That's perfect. So, where's he at, Lincoln?

Lincoln: He's in Dimmsdale.

Timmy Turner: Where it all began long ago.

Nico: And it's where he'll meet his end. Alright, team let's go, this is the last and final time we ever have to deal with The Nega Chin.

Lincoln: This time, he's going to be locked away for all eternity.

Me: Yep.

The previous group came.

Multiple Man: Can me, 2016 Morbucks, King Shark, Boomerang, See More, Xaldin, Abra Kadabra, Eccentro, Devack, and Spymaster go with you guys?

Nico: Yes you all can come with us.

Qin: We're going after Nega-Chin next.

Me: Aw man I wanted to go after Crocker.

Nico: Well I guess he is being saved for later.

RD Clyde: Nico, which Gene Slammer do you think you'll meet next?

Nico: RedVegiemon next.

Me: Ooh! Those were sour.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Jazz Jackson, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Cage Blunt: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Cage: the figure we saw was Jazz Jackson's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and she's coming after us.

Jazz Jackson: Uh oh, and I know how she's linked to Caleb's nightmares: one night, as we were going after Mad Cat Max and Patch, I'd run into Caleb Maxwell again, and I ordered him to drop his weapons, but he fired a blast of darkness at me, and we got into a fight, and I shot him in the right shoulder, but he survived it and removed the bullet, and then, he unleashed pure Hell on me as he fired darkness blasts and bullets at me, and when he ordered me to attack him more, he had an unhinged insane look in his eyes, it was like looking into the eyes of The Devil himself.

Me: Jeez.

Nico: Oh boy.

Caleb Maxwell: I know, I should've approached this in a better manner, but with my insane anger towards The Syndicate and me acting like a monster, that didn't go well.

Nico: Ooh, I can bet. Alright, team, let's go, this is the last time we deal with The Nega Chin.

Lincoln: This has been a long time coming, but now, this is where we take down The Nega Chin once and for all, and once we get done with that monster, we're confronting the next of Caleb's nightmares.

Jazz Jackson: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Dimmsdale to finally deal with The Nega Chin and once Lincoln strips him of his powers, we'll throw him prison forever, and once we got done with that monster, Jazz Jackson is going to face her Demon Blood Influenced self: the demons from the night she encountered Caleb Maxwell.

We were off to Dimmsdale

We arrived.

Me: Dimmsdale.

King Shark: Good to be home. Right, Carla?

Carla Turner: Yeah if you can call it that.

Bubble Man: What do you mean?

Carla Turner: This town is filled with nothing but stupid morons! Besides mom and dad, they had Mr. Crocker who was a fucked up insane monster that should have never been a teacher in the first place, Icky Vicky who was a psychopathic heartless evil monster witch that should have been thrown in jail the moment she was born, Francis who always beat up Timmy, Betty and Garry who were too paranoid about safety and there's ALL SORTS OF ENEMIES! This whole place was a hellhole! I hated this place ever since mom and dad hired Vicky! I hated it!

See-More: Okay, so this place had its downsides. But it had its upsides too.

Me: And you don't have to worry about Icky Vicky anymore. She's gone for good.

Timmy Turner: Yeah sis. She's gone forever. The Black Abyss.

Carla Turner: Good. I'm glad that's one obstacle out of the way. But I still want the rest done and gone. Francis can go into the M.O.E. Later on.

Me: Well okay. Yeah he's not worth it.

Carla Turner: You're right. But only after I kick his butt for all the pain he caused to Timmy.

Brad Morton: And Dark Laser has more then proven himself. Me and Rotwood can actually tell you that from experience.

Carla Turner: I heard about that. Look guys, I'm not upset at either of you. I'm upset at this whole town! And you know why?

Nico: Why?

Carla Turner: Because of my stupid mom and dad leaving my little brother at the hands of that this hellhole! Because of them I FAILED To keep my promise to protect my brother! I promised to always be there for him and their stupid idiotic antics ruined that! I WILL NEVER FORGIVE THEM FOR THAT! I VOWED THAT I WOULD KILL THEM AND MAKE THEM PAY FOR HURTING MY BROTHER!

Abra Kadabra: What about Trixie and the others?

Carla Turner: I'm not talking about them. I know how much Timmy loves Trixie and I'm happy that they are boyfriend and girlfriend. I just want my parents to suffer! I want them to feel the same pain they put Timmy through! I can never forgive my parents for everything they put Timmy through! What they did is nothing short of the ultimate stab in the back! Because of their idiocy they abandoned me and forgot about me! And left me at Adrenaland and left Timmy to suffer at the hands of those monsters! I will never forgive them for everything they did! I HATE THEM! I HATE THEM SO MUCH! I HATE THEM WITH THE INTENSE FURY OF A THOUSAND SUNS! I JUST WANT THEM DEAD!

WE GASPED IN SHOCK!

Me: Carla don't say things like that!

Joe Swanson: Whoa whoa whoa! Carla lets talk about this! Sure you can hate your parents now but like Nico said they were punished more than enough.

Chaor: Hey, we're not asking you to forgive them right away. But all we're asking is for you to get that they've been punished enough. And if it makes you feel better, you can hate Crocker more.

Me: That's right. Crocker hates my guts and has been a massive thorn in our side ever since I started Team Loud Phoenix Storm. I hated him for a long time ever since the Alliance was formed.

Nico: Yeah. If it makes you feel better, take your rage out on Crockerfucker. He had it coming.

Me: Things weren't always that bad Carla. Timmy had Cosmo and Wanda and Poof to take care of him.

Wanda: That's right Carla. We are Timmy's Fairy Godparents and have been there for him since the beginning.

Cosmo: Yeah it's true.

Poof: Yeah.

Red X: And we found out Gary and Betty had a good reason for their actions.

Me: They lost their daughter in a train accident. They were paranoid because they didn't want to lose anyone else like they did their daughter. I resurrected her and they are happy again.

Superman: Besides, Chester and AJ were there for Timmy as well.

Me: Same with Sanjay, Elmer, Trixie, Tootie and Mark Chang.

Nico: Yeah. He knows many people not just in Earth and Fairy World but also on Yugopotamia.

Me: And in the comics too. Like the Crimson Chin, Crash Nebula and many more.

KRABOOOOOOOOMMMM!

Jorgen Appeared.

Me: Jorgen. Wow.

Jorgen: (Arnold Schwarzenegger accent) Sorry about the scare everyone.

Lola: No worries.

Jorgen: And I might be the Toughest Fairy in the Universe and Fairy World. But I've also been there for Timmy. Heck, I even made the very rules that got him Cosmo and Wanda

Me: It's true.

Jorgen: Okay, your parents might have hired Vicky. But it's not like they directly made Timmy miserable.

Nico: Besides they are idiots.

Me: Not Peter Griffin stupid but they are smart enough to have jobs.

Homer: Like me

Bart: Yeah They were stupid as Homer. (LAUGHS)

Homer: WHY YOU LITTLE!?

He strangled Bart.

Nico: Besides, VICKY was cunning, manipulative and evil and sweet-talked her way into them.

Lily used a tazer and zapped Homer.

ZAAAAAAAPPPPP!

Lily: Sorry.

Homer: No worries. I meant that I might not be very smart but I still could get a job!

Me: Yeah.

Carla Turner: Okay I get the idea. But I'm not ready to forgive my parents yet.

Me: Like we said, you don't have to forgive them right away. Sure they did wrong but it wasn't on purpose.

Nico: Yeah.

Carla Turner: Okay.

Me: But let them work to earn your forgiveness

Carla Turner: Okay.

Me: Good.

Lincoln then had a premonition.

Lincoln: WHOA! I know who the Akuma is we're facing. His name is WarTimmy. The Hypothetical Akuma of Timmy Turner and is a robot war fortress that is designed to tear apart all of his enemies. He was made because of him snapping under the intense abuse he endured under all of his enemies. He vowed to hunt them all down and DESTROY ALL OF THEM! Franciis, Crocker, Icky Vicky, Dark Laser, all of them and he will kill ALL OF THEM

WE GASPED!

Lincoln showed us his sketch and it looked like Pumpkinator but with Timmy's face and he was ready for war!

Me: Whoa! He looks like a pumpkin version of Firepower.

Nico: Yeah.

Sasame Fuma: We should call Madame Masque.

Me: I agree.

We did so.

Madame Masque came.

Madame Masque: I'm here guys.

Me: Cool.

Devack: I have to admit Timmy looks badass like this

Me: Like a Pumpkin version of Firepower.

Camie: Yeah.

Timmy Turner: I sure do look awesome.

Qin: Yeah.

Stingmon: We should expect a lot of weapons

Me: Yep.

Eli: He's coming this way. I sense him.

Nico: Lets not keep him waiting.

We went to face him.

Eccentro: Is that him?

We saw WARTIMMY!

Me: There he is!

Qin: Wow!

Timmy Turner: Boy I look AWESOME!

Cosmo: You sure do Timmy!

We went up to him.

WarTimmy: Awesome to see you all here.

Me: I got to say Timmy, you look badass in this form.

WarTimmy: It's nice isn't it. And it's equipped with everything.

He showed us LOTS OF WEAPONS! He had lasers, grenades, bombs, missiles, cannons, machine guns, flamethrowers, lightning cannons and more.

Me: WHOA! That is FULLY Loaded!

WarTimmy: Yep and I also have an amazing pie dispenser.

He gave me a blue raspberry vanilla pie.

I ate it.

Me: Mmm! Blue Raspberry Vanilla! Delicious!

Xenia: That is spiffy!

Nico: Wow no kidding!

WarTimmy: I give my friends awesome pies.

Nico: Cool!

RD Sam Sharp: Timmy? You still remember us, right?

WarTimmy: I always will and love you guys Sam. You are my awesome friends. But Icky Vicky and al those jerks have to go.

Me: That we can agree on. But Icky Vicky was given the Black Abyss. She is gone forever.

WarTimmy: Good. I see you all have Vicky's nice self.

Me: Yep.

Carla Turner: Now this version of Vicky I can handle. She makes really good tea.

Xaldin: Timmy, you need to calm down.

Me: Yeah most of your enemies are in the M.O.E. Except for Imaginary Gary and Crocker. They are still at large.

Camie: Yeah.

WarTurner: I see. But not till Crocker and Gary are gone!

Me: Then you leave us no choice. (Finishes pie) Mmm! (Gulp) Delicious pie though.

I fired a blast of energy and blasted WarTimmy.

Madame Masque charged at him And bashed him down.

Lola fired waves of fire and blasted him.

WarTimmy: My turn

He fired a massive barrage of missiles and lasers!

Me: (ECHOING) TERRA FORCE!

I formed a huge energy ball and it sucked in the missiles and made the ball stronger and then I threw the ball and blasted WarTimmy down and he was knocked out.

Me: That was good pie though

Itachi Uchiha: Now, where's Crimson Chin?

POW!

A figure came flying by us and I caught him and it was THE CRIMSON CHIN! HE WAS BRUTALLY MANGLED UP!

Me: WHOA! Crimson Chin!

Nico: You okay?

Crimson Chin: Yeah. Nega-Chin is here.

Eli: He's up ahead.

Me: Perfect. Now I can test this out.

I formed VAMPIRE LAMPREY MOUTHS ON MY HAND!

Nico: WHAT THE FUCK IS THAT!?

Me: It's something I acquired while modeling off of Parasite. It's called Power Leech. It sucks out all powers and makes them my own.

Nico: WHOA!

Me: I actually modeled it after Parasite and Michael Morbius.

Qin: That is cool!

Lola: It sure is.

Boomerang: (Australian Accent) Mate, do that to him after we weaken him with the combos.

Me: Sorry but no can do. I heard from Timmy how he got the drop on Mighty Mom and Dyno Dad and sucked out all of their powers when they were caught off guard. But I'm not going to let the same thing happen to us.

Camie: I get it! Suck out all of his powers and he'll be easy pickins.

Me: Bingo.

Nico: All right then.

Michael Morningstar: Like how I used my powers as Darkstar.

Me: Exactly. And it has the same kind of power too.

Qin: That is cool.

Lola: Yep.

Nico: Lets get to finding him.

Qin: Right.

Eli: He's up ahead.

Me: Okay.

Headstrong: Entrance time!

We went at him.

Nega-Chin laughed malevolently.

Then the spirits of the heroes of the world came and swirled around him and then converged and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and a phoenix cry was heard and we came out.

Me: Okay Nega-Chin! Time for some buttkicking!

Timmy Turner: Your time has come!

Nega-Chin: What a treat. All of you and me alone!

2016 Morbucks: Just for that comment, I think we'll have some fun with you before we suck you dry!

Me: First how about a friendly handshake?

Nega-Chin: Uhh sure.

He took my hand and then...

ZAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

I was sucking out all of his powers like a leach and a vampire.

Nega-Chin: WHAT ARE YOU DOING TO ME!? LET ME GO!

I WAS SUCKING ALL HIS POWERS OUT!

HE TRIED TO BREAK OUT BUT IT WAS HOPELESS FOR HIM! He was sucked dry of his powers and made permanently powerless!

He was as weak as all get out!

Nega-Chin: (Weakly) What did you do to me!?

Me: I sucked out all your powers and made them my own.

I showed my hand.

Me: You fell for it doofus! You may be the Crimson Chin's evil self but you are still a stupid lame-brained moron!

Nico: YEAH!

Me: Now to finish what Timmy started back then. (SNAPS FINGERS)

I snapped my fingers and Timmy's mom and dad turned into MIGHTY MOM AND DYNO DAD!

Mighty Mom: OH YEAH! Time for some punishment!

Timmy: GO MOM AND DAD!

Mighty Mom fired a heat vision blast and Dyno Dad fired an Atomic Ray blast and they blasted Nega-Chin.

Then they punched him with incredible force and smashed him into a wall!

Mismagius charged at him And blasted him all over with magic blasts.

Lola: YEAH!

Timmy Turner: Awesome!

2016 Morbucks charged at him and fired fire blasts.

?: Well, you need not look any further.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

A figure came out, and it was none other than Jazz Jackson's Demon Blood Influenced form: she looks exactly like her, but with black sclera and blood red iris.

Jazz Jackson: So, you're here, and the demon look isn't a good look.

Demon Blood Influenced Jazz Jackson: You can't get rid of me that easily, I'm part of you.

Jazz Jackson: Yes, you're a manifestation of the day I encountered Caleb, but this nightmare ends here and now.

Suddenly, Jazz Jackson was surrounded by a very massive vortex of black and blue energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a dark blue phoenix with blood red eyes with blue ring glaring at her Demon Blood Influenced self: the blood red eyes of eternal death and eternal judgement and the blue ring of understanding.

Then, as the vortex faded, Jazz Jackson emerged, but she was changed forever.

Caleb Maxwell: Just trust them, Jazz, you've never dealt with someone under the influence of Demon Blood before, so you're gonna need the help of a vampire to accomplish that task.

Travis Tackett: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) He's right, we've dealt with this before, since we were the ones who made the dumb mistake drinking demon blood.

Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Alright. Let's do this.

Jazz Jackson, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Jazz Jackson, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Jazz Jackson, and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords leaving painful scars on her, and they even scratched her with their gold-plated dragon claws and they smashed her all over the place with their superhuman strength, and it was making Demon Blood Influenced Jazz Jackson even more enraged.

Demon Blood Influenced Jazz Jackson: H-how?! How is this even possible?!

Caleb Maxwell: It's because Jazz is no longer weighed down by what happened back in the past, and I forgave her for the time I exposed my darker nature to her that night.

Jazz Jackson: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my dedication to the police and protecting everyone in need.

Demon Blood Influenced Jazz Jackson saw it and smiled.

Demon Blood Influenced Jazz Jackson: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Jazz Jackson faded away, but not before giving Jazz Jackson a gift: her powers and abilities added to her own.

Jazz Jackson: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Jazz Jackson, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Jazz Jackson's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen black and blue planets orbiting around her legs and fifteen black and blue smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized black and blue planets orbiting around her wrists and ankles, longer red tail, and massive light brown angel wings and four sets of larger light brown angel wings underneath her massive light brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Jazz.

Jazz Jackson: That's right, just like Blunt and his old man, the captain, Carter, Jack, Roxy, and Tackett, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Delta Westbrook, Gene-Slammer and Avatar of Marincess Great Bubble Reef.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Delta Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess

Great Bubble Reef. She's the middle sister of The Westbrook Sisters, and she's the scholarly genius of The Marincess Water Princesses. Lincoln met Delta Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Delta kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Delta hates Flip with a blazing passion, because that stupid, smelly, mutated, ape-brained, cheapskate polluted Lake Huron by dumping a dumptruck full of rotten nacho cheese that was also soaked in his feet into the lake, and he was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Delta blasted him with water and they even electrocuted him, and Flip got so mad, he called Delta a fish-faced bitch and he said that he hopes that Delta dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison, and when the rest of the family heard Flip's threats along with seeing what he did, everyone was mega enraged, they went to the prison and they beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Flip into a total psychotic tailspin of rage as he banged on the bars of his cell and he screeched like the hairy gorilla that he is!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR!

Nico: Oh my God! Of all the rotten, vile, evil things that stupid mutant did.

Luna: Yep, you heard right, dude.

Laney: We really despised that mutant for what he did dumping a dumptruck full of rotten nacho cheese that was also soaked in his feet into the lake, and he was laughing cruelly like the bastard he was.

Leni: But, what he did in calling Delta a fish-faced bitch and he said that he hopes that Delta dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison.

Lana: And when the rest of the family heard that mutant's threat along with seeing what he did, we were mega enraged, and we went to the prison and we beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Delta, and her sisters in cleaning up Lake Huron, and then, we went home and we also went to the prison and we brutally thrashed him even more.

Lincoln: Ooh, and I have another Mixel Max Gene-Slammer that we'll be meeting on your rescue tomorrow, Nico: Luna Ludenberg, Gene-Slammer of Mega Murp.

Rurika Matsumoto: I knew it was her next, and you guys are going to love meeting her, she's Lincoln's Guardian Angel from Japan and classmate in Math, and she's also an incredible fashionista, and she's the twin sister of Celestia Ludenberg, and she has white hair and white clothing. She and Lincoln one time made an ever expanding castle capable which can not only house Lincoln, but also her and even every member of Lincoln's harem as well as Lincoln's kids. Lincoln made Luna and Celestia black and white bikinis, and to show thanks, they kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age he will marry the Ludenberg sisters along with the rest of his harem, and she hates Minoru Mineta with a blazing passion.

That got the attention of Izuku and the others.

Lincoln: Oh boy, I knew that was going to be the expression you guys were going to have: when we meet her tomorrow, she's going to share with us something the Mixels have found when they were sent to spy on Minoru by Rurika: some really interesting info on Minoru Mineta that'll also get the attention of us along with Izuku and the others.

Nicole: Is there any other info on him that we in The Anti-Pervert Patrol needs to hear?

Lincoln: Like I said, that's for tomorrow, Nicole.

Nico: Uh oh, I can bet it's not good.

Me: Same here.

Gameface: This time, Nega Chin's going to jail.

Fireor: And he was defeated as the main target.

Stratos: About time.

Me: Yep.

Ice Demon: I wonder if there's a restaruant still open here.

Mojo Jojo: I hope they have bananas.

Me: Plenty of restaurants.

Nico: Yep. Great job everyone.

Crimson Chin: (To the viewers) Now the Nega-Chin's name is now mud.

Me: Yep.

We went to a good restaurant and had fun and then went back home and enjoyed the rest of the day before going to sleep.

THE END

Nico: Quicksilver, are you glad your family's back together?

Quicksilver: We sure are Nico. And it's great we're helping everyone.

Me: We're happy for you and Wanda, Pietro. And that was still so awesome how you got everyone out of the mansion as it was exploding.

Nico: That was REALLY Fast!

Camie: Yeah!

Quicksilver: Yeah it was awesome.

Maria: Yeah, that's just one of the days where the X Mansion gets blown up.

Me: Yeah! Boy Pietro when you moved that fast time just literally stopped.

Xenia: Yeah!

Quicksilver: That was the fastest I've ever gone. And good thing I was in the area.

Me: Alex Summers A.K.A. Havok blew it up.

Nico: That was an accident. But that was intense.

May: Lori does something similar to that sometimes

Lori: You're literally right on that. Not proud of it. But yeah.

Quicksilver: That was awesome though.

Me: But that was awesome though.

Quicksilver: Yep.

Girl Jordan was making out with Lincoln.

Me: Aww.

Xenia: They are so happy.

Me: Yeah. Girl Jordan is just happy that Carnage and his evil family are all dead.

Xenia: Good riddance.

Lola: Yeah.

Camie: Yeah.

Carla Turner was crying.

Carla Turner: (Crying) Timmy I'm so sorry.

Nico: Carla, why are you crying? We defeated Nega Chin yesterday.

Me: Nico she's still upset because she couldn't be there for Timmy.

Nico: Oh yeah.

Timmy hugged her.

Timmy: Carla it's okay. I know it was because of mom and dad's idiocy. But it's not your fault.

Carla Turner: But I failed you Timmy. I don't deserve to be called your sister after everything you went through. Mom and dad left me behind. Sure it was a mistake but I can never forgive them for the things they did. (Crying)

Timmy comforted her.

Me: Poor Carla.

Nico: She really blames herself for all that doesn't she?

May: But at least we made Nega Chin powerless

Me: Yeah.

Lincoln: Let me talk to her. Sarah, Varie, Jeri you better come with just to provide support.

Sarah Tinsley: Okay.

Varie: I think I see what you are gonna do.

Jeri Katou: I agree.

They went over.

Lincoln: Carla listen. There are others among us that know how you feel.

Varie: I never endured anything you went through. But I know how you feel to be abandoned. My parents were murdered from mermaids from the Dark Side of the Legend and for 10,000 years I lived to brig those monsters down. i know how you feel about that.

Sarah Tinsley: My father was a RUTHLESS serial killer and he brutally abused and hurt me. It was awful. I wanted to make sure he got sent to prison but I was too scared to stop him. He threatened my life and destroyed my reputation and made me an outcast amongst everyone.

Jeri Katou: And I know how you feel too. My mother died of a terminal illness and I swore to never let anyone take her place. I pushed my stepmother aside and never gave her the chance. I once thought like you to get back at my dad before too. But not anymore.

Spiderman: I don't even remember much about my own parents

Me: You never told us about much of your parents Peter.

Spiderman: Well that's because they died in an airplane accident.

Me: Oh man. I'm sorry Peter.

Spiderman: It's alright.

Nico: But we understand your point.

Spiderman: Yeah.

Carla Turner: I'm sorry guys. i'm just so racked with guilt.

Me: It's not your fault Carla. But your mom and dad have been punished more than enough.

Nico: Exactly.

Me: Yeah. But like we said, take your time. You don't have to forgive them right away. Time heals all wounds.

Camie: Yeah.

Carla Turner: I know. Even though the damage was done, it's gonna take some time. But I'll try.

Camie: Okay.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a yellow planet and it had 3 moons.

May: We're here.

Me: Wow!

Nico: Lets get to landing.

We got to landing and then we landed and later got out and we saw that the planet was A NACHO CHEESE PLANET WITH CHIPS!

Me: A Nacho Cheese Planet with Chips all over!

Nico then went crazy!

Nico: CHEESE!

Nico dove into the cheese!

SPLORF!

Nico loved it.

Nico: (SLURPS)

I ate some chips and cheese.

Me: (CRUNCHING AND MUNCHING) Mmm! Wow! Spicy and delicious.

Qin: (Eating) Mmm! Wow!

Missy Rodgers: Wow! Delicious! (Eating and crunching)

Nico: My cheese! Get your own!

Me: Nico what did we say about sharing?

Poromon: Yeah Nico! Plenty for us all! (Eating and Crunching) Mmm! It's good!

Nico threw a glob of cheese and it hit May in her face.

SPLAT!

May licked it off.

May: (Slurps) Yummy!

Qin: It's good huh?

Me: It sure is. Hey guys what do you get when you cross a computer with a swimming pool?

Lana: We don't know!

Luan: What do you get when you cross a computer with swimming pool?

Me: Chips and Dip! (RIMSHOT)

EVERYONE LAUGHED HYSTERICALLY!

Nico: That was funny!

Qin: (LAUGHS) YEAH!

Me: (LAUGHS) Yeah this world made me think of that one.

Qin: (LAUGHS) Yeah!

Camie: That was funny!

Luan: (LAUGHS) Good one J.D.!

Eddy: (LAUGHS) That was a funny one!

Maria ate chips.

Maria: (Crunching) Mmm! Good!

Qin: Yeah!

Me: At least it's not a rotten cheese planet. Ed would like that.

Eddy: Damn right he would!

Me: Yep.

Ed: "Stinky hat."

Edd: "You've got a repulsive, fermenting detachment of cheese in your pocket, Ed."

Ed: "Stinky hat."

Edd: "Odiferous curd coat."

Ed: "Stinky hat."

Edd: "Rancid Roquefort wrap!"

Ed: "Stinky hat!"

Edd: "PUGNANT PARMESAN POCKET!"

Ed: "Oh, yeah? STINKY HAT!"

Edd: "COAT OF CANTANKEROUS CAMEMBERT!"

Ed: "STINKY HAT!"

Eddy: "SHUT UP! BOTH OF YOU!"

Nico: (Slurps) All right you two break it up!

Nicole: Yeah!

May ate chips.

May: (Crunching and munching) Mmm! Delicious.

Me: They sure are.

Lola: Yeah!

Horsea: (Eating) Yep.

Nico came out and got the cheese off him by licking it off.

Qin: Nice.

Lincoln: Okay, gang, we're in for one really brutal battle: we're here on the planet made of nacho cheese and chips, but we got bad news: I got word from Nick Fury that his old enemy, Roland Elexton, is here, and he wants revenge on Nick Fury.

Me: (GASPS) ROLAND ELEXTON?! WHAT THE FUCK?!

Then, Elena Elexton appeared.

Elena Elexton: I never thought I'd have to hear from him again.

Nico: You guys know him?

Me: Unfortunately, I do, he's not only Nick Fury's old enemy, but he's also the stepfather of Elise Elexton and Elena Elexton.

Elena Elexton: And he's the one that made Elise into who she is. He's the reason why Elise is the monster that she is today.

Eli: Oh man.

Then, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase arrived.

Jack Howard: We also took a look at Roland Elexton's file, and he's just as bad as Elise going back thirty years ago.

Me: I knew that as well, Dad told me all about it.

Elena Elexton: Same here, but it doesn't change our mission for The Ridonculous Race: The Dark Gale organization will be taken down, and I'm going to send Elise to The Black Abyss.

Lincoln: We should send Roland to The Black Abyss, Elena, to make sure Elise sees that this is the same fate that awaits her.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and her minions have brought back Hatchiyak, Demigra, Towa, Mira, Fu, Hearts, Morro, Cumber, Hatchiyak, Demigra, Towa, Mira, Fu, Hearts, Moro, Cumber, Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime, and that insane she-demon sent them after us.

Lincoln: You've got to be kidding me! Morgana, you little...!

Eli: Lincoln, what is it, is it one of Morgana's minions?

Lincoln: Afraid so, Eli, and it's not good: it appears that Morgana Midnight Sparkle and her minions have brought back Hatchiyak, Demigra, Towa, Mira, Fu, Hearts, Moro, Cumber, Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime, and that insane she-demon sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's skeleton came out.

Qin: Oh Lord, I can't believe them!

Nico put his skeleton back inside.

Nico: I hate when that happens. I can't believe it, that insane she-demon brought Hatchiyak, Demigra, Towa, Mira, Fu, Hearts, Morro, and Cumber back, Lincoln, I hope you absorb them.

Lincoln: That's what I'm going to do.

Lori: I had no idea Elena's stepdad was the very person responsible for turning Elise into the monster that she is, but it doesn't change what'll happen to her in the future.

Lincoln: But, we'll get rid of Roland Elexton for good, and I'll put his severed head in a scroll, so when we face Elise, we'll show it to her and it'll show her that she's next.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Roland Elexton) AHA! Gotcha! I just spotted Roland Elexton, he's 20 yards away, but he's already heading for us, he must've found out Nick Fury's here and he wants his revenge. (Sensed Hatchiyak, Demigra, Towa, Mira, Fu, Hearts, Moro, Cumber, Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime) And I just spotted the next of Morgana's puppets.

Nico: Let's go pay Elena's stepdad a visit, and then, send him on his way to the grave.

Becca heard a Pokemon cry.

Becca: Look here!

We saw a Sandile!

Me: A Sandile! Cool!

Nico: Nice!

Iris: Like the one we know.

Me: Yep.

Becca: Must be a hungry one too.

She gave her apples.

Sandile: Thank you very much.

She was eating them.

Becca: Want to go with us?

Sandile: Sure!

Me: Cool!

Nico: I feel there's something that needs to be done first

Nicole: Like what?

Me: LOOK OUT!

An energy ball flew in and I deflected it and it hit something and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It blasted the figure out and it was a Mewtwo!

Me: WHOA! Mewtwo!

Nico: Mewtwo!

Missy: Like me!

Me: Wow!

Mewtwo: I sense something is human about this one.

Eli: I get a feeling that it knows you Twilight.

Twilight Sparkle: Let me see.

She used her telepathy and gasped!

Twilight Sparkle: Stellar!?

Starshine Sparkle: Stellar!? Our sister!?

Nico: This is gonna be difficult

Me: Oh boy.

Twilight Sparkle: J.D. you better help me with this!

Me: Right!

Me and Twilight flew up to her.

Me: Stellar!

Twilight Sparkle: Stellar can you hear me?

Nico: Um... can Mewtwo Pokemon even roar?

Mewtwo: No I can't. I only speak telepathically.

Me: It's one of the strong silent types.

I fired waves of energy and blasted her.

She fired a powerful Energy ball and I fired an energy ball and the blasts collided and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: WHOA!

Missy Rodgers: WOW! That is powerful!

Me and Twilight fired a powerful energy blast and blasted her all over.

Nico: YEAH!

Me: Now for this.

I snapped my fingers and she fell and reverted back and was a girl with light purple hair and a magenta streak and had purple eyes and had Mewtwo in the middle of her forehead and had a blue version of Twilight Sparkle's Cutie Mark on her arm and she had purple angel wings.

Me and Twilight flew and grabbed her and wrapped her in a blanket and we brought her over.

Nico: Wow! That was intense.

She woke up.

Stellar Sparkle: (Groans)

Twilight Sparkle: Stellar?

Stellar Sparkle: (Groans) Twilight? (GASP) Twilie!

She hugged her.

Twilight Sparkle: I'm so happy you're okay sis.

Stellar Sparkle: Me too sis. I heard about everything that happened and I'm so proud of you. Wow. Princess of Friendship. That is amazing.

Me: It sure is. Twilight and her friends have been a very amazing and great addition to the team ever since we met them during the Great War with The Royal Defenders.

Stellar Sparkle: I've heard all about that. I'm so proud of her and her friends.

Nico: Asking how you met Twilight would be silly, would it?

Nicole: Yes it would.

Me: You were turned into a Mewtwo by Dark Gale.

Stellar Sparkle: (GASP) I remember.

She was in a dark purple suit and strapped to a table and injected and the she busted out and turned into Mewtwo! She flew out.

FLASHBACK ENDS.

Stellar Sparkle: It was awful.

Me: I know.

Nico: What's your role in your spy team?

Stellar Sparkle: I'm the master of magic and the psychic of the team.

Me: Wow.

Stellar Sparkle: And outside the team I'm a librarian. I work at the library.

Me: Cool. Twilight loves the library.

Stellar Sparkle: I know.

Stellar held her blanket tight.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her a blue shirt, blue skirt, star socks and blue boots and she looked great.

Stellar Sparkle: I look amazing.

Nico: You sure do.

Qin: Yeah.

Nico: Now, where were we?

Me: We were going after Roland Elexton.

Nick Fury: I got some beef with that motherfucker.

Me: Me too Director Fury. Save seconds for me on that motherfucker.

We then took off into the air and we set out to kill Roland Elexton, along with Hatchiyak, Demigra, Towa, Mira, Fu, Hearts, Moro, Cumber, Dr. Wheelo, Dr. Kochin, Ebifurya, Misokatsun, and Kishime, and send them all to The Black Abyss.

We were flying in the air, and we spotted our target: Roland Elexton, and he was really out for Nick Fury's blood.

Lincoln: There's Roland Elexton. Now, to show him the true meaning of pain.

Lincoln fired many orbs of colored energy with elements from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Roland Elexton, and they hit him and he got hit badly, and that pissed him off super badly as we landed, especially when he saw me and Elena Elexton again.

Me: I should've known you'd show your ugly face here again, Roland.

Roland Elexton: I will never forgive you for what you did throwing my daughter in prison fourteen years ago! (NTH DEGREE ENRAGED SCREAM) SHITHEAD KNUDSON! I WILL MAKE YOU PAY FOR WHAT YOU DID WITH YOUR LIFE!

Elena Elexton: YOU SHUT UP!

That silenced Roland Elexton.

Elena Elexton: Even after we sent Elise to prison fourteen years ago and threw you out of the house, you're still the same despicable excuse for a man who came into our lives and turned Elise into the absolute monster bitch that we all despise. You think you can just come back in and try to get revenge on Nick Fury and on us for throwing Elise in prison?! You're not getting away with this!

Lincoln: You've lived for far too long, and now, we're going to make sure you get what you truly deserve: death.

Me: Starting with this.

POW!

I punched him in his face and kicked him in his stomach and punched him in his chin!

Nick Fury punched him in his face and kicked him in his face.

Me: Take that you motherfucker!

Nick Fury: You have no right to breathe air again you motherfucker!

Qin: That is for sure!

Xenia: Yeah!

I punched Roland in his face!

Me: Because of you, you turned one of your stepchildren into a monster that's out to destroy the entire planet!

Roland Elexton: Good! EARTH CAN GO TO HELL! AND YOU ALL CAN DIE WITH IT! (LAUGHS MANIACALLY!)

Allie Maxwell fired bullets at Roland Elexton, and he got hit hard, and he went ballistic to the core!

Black Widow: Alright, now it's my turn to take care of you for good, and this is going to serve as a prelude to what'll happen to Elise in March.

Suddenly, Black Widow's green eyes turn neon green and she was surrounded by a red and black energy aura with stars, fire, flames, darkness, black widows, phoenixes, and angels, she unholstered her greatsword, and as she approached Roland Elexton, she left red and black energy, stars, fire, flames, darkness, black widows, phoenixes, and angels with every step.

Black Widow: You just don't even know when to stop causing trouble, do you, Roland? But, I knew it was only a matter of time before you showed up again, SHIELD has been keeping an eye on you ever since Elise Elexton had been arrested fourteen years ago, the same with the Colorado police. But, I can tell you this: your days of running loose are over, and forget about spending life in prison, I've got a special kind of punishment for you.

Suddenly, Black Widow was surrounded by a massive vortex of red and black energy with stars, fire, flames, and darkness surrounding the vortex, there are black widows, phoenixes and angels flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Roland Elexton: the blood red eyes of eternal death and eternal judgement.

Me: WHOA!

Nico: Uh oh, now he's really done it!

Lincoln: Roland's not going to stand a chance against Natasha, she's one of the most skilled agents of SHIELD while he's just a lowlife, but still, he's gonna fight. So, we're going to have to put him down immediately.

Then, as the vortex faded, Black Widow emerged, but she was changed forever.

Black Widow grew to 8'5" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large red and black planets planets orbiting around her legs and she has fifteen smaller red and black planets planets orbiting around her waist, she has the body of a goddess, she has black highlights in the bangs of her long red hair and black phoenix fire ombre streaks on the back and she now has a large gold halo in the center with gold angel wings on the bottom behind her head with red and black crescent moon gems embedded in it and four large orbiting gold rings on each corner with embedded red and black crescent moon gems in them, she has neon green eyes and a red and black energy aura with stars, fire, flames, darkness, black widows, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all the elements swirling around it, she has the symbol of Black Widow surrounded by a phoenix and angel emblazoned on her forehead and Third Eye with green iris, she has on spider earrings with green gems for eyes and holding the Star, Fire, Dark, God, Xelnaga, and Eternity Kanjis in its claws, she has on a Crystal Necklace of The Buddha with red gems in the gold crescent moon links and black crystal links and black and red black widow spider-shaped Element of Harmony and on the bottom of The Element of Harmony is a spider with red gems for eyes and holding the Star, Fire, Dark, God, Xelnaga, and Eternity Kanjis in its claws for the pendant and white and gold accented choker on her neck. Black Widow has on her signature black bodysuit and long white sleeveless trenchcoat with stars, fire, flames, darkness, black widows, phoenixes, and angels and on the back is the symbol of Black Widow and SHIELD and a phoenix and angel surrounding them and they're surrounded by flames and darkness and silver

28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a red gem with neon glowing red lights equipped with recognition of her and fits an infinite number of items and components for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Black Widow felt a sharp pain on her back, and then, massive red angel wings with black tips on the large red feathers grew and sprouted out her back with a wingspan of 50'0" and medium sized red angel wings with black tips grew and sprouted out underneath her massive red angel wings with a wingspan of 40'0" and small sized red angel wings with black tips grew and sprouted out underneath her medium sized red angel wings with a wingspan of 30'0" and another set of red angel wings with black tips grew and sprouted out underneath the small sized red angel wings with a wingspan of 20'0" and another set of red angel wings with black tips grew and sprouted out underneath the new red angel wings with a wingspan of 10'0", Black Widow has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern Ring on her left finger and Stone of Gelel embedded in her left hand, and she has on black fingerless gloves with a red phoenix and red angel on them and she has gold-plated armor on her fingers and gold dragon claws covering her fingers and smaller planets orbiting around her fingers like rings and she also now has medium sized red and black planets orbiting around her wrists and ankles.

Suddenly, Black Widow's massive greatsword and all the greatswords and swords he'd gotten began merging together, and they're surrounded by a kaleidoscope of red and black energy, stars, fire, flames, darkness, black widows, phoenixes, and angels, and when it emerged, it was transformed into Natasha Romanov's True Cosmic Eternal Harmony Darkness Inferno Fire Fury SHIELD Black Widow Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Darkness Inferno Fire Fury SHIELD Black Widow Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded red and black gems and the symbol of SHIELD and Black Widow etched on the 8'5" massive, wide, double-edged gold blade, large gold black widow heads with red gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity

Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold phoenix heads with red gems for eyes and on the bottom of the large gold phoenix heads is a large black widow head with red gems for eyes and red gem in its mouth for the pommel, Black Widow has on his new large gold Bracers of The Champions of The Universe with red gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on the left gold Bracer, large gold Elemental Belt of Eternal Bravery with gold phoenix head with red gems for eyes and red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver and Crystal Saber holstered on his left hip. Lincoln, Black Widow, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Roland Elexton, and we fired extremely powerful blasts of rainbow energy, red and black energy, black and blood red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Roland Elexton and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Black Widow, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really making Roland Elexton even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Roland Elexton, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Roland Elexton.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Roland Elexton's stomach and a cluster of flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 8'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln swung his massive greatsword and fired a wave of rainbow energy, which hit Roland Elexton and he was incinerated into ashes and his spirit was sent to The Black Abyss for good. Everyone cheered wildly as we holstered our weapons and we powered down and Black Widow's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen red and black planets orbiting around her legs and fifteen red and black smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized red and black planets orbiting around her wrists and ankles, and massive red angel wings and four sets of larger red angel wings underneath her massive red angel wings are permanent.

Me: Good riddance forever, you fucking piece of trash!

Elena Elexton: And when we get to The Ridonculous Race, Elise will also be joining you as well.

Rarity: That uncouth monster deserves it. So, are you going to introduce us, Lincoln?

Selene Emperyous: Leave that to us, the white-haired girl is Luna Ludenberg, Gene-Slammer of Mega Murp, she's Lincoln's Guardian Angel from Japan and classmate in Math, and she's also an incredible fashionista, and she's the twin sister of Celestia Ludenberg, and she has white hair and white clothing. She and Lincoln one time made an ever expanding castle capable which can not only house Lincoln, but also her and even every member of Lincoln's harem as well as Lincoln's kids. Lincoln made Luna and Celestia black and white bikinis, and to show thanks, they kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age he will marry the Ludenberg sisters along with the rest of his harem.

Lincoln showed us the variety of clothes that she and Lincoln made, along with the castle and the clothes were amazing, along with the castle.

Rarity: My word, the clothes you've designed are truly beautiful, along with the castle!

Twilight Sparkle: Incredible, that castle is just like the castles of Equestria!

Selene Arcangela: And it's also full of ten-story tall shelves of books on spellbooks and every single subject around the world, and this is something that'll get the attention of you and your friends, Izuku: she hates Minoru Mineta with a blazing passion.

That got their attention quick.

Izuku: Can you tell us why?

Lincoln: Hope you're ready for what we had found out. Eight years ago long before Nanette's missions to your world began, we sent some of the Mixels to spy on Minoru Mineta, and we'd found out that Minoru is a pervert.

WE GASPED IN SHOCK, AND THE ANTI-PERVERT PATROL WERE PISSED OFF!

Nicole: WHAT THE FUCK?!

Michelle Emperyous: When we found out about it, we were pissed! Plus, for the second girl, her story also proves how much Lincoln despises perverts, and we also found another piece of information on Minoru, the red-haired girl is Callie Snow, Gene-Slammer of Frosticon, she's Lincoln's Guardian Angel from Michigan and classmate in Science, and she's the twin sister of G1 DCSHG Killer Frost, but they have different hair and clothing: Callie has red hair and red clothes, but she also has ice powers as well. She and Lincoln made a massive ice sculpture collection one time during winter. Lincoln made Callie Snow a red snow bikini, and to show thanks, she kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry Callie Snow along with the rest of his harem, and she hates Minoru Mineta with a blazing passion, the reason why is because that pervert once tried to steal her undergarments only for Lincoln to beat the crap out of him.

Lincoln showed the photo of what he did to Minoru Mineta by beating the absolute shit out of him: tearing pieces of his hair off, giving him two black eyes, smashed out a couple of his teeth, punched him in the stomach, and broke his arms and legs!

Me: HOLY SHIT!

Nico: DAMN!

Nicole: HOLY ENCHILADAS! Lincoln, you really are a vicious beater of perverts! I think I might need to make you a second-in-command for that, and can you also ask the other Mixels Max Gene-Slammers to also join in as well?

Lincoln: Of course!

Vorya Emperyous: Nice. Oh, but while Minoru Mineta escaped while injured, he left a clue as to who helped him get into U.A. High School. Selene?

Selene Emperyous got out a journal that belonged to Minoru Mineta, and she turned to one page, and we found out the person who helped Minoru Mineta get into U.A. High School despite that his Quirk was not useful for destroying robots, especially during the entrance exam was none other than another of Lincoln's hated enemies from eight years ago, a callous, perverted, excuse for a human being named Jacob Daniels.

WE GASPED IN PURE HORROR, AND WHEN LINCOLN SAW THE NAME, HIS DEEP SAPPHIRE BLUE EYES TURNED BLOOD RED WITH FURY!

Lincoln: So, that's who it was who did this?! Jacob, you son of a...!

Nico: Who's Jacob Daniels?

Selene Arcangela: He's another one of Lincoln's hated enemies from eight years ago, he's a callous perverted excuse for a human being. So, he was the one who got Minoru in, but it was in fact part of a plot to have him kidnap all the girls and sell them to the worst kinds of people everywhere: drug kingpins and mobsters, and not only would it to be for financial gain, but if he also spotted Lincoln's harem, he would have all of them kidnapped, raped, and murdered, just to see his heart break, and he'd also kill him as well, he's the worst kind of human scum there is on the planet.

WE WERE MEGA PISSED OFF!

Me: THAT MOTHERFUCKING ASSHOLE!

Nicole: WHEN WE GO TOMORROW TO UA HIGH SCHOOL, JACOB DANIELS IS GOING TO DIE!

Lincoln: And Minoru, you're going to be in for a lot of trouble, so brace yourself! And it's so good to see you both again, Callie and Luna.

Callie Snow: You too, Lincoln.

Luna Ludenberg: It's been a good seven years since we last met.

Suddenly, Luna Ludenberg had her hands on Lincoln's massive hairy pecs and Callie Snow had her arms wrapped around Lincoln's left arm, and they proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When they were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, he had an atomic red blush on his face, hearts in his eyes, his nose was gushing out blood, steam whistled out of his large wolf ears and normal ears, and he was literally in Heaven.

Lincoln: (In Heaven) Whoa...!

Then, Lincoln made a clone of himself, and with a sly grin on his face, he pinned Luna Ludenberg to the floor while his clone pinned Callie Snow to the floor, and they kissed them on the lips and marked them by biting them on the right trapezius and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from their right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and they also had an Elemental Thunderbird Necklace of Eternal Love with red and blue gems on the gold lightning bolts and red crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi and two white and gold accented Elemental Thunderbird Choker of Eternal Love on their neck and rainbow Thunderbird wedding ring on their left pinkies.

Callie Snow: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise.

Luna Ludenberg: I think my heart skipped a beat when you pinned us both down and kissed us on the lips. (Seductive Voice and rubs Lincoln's massive pecs) Hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his face.

Lincoln: J.D.

Nico: That takes care of that.

Elena Elexton: At least I'm rid of him.

Me: Good. Where's your mom by the way Elena?

Elena Elexton: Oh she's hiding in a hidden island cave in the middle of the Great Slave Lake.

Me: Wow all the way up in Canada.

Qin: Yeah.

Elena Elexton: Now I can say it's safe for her to live with us.

Me: Good.

Nico: Nice job, Sandile!

Sandile: Thanks Nico. Got any beer?

Poromon: YAY! Here!

He gave her a bottle.

Sandile: Thanks.

She drank it.

Sandile: (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the drinking club! (BELCH!)

Poromon and Sandile got drunk

Poliwag (dressed as conductor): Sing the ABCs!

Sandile: (SLURRED SPEECH) ANDBRJQWN JTKWJRKJFKT JJTKJJKJTJJSJ DNGMTLAJJGJW! NOW I KNOW MY PUKE B C'S! NEXT TIME YOU WILL FART WITH ME!

Poliwag: Very good!

We laughed!

Qin: Funny!

Ed: Pull my finger Eddy!

LOUD FART!

ED FARTED!

But then sounds of fighting broke out and we saw Sailor Moon and Sailor Mars fighting. AGAIN!

Sailor Moon: YOU ARE A STUPID JERK REI!

Sailor Mars: YOU ARE JUST A BIG MEATBALL BRAINED STOOGE SERENA!

THEY WERE RIPPING EACH OTHER APART!

Nico: Oh boy! They are at it again!

Ace Ukiyo: Does this happen to them a lot?

Shanan: Pretty much. They practically hate each other.

Eli: I got this.

Eli went over to them and grabbed them.

Eli: Pardon me you two but I must discipline the nannygoats!

KRABLANG!

HE BASHED THEIR HEADS TOGETHER!

Me: I swear you two act like a couple of fucking two year olds!

Ace Ukiyo: Wonder why they hate each other so much?

Shanan: No idea. Its been this way for them ever since I helped them kill Queen Beryl the first time.

Camie: Yeah.

Ace Ukiyo: Geez.

Nico: Yeah.

Me: Eli keeps them in line though.

Qin: Yep.

Nico: Quick Man, what do you like to do in your free time?

Quick Man: Teach kids about running in track and marathoning.

Me: Cool!

Qin: Fast and fun.

Camie: Yep.

Stellar: So, you must be Nate

Nate Adams: Yep. Nate Adams. Awesome to meet you Stellar.

Twilight Sparkle: Nate and his friends are the tamers of Yokai and they were running around and we tamed them.

Me: They were monsters from Japanese and World Folklore and they were really amazing.

Nate: I'm also Twilight's Brother

Stellar Sparkle: Really?

Me: Not by blood. But in bonds.

Stellar Sparkle: Oh wow. So that makes me and Shining Armor and Starshine siblings too.

Starshine Sparkle: It sure does.

Nico saw Eli thinking.

Nico: Something on your mind, Eli?

Eli: Oh just thinking. The Force is telling me that something is going on in the school and I'm gonna go investigate.

Me: Well okay. If you need backup let us know.

Eli: Will do.

Nico: Wanna tell us about it?

Eli: Students have been disappearing.

Me: Disappearing like how?

Eli: i don't know. But I got to find out.

Xenia: Okay.

Lana: Now that you mention it, lots of our friends have gone missing somehow.

Lola: Yeah it's like they just vanished.

Lucy Loud: Our classes are as quiet as graveyards.

Laney: It's like they just vanished off the face of the Earth.

Lisa Loud: It usually doesn't happen without leaving clues.

Nico: Good thing most of us who go to school there are here right now

Laney: Yeah.

Me: Okay Eli, me and Lana, Lola, Lisa, Lucy and Laney will help you out on that and we'll call for backup should the need arise.

Eli: Thanks bro.

Me: First we got the Anothers to worry about.

Eli: (Concentrates) WHOA! We got Another Overdrive Ostrich, Black Widow, Nanosec, Another Kabuto, Ms. Doombringer, Space Mutants (Simpsons) and Bebe (Kim Possible)

WE GASPED!

Black Widow: Another me!? This will be fun!

Me: And I bet she's just as deadly.

Nico: Who's up?

Me: Quick Man, Quicksilver, Dash Incredible, Kid Flash, Aurora (Marvel) and Speed (Marvel).

Moondancer: And I have a song that can be used to separate them.

Leeli: Wow! Is it like mine and Girl Jordan's song?

Girl Jordan: This will be awesome to see.

Moondancer: It sure will be. And yes it is.

Nico: Cool!

Eli: I sense that the Anothers minus Overdrive Ostrich and Black Widow are 4 people.

Me: Wow!

Qin: This will be interesting.

Nico: There they are!

We saw Another Nanosec, Another Kabuto, Ms. Doombringer, Space Mutants (Simpsons) and Bebe (Kim Possible)!

Me: WHOA! This is gonna be fast!

Qin: Yep.

Another Nanosec: (In a girls voice) It sure will be fun!

They reverted back and were 4 girls. They were the gene-slammers of Araknos, Strix, Red Searcher and King Basilisk!

Nico: (GASP) Aria Araknos, Sierra Strix, Laura Red and Brie Basilisk!

Me: Whoa! The gene-slammers of Araknos, Strix, Red Searcher and King Basilisk.

Sierra Strix: Yep. Awesome to see you again Nico.

Aria Araknos: And J.D. Thank you for killing the Professor.

Me: You're welcome Aria. But there's a strong possibility that he may return. But he is gonna be scared shitless meeting you.

Aria Araknos: (LAUGHS) Yeah imagine that. Me as the gene-slammer of his signature titan scaring him.

Me: Yeah. By the way girls are the Another Overdrive Ostrich and Black Widow friendly or hostile?

Laura Red: Friendly and they are awesome.

Me: Nice.

Nico: Sorry we have to do this girls.

Moondancer: Okay here goes. (SINGING THE LEGEND COMES TO LIFE FROM POKEMON THE MOVIE 2000)

As she was singing with the divine call of the sirens we were amazed! Then Amelia Agnakluwak, Zinnia Surge and Maria Phoenix had powerful auras of fire, ice and lightning flare up explosively around them as they were supercharged and Melody of Shamouti had an aura like that around her too! They channeled their power and separated them from the Anothers!

Me: WHOA!

Qin: That was amazing!

Nico: WOW!

Lola: AWESOME!

Me: Lets get them!

We fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: OH YEAH!

Maria: Time for Backup! (TURNS DIAL) Stags of Power!

She summoned Flame Stag, Celtic Predator, Mekanorimon, Magmion, Electriri, and Sunturion!

Qin: YEAH!

Juran: What exactly was that song?

Me: That was the song of the legendary Pokemon, Lugia. It played a key role in a prophecy.

Nico: It was a prophecy on Shamouti Island. We battled our old enemy Lawrence III back then. He disrupted the balance of harmony between the titans of Fire, Ice and Lightning and in doing so he ended up causing chaos and disaster.

Me: He was going to destroy the entire planet. It was part of a Cataclysmic Prophecy called The Prophecy of Shamouti. It went like this:

"Disturb not the harmony of Fire, Ice, or Lightning

Lest these Titans wreak destruction

Upon the world in which they clash

Though the Water's Great Guardian shall arise to quell the fighting

Alone its song will fail

Thus the earth shall turn to ash

O Chosen One

Into thine hands bring together all three

Their treasures combined tame the Beast of The Sea

From the trio of islands, ancient spheres shall you take

For between life and death, all the difference you'll make

Climb to the shrine to right what is wrong

And the world shall be healed by the Guardian's song..."

They gasped!

Juran: That's terrible!

Me: I know. And Ash here was chosen to save the entire planet from Total Destruction.

Ash: It's true and it was intense.

Qin: Yeah it was.

Me: The titans of Fire, Ice and Lightning that it was referring to were the Legendary Birds Moltres, Articuno and Zapdos and the guardian of the sea was the Legendary Pokemon, Lugia.

Ace Ukiyo: Wow! That is intense!

Misty: It was just me and Brock with Ash at the time

Brock: I wasn't there when it happened on our world. I was with Professor Ivy.

Professor Ivy: I remember that. That was intense.

Tracey: It sure was.

Amelia Agnakluwak: That explains why our auras flared up.

Zinnia Surge: Because we were gene-slammed with the powers of the legendary birds of Shamouti.

Me: So Elise got their DNA from THEM!

Qin: That's crazy!

Me: I hope she didn't awaken them like Lawrence III did or who knows what kind of destruction would be brought upon the world!

Nico: They probably just scared her off.

Me: Maybe. Or she got them while they were sleeping.

Nico: Yeah.

Me: Still that was a VERY DANGEROUS risk.

Nico: Yeah.

Maria: How did you think she got DNA from Arceus?

Me: That's a really good question. That's something we need to look into.

Nico: Yeah.

Me: Hmm. Maybe we can hack into their computers and figure it out from there.

Nico: That works.

May: I think we skipped over Mew

Me: Yeah we did.

Nico: Oops.

Me: But Mewtwo in the Number order of Pokemon was 150. Mew is 151.

Nico: Oh.

Me: So Mew will be next.

May: Just wanted to make sure we didn't forget

Me: Okay. Oh perfect!

We saw ANOTHER OVERDRIVE OSTRICH AND BLACK WIDOW!

Me: Whoa!

Qin: This will be fun.

Another Overdrive Ostrich: (In a girls voice) It sure will.

She reverted back and was the gene-slammer of Titania (Huntik)!

Nico: (GASP) Olivia Titania!

Me: Wow! Titania's Gene-slammer!

Olivia Titania: That's right and I have a huge mastery over nature and all that.

Me: Cool!

Olivia Titania: And a mastery over super speed and all that.

Overdrive Ostrich: Awesome! As fast as me.

Me: Yep.

Another Black Widow reverted back and it was a younger version of her.

Black Widow: (GASP) Yuriko!

Yuriko Romanov: Natasha!

They went and hugged.

Nick Fury: I see they know each other.

Black Widow: She's my little sister. Yuriko I'm never losing you again.

Nico: Mind introducing us?

Black Widow: This is my little sister Yuriko. She was thought to have been lost when me and my family had to move from place to place.

Me: I remember S.H.I.E.L.D. Was after you before you joined them.

Nick Fury: That's right. Her father stole intel from us and we were after them for a long time.

Nico: I remember reading about that.

Me: Yep.

Black Widow: But I joined S.H.I.E.L.D. long ago to protect everyone.

Me: Yep.

Yuriko Romanov: That is cool.

Me: It sure is.

Kaito (gets out Flashman gear): Did Swartz promise you anything?

Zocks (gets out Changeman gear): Because we can grant it instead

They got Flashman and Changeman Swords.

Olivia Titania: No he didn't. I wrapped him in a bed of Poison ivy and he itched all over and we ran.

Me: Ouch!

Nico: YIKES!

Lana: Nice!

Sougo (gets out Flashman gear): You should be proud of your sister.

Geiz (gets out Changeman gear): She's come a long way

Sougo got RedFlashArmor while Geiz got ChangeDragonArmor

Yuriko Romanov: I am proud of her.

Me: Cool.

Lincoln: Lets separate you first.

We did so and got the battles underway!

Qin: OH YEAH!

Nico: (gets out Overdrive Ostrich's Ridewatch) Time to kick into Overdrive!

May: (Gets out Another Kabuto's Ridewatch) This makes me feel Buggy!

Maria: (Gets out Space Mutants Ridewatch) Time for speed!

Quicksilver: (Gets out Nanosec's ridewatch) Speed power!

They used the powers of Overdrive Ostrich, Nanosec, Another Kabuto, Ms. Doombringer, Space Mutants (Simpsons) and Bebe (Kim Possible) and blasted the Anothers.

Then Wrecka, Fugu the Frightening, General Yunnan, Lunchlady

Doris, Sasorimoai Phantom Escopion and Hillbilly (Darkwing Duck) came.

Nico: Whoa! Nice team Wrecka!

Wrecka: Thanks Nico! Awesome!

Acid Man: I believe my team is next.

Me: Yep.

Then Ophanimon came!

Me: Ophanimon! Wow!

?: And me too.

RedVegiemon came too!

Me: RedVegiemon! Wow!

RedVegiemon: (In a girls voice) (Lebanese Accent) And it will be fun.

Nico: Thérésa El Din! Wow!

She reverted back and was a girl with red hair, red eyes, red clothes and had red angel wings and had a new crest in the middle of her forehead and had RedVegiemon on her shirt and skirt and had the Lebanon Coat of Arms on her arm and had 2 nasty scars! One on her stomach and the other on her arm. She had a red digivice on her hip and a fire sword in her hand.

Theresa El Din: Good to see you Nico. We got this! (ECHOING) CHILI PEPPER PUMMEL!

Ophanimon: (ECHOING) ENCHANTED JAVELIN!

They fire chili peppers and light and blasted the Anothers and I caught the ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Qin: Cool!

Me: Wow you're one of Lebanon's Digidestined. I can tell because of the symbol on your arm.

Theresa El Din: That's right.

Me: Whoa man. What happened here and here?

I pointed to her scars.

Theresa El Din: Oh I was caught in the explosion of Beirut back in 2020.

WE GASPED!

Me: OH MAN! That was terrible!

Ace Ukiyo: What happened?

Me: Huge Ammonium Nitrate explosion blasted part of Beirut with the power of 1.1 Kilotons of TNT. 218 people dead, 7,000 people injured with $15,000,000,000 in damage.

Qin: WHOA! I remember seeing that all over the news! That was intense!

Poromon: Jesus fuck!

Me: Yeah no kidding! Thank goodness you're okay.

Nico: No kidding!

Quicksilver: Yeah! Do you have a favorite memory of Nico?

Theresa El Din: When me and Nico met. We battled a bunch of Fugamon attacking Beirut and it was awesome.

Me: So Lebanon was having problems with the International Digimon Skirmish.

Nico: Yep.

Theresa El Din: Yeah that was fun.

Me: Wow. And thank goodness that was before the Beirut explosion.

Nico: No shit.

Nico and Theresa hugged.

Nico: I've missed you.

Theresa El Din: Same here.

We went back home.

Lincoln: Ah, we're here in New Jersey, and I know what we're going to do here, not only am I going to rescue the two-hundred twenty six girls here, but we are in for one dangerous battle.

Me: I know what that battle is: we're going to destroy Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, and their sisters, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs, sixteen of the lowest of the low: the dreads of society along with being the most hated of Nico, Connor, Alicia, Mindy, Qin, and their friends' long list of enemies, and the sixteen minions of Sebastian Mendez who'd been brought into his army of evil over nine years ago after Nico, Connor, Alicia, Mindy, Qin, and their friends cut all their ties with Sebastian after the wedding incident.

Trudy Lawrence: And since he refused to die that easily, he'd gathered those lowlives, along with a few other dreads of society from all over New Jersey and New York to create an army to get revenge on Nico, Connor, Alicia, Mindy, Qin, and their friends, and for what they did breaking into Nico's room and freeing G1 Starscream's spark and having him possess Waspinator yesterday, those lowlives are going to pay with their lives.

Nico: Without a doubt. I've been wanting to get back at those assholes for the last nine years.

Connor: Same here, big brother.

Flash Man: Those losers are really really going to get it, hopefully, we get to them before they get attacked by any gangs here.

Lincoln: The gangs won't try anything, or they're going to be in huge trouble.

Suddenly, heavenly light descended right in front of Lincoln and something descended right in front of him: it was a massive greatsword with embedded angelic blue gems and the sigils of God and the Archangels etched on the 9'5" massive, wide, double-edged hulking gold blade, large gold angel heads with blue gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large blue gems embedded in their foreheads and surrounding the white angel faces are blue gems embedded in gold crosses, 7'5" long midnight black handle, four large gold angel heads with blue gems for eyes and on the bottom of the large gold angel heads is a large gold angel head with blue gems for eyes and blue gem in its mouth for the pommel.

Me: Whoa!

Lincoln 2: (Through his crest) Oh, no way, I never thought I'd see this weapon again. Lincoln, the weapon that you see before you is known as The Greatsword of God, a powerful angelic greatsword forged by an angel and imbued with incredible light magic and angelic power and blessed by God and the Archangels, and the blade can also cast very powerful magic said to rival the dark magic of those who made a deal with The Devil and the greatsword also has another powerful special ability: it also fires powerful white and blue flames that no demon, unrepentant human, or renegade angel can survive from.

Nico: Truly incredible! And it appeared to Lincoln because he was the one who'd slain Dark Sebastian and all the other evil versions of Sebastian last year, and permanently sent them to The Black Abyss when they returned from The Black Gates, really awesome.

Lincoln 2: (Through his crest) That's right, it only appears whenever someone has displayed a pure heart of gold, along with his strength, courage, bravery, and intellect, along with slaying someone who's labeled as "Worse than or just like The Devil".

Suddenly, Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic

Eternal Harmony Universal Eternal United Friendship Almighty Universal Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice and The Greatsword of God and all the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of rainbow energy, aura energy, white and blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals, as Lincoln raised his massive greatsword into the air as heavenly light shined down and an angelic choir sang.

Me: UNREAL!

And when it emerged, it was transformed into Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True

Nico: Incredible.

Lincoln swung his new massive greatsword a couple of times and we all saw the 9'5" massive, wide, double-edged, hulking gold blade flare up suddenly with white and blue angelic flames surrounding it, and the white and blue flames disappeared, and Lincoln holstered his massive new greatsword on his back.

Rainbow Dash: That...is...so...AWESOME!

Starlight Glimmer: A weapon blessed by Heaven itself at your side, even the demons of Hell are bound to run screaming in fear.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Great Bubble Reef, she has a water greatsword in hand and with her are the two-hundred twenty six girls.

Lincoln: (GASPS) Delta Westbrook, Gene-Slammer and Avatar of Marincess Great Bubble Reef.

Delta Westbrook: That's right, and I got the girls away from Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs. Plus, I saw that you now gained The Greatsword of God, and it merged with your current greatsword and you gained a brand-new greatsword in the process, Lincoln, that's awesome.

Lincoln: Thanks, now to really put this new blade to the test. Let's get those monsters.

We headed out, and we saw our targets: Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs, and they were really out for our blood!

Nico: If it isn't Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs, haven't seen your mugs around here for years.

Jack Ramirez: Shut up, filthy monkey! You will all pay for killing our master!

Lincoln charged up white and blue energy with white and blue heavenly flames and with one thrust of his massive greatsword, he fired a massive white and blue energy beam surrounded by the flames of Heaven, and it hit Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs, and they were incinerated by the heavenly flames in a split second, and their souls were sent forever to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: May you sixteen monsters suffer for all eternity in The Black Abyss for your crimes. (To Delta Westbrook) And it's so good to see you again, Delta.

Delta Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Delta Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Delta Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Delta Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Delta Westbrook and hugged her, and Delta Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Delta Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old

9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Delta Westbrook, Gene-Slammer and Avatar of Marincess Great Bubble Reef, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Great Bubble Reef. She's the middle sister of The Westbrook Sisters, and she's the scholarly genius of The Marincess Water Princesses. Lincoln met Delta Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Delta kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Delta hates Flip with a blazing passion, because that stupid, smelly, mutated, ape-brained, cheapskate polluted Lake Huron by dumping a dumptruck full of rotten nacho cheese that was also soaked in his feet into the lake, and he was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Delta blasted him with water and they even electrocuted him, and Flip got so mad, he called Delta a fish-faced bitch and he said that he hopes that Delta dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison, and when the rest of the family heard Flip's threats along with seeing what he did, everyone was mega enraged, they went to the prison and they beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Flip into a total psychotic tailspin of rage as he banged on the bars of his cell and he screeched like the hairy gorilla that he is!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what the two gorillas did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: That's also another reason why we're so glad we're finally rid of that mutant and his entire family forever, and now that you're here, Delta.

Lincoln with his massive muscular arms still wrapped around Delta Westbrook leaned his head down the right side of Delta Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Delta Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Delta Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Delta Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Delta Westbrook.

Delta Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Delta Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Delta Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Delta Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Delta Westbrook: (In Heaven) My God.

Alicia Northernend: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made two-hundred twenty-five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Amy Anderson: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, two-hundred twenty-six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of 7, Alicia Northernend, Amy Anderson, Ange le Carré, Annette Grace, Arisugawa Kaoru, Beatrice, Charlie Collins, Chise Todo, Chris, Cuervo, Dizzy Durand, Dorothy, Eleanor, Elena Clay, Elizabeth Cassandra Austin, Mila Princessheart, Universe 666 Gazelle, Instructor Jamie, Jamai, Jane McLean, Jean Stanton, Jose Rosebud, Julie, Kathy Higgins, Kisaragi, Maria Florence, Marie, Marilla, Mary, Mary Jane, Monica Golding, Niki Quinnell, No. 17, Oboro, Pharaoh Cleopatra VIII, Princess Charlotte, Rita, Sarah Clay, Shu Miho, Sophie McKenzie, Special Envoy, Stephanie, Tina Flywheel, Universe 666 Zelda, Aura, Edel, Ehre, Flamme, Mana the Goddess of Creation, Kanne, Länge, Laufen, Lawine, Lektüre, Linie, Methode, Sense, Serie, Solitär, Tot, Übel , Alice Margatroid, Aunn Komano, Aya Shameimaru, Benben Tsukumo, Biten Son, Byakuren Hijiri, Chen, Chimata Tenkyuu, Chiyari Tenkajin, Chiyuri Kitashirakawa, Cirno, Clownpiece, Daiyousei, Doremy Sweet, Eika Ebisu, Eirin Yagokoro, Ellen, Elly, Enoko Mitsugashira, Eternity Larva, Flandre Scarlet, Fujiwara no Mokou, Gengetsu, Hata no Kokoro, Hatate Himekaidou, Hecatia Lapislazuli, Hieda no Akyu, Hina Kagiyama, Hisami Yomotsu, Hong Meiling, Hourai, Ichirin Kumoi, Iku Nagae, Jacket Girl, Joon Yorigami, Junko, Kagerou Imaizumi, Kaguya Houraisan, Kana Anaberal, Kanako Yasaka, Kasen Ibaraki, Keiki Haniyasushin, Keine Kamishirasawa, Kisume, Koakuma, Kogasa Tatara, Koishi Komeiji, Komachi Onozuka, Konngara, Kosuzu Motoori, Kotohime, Kurumi, Kutaka Niwatari, Kyouko Kasodani, Lila Labelmaker, Layla Prismriver, Letty Whiterock, Lily White, Lunasa Prismriver, Lyrica Prismriver, Mai, Mai Teireida, Mamizou Futatsuiwa, Maribel Hearn, Mayumi Joutouguu, Medicine Melancholy, Megumu Iizunamaru, Meira, Merlin Prismriver, Mike Goutokuji, Mima, Minamitsu Murasa, Minoriko Aki, Misumaru Tamatsukuri, Miyoi Okunoda, Mizuchi Miyadeguchi, Momiji Inubashiri, Momoyo Himemushi, Mononobe no Futo, Mugetsu, Mystia Lorelei, Narumi Yatadera, Nazrin, Nemuno Sakata, Nitori Kawashiro, Nue Houjuu, Okina Matara, Orange, Parsee Mizuhashi, Patchouli Knowledge, Raiko Horikawa, Ran Yakumo, Reisen, Reisen Udongein Inaba, Remilia Scarlet, Renko Usami, Rikako Asakura, Rin Kaenbyou, Ringo, Rumia, Ruukoto, Sagume Kishin, Saki Kurokoma, Sakuya Izayoi, Sanae Kochiya, Sannyo Komakusa, Sara, Sariel, Satono Nishida, Satori Komeiji, Seiga Kaku, Seija Kijin, Seiran, Sekibanki, Shanghai, Shikieiki Yamaxanadu, Shinki, Shinmyoumaru Sukuna, Shion Yorigami, Shizuha Aki, Shou Toramaru, Soga no Tojiko, Suika Ibuki, Sumireko Usami, Suwako Moriya, Takane Yamashiro, Tenshi Hinanawi, Tewi Inaba, Sunny Milk, Luna Child, Star Sapphire, Tokiko, Toyosatomimi no Miko, Tsukasa Kudamaki, Urumi Ushizaki, Utsuho Reiuji, Wakasagihime, Watatsuki no Toyohime, Watatsuki no Yorihime, Wriggle Nightbug, Yachie Kicchou, Yamame Kurodani, Yatsuhashi Tsukumo, Yoshika Miyako, Youmu Konpaku, Yukari Yakumo, Yuki, Yumemi Okazaki, Yuugi Hoshiguma, Yuuka Kazami, Yuuma Toutetsu, Yuyuko Saigyouji, and Zanmu Nippaku, Ema Kurisu, Hotori Kisugi, Itsuki Ousaka, Kaoru Nogi, Niko Masubuchi, Saku Kaidou, Wisna the Genie, and Lydia Pearson with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home, and everyone was shocked to find out that the villains we went after were none other than Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs.

But, when Lincoln showed what happened with him getting The Greatsword of God due to what he'd done in slaying Dark Sebastian and the other evil versions of Sebastian and us trashing those sixteen pieces of dirt, and Lincoln using a Heaven's Judgement version of his Omega Cannon that incinerated them with the flames of Heaven and sent them all to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Delta Westbrook have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so that explains the heavenly lights in New Jersey and the heavenly flames we saw! Aw dang it, we should've also come as well!

Nico: And risk getting blinded by the display Lincoln showed?

Lincoln: There were only sixteen of them, and taking on all of us would be the definition of overkill.

Me: Either way, those jerks had it coming.

Caleb Maxwell: They caused a lot of trouble to both New York and New Jersey for the final time, so it was obvious they were going to be put down one way or another.

Cage Blunt: They've stayed off the radar of the police, but it was only a matter of time before they came back. Say, do you think you can display more of what your new greatsword is also capable of?

Nico: If it's capable of using the powers of heavenly fire, it's also capable of using heavenly magic as well.

Lincoln: We'll have to see when we go after the next villain.

After Lincoln and all of us destroyed Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs and sent them to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Delta Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Delta Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Delta, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Delta Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Delta Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Cage Blunt: Say, Adriana, what memories did you and your sisters have with Lincoln?

Nico: We hadn't done that in a long while.

Adriana Westbrook: Ooh, wait, I do have one memory, it's one of me and my sisters along with Lincoln and we were swimming in the waters of Lake Michigan after a day of training, but of course, Lynn had to show up and cause trouble.

Adriana Westbrook put up the video on the big screen as it played, and it showed Lincoln in his orange swim trunks and Adriana and her sisters in ocean blue two-piece bikinis and they were swimming in Lake Michigan and they went back to the land and were soaking in the sun's rays.

Past Lincoln: Ah, now this is really awesome: a day of rest and relaxation in Lake Michigan after a day of training.

Past Adriana Westbrook: You said it, Lincoln, and Lake Michigan looks amazing, we've been doing a lot to keep it clean.

LOUD BELCH!

Travis Tackett: What the Hell was that?!

Lincoln: That, Travis, in the past was the sound of doom. Lynn always lets out those loud belches whenever she was on the rampage, and the only way to tell she was here was the smell of her sweaty pits, smelly feet, and B.O.!

Cage Blunt: Ugh! Gross!

Luna: Lynn didn't know the meaning of a bath because of her Dark Side, and we always wore hazmat suits whenever her B.O. got that bad!

Past Arianna Westbrook: What the heck?! (Caught the stench of B.O.) Ugh, and there's no mistaking that B.O. from anywhere!

Past Lincoln: Seriously?! Ugh, you just don't even know when to quit, do you, Lynn?!

Then, Lynn came out of the bushes, and she was in Full Beast Mode snarling like an animal and on all fours. She let out a roar and charged at Lincoln and the Westbrook Sisters.

Past Lincoln: Again with that direct assault?! That's it!

Lincoln charged at Lynn and he reared his left fist back, clenched his fist, and then...!

POW!

LINCOLN PUNCED LYNN AND SENT HER CRASHING INTO A

NEARBY TREE! BUT, LYNN GOT UP AND SHE ROARED LIKE AN ANIMAL AND BEAT HER CHEST LIKE A GORILLA!

Roxy Drake: What the?!

Caleb Maxwell: What the Hell?! So, your sister's basically a wild animal when she goes on her rampages!

Laney: That's right.

Past Lincoln: Okay, I've had it with you, Lynn. Adriana, everyone, let's get her!

Lincoln and the Westbrook Sisters fired massive waves of water which hit Lynn and sent her flying back home, and when she landed, she was all soaking wet and had stink lines coming off her.

Jack Howard: Ugh! Now, I see what you mean by she doesn't know the meaning of a bath!

Then, Luna, Laney, Leni, Lucy, Lana, and Lily dragged Lynn to her room and threw her inside a cage like the dumb gorilla that she was, and they turned to leave, but not before Luna gave her the finger, and that sent Lynn into a total psychotic tailspin of rage as she banged on the bars of the cage with her fists and beat her chest like a gorilla and roared like an animal as the video ended.

Travis Tackett: My God. Lynn, your dark side really is in every word an animal, you know if that dumb animal comes back, I'm gonna break her neck!

Lana: Might wanna scrap that, if she does come back, Lincoln's gonna deal massive amounts of pain and payback on her, Dark Lori, Dark Lola, Dark Lisa, and Dark Luan.

Cage Blunt: Didn't he already...?

Lincoln: No, the Evil Lynn and Evil Lori we saw with The Teriyaki Triad were another versions of them turned into Anothers by Swartz, Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan were the very monsters inside Lori, Lynn, Lola, Lisa, and Luan implanted in them by that jerk, Killjoy Huggins, but the real monster behind it was

Chase Young's Dark Side. If I also see them again, I've got years of payback, pain, and anger that I'm going to unleash on them, and I swear I'll make them know what real pain is! (White heavenly flames appear in his deep sapphire blue eyes)

Many of us freaked out, dropped the weights to the floor, and hid behind the couch!

Nico: Oh, shit, those are...!

Me: The fires of absolute justice and heavenly judgement! They've called down the wrath of the heavens!

Lily: Uh oh.

We got a shower, and then, Lincoln, Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) are heading to Sirena Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Shope: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Shope, and it's perfect for our first date, shall we?

Lincoln, Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Marian: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) and they hugged the girls in their abnormally massive and powerful muscular arms and Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori

Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) are in your harem, Linky.

Jennifer Shope, Siobhan McDougal A.K.A. Silver Banshee (DC Super Hero Girls 2019), Rachel, Simulator Lori Jimenez, Simulator Madison, Marian, Vivian Meridian, Lilian Meridian, and Rhonda (Sinnoh) showed the marks Lincoln made on the right sides of their necks.

Tyler: Whoa, I did suspect that Shope did have feelings for Lincoln, but I had to keep that shut.

Jenna: You guys had no trouble at all.

Rachel: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lucy, Dora and Brittney's 2nd mission.

Nico: Anyone else want to go with Dora, Lucy, and Brittney? Besides Twilight, Nick, Cheese, and Nanette?

Bertrand: I'll go.

Zs'Skayr: So will I.

Haiku: Me and the goths will go.

Me: Okay then. The Dark Signers can go too.

Nico: Okay then. Lets go.

We were off.

We arrived at Tara's mansion.

Tara Duncan: Hey guys! You made it!

Nico: Tara, you already met Twilight. Meet Nick, Cheese, and Nanette

Nick: Awesome to meet you. Nick Russell, leader of the Mystic Force Rangers.

Nanette: I'm Nanette Albright.

Brittney: And these are my team, the Goths of Darkness.

Haiku: Pleasure to meet you.

They introduced themselves.

Tara Duncan: Wow! Awesome to meet you guys.

Roman Goodwin: And we're their archenemies.

They introduced themselves as well.

Zs'Skayr: And my name is Zs'Skayr. I am an Ectonurite and Dora is part of my kind.

Me: Ectonurites come from the planet Anur Phaetos and it's a scary planet.

Zs'Skayr: It sure is.

Me: Yep. And this little guy here is Cheese.

Cheese: I like chocolate milk.

Me: He's a funny one.

Cheese was desperately reaching for one of the books. Tara wanted to help.

Tara Duncan: Here, buddy, let me help you.

Cheese: Let me do it. [swats Tara's hand away]

But Tara was persistent. When she tried to push it closer to the edge, Cheese wasn't happy.

Cheese: Let me!

And when she tried to help him for the third time, Cheese has had enough.

Cheese: NO, LET ME! [bites Tara's hand]

CRUNCH!

Tara Duncan: OUCH!

Me: Oh man! Cheese that's enough. Sorry about that. Cheese is an imaginary friend and he has a brain the size of an amoeba. But he very funny and drives all of our enemies bonkers.

Tara Duncan: Oh wow. Oh guys! I'm glad you're here. We had an incident happen.

She took us too her room and we saw a girl with bandages on her arm and she was in a lot of pain.

Will Vandom: (GASP) Sandra! Oh my god are you okay?

Sandra Leylocke: This monster attacked me and it hurts.

Will Vandom: Oh guys this is Sandra Leylocke. She's one of Tara's and ours rivals.

Me: Oh pleasure to meet you.

Nick: Wait. I know you. You like to pick on Tara!

Sandra Leylocke: I know. But we hang out sometimes.

Irma Lair: It's not all that bad. She and Tara are slowly opening up and getting to know each other.

Nico: Oh.

Me: Lets have a look at these injuries first.

I took the cast off and on her arm was a stained glass pattern and bite mark!

WE GASPED!

Me: That monster that bit you was a Fangire!

Sandra Leylocke: A WHAT!?

Me: A Fangire. They are the monsters that the Kiva Kamen Riders faced on a daily basis.

Brittney: They are like vampires.

Me: And they have rotten mouths and kill anyone that gets in their way.

Eli: Yeah.

Sandra Leylocke: Oh man!

Me: Wait. Shouldn't you be in school?

Tara Duncan: Yeah, about that...

Me: What happened?

They told us that one of their teachers was attacked by something and they closed the school.

Me: A Fangire must've killed her.

Tara Duncan: What do they look like?

Me: I'll show you.

I showed a hologram of them.

Me: They are monsters that are animalistic and are patterned after stained glass.

Cal: Wow!

Sparrow: They are both pretty and scary.

Me: There's nothing pretty about them. They have extremely rotten tempers and nasty dispositions.

Nico: Yep. Stella battled them a lot.

Will Vandom: Stella of the Winx Club.

Me: Yeah.

Nick: (to Sandra) You actually remind me of Leelee

Me: He means Leelee Pimvare.

Carly Atlas: That's Necrolai's daughter.

Sandra Leylocke: I do look like her don't I?

Nick: I meant that you and her acted very similar in the past

Sandra Leylocke: I do?

Me: Yeah Leelee was not a good girl in the past. But as the adventures of Mystic Force progressed she changed.

Carly Atlas: Yeah.

Sandra Leylocke: I see. I didn't know we acted alike.

Twilight: Since the school's closed, we can't go back in there to look for evidence

Me: You're right.

?: But I do know which Fangire are running loose.

We saw a girl with black hair, green eyes, black clothes, purple angel wings and a tiara with the symbol of the Fangire on it and on her skirt and she had a Stained Glass Sword in her hand.

Me: Farah Fangire!

Farah Fangire: Awesome to see you again J.D. and Sandra I'm sorry you got attacked by one of the monsters I rule over.

Me: Farah is the Avatar and Queen of the Fangire. She holds more power over them than King and Kamen Rider Arc does. She is a powerful master of the Fangire and she has all their power. She was absolutely disgusted with the way the Fangire were attacking people and wanted them to work together with humans. Not against them.

Nico: WOW! Awesome to meet you Farah.

Farah Fangire: Same here Nico.

Me: But it's good you're here Farah.

Farah Fangire: It sure is. Also the ones running loose are the Moth, Bat, Pearlshell, Swallowtail and Lion Fangire.

WE GASPED!

Me: The Checkmate 4! I remember all of them as well as the Moth Fangire.

Eli: We never faced them during Stella's missions.

Tara Duncan: Wow! This is gonna be a challenge.

Me: It sure is.

Nico: We can call Wataru for this.

Me: And Stella too. She should help with this as well.

Nico: Good idea.

Nico called Wataru and Stella.

They teleported to us.

Wataru Kurenai: We're here.

Stella: So Fangires are running around.

Me: Yep.

Wataru: Sorry we weren't properly introduced Tara. I'm Wataru Kurenai, leader of the Kiva Riders.

Stella: And I'm Stella, Princess of Solaria.

Tara Duncan: Awesome to meet you.

Wataru: Same here.

Me: Oh by the way how did you like helping the team out?

Tara Duncan: It was really awesome!

Cal: That was the most fun we've had!

Nico: Even though it was against the most insane villain in Marvel history?

Cal: It was so awesome!

Tara Duncan: Yeah it was!

Will Vandom: I've been filling them in on what happened after that. Girl Jordan is now officially cleansed of the evil crimes of Cletus Kasady.

Cal: Good for her!

Sandra Leylocke: Thank goodness. (GROANS)

Wataru: Oh man. You were bitten. But I do have an idea. You can become a Kamen Rider like me for Kiva.

Stella: That's a great idea.

Nico: Yeah.

Sandra Leylocke: Oh wow! That would be awesome.

Me: Yeah.

Sandra Leylocke: Yeah.

I saw pain in Sandra's eyes.

Me: Sandra is someone abusing you?

Sandra Leylocke: What do you mean?

Me: I can see it in your eyes. They are filled with pain and sadness. Like someone is hurting you and making you lash out like this. Is there someone that's making you like this?

Sandra Leylocke: Now isn't the right time-

Nick: Sandra, we're not moving until you tell us. No matter what those Fangires are doing right now.

We then see the Fangires lining up to go to the bathroom.

Me: Yeah Sandra. We're trying to help you. We had a similar incident happen to us with a girl named Penelope Lang. She once was like you until me and Diamond Tiara helped open her up.

Twilight Sparkle: That's right. Friends are always there to help you get passed your troubles and help you get through them and give you advice. We're trying to help you.

Me: That's right.

Nico: Yeah we had to learn the hard way because we were being poisoned by dark orbs.

Eli: Yeah.

Sandra Leylocke: (sighs) Alright. But don't blame me if it takes too long.

Tears dripped down her face.

Sandra Leylocke: The reason I'm like this is because my mother is abusing me.

WE GASPED!

Sandra Leylocke: She pushes me to be the best in everything and always be first in everything. But I've been nothing but a disappointment to her! My dad is always away on business but he loves me more than anything.

Twilight whispered to Lincoln and he teleported back home to get someone.

Sandra Leylocke: My mother views me as nothing but an absolute disgrace! She would always do anything she can to bring me down.

Me: That monster.

?: I know how you feel Sandra.

We saw Diamond Tiara with Lincoln.

Lincoln: Twilight told me to go get Diamond Tiara.

Me: Oh.

Diamond Tiara: I underwent the very same thing you went through. I was once a bully like you and I did the exact same things you did because of my mother. But thanks to Apple Bloom and the crusaders I was able to make great friends and be part of something awesome and great. I even got the courage to stand up to my own mother and tell her that what she is doing is wrong.

Sandra: (laughs weakly) How do you manage to get all these wise words?

Diamond Tiara looked at Twilight and all of us.

Twilight Sparkle: Because ever since we joined Team Loud Phoenix Storm, we have been teaching them all about everything Friendship can give to everyone.

Me: Twilight and her friends have made us all closer and stronger than ever before. Because we learned that many things like Friendship, Love, Hope, Bonds and all that are the greatest strengths and powers of all.

Diamond Tiara: It's all true. I learned so much. Also Sandra, you can be a good girl and become a better person. Don't make the same mistakes I did and you can learn how to make bonds and friends the right way. Like I have.

Sandra Leylocke: You're right! I will become a better person. If my mother stops me then screw her! I will become a perfectly cut diamond! My OWN Way!

Diamond Tiara: That's the spirit! Be the person you want to be!

Me: Absolutely! Well done D.T.

Diamond Tiara: Thanks J.D.

Dora: Let me get my jumpsuit.

Me: Okay.

She snapped her fingers and donned a purple jumpsuit.

Wataru gave Sandra a Kiva Belt.

Nico: Now lets go skirt some Fangire Butt!

Eli: They are heading to the indoor stadium 500 yards from here.

Me: Lets go.

We were off.

We arrived and we saw them.

Nico: There they are!

Eli: DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a blast of pitch black fire as hot as the sun and it formed into a dragon and slammed into them and blasted them down.

Me: YEAH!

Bat Fangire: YOU! YOU MOTHERFUCKERS!

Me: Fuck you dickwads!

Nico: Told you they have rotten mouths.

Pearlshell Fangire: YOU MOTHERFUCKERS! I WILL KILL ALL YOU FUCKERS LIKE WE DID THAT WOMAN!

Lion Fangire: AND KILL THAT LITTLE FUCKING BITCH THERE!

Bat Fangire: I WILL FINISH WHAT I STARTED AND FUCKING KILL HER!

Me: I'd like to see you try you motherfuckers!

I teleported and blasted them with energy.

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I activated a UV Flashbang Grenade and then it released a massive flash of ultraviolet light and blasted them down.

Fahra Fangire: Okay you 5! Stand down now!

Pearlshell Fangire: What!? Lady Fahra!?

Bat Fangire: And if we refuse?

Fahra Fangire: Then you brought all this on yourselves.

Moth Fangire came out of the bathroom

Moth Fangire: Aw man the fight started without me!? How rude?

I fired waves of energy and blasted them all over.

Sandra Leylock: This dark angel is coming for you! HENSHIN!

SHE TURNED INTO A DARK ANGEL THEME KIVA RIDER! She was a black and purple rider with pitch black angel wings!

WE GASPED!

Sandra Leylock: THE WINGS OF THE DARK OF NIGHT! KAMEN RIDER YATAGARASU!

Me: WOW!

Nico: Wow!

Wataru: Nice job Sandra!

Sandra Leylocke: WOW! I look amazing!

Fahra Fangire: You sure do!

Me: YEAH!

Wataru: Lets dance!

Stella: Right!

Wataru: HENSHIN!

He transformed too!

Nick: Magical Source, Mystic Force!

GALWIT MYSTO RANGER!

He transformed!

Nick: FEARSOME AS FIRE! RED MYSTIC RANGER!

He was ready!

Will: Lets do it! GUARDIANS UNITE!

In a flash of light me and the Guardians transformed!

Will Vandom: (ENERGY SURGES) THE HEART!

Irma Lair: (WATER SPLASHES) WATER!

Taranee Cook: (FIRE BURNS) FIRE!

Cornelia Hale: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Megan: (STARS SHIMMER) SPACE!

We were ready!

Nick got out his Disk Animal and it turned into a Phoenix.

Nick: Watch this too.

He got out his Wonder Ride Book and it was called Nick Russell, Phoenix Flame of the Mystic Force Rangers.

Nick: (READS VERSE) "With the mighty flames of the phoenix of fire, Nick unleashed a massive shower of fireballs that rained down on his opponents ad they blasted them left and right with the intense flames of fire and burned them."

MASSIVE FIREBALLS RAINED DOWN AND BLASTED THE FANGIRE ALL OVER!

Nico: YEAH!

Me: Take this one! (ECHOING) RAGE OF THE THUNDERSTORM!

雷羽竜巻超弾動閃煌斬

I swung my sword and fired a massive vortex of lightning and light and it hit the 5 Fangire and exploded with incredible power and blasted the entire stadium to smithereens in a massive fiery explosion!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion got the attention of everyone and they came and saw us fighting them!

Tara Duncan: WOW! That was amazing!

Me: Thanks.

Tara Duncan: I wonder if I can do that.

Me: You do have that kind of power.

Twilight got out her Disk Animal and it turned into an Owl.

Twilight Sparkle: The Owl is mine because of my pet Owlowiscious. Now watch this.

She got out her Wonder Ride Book called Twilight Sparkle's Reign as The Princess of Friendship and Magic.

Twilight Sparkle: (Reads Verse) "The power of the Princess of Friendship was strong and she and her friends overpowered many of their dangerous enemies with the rainbows of friendship. With the strength of their hearts united as one they can get through anything."

She fired a massive rainbow blast and blasted the Fangire down.

Me: YEAH!

Tara Duncan: Here goes! (ECHOING) MAGIC TSUNAMI THUNDERSTRIKE SLASH!

魔法雷津波暗黒跳飛斬り

She fired a massive blast of magic and lightning and it hit the Fangires and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The blast destroyed the Bat Fangire in an instant!

Me: WHOA! YEAH! Way to go Tara!

Will: That was awesome!

Tara Duncan: YEAH! It sure... (SCREAMS)

She screamed and then we gasped and saw her sprout PURPLE ANGEL WINGS from her back!

Tara Duncan: Whoa! That was weird! Why does my back feel so heavy?

Me: WHOA! Tara you got your wings!

Tara gasped!

SHE SAW HER WINGS!

Tara Duncan: I have wings! Awesome!

Nanette got out her Disk animal and it turned into a Stag Beetle!

Nanette: Time for the lightning to strike!

She got out her Wonder Ride Book called Nanette Albright of The Thunder Beetle.

Nanette: Watch this. (READS VERSE) "With the power of the lightning from the heavens, Nanette unleashed the power of the storm at her enemies and blasted them with the powers of lightning at their strongest and made sure they felt the power of it."

She fired a massive bast of lightning and blasted the Fangire all over.

Moth Fangire: Try and keep up with me you fucking little girl!

He flew up into the air and Tara flew after him.

Tara Duncan: Wow! This is awesome!

She fired blasts of fire and blasted him all over.

Moth Fangire: So this is what I get for going potty, huh?!

Tara Duncan: You should know better that not even nature calling can save you from an Apex Predator!

Tara then kicked the Fangire in his stomach with devastating force and shattered him into a million pieces! Killing him!

We were amazed!

Me: WHOA!

Cal: Way to go Tara!

Then as Cal was about to be attacked from behind a blast of dark energy blasted the Lion Fangire down and out came a girl with black hair, red eyes, black clothes and black wings and a tiara with Ghostfreak on it.

Me: (GASP) Gloria Ghostfreak!

Nico: Ghostfreak's embodiment!? Wow!

Gloria Ghostfreak: (Grunts) Yeah and I saw your battle! That was awesome!

Me: Thanks.

She fired blasts of darkness and blasted the Fangire down.

Gloria then lost control and fired a blast of dark energy at Zs'Skayr

He went intangible and it passed through him.

Then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!

Dora Santiago: Time to go Ectonurite.

She turned ghost and turned into an Ectonurite! Phasing out of her jumpsuit and flew at Gloria and bashed her down.

Zs'Skayr fired a dark energy blast and blasted her down.

Me: Lets see. Since King Ohgers is coming soon. Lets see what these can do.

I unsealed my King Ohger Sword!

LORD DRAKKON!

I got green flames and lightning on the blade.

Me: (ECHOING) EMERALD DRAGON RAGING INFERNO!

緑稲妻嵐火超弾動閃煌斬

I fired a massive vortex of emerald green fire and it formed into a deadly dragon and it hit the rest of the Fangire and exploded!

EXTREMELY MASSIVE AND DEVASTATINGLY POWERFUL

FIERY EXPLOSION!

They were all destroyed by that one blast!

Me: WHOA!

Nico: HOLY SHIT! THAT WAS POWERFUL!

Me: Now for Gloria.

Bertrand charged at her and fired a wave of red fire.

?: Let me help!

Out came a girl with pink hair, pink eyes, pink clothes and had black angel wings and had the symbol of Sorcerel in the middle of her forehead and on her shirt and skirt and had a star sword in her hand.

Nico: Sophia Sorceria!

Sophia Sorceria: (British accent) Awesome to see you again Nico.

She fired a magic blast and blasted Gloria all over.

Bertrand got out his Disk Animal and it was a crow.

Bertrand: And watch this.

He pulled out his Wonder Ride Book and it was called Bertrand of The Red Spider Flames.

Bertrand: (Reading Verse) "With the flames of the Crimson Red Spider, Bertrand unleashed the fury of the 1st Circle of the Inferno - Limbo and fired waves of flames that formed into some of History's most famous figures and they blasted down the opponent."

He fired waves of red fire and they formed into many famous figures and blasted Gloria all over.

I fired the Antidote Ray and injected her.

Taranee fired a flame blast and Hay Lin fired a wind blast and the blasts hit Gloria and blasted her down.

The Antidote took effect and her blue eyes were back to normal.

Nico: YEAH!

Gloria Ghostfreak: Whoa what happened?

Me: Ugly story.

Eli helped her up.

Me: You'll be okay.

Tara Duncan: It's true.

Nico: Oh. Didn't see that.

Me: Sorry about that.

Sophia Sorceria: That was really awesome!

Me: It sure was. What's your favorite memory of Nico?

Sophia Sorceria: When me and Nico went to my family's house and I showed him my magic.

Nico: Sophia comes from a long line of sorcerers and they are amazing at using magic.

Me: That is awesome.

Nico: Yep.

Nico and Sophia hugged.

Nico: I've missed you.

Sophia Sorceria: Same here Nico.

?: Sandra!

We saw Sandra Leylocke's mother!

Mrs. Leylocke: I just happened to be here for the school board meeting, and this is what I see when we adjourn? My daughter associating with confused, insignificant lowlifes? And battling in battles no one should even been in? Socializing with their kind is not how you move up in life in this world! Come, Sandra!

Sandra had had enough!

Sandra Leylock: No, mother!

Mrs. Leylock: Excuse me?!

Sandra Leylock: You've spent your life acting all high and mighty and raised me to follow in your footprints! At first I thought this was fine, but then I finally realized I wanted something you don't have – friends!

Tara Duncan, Cal and Sparrow: (GASP!)

EVERYONE ALL OVER THE CITY GASPED!

Mrs. Leylocke: That's enough Sandra! Step away from that miserable lowlife girl!

Sandra Leylocke: I will do no such thing mother! This is Tara Duncan and her friends Cal and Sparrow and the Guardians Will, Irma, Taranee, Cornelia and Hay Lin and Team Loud Phoenix Storm and they are my friends! You need to stop calling them such mean and hurtful names. Tara and her friends got to where they were at because they worked hard more than anyone I know. And they went through hardships to protect everyone. And they have taught me all sorts of things you can learn from that can make you a better person! I will not become a bully like you. I will become a good girl my own way and become a diamond that's perfectly cut and not in your own image!

Me: Let me tell you some words Mrs. Leylocke. You don't give your daughter enough credit. And it took a bite from one of the Kiva Riders enemies to help her realize that she was lead down the wrong path. Also Diamond Tiara here helped her realize the error of her mistakes and got her to shine brighter than ever!

Nico: YEAH!

Mrs. Leylocke: You'll come with me or I'll tell the authorities about Duncan's secret!

Will Vandom: Don't even bother! Everyone already knows.

Me: They saw it for themselves and everyone thinks that she is amazing!

EVERYONE AGREED WITH ME AND US!

Will Vandom: Everyone saw it in action before we helped her.

Nico: Oh.

Cornelia: By the way? Find a new outfit!

Me: Yeah! Also you need to be nice to your daughter and give her a chance to be a person that is good! And NOT as someone YOU want her to be.

Diamond Tiara: That's right! I was once like her and my mother was in every way like you and you need to realize that having all that money can only give you so little. It can give you things to buy. But Money can never buy you everything that matters like love, friendship, power, happiness and all the things that REALLY matter!

Me: That's right!

Sandra Leylocke: Mother, you need to realize that having money is one thing, but happiness, love, friendship, power and all that is another. I will make something good of myself and be a better person and not someone that YOU Want to be.

Mrs. Leylocke tried to find a way to spin the situation in her favor. But she couldn't thanks to everyone knowing about Tara's secret.

Cheese: I like chocolate milk!

Mrs. Leylocke knew that we were right and there was no talking her way out of it.

Mrs. Leylocke: (Sigh) You're right. Oh Sandra I'm so sorry I was so caught up in my own selfishness and greed that I failed to make you be the very person you want to be. I should have been a true mother to you, (Crying) I'm so disgusted with myself. I was a terrible mother and let my greed control me and for that I'm so sorry. I wanted my family to be well known and respected and I let it cloud my mind. I'm so sorry.

Sandra was shocked.

Eli put his hand on her shoulder.

Eli: She's telling the truth Sandra.

Sandra Leylocke: Mother.

She and Mrs. Leylocke hugged. Mrs. Leylocke was proud of her daughter to help her realize what a jerk she was.

Nico: Aww. That...actually went well.

Me: Yeah.

Sandra Leylocke: Thank you guys so much for helping me.

Me: It's no problem Sandra.

Tara Duncan: You're welcome. I guess this is the start of a real friendship for real.

Sandra Leylocke: It sure is. And Diamond Tiara thank you for the advice. It helped big time.

Diamond Tiara: It sure did. I'm glad.

Nico: Yeah.

Me: There's an opening for you in the Redemption Squad.

Sandra Leylocke: I would be honored to be part of them.

Me: Awesome.

Dora was back in her clothes and was back to normal.

Dora Santiago: That was awesome.

Tara Duncan: And Dora? How did you meet Nico?

Dora Santiago: I met him down in Mexico. He and I were attending a Cinco De Mayo celebration and we had a Chalupa eating contest. He won.

Nico: Those were awesome.

Lincoln: That is cool.

We later went back home.

We arrived.

May: How did it go?

Me: Really awesome!

We told them everything.

Maria: WHOA! So Sandra is now gonna be part of the Redemption Squad. That is cool.

Lola: It sure is. And Diamond Tiara you were great there.

Diamond Tiara: Thanks.

Nico: Yeah it was fun.

Lola: it sure was.

Nico: Next time, Rex Goodwin, Webstor, Ghost Monster, Mal, Jim, Gali, Eiji, Snake, Jak & Daxter, Zayto, and Yost Spidey should come

Me: Awesome ideas.

Qin: Yeah!

Lola: Cool!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Varie: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Lily Loud: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Reggia McArthur: (Australian Accent) I think we should follow Eli.

Jacqueline Francois: Good idea. Nico we're going with Eli and everyone.

Nico: Okay.

They went to help us.

Me, Nunnally, Eli, Lucy, Laney, Lana, Lola and Lisa were all at the Elementary School.

Eli: I have a very bad feeling about this.

Me: I do too bro. But we're going to be ready.

Reggie and Jacqueline came.

Me: You want to help us girls?

Jacqueline Francois: Yes we sure do.

Me: Okay.

We went into the school and looked around.

Me: Hmm. Lets see. There should be some footprints or something.

Jacqueline Francois: I really think we should call for backup.

Me: Keep that option available. Let me see. (SPINS MAGISWORD

BRACELET)

FOOTPRINT MAGISWORD!

I shown a light on the floor from it and it revealed kids footprints. But then some footprints went in different directions.

Me: Looks like there was a struggle.

The footprints went to the basement.

Me: They go into the basement.

Eli: I sense them down there.

Me: Okay.

We went down and stayed quiet.

We heard laughing and heard the kids crying.

We turned and saw a girl with grey hair and had a revealing outfit and Eli recognized her.

Eli: (GASP) Chloe Von Einzbern.

J.D. 4: (Through my Crest) I didn't expect her to be here.

Me: What do you know about her?

J.D. 4: She's a nasty monster.

He went over her history.

Illya was born to act as the key of the Holy Grail War system of Fuyuki, but it was never actualized in the Fate/kaleid liner world. Her parents, Kiritsugu Emiya and Irisviel von Einzbern, decided to abandon the ritual by Irisviel's choice, but Illya still had the knowledge granted to her to act out her purpose. She had been continually tuned during her first few months of life, given the ability to understand words and different types of knowledge. Irisviel believed that an eight month old existence outweighed the thousand year dream of the Einzberns, so she sealed Illya's faculties, knowledge, and memories in order to allow her to live as a normal girl.

Irisviel miscalculated the process, so the sealed memories grew up inside Illya and eventually became a second personality. Due to Illya's ability to "grant wishes" as the vessel of the Grail leaking from the seal, this personality became powerful enough to harness the Archer Class Card and create a body for itself, becoming Kuro. She refers to herself as Illyasviel von Einzbern even after being separated, but has her name changed to avoid confusion.

When it was done we were shocked!

Me: Whoa man.

Eli: This is gonna be brutal. Lets go.

We went to face her and I called backup!

Nico: Lets go guys!

The team was off.

Eli went and faced her!

Eli: CHLOE!

We saw lots of kids turned into mermaids and they were in cages of water!

Chloe Von Einzbern: Long time little Eli.

Eli: I had a feeling you were up to no good!

Me: How did you turn all these kids into mermaids here?

Chloe Von Einzbern: Thanks to my little potion here. It turns them into mermaids.

Everyone came.

Nico: So you are behind this!

Eli: Chloe Von Einzbern is responsible. She is an old enemy of my past and I beat her serveral times.

Nico: Wow!

Octane: Let those kids go. NOW!

Chloe Von Einzbern: Now why would I do that? These mermaids are gonna make me rich.

Me: We'll see about that.

I snapped my fingers and freed them and Eli teleported and kicked her down and knocked her out.

Nico: You're done here!

We tied her up and sent her to the M.O.E. HQ.

Me: Thank goodness.

?: I agree there.

The Embodiment of Optic Sunflower came.

Ophelia Sunflower: Ophelia Sunflower, Embodiment of Optic Sunflower.

Aang: Awesome to see you Ophelia

Aerrow: Yeah same here.

Ophelia Sunflower: You too Aang and Aerrow. Been a while.

Sandstorm: How did you meet Aang and Aerrow?

Ophelia Sunflower: I met Aang when he, Zuko and Katara were finding Ursa and I helped them find her.

Me: Cool!

Ophelia Sunflower: And I met Aerrow when he and the Storm Hawks were battling some of the Cyclonians and it was brutal.

Me: Wow! We had lots of awesome aerial dogfights with the Cyclonians.

Ophelia Sunflower: I heard all about those. They were so fun.

Nico: If I see Dark Ace again I'm going to snap his neck for switching bodies with me.

Me: Yep. Would you like to join us?

Ophelia Sunflower: I would be honored.

Protoboy: Are the missing kids okay?

Nico: Yeah they are fine.

Me: We called their folks and they are glad they are fine.

Qin: Yeah.

Me: Well done Eli.

Eli: Thanks.

Lucy: It sure was.

We went back home.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our shock, it was none other than Yelena Bolova, the adopted sister of Natasha Romanov A.K.A. Black Widow. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: OH MAN!

Eli: Was that...?

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is something you're gonna want to hear, Natasha: I just had a vision and I saw who it was that we're going to confront today: to our shock, it was none other than Yelena Bolova, your adopted sister.

EVERYONE GASPED IN SHOCK!

May: No way!

Black Widow: I always knew Yelena would make a comeback. I've got an idea, we'll send her to Vypra to be a member of The Masters of Evil.

Nico: That's an awesome idea.

Leia Romanov: (Russian Accent) I agree too, Natasha.

Me: First, we got to take her down. Where's she at, Lincoln?

Lincoln: Scans show she's in Russia.

Nico: So, she's staying close to home, eh? Alright, team, let's get going, we've got to take down Yelena Bolova.

Lincoln: And send her to The Masters of Evil.

The previous group came.

Mortal Kombat Scorpion: Can me, Deadwood, Oculous, Electropede, Gameface, Fireor, Stratos, Ice Demon, Brass Knuckles and Mojo Jojo go with you guys?

Nico: Yes you all can go with.

Deadwood: Awesome job on that case Eli.

Eli: Thanks. It was fun.

Me: It sure was.

Edward: Nico, which Gene Slammer do you think you'll meet next?

Nico: Machinedramon next.

Me: Whoa!

Sasuke the Android: Cool!

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Cuffs Lane, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Cage Blunt: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Cage: the figure we saw was Cuffs Lane's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and she's coming after us.

Cuffs Lane: Uh oh, and I know how she's linked to Caleb's nightmares: one night, as we were going after Chester, I'd run into Caleb Maxwell again who'd brutally attacked him in the worst possible way imaginable, and I ordered him to drop his weapons, but he fired a blast of darkness at me, and we got into a fight, and I shot him in the right shoulder, but he survived it and removed the bullet, and then, he unleashed pure Hell on me as he fired darkness blasts and bullets at me, and when he ordered me to attack him more, he had an unhinged insane look in his eyes, it was like looking into the eyes of The Devil himself. But, I fired a bullet that hit him in the stomach, and he had no choice but to flee.

Me: Jeez.

Nico: Oh boy.

Caleb Maxwell: I should've approached this in a better manner, but with my insane anger towards The Syndicate and me acting like a monster, that didn't go well.

Nico: Ooh, I can bet. Alright, team, let's go, we're taking down Yelena Bolova.

Lincoln: We can't underestimate her, since she's Black Widow's adopted sister, she's also as skilled as her, and once we take down Yelena Bolova, we're confronting the next of Caleb's nightmares.

Cuffs Lane: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Russia to take down Black widow's adopted sister, Yelena Bolova, and after we take her down and send her to The Masters of Evil, Cuffs Lane is going to face her Demon

Blood Influenced self: the demons from the night she encountered Caleb Maxwell.

We were off to Russia.

We arrived in Moscow.

Me: Moscow.

Xenia: Nice.

Deadwood: We should call Shade.

Me: Good idea.

Shade then came.

Shade: I'm here everyone.

Me: Awesome.

Birdbrain: It's not every day we visit Russia

Camie: Yeah no kidding.

Black Widow: I know.

Nico: We should come here more often.

Majar: I'm hungry.

Borth: (sighs) You and your stomach, Majar

Black Widow: I know a good restaurant here.

We went to a good Moscow buffet and they had borscht and more.

Yolei: Oh boy. I love Borscht and Pirozhki.

Nico: yep.

We got some good food.

Morton: Yummy.

Yolei loved it.

Lola: Yolei really loves Russian food.

Nico: Yep.

Me: Ever since she met the Russian Digidestined.

Camie: That is awesome.

Hawkmon: Yolei didn't get to try any back then.

Fisticuffs: Why not?

Me: I think she had to return home back then.

Nico: Yeah.

Yolei: It's true.

Stratos: At least you get to try some now.

Yolei nodded.

Me: And she loves it.

We laughed.

Camie: Yeah.

Qin: I wonder what other countries were having problems with Digimon.

Me: Too many too even count. With 193 countries all over the world it's safe to assume that ALL of them were experiencing Digimon invasions.

Gantu: Including good old Hawaii

Me: Yep. And I bet many cities all over the U.S.A. too.

Qin: Yep.

Lola: Yeah.

Nico: We'll worry about them later as we go on. Lets just have a good meal.

We were having a good meal.

Later we were really stuffed.

Yolei was bloated.

Yolei: Ahh. (BELCH)

Brass Knuckles: You sure are stuffed, huh?

Yolei: I sure am.

Me: That was awesome.

Qin: Yep.

Lincoln then had a Premonition.

Lincoln: Oh man! I just had a vision on who the Akuma is. Her name is Venomwidow. The Hypothetical Akuma of Black Widow and a deadly master of spiders and martial arts and packs a deadly wallop. She was made when Mysterio killed everyone in SHIELD and she vowed to kill him and make him suffer

WE GASPED!

He showed a sketch and she looked like Arachne from Scooby Doo but with numerous black widow hourglass symbols along her.

Me: WHOA MAN!

Nico: And all because of Mysterio!? Oh man.

Me: Mysterio has had a habit of pissing off the Avengers but this is going too far!

Hood Sickle: The Mysterio we know would never do that!

Me: No but the Mysterio from HER world could!

Qin: That monster is getting the Black Abyss for this.

Spiderman: Leave his death to me.

Mojo: Why?

Spiderman: My way of killing will also check if he's a robot

Me: Okay Peter.

Eli: She's over by that fountain there.

We saw her by the fountain!

Me: Whoa.

We paid for the food and went to face her!

Me: HEY!

She saw us.

Venomwidow: So you all came.

Me: To help you kill Mysterio.

Crash Man: Natasha? Is that you?

Venomwidow: Yes it's me Crash Man.

Qin: The Mysterio in your world REALLY went too far this time.

Spiderman: But where is he?

Me: This will flush him out.

I activated my Sharingan and it pierced the illusion he cast of the city and I saw him.

Me: AHA! Peter in that alley there!

He fired a web and pulled him to us!

Evil Mysterio: Now, I'm sure we can work this out reasonably.

Ice Demon: I think THIS is reasonable enough!

Spiderman punched him through his helmet, killing him. When he pulled his fist out, he also pulled out his brain!

Me: Yep that was the real thing all right.

Venomwidow: Thank you.

I banished his spirit to the Black Abyss.

Me: Never underestimate the power of the Sharingan.

Sasuke Uchiha: That is for sure.

Shade: We're still going to fight, aren't we?

Venomwidow: Yep.

Me: Lets get it on.

I fired waves of fire and blasted her all over.

Shade charged at her and blasted her with darkness.

Shade: Take that

Venomwidow: My turn!

She fired lightning blasts and we dodged them.

I fired a wave of energy and blasted her down.

Nico: Had enough?

Venomwidow: Yes.

FWOMP!

She fainted.

Me: Now for the main event.

Fireor: What are we supposed to do with Mysterio's brain?

Nico: I'll take care of that.

Nico then ATE IT!

Nico: (Eating it) YUMMY!

Me: I think I'm gonna be sick!

Spy: I have an idea we can use on Yelena.

Nico: What's that?

Spy: I can turn into someone she knows.

Mystique: Like how I do it. I approve!

Me: Good idea.

Qin: Yeah.

Nico: That was a tasty brain. (BELCH)

Me: Nico you are disgusting

Nico: Sorry.

Gameface: Where is she right now?

Eli: 100 yards that way.

Eli pointed to a building and we saw her!

Me: There's Yelena.

Spy turned into a Russian Citizen named Comrade Yosokov.

Nico: You know what to do, Spy

He went over to her.

Spy: (Russian Accent) Greetings Comrade Yelena.

Yelena: (Russian Accent) Greetings to you.

Spy: Comrade Vladimyr Yosokov.

Scratch: Entrance time?

Grounder: Wait for it

Spy: I believe my friends and I should get to know you.

Yelena: Sure.

Nico: Now!

We went at them.

Then the spirits Russia flew in and swirled around them and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a Phoenix Cry was heard and we came out.

Me: Yelena.

Black Widow: Hello Sister

Yelena: Natasha. It's been a while

Black Widow: It has been a while. Too bad we have to fight.

Me: And it's gonna hurt.

Yelena jumped and I blocked a kick and punched her down and she got up. She went at me and I teleported and kicked her in her back.

Yelena: I was worried that you forgot all about me

Me: We had bigger fish to fry.

Black Widow: We sure did.

Me: Specifically Thanos and all those jerks.

Oculous: But at least we're fighting you now

Yelena: Indeed.

I kicked her down.

Me: You always knew how to put up a good fight with Natasha.

Yelena: Indeed.

Deadwood charged at her and bashed her down.

Mariah Demeter: Lets show some goddess power!

Deadwood and Mariah: HARVEST WOOD BLAST!

They fired waves of leaves and blasted her.

Oculous charged at her and bashed her all over.

Huanglongmon: Lets bring the Golden Dragon!

Oculous and Huanglongmon: DRAGON CYCLOPS BLAST!

They fired waves of energy and blasted her.

Camie: OH YEAH!

Electropede charged at her and fired lightning blasts and blasted her.

Boom Jet: BOMBS AWAY!

Electropede and Boom Jet: THUNDER BOMB BLAST!

They fired waves of lightning and bombs and blasted her.

Me: OH YEAH!

Gameface charged at her and blasted her.

Polly Pain: Smell the stink of games!

Gameface and Polly Pain: FARTS OF PAIN!

LOUD NASTY FARTS!

They fired nasty farts and blasted her down and man did it smell horrible!

Mortal Kombat Scorpion: Get over here!

He fired a chain and pulled her over and punched her down.

Blades: (British Accent) Looking sharp!

Mortal Kombat Scorpion and Blades: SPINNING BLADE STORM TORNADO!

They fired waves of lightning and blades and smashed and slashed her all over.

Qin: YEAH!

Spinarak charged at heR and blasted her with webbing.

Spinarak: Oh yeah!

Fireor charged at her and blasted her with fire.

Blast Zone: BLAST AND FURIOUS!

Fireor and Blast Zone: BLAZING BOMBS OF FURY!

They fired bombs and fireballs and blasted her and smashed her.

Stratos charged at her and sucked her in.

Yelena: YOU WINDBAG!

She was spun around.

Wild Storm: THE ROAR OF THUNDER!

Stratos and Wild Storm: LIGHTNING TORNADO THUNDERSTRIKE!

They fired waves of wind and lightning and blasted her all over.

Ice Demon charged at her and fired a wave of ice and blasted her.

Freeze Blade: KEEPING IT COOL!

Ice Demon and Freeze Blade: FREEZING FURY BLAST!

They fired waves of ice and blasted her all over.

Brass Knuckles charged at her and punched her down.

Lola: I summon my BRONZE KNIGHTS!

She summoned 3 Bronze Knights!

Brass Knuckles: Nice!

Brass Knuckles and Bronze Knights: METAL FORCE SMASHING PUNCHES!

They smashed and punched her!

Mojo charged at her and blasted her with bananas.

Zook: (Jamaican Accent) LOCKED AND LOADED! HA HA HA HA!

Mojo and Zook: BANANA FRUIT BLASTS!

They fired waves of energy and fruit and blasted her all over.

Stellar Sparkle: Take this!

She fired waves of magic and blasted her.

Stellar was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Stellar Sparkle: No! I control the power. It doesn't control me!

She concentrated and completely reigned in the power and turned into Mewtwo and fired energy blasts and blasted her all over. She then reverted back.

Stellar Sparkle: All right!

Missy: Let me in on the Mewtwo fun!

She turned into Mewtwo and fired lightning and energy balls and blasted Yelena all over.

Qin: Oh yeah!

Missy reverted back and blasted her with energy balls.

Nico: Missy can go Mewtwo as well.

Stellar Sparkle: Yeah that is awesome.

Me: YEAH!

Then Hydros, Gator Ghoul, Killer Croc, Yenaldoshi, Vulkanus, Copperhead, Hank Scorpio, Top, Taskmaster, and Dayu came.

Nico: Hydros, Gator Ghoul, Killer Croc, Yenaldoshi, Vulkanus, Copperhead, Hank Scorpio, Top, Taskmaster, and Dayu.

Yelena: Good to see you, Tony.

Taskmaster: Same to you, Yelena.

Hydros: That's right. You two know each other.

Killer Croc: And in a good way.

Me: I remember that.

Yenaldoshi: (to Nico) We heard you went to a nacho planet.

Nico: We sure did and it was awesome.

Gator Ghoul: (to Becca) You should take care of that Sandile

Becca: Oh I will.

Dreadhead then came.

Me: Up for another round Dreadhead?

Dreadhead: Yep. Sure am.

Me: Nice.

Dreadhead: You save some nachos for me?

Me: We brought back LOADS OF NACHOS and cheese for everyone.

Dreadhead: COOL!

Qin: Yeah!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!

We got the battles underway

Hydros (to Azulongmon): Nico's rescue was on a Nacho Cheese and Chips planet. Who was fought there?

Azulongmon: It was Elena Elexton's stepfather Roland and he was an old enemy of Nick Fury. He was responsible for turning Elise Elexton into the monster she turned into. Elena HATED HER Stepfather.

Princess Skystar: Yeah no kidding! He is gone forever now.

Sara: Good riddance to bad rubbish.

Rarity: I agree there darlings. But the planet was really good and Nico loved the nacho cheese there.

Sweetie Belle: (LAUGHS) Yeah he ate lots of cheese there.

Gill Grunt: Yeah you got that right. And it also reminded J.D. of a funny joke.

Hydros: What was it?

Gill Grunt: What do you get when you cross a computer with a swimming pool?

Razoul: I don't know! What do you get?

Gill Grunt: Chips and Dip!

THEY LAUGHED HYSTERICALLY!

Razoul: (LAUGHS) THAT WAS FUNNY!

Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Alright. Let's do this.

Cuffs Lane, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Cuffs Lane, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Cuffs Lane, and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords leaving painful scars on her, and they even scratched her with their gold-plated dragon claws and they smashed her all over the place with their superhuman strength, and it was making Demon Blood Influenced Cuffs Lane even more enraged.

Demon Blood Influenced Cuffs Lane: H-how?! How is this even possible?!

Caleb Maxwell: It's because Cuffs Lane is no longer weighed down by what happened back in the past, and I forgave her for the time I exposed my darker nature to her that night.

Cuffs Lane: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my dedication to the police and protecting everyone in need.

Demon Blood Influenced Cuffs Lane saw it and smiled.

Demon Blood Influenced Cuffs Lane: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Cuffs Lane faded away, but not before giving Cuffs Lane a gift: her powers and abilities added to her own.

Cuffs Lane: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Cuffs Lane, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Cuffs Lane's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen black and blue planets orbiting around her legs and fifteen black and blue smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized black and blue planets orbiting around her wrists and ankles, longer brown tail, and massive brown angel wings and four sets of larger brown angel wings underneath her massive brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Cuffs.

Cuffs Lane: That's right, just like Blunt and his old man, the captain, Carter, Jack, Roxy, Jazz, and Tackett, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Kendall Westbrook, Gene-Slammer and Avatar of Marincess Mandarin.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Kendall Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Mandarin. She's the first youngest sister of The Westbrook Sisters, and she's the tactician of The Marincess Water Princesses. Lincoln met Kendall Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Kendall kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Kendall hates Flip with a blazing passion, because that stupid, smelly, mutated, ape-brained, cheapskate polluted Lake Huron by dumping a dumptruck full of rotten nacho cheese that was also soaked in his feet into the lake, and he was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Kendall blasted him with water and they even electrocuted him, and Flip got so mad, he called Kendall a fish-faced bitch and he said that he hopes that Kendall dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison, and when the rest of the family heard Flip's threats along with seeing what he did, everyone was mega enraged, they went to the prison and they beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Flip into a total psychotic tailspin of rage as he banged on the bars of his cell and he screeched like the hairy gorilla that he is!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR!

Nico: Oh my God! Of all the rotten, vile, evil things that stupid mutant did.

Luna: Yep, you heard right, dude.

Laney: We really despised that mutant for what he did dumping a dumptruck full of rotten nacho cheese that was also soaked in his feet into the lake, and he was laughing cruelly like the bastard he was.

Leni: But, what he did in calling Kendall a fish-faced bitch and he said that he hopes that Kendall dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison.

Lana: And when the rest of the family heard that mutant's threat along with seeing what he did, we were mega enraged, and we went to the prison and we beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Kendall, and her sisters in cleaning up Lake Huron, and then, we went home and we also went to the prison and we brutally thrashed him even more.

Lincoln: Ooh, and I have another Mixel Max Gene-Slammer that we'll be meeting on your rescue tomorrow, Nico: Lori Lane, Gene-Slammer of Newzers.

Rurika Matsumoto: I knew it was her next, and you guys are going to love meeting her, she's Lincoln's Guardian Angel from Metropolis and classmate in Science, and she's the twin sister of G1 DCSHG Lois Lane are twins but with different colored hair and different colored clothing: Lori has red hair and pink and orange clothes. She and Lincoln one time made a massive newspaper collection out of faux materials, and Lincoln made Lori Lane a pink and orange bikini, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry Lori Lane along with the rest of his harem, and she hates both Icky Vicky and Trina Riffins with a blazing passion.

Nico: I hate to find out exactly what those two did to piss her off.

Me: Same here.

Lincoln: And it also proves those two spawns of Satan deserved to be sent to The Black Abyss forever.

We headed back home, and we were enjoying our time, and Caleb Maxwell was looking out into the sky as the sun was about to set.

Then, another memory appeared in his head: it was around the time he came back from the dead and looking like he just woke up to a living nightmare and wearing the clothes he was in the day he died. Then, Cage Blunt was driving along and he spotted Caleb Maxwell.

Past Cage Blunt: (Thinking) Hmm, a kid in his 20s out all alone on the streets at night, he doesn't look drunk, but why does he look so familiar?

Cage Blunt got out of the car and he put his hand on Caleb Maxwell's shoulder.

Past Cage Blunt: Hey, kid, this ain't a nice place to be walking around in.

Past Caleb Maxwell: I..., I don't even know where I am in New York, or...who I am! I don't even remember anything! It hurts.

Suddenly, Caleb Maxwell caught something as his tattoo reacted and he went into a panic and was back first into a wall.

Past Caleb Maxwell: G-get away from me, I know who you are..., vampire!

Past Cage Blunt: How did you know what I am?

Suddenly, Cage Blunt saw the tattoo, and he already found out who the stranger is.

Past Cage Blunt: Caleb Maxwell? No, it's impossible, you can't be...!

Past Caleb Maxwell: Can't be what?!

Past Cage Blunt: You can't be alive.

Past Caleb Maxwell: What? You're saying I...?!

Past Cage Blunt: Yes. Eight years ago, on Halloween night: the night of The Hallowshade Massacre, you were killed when your psychotic ex-brother, Drake Maxwell, along with the four senior members of The Syndicate, showed up. You were riddled with tons of bullets, and you died from that as a result. I'm sorry.

Past Caleb Maxwell: No...! No...!

Caleb Maxwell ran away into the direction of The Hallowshade Bar as the memory ended.

Me: Is Caleb okay?

Nico: He looks pretty distant and lost.

Cage Blunt: This always happens when more of his memories return, the memory he'd seen was when I ran into him the night he returned from the dead, I told him everything, and then, he ran off, and then, that's when he transformed.

Lincoln: More of his memories are returning even more, and many of them were the painful ones he's had before he died.

Hunter: (German Accent) Und like Casey said, Caleb's death eight years ago hit me hard, and because of it, I moved here to Michigan.

Travis Tackett: Drake paid the price for what he did, along with those four senior members of The Syndicate.

Leela Salyers: Same with every last gangster and thug in that organization.

Peace Salyers: But, Marcus, after what we saw in the video, made his intentions clear that he didn't want to go into that life of crime his relatives got into, but they crossed the line.

Caleb Maxwell: Yes, they did, and it led to me taking charge to save Mom and Allie from their toxicity, Dad said he was proud of me for the man I became, but I now know that it wasn't his fault, it was them. Dad's relatives and Drake are in The Black Abyss and Dad's finally gone to his eternal rest, it's now my turn to take care of the family, and I won't let scum like my dad's relatives nor Drake run free any longer.

Vulkanus: Yelena put up a fight.

Copperhead: She sure did

Me: A Truly formidable adversary.

Hank Scorpio: But it was nothing we couldn't handle.

Top: Where should we celebrate?

Dayu: Right here in Russia.

Me: Yeah.

Nico: Good idea. Great job today everyone.

Black Widow: (To the viewers) Now that is what I call a family reunion.

Me: Yep.

We celebrated and had a great meal and later went back home and went to sleep.

Alright, and for tomorrow, the next match-up is Casey Antonio VS. Demon Blood Influenced Casey Antonio

For Lincoln's rescue tomorrow, Lincoln and his group are heading to U.A. High School, and not only are Lincoln and Nicole going to tell Minoru Mineta off for his perverted nature, but we're also going to confront the person who helped him get into U.A. High School even in spite of his Quirk not being useful for destroying robots, especially during the entrance exam: the culprit is another of Lincoln's hated enemies from eight years ago, a callous, perverted, excuse for a human being named Jacob Daniels, he was the one who got Minoru in, but it was in fact part of his nasty plot: to kidnap all the girls and sell them to the worst kinds of people everywhere: drug kingpins and mobsters, and not only would it to be for financial gain, but if he also spotted Lincoln's harem, he would have all of them kidnapped, raped, and murdered, just to see his heart break, and he'd also kill him as well, he's the worst kind of human scum there is on the planet, and we're going to kill him and send Jacob Daniels to The Black Abyss for what he did. But, before we do that, we're going to make Jacob Daniels confesses his horrendous crime to the students and teachers of U.A. High School, and after he confesses, we'll publicly castrate Jacob Daniels and burn his genitals on a funeral pyre made of white and blue heavenly fire, and its flames are so intense and that powerful, those hit by those flames: irredeemable human, demon, renegade and/or fallen angel are immediately burned to ashes and have no hope of surviving.

And we're going to meet Kendall Westbrook, Gene-Slammer and Avatar of Marincess Mandarin, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Mandarin. She's the first youngest sister of The Westbrook Sisters, and she's the tactician of The Marincess Water Princesses. Next up is Sarah Gunnerson's day to shine and we're going to battle Krystella and send her to prison.

see you all next time.

Earth of Perim Power

This chapter is where Sarah has her day to shine.

Sarah woke up to see Leafeon staring at her

Sarah: Oh morning Leafeon.

Leafeon: Morning Sarah. Time for breakfast.

Sarah: Let me get ready.

She went and got dressed and went to the table and we were having Pancakes and bacon.

Later it was time for the rescue. The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 12,001.2: The U.S.S. Valorous Phoenix is en route to a new planet located in the distant edge of the universe and we are heading there to see what this planet is like and have a great rescue.

Me: This planet is not going to be a food planet. It must be a normal planet.

Camie: Yeah.

Xenia: We're gonna be in for a fun adventure.

Varie: We sure are.

Lola: Yeah.

Nico: Acid Man, I want to thank you, Wrecka, and your teams for coming

Acid Man: Not a problem Nico. This will be awesome.

Pop Fizz: And we're going to make some awesome fun too.

Camie: Yeah we are.

Nico: Pop Fizz, what do you like to do in your free time?

Pop Fizz: When I'm not doing my Skylander duties, I like to make potions for many of our adventures.

Spyro: Pop Fizz always was ready for anything and he loves working with chemicals.

Me: Yep. And do not try any of that at home.

Camie: That is for sure.

Qin: Yep.

Pop Fizz: Yeah and it's fun stuff too.

Nico: What kind of potions exactly?

Pop Fizz: Mostly potions based on the elements. I also turn into my monster form with them and it has many powers depending on which potion I drink.

Nico: Wow.

Laney: That is so cool.

Eli: It sure is.

Me: Yep. Wow! Yesterday was fun.

Black Widow: It was good seeing my sister again.

Me: Yep.

Nico: How long has it been since you last saw her before yestserday.

Black Widow: In all honesty, I don't really remember. Maybe 6 years.

Nico: Wow.

Black Widow: Yeah.

Me: Now she's in the M.O.E. And the best part is that Yolei got to eat some of Russia's food.

Nico: She sure did.

Yolei: And it was so delicious!

Black Widow: We're glad you liked it.

Chill: (Russian Accent) It's good food.

Mariana Abramovich: (Russian Accent) It was good to be back in Mother Russia. I'm glad no bad men were after me too.

Me: I agree Mariana.

Xenia: Yeah.

Nico: Yep.

Me: Yeah.

Nico: I personally find nothing wrong with Yelena.

Me: Me neither.

Lola: She'll be a great addition to the M.O.E.

Qin: Yeah.

Me: And one of the Avengers enemies is done.

Xenia: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a world that looked very much like Earth.

Nico: We're here.

Me: The planet is called Xaifruia and it's a forest planet.

Xenia: Cool.

Nico: Lets go down and see what it looks like.

We went down and landed and we got out and we saw that it was a really amazing planet. The trees and rock formations were shaped like some of the ones on Earth and there were mushroom shape rock formations. The sky was tan brown and there was a huge moon orbiting around it.

Me: WOW! So this is Xaifruia.

Xenia: Incredible.

Nico: Amazing!

Me: Wow!

I looked at the planets Atmospheric composition and it showed that it was completely identical to Earth.

Me: It has the same Atmospheric composition as Earth. And it is also the same size and at the right distance from its parent star for life to form.

Nico: Wow!

We looked at the parent star and it was a red dwarf.

Me: It's a red dwarf. Those last much longer than our Sun will in 10 billion years. They can last up to a trillion years.

Camie: Wow!

Qin: Amazing! We discovered another world like Earth!

Nico: Yeah!

Me: But this world is much to far away to reach. We're located 32 billion lightyears from home.

Nico: WOW! That is REALLY Far.

Camie: I know.

Lola: It sure is. But this is amazing that we found this planet.

Fu: I'll say.

Nico: Lets take pictures.

Me: Good idea.

We then saw horrifying creatures. They looked like dragons.

We saw scary bird creatures.

Lola: Whoa.

We took lots of pictures and they were amazing.

Nico: Acid Man, what do you like to do in your free time?

Acid Man: I'm a chemist and do experiments for a chemical company.

Me: Interesting and cool.

Qin: Yep.

Lola: Be careful mixing the wrong chemicals.

Lincoln: Okay, gang, we're in for one really brutal battle: we're here on the planet Xaifruia, an alien planet located at the very distant edge of the universe and home to scary and horrifying trees and creatures, but we got bad news: I got word from the warden at The Saturn Insane Asylum that our old enemy, Kanato Sumida, has broken out of The Saturn Insane Asylum, and he's come back for revenge on us and he still desires to destroy humanity and be the only one left.

WE GASPED IN HORROR!

Me: (SUPER MEGA INFINITE-TIMES PISSED OFF) THAT GENOCIDAL MADMAN SON OF A BITCH MOTHERFUCKER! THAT'S IT, NOW HE'S WORSE THAN DEAD WHEN WE CATCH HIM!

Nico: WHAT THE HELL?! I don't believe it, Kanato Sumida, you really are a piece of trash!

Eli: He really enjoys pissing us off, doesn't he?

Lincoln: But, that ends today, Eli. Today, we're going to finish him off and send him straight to The Black Abyss forever.

Suddenly, Lincoln's massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice was glowing with white and blue energy with white and blue heavenly flames surrounding the blade as it sensed someone of pure evil.

Me: What was that?

Lincoln: That's one of the new abilities that my new greatsword has: it also has the power to sense out someone of pure evil, and when that happens, the 9'5" massive, wide, double-edged gold blade glows with white and blue energy with white and blue heavenly flames surrounding it.

Nico: Whoa!

Suddenly, Lincoln had a premonition, and it's not good: it appears

Morgana Midnight Sparkle and her minions have brought back Kagan, Ferrill, Ephemera, Dariel Zerenski, and Xerx Mephistopheles, and that insane she-demon sent them after us.

Lincoln: You've got to be kidding me! Morgana, why you little...!

Eli: Lincoln, what is it, is it one of Morgana's minions?

Lincoln: Afraid so, Eli, and it's not good: Morgana Midnight Sparkle and her minions have brought back Kagan, Ferrill, Ephemera, Dariel Zerenski, and Xerx Mephistopheles, and that insane she-demon sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico's skeleton came out.

Qin: Oh Lord, I can't believe them!

Nico put his skeleton back inside.

Nico: I hate when that happens. I can't believe it, that insane she-demon brought Kagan, Ferrill, Ephemera, Dariel Zerenski, and Xerx Mephistopheles back, Lincoln, I hope you and Rayne kill those assholes!

Lincoln: That's what we're going to do to them, Nico.

Lori: I literally can't believe that Kanato's escaped, this time, we're putting him down forever.

Rayne: Same with Kagan, Ferrill, Ephemera, Zerenski, and Xerx. If Kagan's walking around again along with the half-siblings again, we got another chance to put them all down, and this time, forever.

Me: Yeah!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Kanato Sumida) AHA! Gotcha, you insane bastard. I just spotted Kanato Sumida, he's 20 yards away, and he's still really really pissed at you and Nico for what happened during Yona's Ambassador missions. (Sensed Kagan, Ferrill, Ephemera, Dariel Zerenski, and Xerx Mephistopheles) And I just spotted the next of Morgana's puppets.

Nico: This time, we finish this once and for all. Kanato Sumida, your days of trying to destroy humanity end here and now together with your life.

Courtney heard a Pokemon cry.

Courtney: Look!

We saw a Heatran!

Me: Heatran! Wow!

Courtney: Oh it's hungry.

Heatran: I don't know if anything here is edible.

Courtney gave it apples.

Heatran: Ahh thank you.

She ate them.

Courtney: Wanna come with us?

Heatran: Sure.

Me: All right.

Then I sensed something!

Me: Heads up!

I deflected an energy ball and it hit something and out came MEW!

Me: Mew!

Mew giggled and flew away.

Maria: It...didn't attack us?

Me: Must be a mischief maker.

Pinkie Pie: OOH! This is gonna be fun. Let me see.

She used her telepathy and gasped!

Pinkie Pie: (GASPS) (BLOODCURDLING SCREAM!)

Me: PINKIE WHAT'S WRONG!?

Nico: Pinkie you look like you've seen a ghost!

Pinkie Pie: (LAUGHS) No silly I would scream like this if I saw one. (screams loudly and sounds of a hawk are heard)

Me: Okay then.

Pinkie Pie: This is the scream I make when I remember seeing someone. And that Mew is my sister Citrine Pie!

WE GASPED!

Maud Pie: (Monotonously) Gasp.

Juran: Ash, are Mew Pokemon normally aggresive?

Ash: No they are mischief makers and only attack when provoked.

Nico: Yep.

Mew tagged Pinkie Pie and ran off.

Poliwag: So, she wants to play tag, huh?

Me: This is a funny one though.

Pinkie Pie: Lets have some fun!

Pinkie laughed and flew after her.

Nico: (sighs) I guess some of Sonya's team are gonna be like this.

Sonya: No this is the only one that is like that.

Nico: Oh.

POP!

Nico had his pants pulled down by Mew!

Nico: Huh?

He saw that his pants were pulled down.

Nico: HEY!

Poromon: I guess she's like this because the Pokemon she got turned into is small, not big.

Me: I guess so.

Pinkie Pie fired waves of confetti at her and blasted her all over.

Nico: Pull my pants down will you!?

Me: Okay lets get you back to normal.

I snapped my fingers and she reverted back and was a girl with pink curly hair and blue eyes and had Mew in the middle of her forehead and a purple version of Pinkie Pie's cutie mark on her arm and she had pink angel wings.

Pinkie wrapped her in a blanket and we brought her over.

She woke up.

Pinkie Pie: Wakey wakey silly.

Citrine Pie: (Groans) Pinkie? (GASP) Pinkie!

She and Pinkie hugged.

Citrine Pie: It's great to see you Pinkie!

Pinkie and Citrine made a silly funny face and it was part of their greeting.

Camie: That's funny.

Laney: Must be a greeting.

Maud Pie: it is. Pinkie and Citrine made everyone and everypony in the Pie family rock farm happy.

Nico: 2 Party people.

Limestone Pie: Yeah and those were fun parties from both of them.

Marble Pie: They sure were.

Me: Boy those two look and act so much alike.

Nico: Yep.

Qin: Yeah

Nico: Oddly enough, you didn't attack us out of rage. You just wanted to play tag!

Me: And you wanted to do some silly pranks.

Citrine Pie: Sorry about that. But it's part of what I love to do.

Izzy Moonbow: So that means we're both family. I'm descended from Pinkie Pie and I love parties and fun.

Me: It's true.

Citrine Pie: I guess we are related.

Me: You were turned into Mew by Dark Gale.

Citrine Pie: Oh wow! That was not a fun part.

She was in a pink suit and she was injected and she busted out and shrunk and turned into Mew! Her clothes shrunk and fell off. She flew out.

FLASHBACK ENDS

Citrine Pie: I didn't like that part. But it was fun doing pranks.

Nico: What's your role in Sonya's team?

Citrine Pie: I'm the prankster and chef. I make food for everyone.

Me: Ahh can't have the team go hungry.

Sonya: Yep. She makes awesome foods.

Me: Cool.

Citrine Pie: And outside I work as a chef in a restaurant. I work at a pizza restaurant.

Me: Cool!

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome new pink and blue clothes and she had a Candy sword.

Citrine Pie: Awesome outfit!

Qin: Yep.

Nico: I guess those that shrink out of their clothes will be playful.

Me: I guess so.

Nico: Yeah.

But then...

BONK!

NICO GOT HIT IN THE HEAD WITH A ROCK!

Nico: OW! HEY!

Me: It wasn't me! I think it might be our target.

Nico: Oh right! We need to get him.

Citrine Pie: Right! Lets go get him!

Rango: YEAH!

Pinkie Pie: Lets do it!

We then took off into the air and we set out to kill Kanato Sumida, and send him along with Kagan, Ferrill, Ephemera, Dariel Zerenski, and Xerx Mephistopheles to The Black Abyss.

We were flying in the air, and we spotted our target: Kanato Sumida, and his insanity and hatred towards us and all humanity was still as strong as ever.

Lincoln: There you are, you genocidal monster. Now, to show him the true meaning of pain and draw Kagan, Ferrill, Ephemera, Zerenski, and Xerx out into the open.

Lincoln fired many orbs of colored energy with elements from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Kanato Sumida, and they hit him and he got hit badly, and that pissed him off super badly as we landed. But, that didn't end there, Lincoln fired miniature suns which shined bright and they forced Kagan, Ferrill, Ephemera, Dariel Zerenski, and Xerx Mephistopheles out of the shadows.

Me: I should've known you'd show your ugly face here again, Kanato.

Nico: But, as always, you don't even know when to stay dead.

Kanato Sumida: SHUT UP! SHUT UP! YOU INSOLENT FOOLS HAVE RUINED MY PLAN TO FINALLY DESTROY HUMANITY SO THAT I WOULD BE THE ONLY ONE LEFT!

Me: You're fucking insane!

Lincoln: (Deep sapphire eyes turn blood red with slit pupils and vampire fangs grew longer) YOU SHUT YOUR FILTHY MOUTH, KANATO!

Lincoln fired a blast of white and blue energy with white and blue flames that hit Kanato Sumida, and he got burned really badly as we saw third-degree burns on him.

Nico: You make me fucking sick Kanato!

Kanato glared at us!

Kanato: I told you all. There is no God. God can go fuck himself!

Bakugo:...you know that can get you kicked out of church, right?

Kanato: I don't care! I WANT THE WHOLE WORLD TO SUFFER

AND DIE!

Ibara then punched Kanato in the face and kicked him SQUARE IN THE CROTCH!

Ibara: You don't know how wrong you are! God does exist! He is everywhere! You don't believe in God at all!

Nico: And YOU can go fuck yourself, not God!

Me: That's right!

I punched him in his face!

Ibara Shiozaki: You are nothing but a worthless piece of garbage!

She kicked him in his face.

Camie: And you have no love in your heart!

Me: Maybe I should make sure you NEVER PLAY Sports again! With me slashing off your arms and legs!

Nico: Of course, we're killing you anyway. So, yeah

Lynn: YEAH! I would have turned into you because of Chase Young! You are a disgrace to the world of sports everywhere!

Kanato was enraged! HE WAS NOT GOING TO TAKE THAT LAYING DOWN!

Kanato: HENSHIN!

He turned into Kamen Rider Da-Paan!

He went at Lynn and she punched him and kicked him.

I punched him in the back of the head.

Me: Look at you Kanato. You are nothing but a pathetic little son of a bitch!

Nico punched him in his stomach and Neon kicked him in his face.

Neon: That was for all the times you tried to kill me!

Me: Also the Desire Grand Prix doesn't exist anymore. We gave Suel and his fucked up followers the Black Abyss. Don't worry, you'll be joining them soon.

Qin: That's for sure!

Me: Ace, how would you and the Geats Riders like some well deserved payback on him?

Ace: With pleasure!

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Since you refuse to free my people

All through the land of Egypt

I send a pestilence and plague

Into your house, into your bed

Into your streams, into your streets

Into your drink, into your bread

Upon your cattle, on your sheep

Upon your oxen in your field

Into your dreams, into your sleep

Until you break, until you yield

I send the swarm, I send the horde

Thus saith the Lord
Once I called you brother
Once I thought the chance
To make you laugh
Was all I ever wanted
I send the thunder from the sky
I send the fire raining down
And even now I wish that God
Had chose another
Serving as your foe on his behalf
Is the last thing that I wanted
I send a hail of burning ice
On every field, on every town
This was my home
All this pain and devastation
How it tortures me inside
All the innocent who suffer
From your stubbornness and pride
I send the locusts on a wind
Such as the world has never seen
On every leaf, on every stalk
Until there's nothing left of green

I send my scourge, I send my sword

Thus saith the Lord

You who I called brother

Why must you call down another blow?

I send my scourge, I send my sword

Let my people go

Thus saith the Lord

Thus saith the Lord

You who I called brother

How could you have come to hate me so?

Is this what you wanted?

I send the swarm, I send the horde

Then let my heart be hardened

And never mind how high the cost may grow

This will still be so

I will never let your people go

Thus saith the Lord

Thus saith the Lord

I will not

Let your (my) people go

She hit Kanato with blood, frogs, flies, lice, disease, lightning, hail, fire, locusts, incurable boils, darkness and death!

Citrine Pie: Like old times, sis?

Pinkie Pie: Always up for anything!

Citrine and Pinkie: PARTY BOMB SHOWER!

They fired bombs and they hit Kanato and exploded all over!

Nico: Watch this one.

Nico teleported and split into 5 clones.

Nico got ready to fire an energy wave.

Nico: Not even you can survive this one Kanato. I'm going to obliterate you into nothing.

Kanato: COME AND TRY IT!

Nico: HA!

But instead of energy a party popper appeared and fired confetti and streamers.

Nico: (TAUNTING FACE)

POOF!

Nico laughed at him!

Nico: (LAUGHING HYSTERICALLY!)

Kanato: WHY YOU FUCKING LITTLE!?

We then heard beeping.

Nico: Wait. You guys hear that?

Eli: OH MAN IT'S A BOMB!

We jumped out of the way and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive fiery explosion blasted out where we were standing and we got out of there just in time!

Nico: Now who put that there?!

Everyone shook their heads.

Me: I know it wasn't Kanato. Now where were we? Oh right!

I slashed Kanato.

Little did we know a figure was watching us from the shadows and it was mad.

Michinaga: I knew you were not right in the head. But not like this!

Kanato: BECAUSE I HATE EVERYTHING AND WANT HUMANITY TO DIE! I WILL MAKE SURE HUMANITY IS DEAD FOREVER! I WILL BE THE ONLY ONE LEFT! (LAUGHS LIKE A TOTAL FUCKED UP NUTJOB)

Me: You're fucking insane!

Ace: He was like this even before entering the Desire Grand Prix.

Me: He was. He just said that he killed his own family in cold blood as a start to show that he wants to kill everyone!

A sea bear then appeared behind him and roared and mauled him brutally!

THEN A BUNCH OF SEA BEARS CAME AND MAULED HIM!

They later left and a HUGE HERD OF SEA RHINOCEROSES CAME AND TRAMPLED HIM!

Nico: NICE!

We teleported them back to the oceans of Earth.

Eli: You have absolutely no soul! No conscience! No Heart! You will pay for everything you did!

Eli held up his hand.

ELI FIRED A MASSIVE BLAST OF FIRE ENERGY AND KANATO GOT HIT REALLY HARD BY IT AND IT EXPLODED WITH INCREDIBLE POWER!

EXTREMELY MASSIVE AND INCREDIBLE FIERY EXPLOSION!

He was blasted down.

Nico poured ketchup on him.

Qin: Time for feeding our friends.

A worm dog appeared behind him.

It roared and chomped his leg off and he screamed in pain.

Qin: Nice!

Me: Ouch.

Nico: I've had enough of this asshole to last an eternity!

Me: Me too! Lets finish him!

Lincoln: (To Kagan, Ferrill, Ephemera, Dariel Zerenski, and Xerx Mephistopheles) And yes, you already saw it for yourself, Kagan, I am a vampire-werewolf hybrid and have been one for seven years, but that still means I'm going to kill you bastards and drain you all dry of blood. So, who wants to be first?

Ferrill charged at Lincoln and tried to scratch him with her claws, but he dodged all of her attacks, and then, he grabbed Ferrill by the neck with his left hand and hoisted her up in the air.

Lincoln: (Smirks) Too slow, Ferrill. I thought you prided yourself as "the fastest and strongest" among the vampires, guess that was nothing more than a fluke.

Then, he sank his fangs right into Ferrill's left trapezius.

CHOMP!

Ferrill: (SCREAMS IN PAIN)

Then, Lincoln began sucking Ferrill dry of all her blood, and at the same time, he assimilated Ferrill's Super Strength, Super Speed, Super Durability, Super Regeneration, Super Senses, and Claws. When Lincoln was done, Ferrill was left as a withered corpse drained of blood and he absorbed her into his body and sent her soul to The Black Abyss.

Lincoln: Anyone else?

Ephemera: I admit, you caught us off guard and exposed who you really are, now the fight can truly begin.

Lincoln: In your dreams, shadow bitch.

Ephemera charged at Lincoln and fired shadow shards at him, but he dodged them, and he fired a blast of light and blinded her, and then, he grabbed Ephemera by the neck with his left hand and hoisted her up in the air.

Lincoln: (Smirks) You've lost to someone more cunning than you, Ephemera.

Then, he sank his fangs right into Ephemera's left trapezius.

CHOMP!

Ephemera: (SCREAMS IN PAIN)

Then, Lincoln began sucking Ephemera dry of all her blood, and at the same time, he assimilated Ephemera's Shadow Manipulation, Shadow Teleportation, Shadow Regeneration, Shadow Blades, Shadow Shards, and Levitation. When Lincoln was done, Ephemera was left as a withered corpse drained of blood and he absorbed her into his body and sent her soul to The Black Abyss.

Lincoln: And now for you and Zerenski, Xerx.

Lincoln grabbed Xerx and Zerenski with two of his eleven massive and long white wolf tails and brought them to him, he then chose Xerx Mephistopheles as his fist victim, and he sank his fangs into Xerx's left trapezius.

CHOMP!

Xerx Mephistopheles: (SCREAMS IN PAIN)

Then, Lincoln began sucking Xerx Mephistopheles dry of all his blood, and at the same time, he assimilated Xerx's Genius Intelligence. When Lincoln was done, Xerx Mephistopheles was left as a withered corpse drained of blood and he absorbed him into his body and sent his soul to The Black Abyss, and finally, he sank his fangs into Zerenski's left trapezius.

CHOMP!

Zerenski: (SCREAMS IN PAIN)

Then, Lincoln began sucking Dariel Zerenski dry of all his blood, and at the same time, he assimilated Dariel Zerenski's Bat Transformation and Bat Manipulation. When Lincoln was done, Dariel Zerenski was left as a withered corpse drained of blood and he absorbed him into his body and sent his soul to The Black Abyss.

Rayne: Damn, you were really hungry, Lincoln. I hope you saved room for one last appetizer.

Lincoln: You got that right. (To Kagan) You're next, Kagan.

BLOODRAYNE 2 OST - KAGAN

Lincoln and Rayne went after Kagan, and they brutally fought against him, which proved that they were much stronger than the last time they fought against him.

Rayne: (Kicks Kagan in the face) This is for my mother!

Lincoln: (Slashes Kagan in the chest) This is for exterminating the family of Rayne's mother.

Then, Lincoln grabs Kagan by the neck with his left hand and hoists him up in the air.

Lincoln: And this is for Rayne's angry misspent life, you rat-sucking son of a bitch!

Lincoln bared his fangs at Kagan's left trapezius, and then...!

CHOMP!

Kagan: (SCREAMS IN PAIN)

Lincoln bit Kagan in his left trapezius, and he began sucking Kagan dry of all his blood, and at the same time, he assimilated Kagan's raw power and virility, Immortality, Super Strength, Combustion Inducement, Preternatural Swordsmanship, and Vesper Shard Powers. When Lincoln was done, Kagan was left as a withered corpse drained of blood and he absorbed him into his body and sent his soul to The Black Abyss.

Suddenly, Lincoln's rainbow energy aura flared up extremely and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out, as he let out a loud roar and the force of the wind forced Kanato Sumida to crash into a mountain, he got back out, but boy, was he beyond pissed off.

Lincoln: Alright, Kanato, it's time for you to die once and for all!

Caleb Maxwell, Cage Blunt, Travis Tackett, Allie Maxwell, and James Blunt went after Kanato Sumida, and Caleb Maxwell fired bullets at him and he got hit in the arms and legs, and Chris and the other Watchers appeared and started firing at him as well, and Caleb Maxwell, Cage Blunt, Allie Maxwell, James Blunt, and Travis Tackett fired blasts of darkness and dark energy and they hit Kanato Sumida, and he got sent flying into a wall, he got back out, but he let out a loud scream of rage.

Ibara: You all did well against him.

Fiona, Marie, Nicole, and Natasha Hernandez: Now, it's our turn.

Neon Kurama: You've had this coming for a long time, Kanato, this is where you die once and for all.

Suddenly, the colored eyes of Ibara Shiozaki, Fiona, Marie, Nicole, and Natasha Hernandez, Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez, and Neon Kurama turned neon dark green, red, yellow, blue, blood red, and brown, and they were surrounded by colored energy auras with stars, leaves, plants, fire, lightning, darkness, light, dryads, dragons, fiends, cats, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Kanato Sumida, they left colored energy, stars, leaves, plants, fire, lightning, darkness, light, dryads, dragons, fiends, cats, phoenixes, and angels with every step.

Ibara: I will never ever forgive you for any of your crimes against humanity, Kanato.

Fiona, Marie, Nicole, Natasha, Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez: WE'VE SAID IT ONCE BEFORE, AND WE'LL SAY IT ONCE AGAIN, YOU'RE NOTHING BUT A GENOCIDAL MADMAN SON OF A BITCH MOTHERFUCKER! AND YOU'RE HEADING STRAIGHT FOR A PLACE FAR WORSE THAN HELL!

Neon Kurama: We've stopped you before, but now, this time, we are putting you down once and for all, you're done trying to destroy humanity, so that you can be the only one left, this is where you die once and for all, Kanato.

Suddenly, Ibara Shiozaki, Fiona, Marie, Nicole, and Natasha Hernandez, Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez, and Neon Kurama were surrounded by massive vortexes of colored energy with stars, leaves, plants, fire, lightning, darkness, and light surrounding the vortexes, there are dryads, dragons, fiends, cats, phoenixes, and angels flying around the vortexes, and in the vortexes are colored phoenixes with blood red eyes glaring at Kanato Sumida: the blood red eyes of eternal death and eternal judgement.

Ace Ukiyo: Incredible!

Nico: Oh man! This is it, God's judgement is about to fall on Kanato

Sumida once and for all.

Me: That son of a bitch had it coming for a long time.

Lincoln: Honestly, he turned from a sore loser who lost his sports career into an absolute total misanthropic monster who wants to destroy humanity. Just like Dark Lynn, he's going to die a horrible painful death.

Then, as the vortexes fade, Ibara Shiozaki, Fiona, Marie, Nicole, and Natasha Hernandez, Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez, and Neon Kurama emerged, but they were changed forever.

We were amazed by the transformations of Ibara Shiozaki, Fiona, Marie, Nicole, and Natasha Hernandez, Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez, and Neon Kurama, and when Clyde saw Ibara, Nico saw Fiona, Marie, Nicole, and Natasha Hernandez, and Lincoln saw Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez, they had atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood. But, when Kanato Sumida saw it, he went mad and transformed and tried to kill them.

Lincoln: Should've known you'd resort to that.

LINCOLN FORMED VAMPIRE LAMPREY LEECH MOUTHS ON HIS LEFT HAND AND HE PUNCHED KANATO SUMIDA IN THE STOMACH WITH HIS LEFT HAND, AND THEN, HE GRABBED KANATO SUMIDA WITH HIS LEFT HAND, AND THEN...!

ZZZZAAAAAAPPPPPP!

Lincoln was sucking out all of his powers like a leech and vampire!

Kanato Sumida: (SCREAMS IN PAIN) WHAT ARE YOU DOING TO ME?! LET GO OF ME!

LINCOLN WAS REALLY SUCKING ALL OF HIS POWERS OUT! KANATO TRIED TO BREAK FREE, BUT IT WAS HOPELESS!

When Lincoln was done, Kanato Sumida was sucked dry of all his powers and changed back to normal form.

Kanato Sumida: (Weakly) What did you do to me?!

Lincoln: I sucked out all of your powers and made them my own, I knew you were going to transform, so I decided to ruin that for you.

The leech mouths on Lincoln's left hand vanished.

Lincoln, Ibara Shiozaki, Fiona, Marie, Nicole, and Natasha Hernandez, Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez, and Neon Kurama, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Kanato Sumida, and we fired extremely powerful blasts of rainbow energy, dark green energy, crimson red energy, golden yellow energy, black and dark blue energy, pink and yellow, black and blood red energy, white and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Kanato Sumida and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Ibara Shiozaki, Fiona, Marie, Nicole, and Natasha Hernandez, Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez, and Neon Kurama, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really making Kanato Sumida even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Kanato Sumida, and we found ourselves in Heaven.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, Kanato Sumida. Your goals to destroy humanity so you can be the only one left end here and now!

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Roland Elexton.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've shown no remorse for any of your crimes and all for your goals to destroy all humanity, and I will never let you run free any longer!

Then, Lincoln charged and smashed his rainbow energy infused left fist into Kanato Sumida's stomach and a cluster of white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where it all ends for you!

Lincoln did one final powerful energy slash that hit Kanato Sumida hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Kanato Sumida was now on his last legs and he was really really mangled.

Lincoln swung his massive greatsword downward and slashed Kanato Sumida in two and he was incinerated into ashes as his body was lit on fire by the white and blue heavenly flames and his spirit was sent to The Black Abyss for good. Everyone cheered wildly as we holstered our weapons and we powered down and the new bodies, clothes, weapons, jewelry, 28th Century backpacks, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four orbiting large gold rings behind the heads, fifteen large colored planets orbiting around the legs, fifteen smaller planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of colored angel wings underneath the massive colored angel wings of Ibara Shiozaki, Fiona, Marie, Nicole, and Natasha Hernandez, Monica Uriel Hernandez, Hannah Hamon Hernandez, Rachel Raziel Hernandez, and Michelle Hernandez, and Neon Kurama are permanent.

Me: Good riddance forever, you fucking piece of trash!

Nico: Finally, we're rid of Kanato Sumida forever. So, are you going to introduce us, Lincoln?

Selene Emperyous: Leave that to us, this is Lori Lane, Gene-Slammer of Newzers, she's Lincoln's Guardian Angel from Metropolis and classmate in Science, and she's the twin sister of G1 DCSHG Lois Lane are twins but with different colored hair and different colored clothing: Lori has red hair and pink and orange clothes. She and Lincoln one time made a massive newspaper collection out of faux materials, and Lincoln made Lori Lane a pink and orange bikini, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry Lori Lane along with the rest of his harem, and she hates both Icky Vicky and Trina Riffins with a blazing passion.

Lincoln: She despised what those two spawns of Satan have done, and she dug up tons of dirt on them, and she swore to expose it to the world on the local newspapers.

Nico: Ooh! Man, that would lead to the world hunting them both down like the dogs they are and lynch them.

Me: Just like in the 1800s.

Lincoln: Right. And it's so good to see you again, Lori.

Lori Lane: You too, Lincoln.

Suddenly, Lori Lane had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When she was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, he had an atomic red blush on his face, hearts in his eyes, his nose was gushing out blood, steam whistled out of his large wolf ears and normal ears, and he was literally in Heaven.

Lincoln: (In Heaven) Whoa...!

Then, Lincoln pinned Lori Lane to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with red gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lori Lane: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned us both down and kissed us on the lips. (Seductive Voice and rubs Lincoln's massive pecs) Hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his face.

Lincoln: J.D.

Ace: And the winner at the end is us.

Me: Always is. And villains always will be (Imitating Jim Carrey) Loohoo Sehers!

WE LAUGHED!

Nico: (LAUGHS) That was really good!

Qin: Yeah!

Nico: Nice job Heatran!

Heatran: Thanks Nico! It was fun!

Poromon: Want some beer?

Heatran: Oh no thanks. I don"t drink.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Okay

Nico: Now, who put that bomb in the ground?

Me: Good question. But I did find this in the bomb debris. It looks like initials. C.M.B.B.

I showed a piece of paper with those initials.

Stewie: I'll get to analyzing this when I get the chance.

Me: Okay Stewie.

Nico: At least whoever did it left a piece of evidence that serves as a calling card.

Qin: Yep.

Lola: Yeah.

Citrine Pie: So, you must be Rango.

Rango: That is me.

Me: Rango is sheriff of the town called Dirt. It was located in Utah.

Nico: Yep.

Citrine Pie: Wow! And Pinkie is your sister now? Amazing! That makes me your sister too.

Camie: It does.

Rango: Previously, Dirt was very dry.

Me: Yeah it was a bone dry place and water was very rare there.

Citrine Pie: Wow that is crazy.

Me: It was. And we battled Tortoise John there. We ate him for dinner as Turtle Soup. UCH! Nico punch me in the head. I'm starting to sound like The Shredder and I hate that!

Nico punched me in the head.

Me: OUCH! Thanks.

Nico: You're welcome.

Pinkie Pie: You remember Gummy, right?

Pinkie showed Gummy.

Citrine Pie: Oh I never forgot.

Ace: Pinkie has a pet alligator?

Me: Yep she sure does. But he doesn't have any teeth.

Lana: It's how she named him Gummy.

Gummy cuddled up to her.

Citrine Pie: Aww Gummy.

Me: Twilight and friends all have pets.

Twilight Sparkle: Yep I have Owlowiscious.

Applejack: I have Winona

Fluttershy: I have Angel.

Sunset Shimmer: You would love him.

Maria: How's your car, Poromon?

Poromon: It's good. I'm gonna take it to the store to get groceries for us later.

Nico: Okay then.

Me: Just be careful Poromon. There have been reports of carjackers terrorizing the area.

Poromon: (laughs arrogantly) Ha! How bad can they be?

Me: For you? Not bad enough.

Poromon: Darn tootin!

Qin: Yeah!

Me: Well now we have seen the last of Kanato.

Nico: There they are!

We saw Another Fugu the Frightening, General Yunnan, Lunchlady Doris, Sasorimoai Phantom Escopion and Hillbilly (Darkwing Duck)!

Qin: WHOA!

Me: This will be fun.

Another Fugu: (in a girls voice) It sure will.

They merged and reverted back and it was the gene-slammer of Neptunia!

Nico: (GASP) Neried Neptune!

Me: Neptunia's gene-slammer.

Neried Neptune: Yep. Awesome to see you Nico.

Nico: Same here.

Me: An amazing water master no doubt.

Neried Neptune: I sure am.

Me: Cool. Is the Another Sarah and Wrecka friendly or hostile?

Neried Neptune: Friendly and they are amazing.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the

Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw Another Wrecka and Sarah!

Me: WHOA!

Nico: This is gonna be good.

Another Wrecka: (In a girls voice) Yep.

She reverted back and was the gene-slammer of HELLFIRE WYRM!

Nico: Serena Sarajevo!?

Me: Whoa! The gene-slammer of Hellfire Wyrm from Dungeons and Dragons!

Serena Sarajevo: And also the Queen of the 9 Hells of Baator.

WE GASPED!

Me: WHOA! I bet Swartz made a terrible mistake turning you into an Another.

Serena Sarajevo: Oh he did. I sealed his fate by saying he will die at your hands.

Me: Nice!

Nico: Yep and she is not afraid to destroy anything too.

Wrecka: Just like me.

Me: Yep.

Another Sarah reverted back and it was a younger version of Sarah.

Sarah: (GASP) Sienna!

Sienna Gunnerson: SARAH!

They went and hugged for the first time.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Me: He was too scared of you because you are the queen of the 9 Hells of Baator.

Serena Sarajevo: Bingo. So he just sent us on our way.

Me: Wow.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Pop Fizz: THE MOTION OF THE POTION!

Nico: (Gets out Wrecka's ridewatch) Time to wreck it up!

Maria: (Gets out Sasorimoai Phantom Escopion's ridewatch) We're going to sting you!

Pop Fizz: (Gets out Fugu the Frightening's ridewatch) This fish bites back!

They used the powers of Wrecka, Fugu the Frightening, General Yunnan, Lunchlady Doris, Sasorimoai Phantom Escopion and Hillbilly (Darkwing Duck) and blasted the Anothers.

Then Computer Dopant, Tarkus, Skillit, Kenneth Chase, Bashmaster the Unbreakable, Knighty Knight, Elephanko, Mizugeiko, Fenghuang, Raspberry Rainbow and Hector Von Colossus came.

Nico: WHOA! Nice team Computer Dopant!

Computer Dopant: Thanks Nico.

Me: Awesome!

Oil Man: That means my team is up.

Pharaohmon then came.

Me: Whoa! Pharaohmon!

Xenia: Wow!

Machinedramon then appeared!

Me: Machinedramon too!

Machinedramon: (In a girls voice) (Egyptian Accent) But it's good to see you Nico.

Nico: Amaned Semerkhet XXXIX!? Whoa!

She reverted back and was a girl with black hair, green eyes, white clothes and Egyptian Angel wings and had an Egypt Tiara on and a Scarab necklace and had Machinedramon on her skirt and shirt and had Egypt's coat of arms on her arm and had a gold Egyptian Sword and a yellow digivice.

Amaned Semerkhet XXXIX: This will be fun! (ECHOING) GIGA CANNON!

She and Pharaohmon fired waves of energy and blasted the Anothers and I caught the ridewatches and purified them.

Me: Oh yeah!

Qin: YEAH!

Sasuke the Android: You would love meeting my archenemy Machinedramon. He is awesome.

Amaned Semerkhet XXXIX: I'm sure he is.

Me: Wow you're one of Egypt's Digidestined. That is awesome.

Amaned Semerkhet XXXIX: It sure is. Also I am the direct descendant of Pharaoh Semerkhet.

Me: Whoa!

Eli: That was Egypt's Pharaoh back in 2920 B.C.

Me: Over 4,900 years ago.

Amaned Semerkhet XXXIX: That's right.

Nico: Yep it sure is amazing.

Pop Fizz: Do you have a favorite memory of Nico?

Amaned Semerkhet XXXIX: I sure do. When me and Nico met.

Cairo was under attack by a bunch of Hyogamon and me and Pharaohmon were battling them and Nico helped us.

Nico: Yep.

Me: So Cairo had Digimon problems during the International Digimon Skirmish. That is crazy.

Xenia: Yeah.

Nico: It was.

Nico and Amaned hugged.

Nico: I've missed you.

Amaned Semerkhet XXXIX: Same here.

We went back onto the ship and went back home.

High School, and not only is Lincoln going to rescue the three-hundred twelve girls here, but we're here for a pervert hunting mission.

Plus, Lincoln and Nicole are going to tell Minoru Mineta off for his perverted nature, and we're also going to confront the person who helped him get into U.A. High School even in spite of his Quirk not being useful for destroying robots, especially during the entrance exam: the culprit is another of Lincoln's hated enemies from eight years ago, a callous, perverted, excuse for a human being named Jacob Daniels, he was the one who got Minoru in, but it was in fact part of his nasty plot: to kidnap all the girls and sell them to the worst kinds of people everywhere: drug kingpins and mobsters, and not only would it to be for financial gain, but if he also spotted Lincoln's harem, he would have all of them kidnapped, raped, and murdered, just to see his heart break, and he'd also kill him as well. he's the worst kind of human scum there is on the planet, and we're going to kill him and send Jacob Daniels to The Black Abyss for what he did.

But, before we do that, we're going to make Jacob Daniels confesses his horrendous crime to the students and teachers of U.A. High School, and after he confesses, we'll publicly castrate Jacob Daniels and burn his genitals on a funeral pyre made of white and blue heavenly fire, and its flames are so intense and that powerful, those hit by those flames: irredeemable human, demon, renegade and/or fallen angel are immediately burned to ashes and have no hope of surviving.

Lincoln: Ah, we're here in U.A. High School, and I know what we're going to do here, not only am I going to rescue the three-hundred twelve girls here, but we're here for a pervert hunting mission.

Nicole: Yep, first, you and I are going to tell Minoru Mineta off for his perverted nature, Lincoln, and we're also going to confront the person who helped him get into U.A. High School even in spite of his Quirk not being useful for destroying robots, especially during the entrance exam.

Selene Arcangela: Jacob Daniels, another of Lincoln's hated enemies from eight years ago, a callous, perverted, excuse for a human being and the culprit who got Minoru in, but it was in fact part of his nasty plot: to kidnap all the girls and sell them to the worst kinds of people everywhere: drug kingpins and mobsters, and not only would it to be for financial gain, but if he also spotted Lincoln's harem, he would have all of them kidnapped, raped, and murdered, just to see his heart break, and he'd also kill him as well. he's the worst kind of human scum there is on the planet, and we're going to kill him and send Jacob Daniels to The Black Abyss for what he did.

Lincoln: Right, Selene, but before we do that, we're going to make Jacob Daniels confess his horrendous crime to the students and teachers of U.A. High School, and after he confesses, we'll publicly castrate Jacob Daniels and burn his genitals on a funeral pyre made of white and blue heavenly fire, and its flames are so intense and that powerful, those hit by those flames: irredeemable human, demon, renegade and/or fallen angel are immediately burned to ashes and have no hope of surviving.

Me: Whatever you both have for Minoru, make sure he finally gets the message, and make that asshole Jacob Daniels suffer.

Nico: With what The Anti-Pervert Patrol and Lincoln have for him, I'm absolutely sure it's gonna be horrendous.

Acid Man: Should we tell everyone to cover their eyes?

Lincoln: No need though, I asked Izuku and the others to spread the word.

Bakugo: Everyone was enraged after what we told them yesterday, and we had to stop the commotion before it turned into a huge riot.

Izuku: It almost got ugly. I know where Minoru is at, but we need to hurry.

We immediately high-tailed it to where Izuku knows were Minoru is at, and we found Minoru Mineta, and he was about to steal the undergarments of the girls in gym.

Lincoln: What the Hell?! ARE YOU AT IT AGAIN, MINORU?!

LINCOLN FLEW AT AND GRABBED MINORU MINETA AND HAD HIM PINNED TO THE WALL AND NEEDLESS TO SAY, HE WAS PISSED!

Lincoln: I thought I warned you if I caught you trying to steal a girl's undergarments again, you're going to get beaten up even more, Minoru. Need I remind you again?! (WOLF GROWL)

Me: Oh..., shit!

Nico: Damn, he pissed off the wrong gentleman.

Izuku: It's over, Minoru, we know everything, especially about how you got accepted into school despite that your Quirk wasn't useful at destroying the robots at the entrance exam.

Minoru Mineta: W-what? What are you talking about?

Eli: He's trying to dodge the conversation!

Izuku: Lincoln, Nicole, do it.

Lincoln and Nicole: On it.

WE BRACED OURSELVES FOR WHAT'S ABOUT TO HAPPEN AS LINCOLN AND NICOLE TOOK DEEP BREATHS, AND THEN, THEY REALLY LET THE WORDS FLY!

Lincoln and Nicole: (ENRAGED SCREAMING) YOU SICK LITTLE PERVERT! NOT ONLY HAD YOU GOTTEN INTO U.A. HIGH SCHOOL DESPITE YOUR QUIRK WASN'T USEFUL AT DESTROYING THE ROBOTS AT THE ENTRANCE EXAM, BUT, TO ALSO FIND OUT THAT JACOB DANIELS WAS THE MASTERMIND BEHIND THAT! AND ON TOP OF IT, YOUR PERVERTED BEHAVIOR HAD ALSO PISSED OFF CALLIE SNOW BY TRYING TO STEAL HER UNDERGARMENTS, AND SHE HATES YOU THAT MUCH BECAUSE OF THAT ALONG WITH YOUR PREVERTED NATURE, YOU LITTLE SHIT!

Soon, everyone in the whole school heard it, including the staff, who were horrified after hearing the sudden revelation. Minoru Mineta got out of Lincoln's grasp and tried to get away, but Lincoln fired a blast of ice that froze the little pervert in a block of ice.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Mandarin, she has a water greatsword in hand and with her are the three-hundred twelve girls.

Lincoln: (GASPS) Kendall Westbrook, Gene-Slammer and Avatar of Marincess Mandarin.

Kendall Westbrook: That's right, and I got the girls away from that fucking asshole, Jacob Daniels, and judging from the enraged scream, he found out he was busted!

Lincoln: He's trying to escape. Everyone, do not let him get away!

We immediately took off, now it's become a chase to hunt down Jacob Daniels before he tries to escape. Then, we saw our target: Jacob Daniels, a 28-year-old male with brown hair, black eyes, and from the looks of his black jacket, white shirt, blue jeans, and black knee-high boots, he looked like he was in a gang, and he was trying to get out.

Lincoln: Where the hell do you think you're even going, Jacob?!

Lincoln fired a white and blue energy blast that turned into a pope and tied Jacob Daniels up and brought him to us, and we were pissed. Then, Lincoln brought him before everyone who gathered, and they all had pitchforks and torches and were out to kill him.

Lincoln: You better spill everything that you've done to everyone here, Jacob.

Jacob Daniels: FUCK YOU!

Lincoln: Do it, or I swear I'm gonna crack your head open like an eggshell!

Me: You heard the man!

Nico: You better do what he says or he will do it, shithead!

Jacob Daniels: ALRIGHT, FINE, I ADMIT IT! I DID IT! I GOT THAT LOSER INTO U.A. HIGH SCHOOL! I RIGGED THE RESULTS OF HIS ENTRANCE EXAM AND GOT HIM ACCEPTED INTO THE SCHOOL AND IT WAS ALL FOR MY PLAN TO KIDNAP ALL THE GIRLS AND SELL THEM TO THE DRUG KINGPINS AND MOBSTERS EVERYWHERE FOR MONEY, AND IF I SPOTTED LINCOLN'S HAREM I WOULD HAVE ALL OF THEM KIDNAPPED, RAPED, AND MURDERED JUST TO SEE THAT LOSER'S HEART BREAK, AND THEN, I WOULD KILL HIM TOO! IT'S ALL YOUR FUCKING FAULT, LINCOLN! YOU GOT ME ARRESTED EIGHT YEARS AGO!

Lincoln: That was all your fault! You tried to kidnap Lily the Mermaid, Ronnie Anne, Girl Jordan, and Paige, and have them sold off to a drug dealer for money! Now, it's time to administer your punishment.

Jacob Daniels: (SCREAMS IN AGONIZING PAIN!)

LINCOLN SLASHED OFF JACOB DANIELS' GENITALS AND HE FORMED A FUNERAL PYRE OF WHITE AND BLUE HEAVENLY FIRE AND HE TOSSED THEM INTO THE FUNERAL PYRE AND THEY WERE BURNED TO ASHES!

EVERYONE CHEERED WILDLY!

Nicole: ALRIGHT! TAKE THAT, ASSHOLE PERVERT!

Lincoln holstered his massive greatsword on his back as the funeral pyre disappeared.

Jacob Daniels: YOU PIECE OF SHIT! I'M GONNA KILL YOU!

Jacob Daniels took out a muscle growth serum and injected it into his body, and he groaned in pain, and then, he grew to 12'5" in height, and he now has really massive upper and lower body muscles and ten-pack abs and the muscle growth shredded his shirt and jacket and his pants were left tattered and his crotch grew back and he let out a loud bellow and he beat his chest like a gorilla!

transformed, and we went after Jacob Daniels, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Lincoln fired a red energy blast at Jacob Daniels, and then, a red barbell appeared on his back: and that was the sign Lincoln gave him the Min's Egyptian Virility Drain curse.

Suddenly, Lincoln sprouted tentacles with suctions from his chest and the tentacles latched onto the massive pecs of Jacob Daniels, and then, Lincoln began sucking Jacob Daniels dry of his newly gained extremely massive muscle mass, extremely massive levels of virility and testosterone, and extremely massive superhuman strength and he was groaning in pain as he began shrinking in muscle mass and height.

Then, all of Jacob Daniels' extremely massive muscle mass, extremely massive levels of virility and testosterone, and extremely massive superhuman strength being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four sets of large white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (GROWLS)

Then, when Lincoln was done, the tentacles detached themselves from the chest of Jacob Daniels and went back into Lincoln, and Jacob Daniels was now thin as a rake and sucked bone dry of his extremely massive muscle mass, extremely massive levels of virility and testosterone, and extremely massive superhuman strength.

Jacob Daniels: (Weakly) What did you do to me?!

Then, Lincoln fired a white and blue fire blast that hit Jacob Daniels and he was incinerated and forever sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Lincoln: You are done running loose, you filthy animal, may you suffer forever in The Black Abyss. (To Kendall Westbrook) And it's so good to see you again, Delta.

Kendall Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Kendall Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Kendall Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Kendall Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Kendall Westbrook and hugged her, and Kendall Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Kendall Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Kendall Westbrook, Gene-Slammer and Avatar of Marincess Mandarin, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Mandarin. She's the first youngest sister of The Westbrook Sisters, and she's the tactician of The Marincess Water Princesses. Lincoln met Kendall Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Kendall kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Kendall hates Flip with a blazing passion, because that stupid, smelly, mutated, ape-brained, cheapskate polluted Lake Huron by dumping a dumptruck full of rotten nacho cheese that was also soaked in his feet into the lake, and he was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Kendall blasted him with water and they even electrocuted him, and Flip got so mad, he called Kendall a fish-faced bitch and he said that he hopes that Kendall dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison, and when the rest of the family heard Flip's threats along with seeing what he did, everyone was mega enraged, they went to the prison and they beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Flip into a total psychotic tailspin of rage as he banged on the bars of his cell and he screeched like the hairy gorilla that he is!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what that mutant did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: That's also another reason why we're so glad we're finally rid of that mutant and his entire family forever, and now that you're here, Kendall.

Lincoln with his massive muscular arms still wrapped around Kendall Westbrook leaned his head down the right side of Kendall Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Kendall Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Kendall Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Kendall Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Kendall Westbrook.

Kendall Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Kendall Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Kendall Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Kendall Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Kendall Westbrook: (In Heaven) My God.

Travis Tackett: T-three-hundred twelve girls you just rescued in one day?! I think we need to...!

Me: Lie down back home!

The rest of us headed back home, leaving Lincoln, Nicole, and his harem.

Nicole: I think we broke Dad and the others, and you just broke the world record!

Lincoln: But, still, at least, Kendall managed to get them away from Jacob Daniels along with Minoru Mineta. Are you girls okay?

Ai Hidaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three-hundred eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ai Hidaka: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, three-hundred twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ai Hidaka, Ai Togo, Aiko Takamori, Airi Totoki, Akane Hino, Akane Nonohara, Akari Tsujino, Aki Yamato, Akiha Ikebukuro, Akira Sunazuka, Ako Tsuchiya, Amana Osaki, Anastasia, Anna Mochizuki, Anzu Futaba, Aoi Shuto, Arisa Matsuda, Arisa Mochida, Arisu Tachibana, Asahi Serizawa, Asari Neo, Asuka Ninomiya, Atsumi Munakata, Aya, Aya Kirino, Ayaka Kishibe, Ayame Hamaguchi, Ayumu Maihama, Ayuna Hamakawa, Azuki Momoi, Cathy Graham, Chiaki Kurokawa, Chie Sasaki, Chieri Ogata, Chigusa Kisaragi, Chihiro Senkawa, Chika Yokoyama, China Kuramoto, Chinami Komuro, Chinatsu Aikawa, Chitose Kurosaki, Chiyo Shirayuki, Chiyoko Sonoda, Chiyuki Kuwayama, Chizuru Matsuo, Chizuru Nikaido, Cineria, Clarice, Cosmo Kamizuru, Elena Shimabara, Ema Senzaki, Emi Namba, Emily Stewart, Eri Mizutani, Erika Akanishi, Eve Santaclaus, Frederica Miyamoto, Fuka Asano, Fuka Toyokawa, Fumika Sagisawa, Fuyuko Mayuzumi, Haena Ryoo, Hajime Fujiwara, Hana Suzuki, Haru Yuuki, Haruki Ikuta, Haruna Kamijo, Hasumi Nagatomi, Hayate Hisakawa, Hazuki Nanakusa, Helen, Hijiri Mochizuki, Hikaru Nanjo, Hina Araki, Hinako Kita, Hinana Ichikawa, Hinata Kinoshita, Hiori Kazano, Hiro Shinosawa, Hiromi Seki, Hitomi Niwa, Honami Nishikawa, Honoka Ayase, Hotaru Shiragiku, Ibuki Komatsu, Iku Nakatani, Itsuki Manabe, Izumi Ohishi, Julia, Juney, Juri Saijo, Kaede Takagaki, Kaho Komiya, Kai Nishijima, Kako Takafuji, Kana Imai, Kana Yabuki, Kanade Hayami, Kanako Mimura, Kanna Ariura, Kaori Sakuramori, Kaoru Ryuzaki, Karen Hojo, Karen Shinomiya, Karin Domyoji, Kate, Kirari Moroboshi, Kiriko Yukoku, Kiyomi Saejima, Kiyora Yanagi, Kogane Tsukioka, Kohaku Okuzora, Koharu Koga, Koito Fukumaru, Konomi Baba, Kotoha Tanaka, Kotoka Saionji, Kotomi Otonashi, Kotone Fujita, Kotori Otonashi, Koume Shirasaka, Kozue Yusa, Kumiko Matsuyama, Kurumi Ohnuma, Kyoko Igarashi, Layla, Leon, Letora, Lilja Katsuragi, Luca Ikaruga, Madoka Higuchi, Mahiro Kitagawa, Mai Fukuyama, Mai Hidaka, Makino Yagami, Mamimi Tanaka, Manaka Tomori, Manami Kiba, Manami Okamoto, Mano Sakuragi, Marina Sawada, Mary Cochran, Master Trainer, Matsuri Tokugawa, Mayu Sakuma, Megumi Ijuin, Megumi Tokoro, Meguru Hachimiya, Mei Izumi, Meiko Namiki, Michiru Ohara, Midori Mizuno, Miho Kohinata, Mika Jougasaki, Mikokoro Sano, Mikoto Aketa, Miku Maekawa, Minako Satake, Minami Nitta, Mio Honda, Mirai Kasuga, Mirei Hayasaka, Miria Akagi, Misaki Aoba, Misaki Etou, Misato Manaka, Mishiro Executive Director, Miu Yaguchi, Miya Miyao, Miyabi Tsukimiya, Miyako Anzai, Miyo Harada, Miyu Mifune, Miyuki Yanase, Mizuki Kawashima, Mizuki Makabe, Momoka Sakurai, Momoko Suou, Mutsumi Ujiie, Nagi Hisakawa, Nagisa Aino, Naho Ebihara, Nana Abe, Nanami Asari, Nao Kamiya, Nao Yokoyama, Natalia, Natsuha Arisugawa, Natsuki Kimura, Natsumi Soma, Naze Munakata, Nene Kurihara, Nichika Nanakusa, Nina Ichihara, Noa Takamine, Nono Morikubo, Noriko Fukuda, Noriko Shiina, Otoha Umeki, Pearl/ Policewoman, R.I.F.F.A., Ranko Kanzaki, Rei Shinohara, Reika Kitakami, Reika Tougouji, Reiko Ozaki, Reiko Takahashi, Reina Koseki, Rena Hyodo, Riamu Yumemi, Riina Tada, Rika Jougasaki, Rin Asahina, Rin Shibuya, Rina Fujimoto, Rinami Himesaki, Rinze Morino, Rio Momose, Risa Matoba, Roco Handa, Rookie Trainer, Rumi Wakui, Ryo Matsunaga, Sachiko Koshimizu, Sae Kobayakawa, Saki Hanami, Saki Yoshioka, Sakura Muramatsu, Sakuya Shirase, Sana Miyoshi, Sanae Katagiri, Saori Okuyama, Sarina Matsumoto, Satomi Sakakibara, Saya Matsubara, Sayoko Takayama, Seika Suzumiya, Seira Mizuki, Serika Hakozaki, Setsuna Imura, Shiho Kitazawa, Shiho Makihara, Shika, Shiki Ichinose, Shin Sato, Shino Hiiragi, Shinobu Kudo, Shiori Sena, Shizuka Mogami, Shizuku Oikawa, Sora Hayasaka, Sora Nonomura, Sorewa Suzuki, Subaru Nagayoshi, Sumika Shiun, Suzuho Ueda, Syoko Hoshi, Syuko Shiomi, Takumi Mukai, Tamaki Ogami, Tamami Wakiyama, Temari Tsukimura, Tenka Osaki, Tokiko Zaizen, Toko Hattori, Tomo Fujii, Tomoe Murakami, Tomoka Tenkubashi, Tomoka Wakabayashi, Tomomi Sanjou, Toru Asakura, Trainer, Tsubaki Egami, Tsubasa Ibuki, Tsukasa Kiryu, Tsumugi Shiraishi, Umi Kousaka, Umi Sugisaka, Uzuki Shimamura, Veteran Trainer, Wakaba Kusakabe, Yao Fueifuei, Yasuha Okazaki, Yoko Saito, Yoriko Furusawa, Yoshino Yorita, Yui Ohtsuki, Yuika Mitsumine, Yujin Im, Yuka Nakano, Yukari Mizumoto, Yuki Himekawa, Yukimi Sajo, Yukino Aihara, Yuko Hori, Yume Narumiya, Yumeko Sakurai, Yumi Aiba, Yuriko Nanao, Yuriko Ohnishi, Yuu Ohta, Yuuki Otokura, Yuzu Kitami, Sunako Kirishiki, Liko, Orla, Khana, Mollie, Dot, Universe 666 Coral, Universe 666 Chalce, and Universe 666 Onia with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal

Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villain we went after was none other than another of Lincoln's hated enemies from eight years ago, a callous, perverted, excuse for a human being named Jacob Daniels.

But, when Lincoln showed what happened with him and Nicole telling off Minoru Mineta and forcing Jacob Daniels to confess his crimes and his part in getting Minoru Mineta into U.A. High School and getting his genitals slashed off by Lincoln and burned on a funeral pyre of white and blue heavenly flame and us trashing that piece of shit after he injected himself with a muscle growth serum and Lincoln sucking Jacob Daniels dry of his newly gained extremely massive muscle mass, extremely massive levels of virility and testosterone, and extremely massive superhuman strength, and Lincoln firing a white and blue fire blast that incinerated him and sent him to The Black Abyss forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Kendall Westbrook have a lot of catching up to do, now that she's back in town.

Maria: We heard everything from J.D. and the others, and they freaked out when we heard you rescued three-hundred twelve girls on that rescue and that gave the rest of the gang a pretty bad headache.

Lincoln: Lana, you better have some ice packs ready in the future, this may not be the last time I break a world record.

Lana: On it.

Nico: Oh boy.

Me: So, what's going to happen to Minoru Mineta?

Caleb Maxwell: I'm hoping he gets a very strict discipline lesson from the staff, or worse, get expelled.

Lincoln: The staff will decide what to do with him, Caleb. But, there's no doubt he's going to get disciplined and he'll be going through the entrance exam again, and they're also going to revamp and reinforce the requirements of the entrance exam, so that this won't happen ever again.

Me: That is awesome.

After Lincoln and Nicole told off Minoru Mineta and all of us destroyed Jacob Daniels and sent him to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Kendall Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Kendall Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the

combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Kendall, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Kendall Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Kendall Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Travis Tackett got out another video.

Lincoln: Say, what's that memory about, Cage?

Cage Blunt: This one is one memory that Caleb remembered all too well: this was on the night of October 26th where Travis and I also met his mom and his little sister, and he was pretty horrified.

Caleb Maxwell: Yes, but when you two also planned to hurt Mom and Allie, I lost it and gave you two a really really nasty thrashing

Travis Tackett: And let's just say when you got done, we got a lesson on not pissing you off.

Travis Tackett put the video in as it played on the screen, and it showed Caleb Maxwell walking home from his work at his Uncle Christiano's restaurant.

Past Caleb Maxwell: Ah, another day of college and work at Uncle Christiano's restaurant done and done. It's been two days since we first met those two vampires, and every night when the sun goes down, they show up for a snack. I just hope I don't run into them again, I can't take running for my life again.

Caleb Maxwell approached his house as the sun went down, but for the first time, he made it back home without running into Cage Blunt and Travis Tackett.

Past Caleb Maxwell: I...I made it back home? And didn't run into those vampires? This is weird, I've never made it back home in time before.

Suddenly, Caleb Maxwell spotted something familiar in the driveway: a red Camaro car with viper stripes, and then, his mark reacted as he winced in pain, and he recognized who the car belongs to.

Past Caleb Maxwell: The red Camaro viper?! Oh no! (Gasps) Mom! Allie!

Caleb Maxwell burst into his house, and he went into the kitchen to see his mom and Allie.

Past Caleb Maxwell: Mom, Allie! Thank god you're okay. Mom, there's a car out in the driveway, and...!

Past Marlene Maxwell: I know, honey. Those two vampires whom you ran into two days ago are here. We got them trapped in your room, but so far, they haven't made any moves.

Past Allie Maxwell: I'm scared.

Past Caleb Maxwell: It's okay, Allie. I'm here.

Suddenly, Caleb Maxwell heard a noise in his room across the hall.

Past Caleb Maxwell: They're still here. Come on.

Caleb Maxwell, Allie Maxwell, and Marlene Maxwell went to Caleb's room, and he had his hand on the door knob. Then, he slowly turned the knob and slowly opened the door, and he slowly entered the room with his mom and Allie staying close to him. But, then he saw the window was opened, and he closed it. But, when they went out the room, they saw Cage Blunt and Travis Tackett at the front door and came inside.

Past Caleb Maxwell: (Gasps) Oh crud!

Past Cage Blunt: Well, well, you came back home right on time.

Past Travis Tackett: And your Mom made the mistake trapping us in your room, now we're even hungrier than ever. (Smirks)(To Cage Blunt) You get the kid and we split the mom and sister.

Past Cage Blunt: (Smirks) Deal.

Suddenly, Caleb Maxwell lost it, and he was seeing red.

Past Caleb Maxwell: HOLD IT RIGHT THERE! You two can hound me all you want, you can chase me all over New York, you can torment me every single goddamn night, but now that you brought my mom and my little sister into this, now you two have crossed the fucking line!

Me: Uh...oh.

THEN, CALEB MAXWELL ABSOLUTELY LOST IT AND POUNCED ON CAGE BLUNT AND TRAVIS TACKETT AND STARTED TO BEAT THE DAYLIGHTS OUT OF THEM BOTH, AND HE SHOWED THEM ABSOLUTELY NO MERCY WHATSOEVER! THEN, THEY TOOK THE FIGHT OUTSIDE THE HOUSE!

First, he pummeled the both of them and he knocks Travis Tackett out, and Cage Blunt grabs Caleb Maxwell by his ankles and then spins him around and throws him into the wall. Caleb Maxwell retaliates by springing off of the wall and landing in front of Cage Blunt. They karate chop some more before Caleb Maxwell grabs him by the left leg when he saw him try to kick him and throws him on the ground over and over. Caleb Maxwell then throws him in the air and punches him in the face in slow-motion, sending him crashing into Travis Tackett.

Past Caleb Maxwell: Had enough?!

But, then, Cage Blunt got up and grabbed his right arm and Travis Tackett grabbed his left arm, and they sank their fangs into both sides of his neck and they drank some of his blood, and they got off him and they got into the car and laughed as they left as the video ended.

Nico: Damn. Caleb, you really really lost it.

Caleb Maxwell: It was due to the restless nights and nightmares of the last few encounters I'd suffered from, and Cage and Travis biting me on both sides of my neck really did it for me.

Marlene Maxwell: I was so mad at what you two had done in the last month and a a half with driving Caleb mad with the restless nights and nightmares, and I swore if I ever saw you two, I was gonna tie your tails together in a pretzel knot and tie you both into a German pretzel hold!

WE GASPED!

Me: Holy...damn!

Eli Yikes!

Maria: Ouch, you two messed with her son, and you two were that close to getting the punishment of a lifetime.

Lincoln: Messing with her kids was a huge mistake.

James Blunt: Cage and Travis did get a punishment from the council, and that did ruin Marlene's chance to get her payback on them.

Allie Maxwell: The council's punishment was harsh true, but the punishment Mom was going to give them if she ever saw them again was even worse!

Marcus McKenzie: I do not blame you though, I've seen how dangerous your mother gets when she really gets mad.

Caleb Maxwell: And that's exactly why you never ever want to make us mad.

We got a shower, and then, Lincoln, Asha, Bella, Chel, Elizabeth, Kay, and Lara are heading to Gelato Beach.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Asha, Bella, Chel, Elizabeth, Kay, and Lara are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Asha, Bella, Chel, Elizabeth, Kay, and Lara all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Asha: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Asha, and it's perfect for our first date, shall we?

Lincoln, Asha, Bella, Chel, Elizabeth, Kay, and Lara dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Asha, Bella, Chel, Elizabeth, Kay, and Lara got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lara: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Asha, Bella, Chel, Elizabeth, Kay, and Lara and they hugged the girls in their abnormally massive and powerful muscular arms and Asha, Bella, Chel, Elizabeth, Kay, and Lara placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Asha, Bella, Chel, Elizabeth, Kay, and Lara and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Asha, Bella, Chel, Elizabeth, Kay, and Lara on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Asha, Bella, Chel, Elizabeth, Kay, and Lara are in your harem, Linky.

Asha, Bella, Chel, Elizabeth, Kay, and Lara showed the marks Lincoln made on the right sides of their necks.

Applejack: I knew the mermaids from Mermaid Lagoon also had feelings for Lincoln, so did the rest of Neverland.

Jenna: You guys had no trouble at all.

Bella: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT

confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled

and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Bowser's Kingdom again.

Me: Cool

Nico: Who wants to come with me next?

Me: You know I'll go.

Emerald Sustrai: Me and Taylor will go too.

Izuku: And me and my friends will go too.

Nico: WOW! Lots of you this time. Okay.

Fiona Hernandez: Have fun guys.

Marie Hernandez: Go kick some butt.

Nico: With pleasure.

We went in and the simulator activated and we were in Bowser's Kingdom!

Me: WOW!

Camie: This is so awesome!

Himiko: Boy it sure is!

Sirius: I'm so excited for this one.

Tsuyu: Me too! Ribbit!

Nico: Yeah!

Nicole: You guys are gonna get a thrill out of who the next baddie is for this one. Dad said to make this one super special.

Me: I sure did.

Emerald Sustrai: Who is it this time?

Nicole: Ah ah ah. It's a surprise. They are in the courtyard where you fought the Broodals.

Nico: Okay then.

Me: Lets get a move on.

Nico: First what is it you have planned for this J.D.?

Me: I want to see if our quirks affect our techniques. I want to see how strong they are for this.

Nico: Oh I get it! Interesting.

Me: Yep.

We were off.

We were flying.

Nico: I see something.

We landed and we saw PEKING DUCK!

Me: Peking Duck!

Nico: Peking Duck!

Schnitzel: RADDA RADDA! (PEKING DUCK!?)

Peking Duck: (Chinese Accent) That's right! Peking Duck of the Teriyaki Triads! Now it's time for some payback!

Me: We never did give you a demonstration of our power the last time!

Camie: Yeah!

Tsuyu: This will be fun!

Nico: I thought we fought you already.

Peking Duck: You did.

Me: Well I wanted another round at you.

Peking Duck: Bring it on!

Me: Gladly.

Nicole: I called Peking Duck at dad's instructions because I wanted to see how our techniques interact with our quirks.

Nico: Oh I get it! And I understand.

Me: I'll start us off. Here we go.

I formed an image of the Cone Nebula in the Constellation of Monoceros the Unicorn.

Me: CONE NEBULA LIGHTNING STYLE: THUNDER STAR CONE SPEAR!

I fired waves of powerful lightning and it formed into a deadly cone and it slammed into Peking Duck and exploded!

MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: I agree there Vegeta.

Ochaco: Lets see how he likes this. GRAVITY STYLE NINJA ART: BLACK HOLE JET BLAST!

She formed a black hole ball and it sucked in lots of debris from the explosions and then it fired a massive blast of energy and it hit Peking Duck and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

We were amazed.

Me: HOLY SHIT!

Camie: WOW!

Qin: That was intensely powerful!

Nico: WOW! Well done Ochaco!

Tenya Ida: Yeah!

Ochaco: Thanks guys.

Peking Duck: You guys are putting up a fight! Now it's my turn!

He ran at us with a Bologna Sword!

Tenya Ida: I'm gonna smash you up! SPEED STYLE NINJA ART: SMASHING METEOR BULLET TRAIN!

HE RAN AS FAST AS A BULLET TRAIN WITH HIS ENGINE QUIRK AND BASHED HIM DOWN WITH INCREDIBLE SPEED!

Qin: WHOA!

Midnight Express: WOW! That was fast!

Me: Boy no kidding! Well done Tenya!

Tenya Ida: Thanks J.D.

Emerald used her Semblance again And it made Peking Duck see himself on a routisserie spicket and he was in a fire. HE SCREAMED IN PAIN AS HE WAS BURNING!

Me: OH YEAH!

Nico: OH I LOVE ROUTISSERIE STYLE ROASTED CHICKEN! (DROOLS)

Emerald: I'm having so much fun with this!

Taylor: You sure are!

Shoto: How about these? ICEFIRE STYLE NINJA ART: SUBZERO FLAME BLIZZARD!

He fired a massive blast of fire and it hit him and thawed him and blasted him.

Camie: OH YEAH!

Qin: That was cool!

Peking Duck got really mad and went at us.

Eijiro Kirishima: Oh yeah! HARDNESS STYLE NINJA ART: ADAMANTIUM HARDNESS DEFENSE!

HE TURNED INTO A BLOCK OF SOLID ADAMANTIUM METAL AND THEN PEKING DUCK PUNCHED HIM AND THEN BROKE HIS ENTIRE ARM AND IT HURT LIKE HELL!

Me: OOH! Ouch!

Eli: That had to hurt!

Eijiro Kirishima: He should know better than to punch a guy that can turn into anything hard.

Me: You got that right Eijiro.

Taylor: Let me have a shot now.

Me: Go for it.

She fired waves of fireballs and blasted him all over the place.

Me: YEAH!

Nico: Colossus and Girder can support that statement

Eijiro: You got that right there.

Tsuyu: You know what goes good with duck? Frogs legs! Ribbit!

FROG STYLE NINJA ART: PLAGUE OF FROGS TSUNAMI!

She fired a wave of water and it formed into NUMEROUS FROGS and and they smashed all over Peking Duck and buried him in frogs!

Me: That is a lot of frogs!

Lola: Yeah!

Lana: I'll say!

Momo Yaoyorozu: Lets see how you like this one. METAL CREATION STYLE NINJA ART: SAWBLADE SLASH AND SLICE AND DICE!

She formed a massive number of sawblades and they went at Peking Duck and he dodged them and one cut him on his face.

Me: Whoa! That was awesome!

Momo Yaoyorozu: It sure was!

One frog cuddled up to Nico.

Nico: Hey little guy.

Me: Must smell Poliwag on you.

Poliwag: That is cute.

Denki Kaminari: Now watch this one. STATIC LIGHTNING STYLE NINJA ART: THUNDERSHOCK DISCHARGE STORM!

He fired waves of lightning and blasted Peking Duck all over and electrocuted him all over!

Me: WHOA! That was Electrifying!

Eli: Yeah!

Poliwag then realized something.

Poliwag: (jealous) Wait. What's that supposed to mean?!

Me: Well you're a tadpole Pokemon and tadpoles turn into frogs.

Poliwag: Oh I see what you mean. But that does make sense.

Kyoka Jiro: Time for some sound. SONIC STYLE NINJA ART: ULTRASONIC BLAST STORM!

She fired massive sonic blasts from her earbuds and blasted him all over.

Me: WHOA!

Venom: Thank goodness we weren't in that one. Or we would feel that.

Xenia: No kidding.

Donna Diego: Good thing me and Leslie weren't in there as well

Carl Mach: And me and Roman.

Nico: Yeah.

Toru Hagakure: Time for some invisible stealth. INVISIBLE STYLE NINJA ART: STEALTH GHOST STRIKE!

She went completely invisible and then went over to Peking Duck.

I turned on my infrared vision and saw her beating up Peking Duck mercilessly!

POW BIFF SMASH WHAM BAM WHOMP BLAM!

Nico: YIKES!

Horsea: Wow!

Me: Perfect stealth. But I can see her mangling him up with my infrared vision.

Nico: Nice.

Ibara Shiozaki: Time to unleash the Sword of Michael on him. VINE

NATURE STYLE NINJA ART: VINE SWORD OF LIGHT!

She formed a vine sword and slashed Peking Duck all over.

She fired a wave of fire and it formed into a swirling spear of fire and blasted Peking Duck all over.

Me: WHOA! Himiko that was great!

Himiko: Thanks J.D.

Nicole: That was awesome!

Himiko: Many more where that came from.

Nico: I can believe that!

Kaoruko: Have some bubbles. HOT SAUCE STYLE NINJA ART: BUBBLES OF SEARING BURN!

She fired a wave of orange bubbles and they went into Peking Duck's eyes and popped and he screamed in excruciating pain as his eyes were on fire!

Me: OOH! OUCH!

Nico: Nothing hurts worse than getting hot sauce in your eyes.

Me: Except Hot Mustard.

Nico: True.

Lily: (LAUGHS) That is funny! Me, Patrick and SpongeBob made hot sauce bubbles and it was funny.

SpongeBob: It's true.

Qin: (LAUGHS) That is cool though!

Me: Chocolate Bubbles, Hot Sauce Bubbles, and more. Awesome.

?: Time for some of my pain!

Then 2 figures came and it was the gene-slammer Avolakia and the embodiment of Flame Hyenard came.

Nico: Allie Avolakia!

Hilary Hyenard: And Hilary Hyenard the Embodiment of Flame Hyenard.

Nanette: Awesome to see you Hilary!

Sydney: Same here.

Hilary Hyenard: You too Sydney and Nanette. Been a while.

Nanette: It sure has.

Me: Whoa Allie is that a Thing Monster tail?

Allie Avolakia: It sure is.

Me: What the fucking hell!? That is horrifying.

Allie Avolakia: I know. But it has awesome powers with it.

Me: Wow.

Nico: (gets out Wrecka and Overdrive Ostrich's Ridewatches) Time to wreck things into overdrive!

Wreck It Ralph: YOU'RE GONNA WRECK IT!

Nico activated the ridewatches and smashed Peking Duck all over the place!

I fired waves of energy and lighting and blasted Peking Duck all over.

Hilary Hyenard fired waves of fire and blasted him and Allie fired waves of lighting and lasers from her tail and blasted him.

Me: WHOA! That is a cool tail!

We blasted Peking Duck with a powerful blast and smashed him down and knocked him out.

Me: OH YEAH!

Nico: THAT WAS EPIC!

WE CHEERED AND HIGH FIVE!

Nico: How did you meet Sydney and Nanette?

Hilary Hyenard: I met them both down in the Underground City and helped them try to find a way to be free. I helped them try to reign in the powers of their monster forms with their will.

Nico: That is cool!

Me: It sure is. We were the ones that freed them forever from the city.

Hilary Hyenard: That is awesome.

Me: Yep. And Allie do you have any favorite memories of Nico?

Allie Avolakia: I sure do. When me and Nico were watching Resident

Evil and The Thing and I got scared. Nico had to stay with me because of bad nightmares.

Me: I know the feeling myself. Both those movies scared me shitless and I couldn't sleep for a week. The Resident Evil movies not so much.

Nico: Wow.

Nico and Allie hugged.

Nico: I've missed you.

Allie Avolakia: Me too Nico.

Me: Would you like to join us?

Hilary Hyenard: We would be honored.

We left the simulator and we cheered wildly.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Poromon was heading out for some shopping.

Luna Hikari: Have fun Poromon!

Poromon: I will!

He got in his car and he was off.

Danielle Azvameth: What kind of trouble can Poromon possibly get into there?

Me: Who the hell knows. But if anyone can be bested by a mascot, Poromon can best them.

Nico: Yep.

Poromon got to his destination and it was the grocery store.

Poromon: Here I am.

But a figure saw an opportunity.

?: That car is mine.

He went for it.

Poromon got out

He went back into the car and Poromon was getting something. But then the carjacker got in.

? (sits on something): Hey, look at this comfy pillow I'm sitting on!

Poromon: Now what is the big idea! I'm not a pillow! Wait! A Carjacker! OKAY BUSTER YOU ASKED FOR IT!

Hey, what's up with this pillow? It's moving! (tries sitting straight on Poromon)

Poromon: THAT'S BECAUSE YOU'RE SITTING ON ME!

He saw Poromon and they screamed!

He got out and punched the man!

Carjacker: (points gun at Poromon) The Hell are you? Some kinda pigeon?

He kicked the gun out of his hand and pointed it at him!

Poromon: I'm one of the Team Loud Phoenix Storm mascots you buttface!

POW BLAM BIFF SMASH WHAP WHOMP!

He snatched his gun back and fired at Poromon.

BANG!

Poromon dodged the bullet and kicked the gun back and then kicked him out of his car! The Carjacker grabbed onto it as he was driving!

Carjacker: I'm... not... letting... go! Nothing will stop me! Not even… [gasps. He sees a sign reading…] Giant bear traps?! [so, The carjacker is dragged through a field of giant bear traps. He comes out with a bunch of pieces missing from him] I'm... not... letting... go... even for... [gasps, when he sees another sign for...] Cheese graters?! [so, he skids through the cheese graters. Now he's just red four strands with arms] If you think I'll let go for a little... [he then approaches the most dreaded sign of them all...] educational television?! Oh, no

Poromon: Okay that's funny.

We sensed Poromon in trouble.

Nico: UH OH! Mascot senses tingling.

Blitzwing:...what did he do now?!

Nico: Lets go find out!

We went to find out.

The carjacker got back in the car and slammed Poromon against the window.

Poromon got back and slammed the carjackers head against the steering wheel.

But then...

CRASH!

THEY CRASHED INTO A FIRE HYDRANT! Then numerous cop cars came and the carjacker landed on the ground a mangled mess and Poromon was unscathed.

We arrived.

Sky Lynx: Poromon, look me in the optics and tell me you weren't drinking while driving!

Poromon: I swear I wasn't. This jerk stole my car and we fought for it!

Me: WHOA! You really mangled him up.

I took off his ski mask and it was a brown hair man with blue eyes and he was REALLY BEAT UP!

Sheila: Well I'll be! Terrance McNulty! He's the most notorious carjacker in the country.

Me: I've heard about this guy. He was wanted by the FBI in 10 states for stealing numerous cars and crashing them and stealing any valuables in them.

Lola: Geez!

Nico: Man you really did a number on him Poromon. What happened?

Poromon: I drove him through a giant bear trap field, cheese grater field and then through the Educational Television pit.

SpongeBob: (LAUGHS) Just like how I was trying to stop Mrs. Puff from stealing my car.

Lily: That is funny.

Poromon: Also I beat him up and took his gun.

Terrance McNulty: (Groans) That pillow is a freakin psychopath.

Me: And crashing into a fire hydrant stopped him.

Qin: Yeah.

Poromon: Yep.

Me: Well he's going back to prison for a long time.

I slapped the cuffs on him.

Poromon: I'm not a pillow!

Me: It's back to the stony lonesome for you Terrance. Also you have been bested by one of the mascots of us.

Lana: No sweat Poromon. We can fix your car.

Poromon: Thanks Lana.

Lana: No problem.

Me: Lets get it into the garage. Sorry your shopping trip went really bad.

Poromon: No worries.

Sarah: If we're going to Perim later, let's visit Mount Pillar.

Threatpack: Good idea

Me: Yeah. But Poromon well done in catching him.

Poromon: Thanks.

We later went back home.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in

our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Krystella, that dishonorable cheating witch has come back from the dead thanks to Anti-Monitor, and she wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw.

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is something we're not going to like in the slightest: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Krystella, that dishonorable cheating witch has come back from the dead thanks to Anti-Monitor, and she wants revenge on us.

EVERYONE GASPED IN SHOCK, AND NEEDLESS TO SAY, WE WERE REALLY PISSED OFF!

May: YOU'VE GOT TO BE FUCKING KIDDING!

Qin: Same here, I thought we were done with that dishonorable cheating witch and sent her and Klay to The Black Gates after we killed them with The Curse of The Cobra.

Sarah: Like Lincoln said, this has Anti-Monitor written all over it. Well, we're sending her to prison. But, where should we send her?

Lincoln: I've actually got just the thing.

Lincoln formed a miniature moon with a prison complex on it in his hand.

Me: That's Saturn's Moon Enceladus.

Lincoln: This is what I built especially for a witch like her: say hello to The Enceladus Prison for Rogue Chaotic Players, it's a special prison I'd built on Enceladus, the sixth-largest moon of Saturn, and it's a top-notch state-of-the-art Supermax Security prison equipped with top-notch state-of-the-art security systems and the toughest security officers employed and it's built for one reason: to house rogue Chaotic players who break the rules of Chaotic and resort to dishonorable tactics to win at Chaotic.

Me: WHOA! That's so awesome!

Nico: Yeah!

Me: We built a prison also for mad scientists on Saturn's moon Enceladus.

Lincoln: Yep. I built it with that one. In my spare time along with working out and studying, I've been creating brand new space prisons along with brand-new comics, along with looking at other worlds besides the world Cage and his friends lived in, and I know where that witch is, she's on Perim.

Me: Where it all began long ago.

Nico: And where it will end once and for all. Alright, team, let's go, this is the last time we ever have to deal with that witch, Krystella.

Lincoln: After what that witch has done to Sarah and antagonized us in the process, she deserves to spend the rest of her life in prison.

The previous group came.

Gator Ghoul: Can me, Hydros, Killer Croc, Yenaldoshi, Vulkanus, Copperhead, Hank Scorpio, Top, Taskmaster, and Dayu go with you guys?

Nico: You sure can guys.

Killer Croc: Cool! We saw you guys apprehend that guy.

Me: Poromon did that. He was great.

Nico: Yep.

Poromon: It's true.

Killer Croc: Awesome.

Edward: Nico, which Gene Slammer do you think you'll meet next?

Nico: Megadramon and Gigadramon next.

Me: Whoa! I remember those two were blasting apart Machinedramon's city from above.

Xenia: Yeah.

Nico: Yep.

Tai Kamiya: That's right. I remember.

Camie: Wow.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Casey Antonio, and he's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Travis Tackett: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Travis: the figure that we saw was Casey Antonio's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and he's coming after us.

Casey Antonio: And I know how he's linked to Caleb's nightmares: one night, as we were going after Mad Cat Max and Patch, and I ordered him to drop his weapons, but he fired a blast of darkness at me, and we got into a fight, and I shot him in the right shoulder, but he survived it and removed the bullet, and then, he unleashed pure Hell on me as he fired darkness blasts and bullets at me, and when he ordered me to attack him more, he had an unhinged insane look in his eyes, it was like looking into the eyes of The Devil himself.

Me: Jeez.

Nico: Oh boy.

Caleb Maxwell: I know, I should've approached this in a better manner, but with my insane anger towards The Syndicate and me acting like a monster, that didn't go well.

Nico: Ooh, I can bet. Alright, team, let's go, this is the last and final time we ever have to deal with Krystella.

Lincoln: This time, that witch is going straight to prison, and she'll stay there until she dies in prison, and once we get done with that psychopath, we're confronting the next of Caleb's nightmares.

Casey Antonio: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Perim to finally deal with Krystella and we're going to send her to The Enceladus Prison for Rogue Chaotic Players, and once we get done with that witch, Casey Antonio is going to face his Demon Blood Influenced self: the demons from the night he encountered Caleb Maxwell.

We were off to the Perim Hub.

We arrived.

Me: Here we are.

Qin: Wow! Been a while since we were here.

Lola: Yeah.

Peyton: It feels good to be back in the Hub.

Camie: Wow this is amazing.

Me: Yep.

Yenaldooshi: Lets call Koragg.

Me: Good idea. Also many of you weren't with us when we battled all the enemies of Perim. So we should fill you in.

Camie: Okay.

We called Koragg.

Koragg came.

Koragg: I'm here guys.

Me: Awesome!

We went into the hub.

Nico: Cool!

Camie: Wow! This place is amazing.

Ace Ukiyo: Boy I'll say! It looks as awesome as the DGP Temple.

Nico: It sure does.

Tom: Maxxor and the other Overworlders are already looking for Krystella right now.

Birdbrain: Let's go to Mount Pillar to see how Odu Bathax and the other Danians are doing on their end.

Nico: Before we do that, lets tell everyone what happened before most of you joined up with us.

Me: Right they need to know the lay of the land.

Nico: Yep.

We got some pizza and food and sat down.

Peyton: (Eating) Good pizza!

Me: It's always good food.

Sarah Gunnerson: (Eating) It sure is.

Poromon ate some pizza.

Poromon: (Eating) Deicious!

Peyton: It sure is.

Me: Okay so we had to battle some of Perim's most dangerous enemies.

Nico: Starting with the M'arrillians.

Me: Yep. These guys were REALLY BAD News.

I went over their history and it was big.

When I was done everyone was shocked and horrified!

Me: Yeah. We had to take them down half at a time.

Ri'Oha: And I should know. I was there when it happened.

Nico: Then we took down Simon and his goons

Me: They were Rogue Chaotic players that wanted to destroy locations and sell them as ultra rare locations and sell them to the highest bidder. They were Simon and his friends Bianca, Dimitri and

Bruno.

Xenia: Yeah.

Sarah Gunnerson: If we face them again they are not worth killing.

Me: No they don't deserve death again.

Nico: We'll face them on a rescue.

Camie: Those guys must be jerks.

Me: Oh they were. But Nico if we ever use the Curse of the Cobra again we should shrink the time for the curse to kill them from 2 years to one week. 2 years is much too long.

Nico: I'll make a note of it.

Maria: Then we fought Van Bloot. Krystella was with him

Me: Yeah. He was the reason why we sent Krystella and Klay to prison the first time.

Camie: Whoa man.

Sarah: And also Krystella dumped pigs blood on me!

Qin: YUCK! I can never forget that.

Eddy: Me neither.

Me: Van Bloot was destroyed thanks to us.

Nico: Yep.

Me: Carrie went and consoled Sarah because the same thing happened to her.

Carrie White: It's true.

Nico: Yep.

Qin: I remember that too.

Lori: And we literally infected Nunk'Worn, turning him into a Danian.

Sarah: We sure did.

Me: That was cool.

Lola: Yeah.

Rarity: That is amazing darlings.

Qin: It was.

Me: Yep.

Qin: I think that's the rundown.

Xenia: Yeah.

Rarity: My goodness!

Fluttershy: You all have been very busy here.

Me: That is for sure.

Poromon: Shall we head to Mount Pillar?

Me: Lets shall.

Nico: Good idea.

We were off to Mount Pillar.

We arrived.

Copperhead: We're here.

Me: Yep.

Xenia: Good to see Perim again.

Camie: This is amazing!

Me: Boy we should come here more often for rescues and all that.

Nico: Good idea.

We went in and saw Queen Illexia.

Darkwing: Hey, Queen Illexia.

Illexia: Greetings, everyone. Is it my turn to participate in missions?

Nico: Oh, I think this is a personal one you might enjoy

Illexia: I heard that the human Krystella is back.

Me: You heard right.

Illexia: I thought she was put in prison.

Me: She was at first. But then we cursed her and got her banished to the Black Gates and then after we finally destroyed Xehanort, a new big baddie emerged. His name is Anti-Monitor and he breached the Black Gates and Compromised them and resurrected many of our enemies. Including Krystella and many of your enemies too.

Illexia: Then that must mean?

Me: Yeah. The M'arrillians, Van Bloot and Klay are back too.

Qin: Yeah.

Illexia: This is a disaster!

Odu Bathax: Of course we know that. Me and the others have been participating in missions with you guys, remember? Klencka and the other Danians are patrolling the area for her. As soon as they spot her, they'll let us know

Top: Good to know.

Me: Good.

Qin: Yeah.

Weirdwolf: She can run but she can't hide! Especially now that she has no scanner.

Me: Yep.

But then Lincoln had a Premonition.

Lincoln: WHOA! This is gonna be a hot one. I got a vision on which Akuma we're facing next. Sarah's Akuma named Terrorcano. The Hypothetical Akuma of Sarah Gunnerson and a master of earth, rock, mud, boulders, crystal, lava and heat and a deadly force to be reckoned with. She was made when Krystella humiliated her and she reached the breaking point and turned into this and she vowed revenge on her. She is going to kill her.

WE GASPED!

Qin: WHOA!

He showed a sketch of her and she was a creature made of lava and rock and had lava Angel Wings.

Dayu: i was expecting her to be made of rocks!

Me: Me too.

Qin: Yeah.

Lola: This one is hot too.

Me: Yeah. But Krystella really went too far on this one.

Lemon Zest: Where is she?

Eli: That way 1 mile!

He pointed to the northwest.

We saw smoke.

Me: That must be her. Lets go.

Nico: You heard him!

We were off.

Me: We'll find her first.

Nico: Yeah!

Koragg: You need to calm down and we can talk this over.

Hank Scorpio: Don't make us hurt you

Terrorcano: I won't stop till Krystella is dead.

Me: Sorry to disappoint you but we're not going to kill her this time.

Nico: But we will stop you!

I fired a wave of water and drenched her and a huge cloud of steam came off her

Terrorcano: My turn!

She fired waves of lava and Koragg blocked it.

Me and Koragg fired waves of water and black fire and blasted her.

Me: And you did everything you could to make Sarah look like a chump!

He fired a wave of wolf fire and blasted her.

Nico: Is she knocked out yet?

Krystella was badly mangled and beaten up.

Krystella: (Groans) (weakly) Go ahead. Kill me.

I then fired a wave of energy and it missed her face.

Krystella: Huh?

Me: No. You aren't worth killing anymore. As much as we hate your guts, you were killed more than enough.

Sarah: That's right.

Sarah raised her fist back and then...

KRASMASH!

SHE PUNCHED HER WITH INCREDIBLE FORCE AND KNOCKED HER OUT!

She had blood coming out of her mouth and nose and cuts on her.

Lincoln swung his massive greatsword and fired a wave of rainbow, white, and blue energy, which turned into a rainbow straitjacket and tied Krystella up, and he opened up a portal behind her that led to The Enceladus Prison for Rogue Chaotic Players. Lincoln lifted Krystella up and tossed her inside as the portal closed.

We cheered wildly as we holstered our weapons and we powered down and Sarah Gunnerson's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen pink and purple planets orbiting around her legs and fifteen pink and purple smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized pink and purple planets orbiting around her wrists and ankles, and massive blonde angel wings and four sets of larger blonde angel wings underneath her massive black angel wings are permanent.

Sarah: And to this we say, good riddance forever, Krystella. But, don't worry, your pals will be joining you all very soon.

Nico: That's for sure.

Me: We've got to take a look at the prison one day, and see the inside of it.

Lincoln: Don't worry, you will, J.D. Now, there's one last thing to do, and one last loose end to tie up: Casey Antonio's Demon Blood Influenced self.

?: Well, you need not look any further.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Demon Casey, or we're forcing you out.

A figure came out, and it was none other than Casey Antonio's Demon Blood Influenced form: he looks exactly like him, but with black sclera and blood red iris.

Casey Antonio: So, you're here, and the demon look isn't a good look.

Demon Blood Influenced Casey Antonio: You can't get rid of me that easily, I'm part of you.

Casey Antonio: Yes, you're a manifestation of the day I encountered Caleb after he came back from the dead, but this nightmare ends

here and now.

Suddenly, Casey Antonio was surrounded by a very massive vortex of black and blue energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a dark blue phoenix with blood red eyes with blue ring glaring at his Demon Blood Influenced self: the blood red eyes of eternal death and eternal judgement and the blue ring of understanding.

Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Alright. Let's do this.

Casey Antonio, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Casey Antonio, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Casey Antonio, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords leaving painful scars on him, and they even scratched her with their gold-plated dragon claws and they smashed him all over the place with their superhuman strength, and it was making Demon Blood Influenced Casey Antonio even more enraged.

Demon Blood Influenced Casey Antonio: H-how?! How is this even possible?!

Caleb Maxwell: It's because Casey Antonio is no longer weighed down by what happened back in the past, and I forgave him for the time I exposed my darker nature to him that night.

Casey Antonio: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my dedication to the police and protecting everyone in need.

Demon Blood Influenced Casey Antonio saw it and smiled.

Demon Blood Influenced Casey Antonio: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Casey Antonio faded away, but not before giving Casey Antonio a gift: his powers and abilities added to his own.

Casey Antonio: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Casey Antonio, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Jack Howard's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large fifteen black and blue planets orbiting around his legs and fifteen black and blue smaller planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized black and blue planets orbiting around his wrists and ankles, Third Eye, longer orange and brown-tipped tail, and massive brown and orange angel wings and four sets of larger brown and orange angel wings underneath his massive brown and orange angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Casey.

Casey Antonio: That's right, just like Cage and his old man, the captain, Travis, Roxy, Jazz, Cuffs, and Jack, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Darya Westbrook, Gene-Slammer and Avatar of Marincess Marbled Rock.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Darya Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Marbled Rock. She's the second youngest sister of The Westbrook

Sisters, and she's the military strategist of The Marincess Water Princesses. Lincoln met Darya Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Darya kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Darya hates Lewis Travolta with a blazing passion, because that bloated gluttonous jerk polluted Lake Michigan by dumping a dumptruck full of rotten fishheads into the lake, and he was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Darya Westbrook blasted him with water and they even electrocuted him, and Lewis Travolta got so mad, he called Darya a fish-faced bitch and he said that he hopes that Darya dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs to the highest bidder. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison, and when the rest of the family heard Lewis Travolta's threats along with seeing what he did, everyone was mega enraged, they went to the prison and they beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Lewis Travolta into a total psychotic tailspin of rage as he banged on the bars of his cell and he screamed like the moron that he is!

EVERYONE WHO HADN'T HEARD IT BEFORE GASPED IN SHOCK AND HORROR!

Nico: Oh my God! Of all the rotten, vile, evil things that stupid mutant did.

Luna: Yep, you heard right, dude.

Laney: We really despised that mutant for what he did dumping a dumptruck full of rotten fishheads that was also soaked in his feet into the lake, and he was laughing cruelly like the bastard he was.

Leni: But, what he did in calling Darya a fish-faced bitch and he said that he hopes that Darya dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs to the highest bidder. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison.

Lana: And when the rest of the family heard that jerk's threat along with seeing what he did, we were mega enraged, and we went to the prison and we beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head.

Me: I still remembered that day.

Varie: Me too, and I helped Lincoln, Darya, and her sisters in cleaning up Lake Michigan, and then, we went home and we also went to the prison and we brutally thrashed him even more.

Lincoln: Ooh, and I have another Mixel Max Gene-Slammer that we'll be meeting on your rescue tomorrow, Nico: Denise Stoneheart, Gene-Slammer of Cragsters.

Rurika Matsumoto: I knew it was her next, and you guys are going to love meeting her, she's Lincoln's Guardian Angel from the Sinnoh Region and classmate in Math, and she's the twin sister of Dawn from Pokemon, but with different colored hair and clothing: Denise has pink hair with indigo clothing. She and Lincoln often performed synchronized swimming in oceans. Lincoln made Denise Stoneheart an indigo bikini, and to show thanks, she and Dawn both kissed Lincoln on the lips underwater. As a result, Lincoln promised that when he comes of age, he will marry Denise and Dawn along with the rest of his harem, and she hates that gluttonous jerk, Bubble Bass, with a blazing passion because of all the nonsense and chaos he'd caused in Bikini Bottom.

Me: What a jerk.

Lily: He was the biggest jerk in all of Bikini Bottom, and now, he's humiliation fodder.

SATANIC MUSIC PLAYS!

Suddenly, we heard Satanic music playing in the air, and we saw an inverted pentagram appear on the ground along with the Sigil of Lucifer.

Selene Arcangela: (GASPS) Lincoln, the sign...!

Lincoln: I know. I knew this day would come.

Maia Lucifer: Oh, sweet Hell. I know those signs from anywhere: one of The Seven Queens of The Netherworld is coming tomorrow.

Electra Dae: I knew it, and the inverted pentagram and The Sigil of Lucifer belong to Mara Lucifer, one of The Seven Queens of The Netherworld and The Avatars of The Seven Demon Lords of Hell and Gene-Slammers of Lucemon Falldown Mode, Daemon, Lilithmon, Beelzemon Blast Mode, Leviamon, Belphemon, and Barbamon.

WE GASPED!

Nico: Oh man!

Taygete Lilith: And they're also our old friends, these girls like us are an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and they're never ever to be messed with, because they're the Queens of Hell themselves and they're the very embodiments of the punishments of Hell themselves. Thought to be legends among the demons of The Netherworld and the legions of the damned, but they're quite real, and any who dare to anger them will face eternal damnation.

Lincoln: And they're also my Guardian Angels who were said to have been born during the time of his fall from grace and descent of Hell.

Me: No way!

Lucia Lucifer: I remember them all too well, they also existed since

Lucifer fell to Earth in the Book of Genesis, just like me.

Eli: Unreal.

Selene Arcangela: We were also stunned ourselves, so tomorrow, it looks like we'll be meeting Mara Lucifer along with Denise Stoneheart on Nico's rescue.

Nico: Looks like it. So, what can you tell us about her?

Selene Arcangela: Oh right, Mara Lucifer, Avatar of Lucifer, Ruler of Hell and Gene-Slammer of Lucemon Falldown Mode, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Lucifer, the fallen angel and Ruler of Hell and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Lucifer himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the leader of a powerful group called The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Lucifer himself, and Mara Lucifer is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Mara Lucifer a very powerful greatsword of hellfire, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Me: So, we're not the only ones who want to make Lucifer pay for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Lincoln: Yep. But, she may have been turned into Another by Swartz, but he didn't even promise her anything, in fact, he'd be scared shitless of her because of the fact that she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with, because she's the Avatar of Lucifer, The Fallen Angel turned Ruler of Hell and Gene-Slammer of Lucemon Falldown Mode, and she may have foretold that he'd die a horrible and painful death at our hands.

WE GASPED!

Nico: Damn.

Lincoln: And the only way to sense that the Another is her is through the wails of the souls of the eternally damned and the screams of the guilty.

Eli: (GULPS) I'll be sure to alert everyone of that.

Suddenly, Travis Tackett formed a one-way window, and we saw Lincoln's barrier manifest and form again around the remaining Demon Blood Influenced creations.

Lincoln: Aha, my barrier formed once again, and I know why: tomorrow's Luan's big day mission with Yuya and Aura.

Luan: Alright. Yuya, everyone, hang in there, we're coming.

We headed back home, and we were enjoying our time, and Caleb Maxwell was looking out into the sky as the sun was about to set.

Caleb Maxwell: I know of the villain we'll be facing tomorrow on Luan's big day, but I don't know the next of Anti-Monitor's lackeys who will also be there as well.

Lincoln: It'll be hard to guess who, Luan made many archenemies over the years, and we know three from long ago: her bully, Abigail Sanchez, Dark Luan, her own dark side, Lee Kanker, that red-haired rotten kissy-faced banshee, and Charles Lee Ray A.K.A. Chucky.

Me: Or as we call him, the black-magic dabbling twisted murderous fuck.

Nico: Yep. But, we'll wait until tomorrow with one of your premonitions, Lincoln.

Lincoln: Right.

Caleb Maxwell: If it's either one of them, you know Cage, Travis, James, and I won't show them any mercy at all.

Luna: Like you guys did on many of our past Ambassador Missions when we started after the 20 Days of Darkness anniversary.

Laney: Luna's right, you guys did a lot of damage to the secondary villains, and you really made quite a mess of them.

Cage Blunt: Hey, after everything we'd heard about them from Hunter, we were pretty pissed off.

Travis Tackett: Big time, they really are the scum of the earth.

James Blunt: The only one who did deserve mercy was Michelle after Lincoln found out about her dark past.

Lincoln: And found out why she became like that, and who was to blame for it.

SCREAMS OF PAIN!

We saw through an orb Lincoln made that Doug, the music-hating jerk and piece of blacklisted trash was being pelted with rotten fruits, veggies, rotten eggs, tomatoes, stinking fish, and he was being beaten all over the place and tons of gold, jewels, gems, coins, and other currencies exploded out of him thanks to Lincoln's Gessius

Flores Vengeance Curse.

Me: Hah! Serves you right, you jerk.

Nico: You deserve it, you music-hating piece of trash.

Tar Pit: That's one bad Chaotic player dealt with

Cavalier: And more to go.

Me: And Enceladus is waiting. Van Bloot and Aa'une are getting the Black Abyss.

Qin: Yep.

Bronze Kneecap: But we'll get to them soon.

Black Spider: We sure will

Illexia: Shall I prepare a feast at Mount Pillar?

Turtle: You sure can!

Nico: Yeah! Great job everyone.

Sarah: (To the viewers) Hope Krystella likes creamed corn and chum wienerschnitzel for the rest of her miserable life.

Me: That would taste like puke.

Camie: Yeah.

Nico: YUCK!

We had a great meal and then we later went back home and went to sleep.

Back in Yuya's home everyone was getting ready for our arrival.

Yuya: Duel Academy is gonna rue the day it messed with me and Team Loud Phoenix Storm.

Zuzu: That is for sure!

Yuya: Lets roll and Duel!

They summoned their monsters and went at the screen and it froze.

Also we're going to battle Another Computer Dopant, Tarkus, Skillit, Kenneth Chase, Bashmaster the Unbreakable, Knighty Knight, Elephanko, Mizugeiko, Fenghuang, Raspberry Rainbow and Hector Von Colossus who are the gene-slammers of Fiendwurm and Moonbeast. Also we're going to meet the gene-slammers of Megadramon and Gigadramon

Alright, and for tomorrow, the next match-up is for Luan and her team, and they're going to destroy the next of Anti-Monitor's lackeys

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Brooklyn, New York, but we got bad news: we got word that the old enemies of Becky Long and her sisters, the world domination crazed mad scientists, Xavier Andrews, David Anthony, and Nicholas Truett, along with the terrorist groups, The Destroyers of The Phoenix, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of

Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and the most dangerous terrorist group of all: Burns' Avengers of Hatred and Destruction, and the jealous-crazed evil heartless ex-older brother turned absolute criminal and thug, Ryan Long, have returned, thanks to the mad Morgana Midnight Sparkle and The Midnight Princesses, and they still want revenge on Becky Long and her sisters, along with Lincoln for killing them. But, like we did last year in Lincoln's rescue in Jerusalem, we're going to kill every last one of them, and this time, send them all to The Black Abyss.

And we're going to meet Darya Westbrook, Gene-Slammer and Avatar of Marincess Marbled Rock, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Marbled Rock. She's the second youngest sister of The Westbrook Sisters, and she's the military strategist of The Marincess Water Princesses. Lincoln met Darya Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Darya kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Darya hates Lewis Travolta with a blazing passion, because that bloated gluttonous jerk polluted Lake Michigan by dumping a dumptruck full of rotten fishheads into the lake, and he was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Darya Westbrook blasted him with water and they even electrocuted him, and Lewis Travolta got so mad, he called Darya a fish-faced bitch and he said that he hopes that Darya dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs to the highest bidder. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison, and when the rest of the family heard Lewis Travolta's threats along with seeing what he did, everyone was mega enraged, they went to the prison and they beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Lewis Travolta into a total psychotic tailspin of rage as he banged on the bars of his cell and he screamed like the moron that he is!

Next up is Yu-Gi-Oh ARC-V and we're going to battle Leo Akaba and send him to jail and this is gonna be awesome.

See you next time.

Five Dimensions of Duels

BUCKLE YOUR SEATBELTS EVERYONE! THIS IS GONNA BE EXPLOSIVE!

This chapter is for Yu-Gi-Oh ARC V

Luan woke up to see Mr. Mime staring at her.

Luan: Oh Morning Mr. Mime.

Mr. Mime: Morning Luan. Time for breakfast.

Luan: Okay!

Luan went and got dressed and just as she exited her room...

KRASPLAT!

SHE GOT HIT BY 20 PIES COURTESY OF HER SIBLINGS! BANANA CREAM PIES!

Lincoln: PIE Got you you!

Lori: We got you right in the Pie!

RIMSHOT!

THEY LAUGHED!

Eli: (LAUGHS) That was funny!

Luan: (LAUGHS) Boy PIE should have seen that coming! (LAUGHS) Get it?

We laughed and Luan came to the table.

Me: (LAUGHS) Like our congratulatory present for your big day

Luan?

Luan: (LAUGHS) Yeah I sure did!

I gave her chocolate and strawberry pancakes with vanilla frosting.

Me: I love relaxing at the park.

Camie: Me too.

Qin: Yeah it's fun.

Lola: It sure is.

Flashwing: I think it outshines everything for fun.

Varie: Yeah.

Sunburn: It's always fun and cool.

Oil Man: I agree.

Nico: Oil Man, I want to thank you, Computer Dopant, and your teams for coming.

Oil Man: No problem Nico. This will be fun and cool.

Qin: Yep.

Blades (Skylanders): (British Accent) It's always fun and cool.

Nico: Blades, what do you like to do in your free time?

Blades (Skylanders): Well when I'm not fighting to protect Skylands, I'm teaching swordsmanship classes at the academy for Skylanders.

Me: Cool!

Qin: Yeah!

Blades (Skylanders): It's good fun.

Nico: That's a good job to have.

Blades (Skylanders): It sure is.

Qin: Yep.

Camie: Yeah.

Me: Wow now we have Perim's enemies back. And Krystella is back in prison

Nico: That's one down.

Me: Yep.

Lola: And 3 to go.

Qin: Yep.

Nico: Man that brought back memories.

Twilight Sparkle: That was amazing that all of you guys got to do all that back then.

Qin: It sure was.

Camie: Yeah no kidding.

Lana: I'll say.

Me: Yeah.

Nico: Next time, we'll visit Kiru City, Underworld City, and Mipedim Oasis

Me: Perfect.

Nico: Also I did NOT EXPECT Magis to be brought back.

Qin: Me neither!

Me: I know! I wonder who it was that brought him back.

Nico: Good question. It'll come to us eventually

?: That would be me.

We saw a girl with black hair, dark blue eyes and she had a scar over her right eye and she had purple clothes and black angel wings and had the symbol of the Boiling Isles on her arm skirt, shirt and in the middle of her forehead and had a Hexside Rebellion symbol on her arm and an Owl Keyblade in her hand.

Luz: (GASP) No way!

Lincoln: Amelia Noceda!

Me: Amelia! Awesome to see you again!

Amelia Noceda: You too J.D. Luz!

She and Luz hugged.

Nico: Care to introduce us?

Me: Sure. This is Amelia Noceda, Keyblade Knight of The Boiling Isles, she's Lincoln's Guardian Angel from The Boiling Isles and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and powerful master of light and dark and elemental magic. She is the Keyblade Knight of The Boiling Isles as well as a powerful member of The Hexside Rebellion. She was given a scar on her face when Lillith Clawthorne slashed her across her face, and she's also the older sister of Luz and is also a very powerful supporter of Luz being in love with Amity. She is also a very powerful master of life and death and knows all about Resurrection and rebirth. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of light and dark and elemental magic along with the powers of life, death, rebirth, and resurrection, and she hates all of Lincoln's enemies with a vengeance along with all of Luna and Sam's enemies.

Nico: WHOA!

Maria: Wow! Awesome to meet you.

Amelia Noceda: Same here.

Felicia Wittebane: Glad to have you with us Amelia.

Amelia Noceda: Same here. J.D. I heard how you all destroyed Emperor Belos. I'm grateful for that.

Me: Well lets just say that we killed him before he could carry out his evil plans.

Felicia Wittebane: That is for sure.

Luz Noceda: Yeah he was a monster.

Me: 400 years overdue with death.

Amelia Noceda: Yeah no kidding. But I'm glad he's gone.

Me: We actually have him locked in prison and he is stripped of his powers.

Felicia Wittebane: Yeah he's now locked in prison.

Amelia Noceda: Good. He can stay there.

Me: Amen.

Maria: I'll go get us hot dogs and burgers.

Me: Okay.

She went and did so.

Nico: One less villain to deal with.

Me: Yep.

Maria came back with our lunch and we were having hot dogs and burgers.

Amelia Noceda: How is mom doing?

Luz: She's doing awesome and great.

Amelia Noceda: Awesome and Luz I'm so happy for you and Amiity.

Luz: Thanks sis.

Amity Blight: We are happy to be together.

Amelia Noceda: Yeah. To be honest Amity, I HATED your mother. She was an absolute monster.

Nico: We all do.

Amelia Noceda: Yeah.

Me: Man that scar looks nasty. Sorry Lilith cut you like that.

Amelia Noceda: I'll be okay. But thank goodness I didn't lose the eye.

Me: I know. Lilith sure left her mark on you though.

Amelia Noceda: I know.

Qin: Ouch.

May: I think it looks cool.

Me: Yeah. Besides you aren't the only one with a scar.

I showed her mine.

We showed her our scars.

Amelia Noceda: Wow you guys went through a lot too.

Me: Yep. We sure did.

Camie: Yep.

Me: Look there guys.

We saw a Mermaid and she was sunbathing by the lake and we saw a shark too.

Maria: Who are those guys?

Me: Cool a mermaid. And there's a shark in the lake.

Varie: Wow. Wonder what the mermaid is doing here.

Lana: Wait there's something familiar about her and that shark.

Me: Really?

Lana: Yeah.

Qin: Look there.

We saw a hyena sneaking up on her and snickering.

Then we saw him pick her up and open his mouth and he was going to try and eat her!

Lana: That's Zig! And that mermaid is Marina!

Nico: Oh I love Zig and Sharko!

Lana ran at Zig!

Lana: BACK OFF YOU CHUMP!

She jumped him and punched his face in!

SMASH SMASH SMASH SMASH SMASH!

Nico: That is a funny cartoon!

Camie: Who are Zig and Sharko?

Me: Zig is a cunning hyena and he is always trying to eat Marina. Sharko is a Great White Shark who is a paddleball master and loves Marina. And he always protects her by beating up Zig.

Nico: Boy that is one devoted shark.

Lola: Yeah.

At the estate, Gatomon smelled something.

Gatomon: (Sniff) I smell (GASP) FISH! MUST EAT!

ZOOM!

She ran to the elevator and got down to the surface and ran STRAIGHT TO THE PARK!

Me: (Senses something) Uh oh! Gatomon coming in at 11:00!

Nico: Not again!

Marina saw Lana.

Marina: Oh boy.

SMASH SMASH SMASH SMASH!

Marina: Why are you beating him up little one?

Lana: Oh sorry Marina. But if you must know Zig here is always trying to eat you.

Me: She's right on that.

Marina: What? Why?

Me: He's hungry for you. And not just him. MAGIKARP!

Magikarp popped out and just as Gatomon got to Marina...

CLANG!

She bit Magikarp's hard body and hurt her teeth! OUCH!

Me: Trying to bite into a Magikarp is like trying to bite into a reinforced brick wall.

Nico: Ouch.

Marina: That must hurt. But Gatomon wants to eat me too?

Me: Well she can't help that. She's a cat Digimon. And cats love fish.

Gatomon: Just one bite!

Me: Gatomon down.

CAT AND MOUSE MAGISWORD!

I had her chase that.

Marina: Thank you for saving me though.

Me: No problem Marina.

Sharko: Gatomon is sure hungry.

Me: Yeah.

Qin: Lana saved you though.

Camie: Yeah.

Lana: And Zig better think twice before messing with us!

Sharko: YEAH!

Lana and Sharko then punched him far and RIGHT INTO THE M.O.E. Base.

Nico: It's nice to meet you guys.

Sharko: Same here.

Marina: Yeah.

Varie: And awesome to have a fellow mermaid with us.

Marina: Thanks Varie.

Nico: Oil Man, what do you like to do in your free time?

Oil Man: I work at an auto repair yard and oil up cars that are rusty.

Me: Good job there.

Lana: Yeah

Lincoln: Okay, gang, we're in for a huge intervention for this rescue, and it's right here at home, but here's the emergency: it appears Claire McBadbat's parents have been driven to paranoia of the thought of us coming to kill them for no reason.

Nico: What the?

Luan: That lying two-faced snake!

Eli: Luan, you know her?

Luna: We all do and we hate her that much. Claire McBadbat is the absolute worst monster we have ever met, and no, she has no relation to Chester and his dad. She's Luan's most hated enemy other than Abigail Sanchez, and she's done truly the most despicable crimes ever.

Lori: She always caused nothing but trouble by lying to others to get what she wants and she did this just to make people suffer, and she's also literally a monstrous bully who beats up anyone who dares to rat her out.

Laney: She was the worst kind of monster there is, and anyone who thought about pressing charges on her, she always lies to her parents all the time and they also don't have proof.

Lincoln: Unfortunately, for that lying two-faced snake, we do.

Lincoln summons file cabinets full of all the malicious deeds Claire McBadbat had done, and when the rest of us saw inside the files, we were disgusted.

Me: WHOA!

Qin: You amassed a huge file cabinet of all this?

Lincoln: Yep.

Me: My God, she's a bitch to the core!

Qin: What a monster!

I looked at some of the files.

Me: WHOA! Look at this. April 12th, 2015 - Blackmailed Girl Jordan into being a garbage eater?

Lana: WHOA MAN!

Girl Jordan: THAT WAS THE WORST THING I'VE EVER TASTED!

Me: April 17th, 2014 - Lied about Liam being in love with Christina!?

Liam: That was not very good of me to do that.

Nico: So, we got to talk some sense into her parents, but there's also no doubt we're going to also run into that two-faced snake as well.

Lincoln: That's right, but when I also present them with the file cabinets full of her malicious deeds, they're gonna disown her, but just like Lila, I know she's gonna turn on her parents and shoot them. So, we got to be ready.

Ed Cowart: And there's no need for you to call us telepathically.

Selene Arcangela: But, it still seems too easy though, there's still the matter of Morgana and her minions bringing back our old enemies.

Lincoln: I think she's going to do just that on my rescue after we expose Claire for the snake she really is, Selene.

Me: Yeah.

Qin: Yeah no kidding.

Me: This is amazing that you girls have amassed all this evidence.

Nico: Yeah.

Anna Anyanova: Yeah we always keep a well detailed and well made log and record of everything Lincoln's enemies have done.

Xenia: That is very meticulously well thought out.

Nico: I was gonna say.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility,

testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Claire McBadbat's parents) Aha, Gotcha. I just spotted Claire's parents, they're hiding at their home and they're seriously armed. (Sensed Claire McBadbat) And I just spotted that two-faced snake, Claire, she's hiding at home.

Nico: Let's head on over, and Lincoln, you deploy a force field in case they start shooting.

Lincoln: Got it.

Me: Boy if any of this evidence on Lincoln's enemies were shown out to the public the consequences would be apocalyptic: disowned by their respected families, dumped by their lovers, career paths derailed and destroyed, ostracized by everyone in public, and hunted down and killed. Plus, their names would forever by synonymous with cruelty, hatred, madness, and evil: they would forever be disgraced by the public and be damned to Hell for all eternity.

WE GASPED!

Nico: WHOA! They would EASILY become the most hated people ever! Not that it matters because they already are.

Xenia: And they are dead.

Camie: Yeah.

Lola: Yeah!

Sora Takenouchi heard a Pokemon cry.

Sora Takenouchi: Look!

We saw a Mega Ho-Oh!

Me: Whoa a Mega Ho-Oh!

Qin: Pretty!

Sora Takenouchi: And the poor thing is hungry.

We gave it apples.

Sora Takenouchi: There you go.

Mega Ho-Oh: Thanks.

She was eating food.

Biyomon: You and I will get along just fine

Mega Ho-Oh: We sure will.

Sora Takenouchi: Want to come with us?

Mega Ho-Oh: Sure!

Nico: Great!

Qin: Cool!

Lola: Yeah!

Me: WHOA LOOK!

We saw a Groudon!

Me: WHOA Groudon!

Nico: And we're back to the huge ones.

Qin: Yep.

Applejack: YEEHAW! Boy this will be good. (Uses Telepathy) (GASP) APPLE STAR! NOT HER!

Me: Apple Star!?

Big Mac: Apple Star!?

Granny Smith: Great apple cores! Not Apple Star!

Nico: Oh boy.

Applejack: I got to help her!

Applejack flew up to her.

Applejack: Apple Star what in blue blazes! Calm down and hear me out. It's me Applejack.

She roared and tried to eat her!

She dodged her and fired earth blasts and blasted her.

Me: This will help stop her!

I snapped my fingers and she reverted back and was a girl with brown hair and green eyes and had Groudon in the middle of her forehead and had a yellow version of Applejack's Cutie Mark on her arm and she had orange wings.

Me and Applejack flew and wrapped her in a blanket and brought her over.

She woke up.

Apple Star: (Groans)

Applejack: Apple Star? Apple Star?

Apple Star saw Applejack, Big Mac and Apple Bloom.

Apple Star: Applejack? Big Mac? Granny Smith? Apple Bloom? (GASP) Well I'll be sliced and served with maple syrup! It is y'all!

Apple Bloom: We're so glad you're back sis!

Applejack: We sure are.

Granny Smith: Thank heavens you're back with us.

Big Mac: Eeyup!

They hugged.

Apple Star: (GASP) Mom? Dad?

Pear Butter: It's great you're back Apple Star.

Bright Mac: Yeah we're happy to have you back.

Apple Star: But how? You were dead?

Jared: You have me to thank for that one. I resurrected them.

Me: Long story.

Qin: Yeah.

Me: You were turned into a Groudon. And Also I forgot about Lugia, Ho-Oh and Celebi.

Nico: We'll worry about them later.

Me: Yeah. But Dark Gale turned you into that.

Apple Star: Oh man! I remember!

She was in an orange suit and was injected and then busted out and then turned into Groudon and ran out.

FLASHBACK ENDS

Me: Oh man.

Nico: I guess asking you how you met Applejack and family would be silly.

Apple Star: Yeah it would.

Nico: What's your role in Sonya's team?

Apple Star: I'm the Earth Master and Cowgirl of the team. I hogtie bad guys and capture them and use earth to catch them.

Me: Cool.

Apple Star: And I'm also a worker on an apple farm like my family outside the team.

Me: Cool.

Apple Star hunched forward out of instinct.

Applejack: Whoa there.

Rarity: Lets get you some new clothes there darling.

The Fashion brigade gave her new orange clothes and they were like those of Texas.

Apple Star: Great outfit.

Nico: It sure is.

Maria: That's right. Groudon Pokemon always hunch forward

Me: Yeah.

Apple Star: I'll have to learn how to control that.

Me: Yep. Anyway we better get moving.

Luan: I know where she lives. Follow me.

We then took off into the air and we set out to talk sense into Claire McBadbat's parents and clear up the air, and we're also going to expose Claire McBadbat for the two-faced, conniving, lying jerk, monstrous bully, and motherfucking snake that she is.

We were flying in the air, and we spotted our target: the home of Claire McBadbat.

Me: This it?

Luan: Yep. This is Claire's home.

Chester: Kind of weird that we share the same last name huh?

Me: No kidding.

Lincoln: Alright, get ready.

Lincoln knocked on the door, and then...!

THE DOOR BURST OPENED AND CLAIRE MCBADBAT'S PARENTS CAME OUT AND BEGAN SHOOTING AT US, BUT LINCOLN HAD FORMED A POWERFUL FORCE FIELD AND ALL THE BULLETS BOUNCED OFF! BUT, CLAIRE MCBADBAT'S PARENTS KEPT SHOOTING LIKE CRAZY, AND THE BULLETS KEPT BOUNCING OFF THE FORCE FIELD!

Luan: This has gone on long enough.

Luan formed a miniature sun and threw it into the air and it shined brightly, and that caused Claire's parents to be temporarily blinded and they dropped the guns, and Lincoln put the force field down.

Michael McBadbat: Are you all here to kill us? For no reason?!

Carmen McBadbat: That's what you are all here for, isn't it?!

Luan: No, we're not, Mr. and Mrs. McBadbat. Yes, I know Lori, Lynn, Lola, Lisa, and I have done tons of horrible things to Lincoln, but when the truth came out of Killjoy Huggins poisoning us with Dark Sides and the real mastermind behind it all was Chase Young's Dark Side, we changed completely and not only are we free from our Dark Sides, but we're finally rid of the last bit of darkness Chase Young put in us.

Claire's parents saw it for themselves, and they finally calmed down from that.

I took the guns they had.

Me: Now calm down and lets talk about this.

Carmen McBadbat: If you all don't have physical evidence, then we're forcing you out!

Nico: (frowns) Then I guess we have no choice

Me: And actually we DO have physical evidence. But we got to calm you down first. Lets just settle down and talk this over like gentlemen over some tea shall we?

Carmen McBadbat: Oh okay.

I made some good tea and we talked.

Me: Don't worry it's not poison.

Carmen drank it.

Carmen McBadbat: Mmm. Good.

Me: Darjeeling Chamomile.

Lincoln: Now, then, why did you all think we were going to kill you for no reason?

Michael McBadbat: It was because of Claire saying it. But, we've always believed her because of the simple fact that she's our daughter and can do nothing wrong.

Carmen McBadbat: But, now after hearing Luan say the truth, now we're not sure if she's even saying the truth.

Lincoln: What Luan is saying is the truth, Mr. and Mrs. McBadbat, and there's something you two should also see.

Lincoln summoned five rows of massive file cabinets, and inside them were files full of all the malicious deeds Claire McBadbat had done. Lincoln gave them the folders and when Claire's parents saw all of Claire's malicious deeds, lying to everyone, and beating people up when they were going to expose her lies, they were suddenly seeing red, and they were so pissed off big time.

Michael McBadbat: I can't believe her!

Carmen McBadbat: She..., she really is the monster everyone described her to be! Everyone, we're so sorry for believing in her. But, we're going to make it right.

Me: It's all right. And it's not your fault.

Carman McBadbat: Claire is not getting away with this.

Michael McBadbat: Right, dear, and I know Claire's hiding in her room. You should cover your ears, everyone.

Me: Okay.

We did so, and the McBadbat parents took a deep breath, and then...!

Michael McBadbat and Carmen McBadbat: CLAIRE MCBADBAT, GET YOUR LYING TWO-FACED BUTT DOWN HERE AND OUTSIDE RIGHT NOW!

Luan: Uh oh!

Nico: When parents call their child by their first and last name, it means big trouble.

Eli: BIG TROUBLE!

Johnny Test: Just the thing my dad would say.

A girl with black hair, purple clothes, and blue eyes came out, and she had an air of trouble and evil around her, it was Claire McBadbat, but we saw sweat drops on her face: it meant she was now in trouble.

Claire McBadbat: (Nervously) Mom..., Dad..., w-what's going on? (Sees us) WHAT THE?!

Michael McBadbat: Luan and everyone told us everything. I can't believe you would blatantly lie to us about Team Loud Phoenix Storm like that! They're heroes like everyone said they are, but you, you lied to us about them!

Carmen McBadbat: And all because of the fact that you're our only daughter! Luan talked some sense into your father and I, and Lincoln showed us the proof of all of your malicious actions, such as lying to everyone and beating people up when they were going to expose you and your lies! LOOK AT IT!

MRS. MCBADBAT POINTED ANGRILY TO THE FIVE MASSIVE FILE CABINETS OF ALL HER DAUGHTER'S MALICIOUS MISDEEDS!

Claire McBadbat: That's just fabricated evidence, there's no proof I did those things, and you all are just going to believe the words of these losers over your own daughter?! It was almost too easy to fool you stupid old fools into believing my lies over what every last loser in this stupid city says about me, and I hated Team Loud Phoenix Storm for always succeeding and ruining evil's plans, so I fooled you two idiots with lies about them, so that way, you can kill them and I can report their deaths to Leo Akaba.

WE GASPED!

Me: SHE WHAT!?

SUDDENLY, CLAIRE MCBADBAT LET HER TRUE COLORS OUT INTO THE OPEN, AND THEN, HER PARENTS FINALLY SNAPPED AS WE SAW FLAMES APPEAR BEHIND THEM! THEN, CARMEN MCBADBAT SLAPPED HER DAUGHTER HARD IN THE FACE AND SHE WENT FLYING INTO A TREE!

Claire McBadbat: What the heck?!

Michael McBadbat: YOU GODDAMN BITCH!

Claire McBadbat: (SHRIEKS IN TERROR)

Carmen McBadbat: I can't even believe you're our daughter, you goddamn unfilial traitorous whore! So, everything that everyone else was saying about you was indeed true, you really are a lying, two-faced, conniving, malicious little monster!

Me: And on top of that, you also made an alliance with Leo Akaba! Of all the nerve!

Xenia: What kind of monster are you!?

Luan: I always knew you were nothing more than a lying, two-faced, conniving, malicious little monster, but you're also a cold-hearted wretch.

Michael McBadbat: You motherfucking snake! You also even allied with one of Team Loud Phoenix Storm's most dangerous enemies as well! Your mother and I did our best to raise you right, but what with all the lying you've done to us over the years, the malicious defamation of others around you, and the constant assaults you've done to so many people when they dared to expose you and your lies! You've lost any chances of forgiveness from any of us!

Carmen McBadbat: I agree with you, honey. Claire McBadbat, because of everything you've done to everyone in Gotham Royal York, you are hereby disowned from the family forever, and we're calling the relatives and telling them about what you've done, and they're also going to cut all ties with you forever.

When Claire McBadbat heard the word disowned, her face turned pale: that means that her chances of inheriting their fortune are now zilch. But, then, her eyes turned red with rage and she absolutely lost it and she snapped and had a major breakdown.

Claire McBadbat: GODDAMN YOU! GODDAMN YOU! GODDAMN YOU! GODDAMN YOU ALL! I CAN'T FUCKING BELIEVE THAT YOU ALL RUINED MY PLAN TO FINALLY GET RID OF YOU ALL! YOU GODDAMN GOODY-TWO-SHOES HEROES ARE NOTHING MORE THAN A TOTAL NUSIANCE TO EVIL'S GLORIOUS REIGN! IF ALL OF YOU ASSHOLES HADN'T GOTTEN IN MY WAY, I WOULD'VE FINALLY DESTROYED THIS PATHETIC CITY AND KILLED EVERY LAST PIG AND LOSER HERE INCLUDING THESE OLD CRONES! BUT, YOU! YOU RUINED EVERYTHING! I HATE YOU, I DESPISE YOU ALL, TEAM LOUD PHOENIX STORM! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HHHHHHAAAAAAAAATTTTTTTTEEEEEEEE!

SUDDENLY, ALL OUR RAINBOW ENERGY AURAS FLARED UP EXTREMELY AS WE GAINED A VERY ASTRONOMICALLY MASSIVE POWER BOOST OF EPIC PROPORTIONS FROM CLAIRE MCBADBAT'S TOXIC HATRED OF US!

Me: Yeah, fuck you too, bitch! (GAVE HER THE MIDDLE FINGER)

Nico: Excuse us Mr. And Mrs. McBadbat.

CLAIRE MCBADBAT LET OUT A SCREECHING SHRIEK IN A SHRILL VOICE AND A PORTAL OPENED UP BEHIND HER AS SHE FLED!

Nico: That bitch, she escaped!

?: But, she'll face death very soon for her malice.

Suddenly, we saw a girl with pink hair, blue eyes, indigo clothes, white angel wings, a nature greatsword in hand, and Cragsters on her forehead.

Lincoln: (GASPS) Denise Stoneheart, Gene-Slammer of Cragsters.

Nico: You know her, Lincoln?

Lincoln: I do.

Selene Arcangela: And so do we, everyone, this is Denise

Stoneheart, Gene-Slammer of Cragsters, she's Lincoln's Guardian Angel from the Sinnoh Region and classmate in Math, and she's the twin sister of Dawn, but with different colored hair and clothing: Denise has pink hair with indigo clothing. She and Lincoln often performed synchronized swimming in oceans. Lincoln made Denise Stoneheart an indigo bikini, and to show thanks, she and Dawn both kissed Lincoln on the lips underwater. As a result, Lincoln promised that when he comes of age, he will marry Denise and Dawn along with the rest of his harem, and she hates that gluttonous jerk, Bubble Bass, with a blazing passion because of all the nonsense and chaos he'd caused in Bikini Bottom.

Lily: We don't blame you though, that gluttonous jerk caused Bikini Bottom tons of trouble for years.

Lincoln: And we now have him at Lynn's Table and he's being treated as humiliation fodder for eternity, and it's so good to see you again, Denise.

Denise Stoneheart: You too, Lincoln.

Suddenly, Denise Stoneheart had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When she was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, he had an atomic red blush on his face, hearts in his eyes, his nose was gushing out blood, steam whistled out of his large wolf ears and normal ears, and he was literally in Heaven.

Lincoln: (In Heaven) Whoa...!

Then, Lincoln pinned Denise Stoneheart to the floor, and he kissed her on the lips and marked her by biting her on the right trapezius and fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the mark sealed up and Lincoln kissed the spot where bit her and helped her up, and she also had an Elemental Thunderbird Necklace of Eternal Love with indigo gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi and a white and gold accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Denise Stoneheart: Whoa, I had no idea you had such an animalistic romantic side to you, Lincoln, and in addition to how much you've grown, from the 11-year-old little boy we've known into an 18-year-old giant 9'10" hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man, and you're still the same gentleman we all know, but of course, having an animalistic romantic side to you, that also really came as a huge surprise. I think my heart skipped a beat when you pinned us both down and kissed us on the lips. (Seductive Voice and rubs Lincoln's massive pecs) Hope you're ready for some fun later on tonight, big man.

Me: Ooh boy, looks like things just got really hot and steamy.

Lincoln had a blush on his face.

Lincoln: J.D.

Nico: We really are sorry for the mess

Carmen McBadbat: It's not your fault it's ours. We never should have listened to Claires.

Me: You guys didn't know that you had a monster from hell.

Qin: Your daughter was a Spawn of Satan.

Camie: Yeah.

Michael McBadbat: We didn't know she would turn out this evil.

Me: I know. And also your daughter is a traitor.

Qin: She'll definitely get death.

Camie: Yeah.

Marina: I agree there.

Chester:...can I be your adopted kid instead?

Me: Chester you already have a dad remember?

Chester: I know.

Timmy Turner: Yeah your dad wouldn't like that.

Chester: You're right.

Nico: Nice job Mega Ho-Oh.

Mega Ho-Oh: Thanks Nico.

Poromon: Want some beer?

Mega Ho-Oh: No thanks. I don't like the taste.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Andy: Yeah but this was fun.

Rodney: It sure was!

Apple Star: You two must be Andy and Rodney.

Andy: That's right. I'm Andy Johnson

Rodney: And I'm Rodney.

Apple Star: Awesome to meet y'all.

Andy: Where we come from is a pretty ordinary neighborhood

Me: Yeah they came from the southeastern side of the city. Not that far away.

Apple Star: Wow that is close. So that makes me your sister too.

Andy Johnson: Yeah.

Rodney: Awesome!

Apple Bloom: LOOK OUT!

ZOOM!

WE DUCKED AND SAW A BOWLING BALL FLY OVER US AND THEN...

KRABLANG!

We saw it hit Another Tarkus! And we saw Another Tarkus, Skillit, Kenneth Chase, Bashmaster the Unbreakable, Knighty Knight, Elephanko, Mizugeiko, Fenghuang, Raspberry Rainbow and Hector Von Colossus!

Me: WHOA! The Anothers!

Eli: Whoa! And I sense they are all 1 person.

Me: GEEZ! That must've hurt!

Qin: They must've appeared when we were talking.

Another Tarkus: (In a girls voice) OUCH! THAT HURT!

They merged and she reverted back and was the gene-slammer of Fiendwurm and she was brutally mangled up! We saw scars all over her and a black eye and she had an axe imbedded in her back!

WE GASPED!

Nico: FAYE PAINE!

Me: Oh my god! What the hell happened to you!?

Laney: The Fiendwurm gene-slammer.

Me: And man she took one NASTY BEATING!

Nico: What happened to you?!

Faye Paine: It's part of my curse!

KRABLAM!

She got hit by another bowling ball in her face!

OH MAN!

BLAM!

She then got hit with a Kitchen Sink!

I went over and got it off her and brought her over!

Me: Man what the fuck caused this to you!?

Faye Paine: I'm cursed!

Nico: You're gonna have to be more specific!

Faye Paine: I was cursed with the worst luck of all. Every 5 seconds I would get hit with objects and weapons that can kill me!

I then saw a sword coming at her and I caught it.

Me: Geez!

Laney: That is a nasty curse! WHOA!

Laney caught a big bunch of bananas that were about to hit her on her head!

Laney: Whoa man what a big bunch of bananas.

Me: Boy this curse is throwing everything at you!

Laney: Yeah!

Marina: Boy that is brutal!

Me: WHOA!

I caught a golf ball in my hand!

SMACK!

Me: WHOA!

Nico: Nice catch.

It was a light green golf ball.

Me: Light Green golfball. Nice.

Nico: We need to fix this!

Me: Brittney is there anything in your books about this kind of curse?

Brittney: Let me check.

She looked at her books.

Varie pulled the axe out.

Faye Paine: OUCH!

Vince: Look out!

Vince caught a bear trap that was going at her!

Nico: Man this is more brutal than the Curse of the Telephone of Despair!

Lana: Boy this is a brutal curse!

Nico: Sorry we have to do this.

Me: Wait lets get rid of this curse before we do anything.

Nico: Okay.

Brittney: Here it is! The Curse of The Dark Irish. It's a curse of extremely bad luck that causes the one afflicted to get hit by objects every five seconds. It can only be given to someone when they piss off a gypsy!

Me: Is there any way to get rid of the curse?

Brittney: Yes there is but it must be done fast. We have to cast the incantation after the next object is thrown at her.

Nico: Think we can at least delay the effects?

Brittney: NO TIME!

I caught a spiked mace ball and Brittney chanted the incantation and then a cloud of darkness was removed from her and she was free!

Then numerous objects that were coming fell to the ground.

Me: Whoa!

Qin: IT WORKED!

Faye Paine: (SIGH OF RELIEF!)

FWOMP!

She fainted.

Me: Okay we know that Blades, Cynder, High Five, Bash, Flashwing, Blackout, Drobot, Fire Kraken, Echo, Spotlight, Spyro, Whirlwind, Sunburn, Camo and Zap are up.

Girl Jordan: Lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and the anothers were separated.

Me: Action time!

We fired waves of energy and blasted them and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) WRECKING BUTTKICKERS!

She summoned Wrecka, Fugu the Frightening, General Yunnan, Lunchlady Doris, Sasorimoai Phantom Escopion and Hillbilly (Darkwing Duck).

Nico: YEAH!

Me: Wait the Mandatory question. We didn't ask that since we were so caught up in protecting you.

Faye Paine: You're right. Sorry. The Another Computer Dopant and Luan are friendly. But you are not going to like the smell.

Me: What smell?

Nico: Oh boy.

Varie was healing up Faye.

Wrecka: GEEZ! What happened to her?

Me: A Curse brutally mangled her.

Wrecka: Ouch.

But then we smelled something REALLY HORRIBLE!

Me: (SEAL BARKS!) (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL?!

Nico: OH MAN! THAT IS HORRIBLE! ED!?

Ed: NOT ME!

We saw Another Computer Dopant and Luan!

Me: Another Computer Dopant and Luan!

Lola: WHOA!

Another Computer Dopant: (In a girls voice) Sorry about the smell. It's from me.

She reverted back and it was the Moonbeast Gene-slammer.

Nico: Mariah Moon!? Whoa!

Me: Whoa! The Moonbeast Gene-slammer. No wonder.

Mariah Moon: Yeah. I smell like 500,000,000,000,000 corpses times a million and it's enough to make you REALLY THROW UP! Also it's because I never took a bath since I got slammed.

Me: Which was when?

Mariah Moon: 10 years ago.

WE WERE DISGUSTED!

Qin: EW!

Me: WHEN WE GET BACK YOU ARE DEFINITELY GOING IN THE TUB!

Nico: And your friend?

Another Luan: Someone Luan knows.

Luan: (GASP) That voice.

She reverted back and it was an older version of Lensay!

Luan: (GASP) Lensay!?

Me: Wow! She had a growth spurt.

Luan and Future Lensay hugged.

Eddy hugged her too.

Lensay: Hey mom. Awesome to see you.

Nico: I'm confused.

Me: Me too. Lensay is back at home.

Lensay: I actually had a growth spurt a year and a half ago. My powers grew back then.

Me: Wow.

Lensay: Yeah I grew taller and more as a result.

Me: Wow! You grew fast.

Camie: You sure did.

Lensay: I know.

Kaito: (gets out Gorenger gear) Did Swartz promise you anything?

Zocks: (gets out JAKQ gear) Because we can grant it instead?

Kaito and Zocks got Gorenger and JAKQ Swords.

Mariah Moon: No he didn't and for reasons obvious.

Me: Your overwhelming stink.

Mariah Moon: Yep.

Me: Made him throw up all over no doubt.

Mariah Moon: Yep.

Sougo (gets out Gorenger Ridewatch): We should've known we'd see you from the future.

Geiz (gets out JAKQ Ridewatch): The thought never came to mind though.

Sougo got AkarengerArmore while Geiz got SpadeAceArmor

Lensay: I know.

Me: Lets get you separated.

Lincoln: Yeah.

We separated them and we were ready.

Me: Lets get it on!

Nico: (gets out Computer Dopant's Ridewatch) I personally love computers!

May: (Gets out Bashmaster the Unbreakable's ridewatch) Time to bash your face in!

Maria: (Gets out Raspberry Rainbow's ridewatch) Time for the sweets to come.

Blades: (Gets out Tarkus' ridewatch) LOOKING SHARP!

They used the powers of Computer Dopant, Tarkus, Skillit, Kenneth Chase, Bashmaster the Unbreakable, Knighty Knight, Elephanko, Mizugeiko, Fenghuang, Raspberry Rainbow and Hector Von Colossus and blasted the anothers.

Then Spark Mandrill, Owlbeast (Owl House), Don Flamenco, Buster McMuttmauler, Number 31: Embodiment of Punishment and Kugutsukai came.

Me: WHOA!

Nico: Nice Team Spark Mandrill!

Spark Mandrill: Thanks Nico!

Elec Man: My team's next!

Me: Yep!

Then Venusmon and Dianamon came!

Me: WHOA! Venusmon and Dianamon!

Nico: Wow!

?: Don't forget us.

Out came Megadramon and Gigadramon!

Me: Megadramon and Gigadramon!

Nico: Wow!

Megadramon: (In a girls voice) (Belarus Accent) Looks like the fun is about to begin.

Gigadramon: (In a girls voice) (Ukrainian Accent) Yes it sure is.

Nico: Awhieñnia Bartashevich and Anastasia Shevchenko!

They reverted back.

One was a girl with black hair, red eyes, red clothes and had purple angel wings and had Megadramon on her Forehead, shirt and skirt and had the Belarus Coat of Arms on her arm and had a red digivice on her hip and had a fire sword.

The other girl had blond hair, blue eyes, blue and yellow clothes and had Blue angel wings and had Gigadramon on her forehead, shirt and skirt and had Ukraine's coat of arms on her arm and a blue digivice on hip and a water sword.

Awhieñnia Bartashevich: Good to see you Nico.

Anastasia Shevchenko: We got this.

They fired waves of energy and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Maria: Two this time?!

Qin: Wow!

Me: Yep. Wow! Belarus and Ukraine's Digidestined. That is cool that they have Digidsstined too.

Anastasia Shevchenko: It sure is.

Awhieñnia Bartashevich: We like it.

Me: Yep.

Blades: Do you girls have favorite memories of Nico?

Anastasia Shevchenko: Well my favorite was when Digimon were attacking Prypiat and me and Nico battled them.

Me: I didn't think Digimon would survive there because that area is a ghost town and was contaminated with Radiation for almost 40 years.

Anastasia Shevchenko: I know. But they did.

Nico: And we sent them back to the Digital World.

Me: Whoa! Not even Ukraine despite being contaminated by radiation from Chernobyl in 1986 was safe.

Awhieñnia Bartashevich: Yep. And my memory is when a bunch of

Digimon were attacking Minsk and me and Nico sent them back home.

Me: Not even Belarus was safe.

Nico: Nope.

Me: That is amazing though.

Nico: It was.

Nico hugged them.

Nico: I've missed you girls.

Awhieñnia Bartashevich: We missed you too.

We went back home and got Mariah in the tub.

We got word the old enemies of Becky Long and her sisters, the world domination crazed mad scientists, Xavier Andrews, David Anthony, and Nicholas Truett, along with the terrorist groups, The Phoenix Killers, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and the most dangerous terrorist group of all: Burns' Avengers of Hatred and Destruction, and the jealous-crazed evil heartless ex-older brother turned absolute criminal and thug, Ryan Long, have returned, thanks to the mad Morgana Midnight Sparkle and The Midnight Princesses, and they still want revenge on Becky Long and her sisters, along with Lincoln for killing them. But, like we did last year in Lincoln's rescue in Jerusalem, we're going to kill every last one of them, and this time, send them all to The Black Abyss.

Lincoln: Ah, we're here in Brooklyn, New York, and I know what we're going to do here, not only am I going to rescue the one-hundred seventeen girls here, but we got bad news.

Becky Long: And this is something my sisters and I swore never to see again: our old enemies, the world domination crazed mad scientists, Xavier Andrews, David Anthony, and Nicholas Truett, along with the terrorist groups, The Phoenix Killers, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and the most dangerous terrorist group of all: Burns' Avengers of Hatred and Destruction, and our jealous-crazed evil heartless ex-older brother turned absolute criminal and thug, Ryan Long, have returned, thanks to the mad Morgana Midnight Sparkle and The Midnight Princesses, and they still want revenge on us, along with Lincoln for killing them.

WE GASPED!

Me: My God!

Nico: Oh, shit, now she's really really crossed it!

Lincoln: Yep, and like I did last year in my rescue in Jerusalem, I'm going to drain all of them dry of their life force, and this time, we're going to send them all to The Black Abyss.

Oil Man: I hadn't forgotten about what you'd done to them, this'll be like the sequel to your rescue in Jerusalem.

Lincoln: That's right.

Suddenly, we saw the three world domination crazed mad scientists, Xavier Andrews, David Anthony, and Nicholas Truett, heading right for us, and boy, were they insane. Then, Lincoln turned three of his eleven massive and long white wolf tails into three sharp proboscis of the Brain Bug, and he then stabbed them into the skulls of Xavier Andrews, David Anthony, and Nicholas Truett, and the proboscis pierced their brains.

Then, Lincoln began sucking out their brains and absorbing their knowledge and memories, and when Lincoln was done, they were reduced to being brainless dead zombies, and as the proboscis changed back, he fired white and blue energy blasts that incinerated their bodies and he sent them to The Black Abyss.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Marbled Rock, she has a water greatsword in hand and with her are the one-hundred seventeen girls.

Lincoln: (GASPS) Darya Westbrook, Gene-Slammer and Avatar of Marincess Marbled Rock.

Darya Westbrook: That's right, and I got the girls away from Ryan Long and the terrorist groups, and they're heading here now!

Lincoln: It's time.

We then proceeded onwards. Suddenly, we saw the first group heading for us: The Phoenix Killers, and their leader, Damian Asmodeus, the deranged Satanist who despised Team Loud Phoenix Storm for years and our adventures and achievements have driven this lunatic into eternal madness.

Damian Asmodeus: You have ruined every one of evil's glorious plans to destroy the world and every last living thing on it, Team Loud Phoenix Storm. Now, we will kill you all and destroy every last living being on Earth and the entire world!

Lincoln: The only ones who deserve to die here are you and every last one of your followers, Damian Asmodeus, none of you deserve to live even a single second further.

Then, Lincoln turned the tips of his eleven tails into Cell's stingers and he stabbed them into the chests of The Phoenix Killers and Damian Asmodeus and he absorbed them. Then, as soon as he was done, the tentacles sank back and the stingers changed back, and he sent the souls of Damian Asmodeus and his followers to The Black Abyss.

Lincoln: That's it for The Phoenix Killers. Now, to take care of The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and the most dangerous terrorist group of all: Burns' Avengers of Hatred and Destruction,

Becky Long: And finally, Ryan Long, our jealous-crazed evil heartless ex-older brother turned absolute criminal and thug.

We proceeded onwards, but, then, we saw the first terrorist group heading for us: The Lords of Anarchy, and boy were they pissed. But, we were ready for them, and as they headed right for us in full force, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of the members of The Lords of Anarchy and he began absorbing them, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and he retracted his tails and the stingers changed back, nothing was left of them except for their clothes.

Then, we saw the next terrorist group heading right for us: The Fires of Destruction, and boy were they pissed. But, we were ready for them, and as they headed right for us in full force, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of the members of The Lords of Anarchy and he began absorbing them, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Finally, we saw the most dangerous terrorist group of all heading right for us: it was Burns' Avengers of Hatred and Destruction, the main terrorist organization, and boy were they pissed. But, we were ready for them.

Burns' Avenger of Hatred and Destruction Leader: You will all pay for what you did to Mr. Burns, Team Loud Phoenix Storm, all he wants is to destroy the world and everything on it, but you...! You stupid heroes had to ruin everything, we will destroy you all and destroy everything in this pathetic planet!

Lincoln: You can all join Burns in Hell for all I fucking care!

Lori: That is it for those terrorists. Now, all that's left is that lowlife, Ryan Long.

?: BECKY LONG, LINCOLN LOUD, TEAM LOUD PHOENIX STORM! I WILL KILL YOU ALL!

We then saw our target: a young man with brown hair, red eyes filled with hate, and he had on the same orange prison jumpsuit from long ago, it was Ryan Long, the jealous-crazed, evil, heartless thug and the pathetic excuse of an ex-older brother of Becky Long and her sisters, and he was beyond pissed off.

Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded Then, Lincoln swung his massive greatsword and fired blades of rainbow energy, aura energy, white and blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Ryan Long, and he was immediately cut to shreds.

Then, Lincoln drove his massive greatsword right into Ryan Long's chest, and as it pierced his black heart, Lincoln's greatsword sucked out all of Ryan Long's blood, energy, and life force, all of which flowed into Lincoln and he grew even stronger, while Ryan Long was left as a desiccated corpse, and Lincoln set Ryan Long's body on fire and sent his spirit to The Black Abyss forever. We cheered as we holster our weapons and powered down.

Lincoln: You, Xavier Andrews, David Anthony, and Nicholas Truett, The Phoenix Killers, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly

Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and Burns' Avengers of Hatred and Destruction are done running loose, Ryan Long, may you all suffer forever in The Black Abyss. (To Darya Westbrook) And it's so good to see you again, Darya.

Darya Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Darya Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Kendall Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Darya Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Darya Westbrook and hugged her, and Darya Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Darya Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Darya Westbrook, Gene-Slammer and Avatar of Marincess Marbled Rock, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Marbled Rock. She's the second youngest sister of The Westbrook Sisters, and she's the military strategist of The Marincess Water Princesses. Lincoln met Darya Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Darya kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Darya hates Lewis Travolta with a blazing passion, because that bloated gluttonous jerk polluted Lake Michigan by dumping a dumptruck full of rotten fishheads into the lake, and he was laughing cruelly like the bastard he was, and enraged because of his behavior, Lincoln and Darya Westbrook blasted him with water and they even electrocuted him, and Lewis Travolta got so mad, he called Darya a fish-faced bitch and he said that he hopes that Darya dies in a pool of her own blood and he'll dance on her remains and skin her alive and sell her organs to the highest bidder. The audacity and utter malice of his threat made Lincoln see red, and he blasted that mutant so hard with a mega massive blast of water, he sent him flying back to prison, and when the rest of the family heard Lewis Travolta's threats along with seeing what he did, everyone was mega enraged, they went to the prison and they beat him up so horribly, he was left as a bloody mess with black eyes, broken arms, broken legs, missing teeth, and ten lumps on his head, and they turned to leave, but not before Luna gave him the finger, and that sent Lewis

Travolta into a total psychotic tailspin of rage as he banged on the bars of his cell and he screamed like the moron that he is!

Nico: You have no idea of how pissed off we were yesterday when Selene told us of what that mutant did.

Me: That incident is something Varie and I still remembered all too well.

Lincoln: That's also another reason why he deserves to be humiliation fodder for us and to the city forever, and now that you're here, Darya.

Lincoln with his massive muscular arms still wrapped around Darya Westbrook leaned his head down the right side of Darya Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Darya Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Darya Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Darya Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Darya Westbrook.

Darya Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Kendall Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Kendall Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Kendall Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Kendall Westbrook: (In Heaven) My God.

Lincoln made one-hundred sixteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. Simulator Yayoi Mizuno: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, one-hundred seventeen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ai Miyashita, Alisa Ayase, Anju Yuki, Ayumu Uehara, Chika Takami, Chisato Arashi, Cocoa Yazawa, Cocoro Yazawa, Cotaro Yazawa, Dia Kurosawa, Director Minami, Emma Verde, Erena Todo, Fumiko, Hana Hazuki, Hanamaru Kunikida, Haruka Konoe, Hideko, Itsuki, Kaho Hinoshita, Kanan Matsuura, Kanata Konoe, Kanon Shibuya, Kaoruko Mifune, Karin Asaka, Kasumi Nakasu, Keke Tang, Kinako Sakurakoji, Kohaku, Kozue Otomune, Lanzhu Zhong, Leah Kazuno, Mao Hiiragi, Mari Ohara, Megumi Fujishima, Mei Yoneme, Mia Taylor, Mika, Misato Kawamoto, Mutsu, Nanami Nanakusa, Natsumi Onitsuka, Nozomi Tojo, Ren Hazuki, Riko Sakurauchi, Rina Tennoji, Ruby Kurosawa, Rurino Osawa, Sachi Ogami, Sarah Kazuno, Sayaka Murano,Setsuna Yuki, Shiki Wakana, Shioriko Mifune, Shizuku Osaka, Sumire Heanna, Tomari Onitsuka, Tsubasa Kira, Tsuki Watanabe, Tsuzuri Yugiri, Wien Margarete, Yae, Yoshiko Tsushima, Yoshimi, You Watanabe, Yu Takasaki, Yukiho Kosaka, Yuna Hijirisawa, Simulator Yayoi Mizuno, Aimi Tobinaga, Akari Otsuji, Asako Itsuzaki, Chinami Nogi, Chisae Hayakawa, Emi Makinohara, Ena Yamanoha, Hotaru Mikuya, Ichiko Kasakura, Kanaho Oonuma, Kanari Motosugi, Karen Makioka, Kayo Inatani, Kei Ootsuru, Kimiko Asai, Koyuki Shimoizumi, Kurumi Ooshio, Mamori Yamazaki, Masumi Tsujihara, Matsuri Himeyama, Meika Tanioka, Miko Sawatari, Mirai Kimura, Miwa Chikato, Miyu Takashima, Mizuki Suda, Nanao Hiroshige, Natsuho Ikeguchi, Nazuki Hagisawa, Nir, Norimi Ishimachi, Orie Chikuhou, Rei Tomitsuka, Rina Yuriguchi, Ritsumi Kagii, Runa Shitakawachi, Saho Nogami, Saika Kusukawa, Sumika Satomura, Susami Wada, Suzuna Usuki, Tamami Uohashi, Tomoe Yasumaru, Touko Ugawa, Tsukiyo Maruhama, Wako Nobuhara, Yaeko Momi, and Yurino Hatomi with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. Lincoln, Nicole, and his harem returned home, and everyone was shocked to find out that the villains we went after were none other than our old enemies, the three world domination crazed mad scientists, Xavier Andrews, David Anthony, and Nicholas Truett, along with the terrorist groups, The Phoenix Killers, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and Burns' Avengers of Hatred and Destruction, and the ringleader, the Long Sisters' jealous-crazed evil heartless ex-older brother turned absolute criminal and thug, Ryan Long.

But, when Lincoln showed what he did first using The Brain Bug's ability by turning the three tips of three of his eleven massive and long white wolf tails and plunging them into the skulls and piercing the brains of Xavier Andrews, David Anthony, and Nicholas Truett and sucking out their brains and absorbing their knowledge and memories and sent them to The Black Abyss, then using his Cell's stingers to absorb the terrorist groups: The Phoenix Killers, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and Burns' Avengers of Hatred and Destruction, and finally us trashing Ryan Long and sucking out Ryan Long's blood, energy, and life force and sending them all to The Black Abyss, and this time forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Darya Westbrook have a lot of catching up to do, now that she's back in town.

Maria: We heard everything from J.D. and the others, I can't believe Morgana and her minions brought back Xavier Andrews, David Anthony, and Nicholas Truett, along with the terrorist groups, The Phoenix Killers, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and Burns' Avengers of Hatred and Destruction, and the ringleader, the Long Sisters' jealous-crazed evil heartless ex-older brother turned absolute criminal and thug, Ryan Long.

Lincoln: Looks like Morgana is already losing her mind even more.

Nico: That's why she didn't send any villains after us when we went to talk sense into Claire's parents, that bitch.

Me: However, she's not going to be showing any mercy again tomorrow.

Catherine Fontaine: She never does, but that monster's delaying the inevitable.

Caleb Maxwell: Right, soon she's going to be facing death for her crimes.

Lincoln: Along with Elena's ex-sister and Dark Gale's leader, Elise Elexton.

Elena Elexton: Elise wants to destroy the world and remake it and take it over with a massive army of legendary Pokemon, whereas Morgana and her minions are out to destroy the world along with getting revenge for getting defeated by you and The Daydream Princesses and sent to The Netherworld seven years ago. So, we got two dangerous and evil organizations to destroy.

Me: We'll end what we began years ago and send Elise Elexton to The Black Abyss forever.

Lincoln: Along with Morgana and her minions.

After Lincoln and all of us destroyed Xavier Andrews, David Anthony, and Nicholas Truett, along with the terrorist groups, The Phoenix Killers, The Lords of Anarchy, The Fires of Destruction, The Kings of Chaos, The Twelve Lords of Death, The Seven Deadly Sins, The Order of Mayhem, The Harbingers of Hatred, The Devil's Army of Hellish Chaos, The Killers of Harmony, The Murderers of Peace, The Slaughterers of Hope, The Emissaries of Disharmony, The Destroyers of Universal Peace, The Destroyers of Courage, The Killers of Love, The Destroyers of All Innocence, and Burns' Avengers of Hatred and Destruction, and Ryan Long and sent them to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Darya Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Darya Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Darya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Darya Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Darya Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Travis Tackett got out another video.

Lincoln: Say, what's that memory about, Cage?

Cage Blunt: Uh oh, this is one memory I'd hoped to forget: this one is from the time Travis and I first ran into the now 18-year-old Allie Maxwell, and she got into a fight with us both.

Travis Tackett: Not that we blame her, she hadn't forgotten what we did in chasing after her brother eight years ago trying to drain him of blood and she hadn't forgotten about the time we both bit him after he trashed us.

Allie Maxwell: And that also led to me breaking down and crying.

Travis Tackett put the video in as it played on the screen, and it showed the now 18-year-old Allie Maxwell walking down the streets of the city, but then, she saw the red Camaro car with viper stripes, and her mark reacted as she winced in pain, and she recognized who the car belongs to, and she then saw Cage Blunt and Travis Tackett.

Past Allie Maxwell: Hold it right there!

Past Cage Blunt: And who are...?

Past Allie Maxwell: Don't play dumb with me, you know who I am. Rewind your brains to eight years ago, you constantly chased after my older brother, Caleb Maxwell, and tried to drain him of blood and I hadn't forgotten about the time you both bit him after he trashed your hairy tails.

Suddenly, Cage Blunt and Travis Tackett remembered Allie Maxwell.

Past Travis Tackett: Oh crud, you're Allie Maxwell, Caleb's little sister.

Past Allie Maxwell: And the same one who witnessed her older brother's endless nightmares and torment at the hands of you two. Now, I'm gonna tie your tails together in a German Pretzel knot and tie both of you into a twisted German Pretzel! (CRACKS KNUCKLES)

WE GASPED!

Me: Oh...!

Nico: Crap. You both really made her mad.

Marlene Maxwell: She and her brother, Caleb, both got that aggressiveness from me, and I was one tough girl when I was in my teens.

Past Cage Blunt: We're not the same as we were eight years ago, Allie. But, if you intend to get into a fight with us, you know the risk you take is high.

Past Allie Maxwell: Screw you! You're gonna pay for my brother's nightmares eight years ago!

Then, the scene transitions to the backyard of the Maxwell house, and Allie Maxwell was in a sleeveless black bra and dark purple gym shorts, and she has bandages wrapped around her arms and hands.

Maria: Yikes, man, she's really pissed!

Past Cage Blunt: You don't have to do this, Allie, just stand down.

Past Allie Maxwell: (ROARS WITH RAGE AND CHARGES AT CAGE BLUNT)

Past Cage Blunt: Damn it.

Cage Blunt dodged all of Allie Maxwell's wild attacks and he blocked all of her punches, but she was still driven by rage, and Cage Blunt and Travis Tackett had to hold her down by tag teaming and pinning her to the grass.

Past Allie Maxwell: Let me go! Let me go, so I can beat you both into a bloody pulp! This is all your fault, the both of you! You led my brother down into darkness, every night eight years ago, he was tormented by you two showing up and trying to kill him only for him to get away but he also has to deal with nightmares every night due to it! And because of it, he lost his life thanks to that asshole! It's all your fault!

Past Cage Blunt: You don't think we already know that?

Past Travis Tackett: And we saw your brother's death and you don't think that bothered us? It did, we're not heartless.

Allie Maxwell was stunned.

Past Allie Maxwell: What...?

Past Cage Blunt: The day your brother died and the day after when we got punished by the council left its mark on both of us, and we had a lot to reflect on, and after the ten years of our punishment was done, we eventually changed. Time has helped us to improve, Allie, but the scars of your brother's death still left a mark on us.

Past Travis Tackett: That it did, and..., and we're sorry that we drove your brother into that very state eight years ago. We were so stupid, and Caleb paid the price for our recklessness.

Past Allie Maxwell: Then,..., you both have really...! I...!

Then, they helped her up, but then, she wrapped both of her arms around them and she broke down and cried. But, then, she felt their arms around her in comfort as the video ended.

Nico: You guys really apologized to her in a heartfelt manner, but I doubt Caleb saw it.

Roxy Drake: Caleb was still off causing destruction to The Syndicate, and when Allie showed us the picture and Cage explained everything, we were glad they comforted her after she broke down like that.

James Blunt: Even I was stunned, but Allie did need some form of comfort.

Caleb Maxwell: Which I didn't provide enough of, and it was all my fault on that day. I was driven only by hate and revenge against my brother, and I shut out my own sister and my mom due to it.

Eli: Don't say that, your brother was the one who drove you down that path into darkness, it was all his fault, not yours.

Me: Eli's right, Caleb, it wasn't your fault.

Caleb Maxwell: I know, it's just that every night, it's been the same, nightmares of the past come back to haunt me, and due to it, more of my memories come back, and...

James Blunt sat down beside him and put his right arm around Caleb's shoulder.

James Blunt: I know, Caleb. You haven't been the same ever since you came back from the dead and you did go through Hell eight years ago thanks to Cage and Travis. But, you did let go of the hatred you harbored against your dad when Dane showed us the video, and your ex-brother paid the price along with your dad's relatives.

Lincoln: It hadn't been an easy road, your memories were fractured since your return.

Caleb Maxwell: Eventually, all my memories returned, though it was painful and I had one breakdown.

Casey Antonio: I'd worked with many youths involved in crime over the years, but what your brother had done was the worst. I sometimes wished Cage, Travis, Mr. Blunt, heck, even the council would have him suffer a fate crueler than death.

Marcus McKenzie: You should be careful with what you wish for, Casey Antonio.

Caleb Maxwell: Casey, wishing for Drake to suffer a fate at the hands of the vampires, that's like throwing him into the lion's den.

Lincoln: Hmm, you know that gave me an idea on how we're going to kill Claire McBadbat.

Nico: Uh oh. I can tell this'll really be good.

We got a shower, and then, Lincoln, Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen are heading to Bubblaine.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by

elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Eve Dinnerplate: Wow, so this is Bubblaine, it sure is beautiful.

Lincoln: It sure is, Eve, and it's perfect for our first date, shall we?

Lincoln, Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Eve Dinnerplate: (Swooning) Oh man, none of the girls weren't kidding, he's so manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen and they hugged the girls in their abnormally massive and powerful muscular arms and Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Eve Dinnerplate, Belle Danceplate, Mrs. Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen are in your harem, Linky.

Eve Dinnerplate, Belle Danceplate, Mrs. Mana Carmichael, Tina Poetryhaiku, Margarita, Greta, Padma, Simulator Blake, Rozelic, and Zhen showed the marks Lincoln made on the right sides of their necks.

Ronnie Anne: Oh man, I knew Greta had feelings for Lincoln when she saw him performing in many magic shows, and I couldn't forget when we went to Margarita's hair salon, she really done a lot of work with his hair, and when we went to Burger Blast, he helped Padma with a ton of orders.

Luna: And I was also surprised when we also found out Eve and Belle who work at the diner and at The Dine N Dance Diner also had feelings for him.

Fiona: Same with Mrs. Carmichael.

Jenna: And Mrs. Poetryhaiku.

Ronnie Anne: You guys had no trouble at all.

Margarita: (Spanish Accent) Nope, not at all, mija, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their

mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Me and Lana finished building Marina an awesome castle in the Estate park.

Me: You'll like it here in our estate park Marina. And you'll be perfectly safe up here. Zig is gonna think twice before trying to climb all the way up here.

Marina: That is good.

Me: Yep. We're 528,000 feet up and we have a powerful defense grid that is more powerful than 500,000,000 Fort Knox's.

LASER FIRE!

Lasers fired and they hit Zig by the estate tree and he ran.

Me: See?

Marina: Wow! I feel amazingly safe. Sharko will always be here too.

Me: Yes he will.

Sharko: Yep.

Me: Cool.

Lana: Awesome.

We went back to the living room.

Later it was time for Lucy, Dora and Brittney's 3rd mission.

Nico: Anyone else want to go with Brittney, Lucy, and Dora? Besides Rex Goodwin, Webstor, Ghost Monster, Mal, Jim, Gali, Eiji, Snake, Jak & Daxter, Zayto, and Yost Spiderman.

Lane: I'll go.

Stinky Butt: So will I.

Me: Cool.

Eclair: Me, Lucy, Erza, Wendy, Cana and Juvia will go too.

Me: Okay then.

Qin: Awesome. Fairy Tail will be an awesome help for this one.

Lincoln: It sure will.

Nico: Lets go.

We were off.

We arrived.

Tara Duncan: Hey guys!

Me: Hey Tara.

Brittney: Guys, you already met Rex. Meet Webstor, Ghost Monster, Mal, Jim, Gali, Eiji, Snake, Jak & Daxter, Zayto, and Yost Spiderman.

Stinky Butt: And I'm Citrocett. But now I go by Stinky Butt the Foul. (LOUD FART)

Will: These guys are our brothers.

Eiji: It's true.

Me: They aren't related by blood, they developed bonds with them that made them siblings during their missions.

Tara: Wow! That is amazing.

Eli: It sure is.

Eclair: And I'm also one of J.D.'s wives.

Tara Duncan: Really? Oh wow!

Me: Long story on that.

Jim: I'm actually no stranger to magic creatures

Tara Duncan: Really?

Me: Yeah also Jim and I go way back. I helped him battle some of his enemies before we helped him and Yan Lin.

Tara Duncan: Oh wow! I remember Hay Lin telling us how her Grandmother got her own missions too.

Hay Lin: It's true and it was really cool.

Me: During that mission we battled the legendary Morgan Le Fay. You are familiar with her right?

Tara Duncan: How can we not be? She was the most powerful evil sorceress ever known.

Me: That's right.

Eli: Yeah.

Me: We battled many versions of her and they all put up a really amazing fight.

Nico: We split her in two when we faced her on Yan Lin's mission.

Eli: Yeah.

Tara Duncan: Why?

Me: This version had a bit of a tragic story to her.

Nico: It's true.

Me: Yep.

Eli: We battled her Dark Side and sent that to the Black Gates.

Hay Lin: Yep. And because Anti-Monitor breached the Black Gates there's a possibility that she may be back.

Me: Yep.

Eclair: We'll probably face her on a rescue though.

Nico: Anyway, what's been going on here?

Tara Duncan: Well so far nothing out of the ordinary except I think one of J.D.'s friends is going crazy somehow.

Me: Like... (WINCES)

My mark started glowing!

Me: My birthmark is glowing! That means a Zodiart is near!

Cal: What's a Zodiart?

Me: They are the monsters of the Fourze Kamen Riders. That series was made to commemorate the 40th Anniversary of Kamen Rider back in 2011.

Nico: It's true. And the Zodiarts represent each of the Constellations in the Northern and Southern Skies.

Tara Duncan: WHOA! That is amazing.

Me: Yep.

I showed my birthmark.

Me: My birthmark is in the shape of the symbol for Phoenix the Firebird which is in the Southern Hemisphere.

Sparrow: Wow!

Tara Duncan: That is... (WINCES)

We saw a purple glow on her arm and she showed her arm and it had the symbol of Gemini the Twins on it.

Tara Duncan: I have a birthmark too!? I never had this before!

Me: Yep and yours is for Gemini the Twins.

Tara Duncan: My birthday is in June.

Me: That makes you a Gemini and they are usually born right around late May to mid June.

Nico: Yep.

Tara Duncan: Wow!

Lincoln: We all have birthmarks like that. And mine is glowing too.

Me: Lincoln's is for Aquarius.

I did a scan and it showed that the Zodiarts for Phoenix the Firebird as well as Aries, Taurus, Gemini, Cancer, Leo, Virgo, Libra, Scorpio, Sagittarius, Capricorn, Aquarius, and Pisces are running around.

Me: Whoa! So we have 13 Zodiarts here.

Nico: So it's all of them!

Me: WHOA! The entire Zodiac.

?: You guys are gonna have your hands full on this one.

We saw a girl with purple hair, Pink eyes, black clothes and purple angel wings and she had a tiara with the symbol of the Zodiarts on it as well as on her skirt and she had the symbol of Phoenix The Firebird on her arm and a crystal sword. Her mark was glowing too.

Me: Zeiram Zodiarts!

Zeiram Zodiarts: Awesome to see you again J.D.

Me: Yep. Guys this is Zeiram Zodiarts. She's The Avatar and queen of the Zodiarts and a master of the stars and the cosmos and a true master of the 88 Constellations. She is a true force of good with the powers of the stars and the cosmic energies of the universe.

Nico: Wow! Nice to meet you.

Zeiram Zodiarts: Likewise. And the Phoenix Zodiarts is one of the strongest of them all. So you guys have to be careful.

Me: Whoa!

Nico: We never faced the Phoenix Zodiarts before. We better call in the Fourze team.

Me: Good idea.

Nico: I didn't even know there WAS a Zodiarts Queen

Zeiram Zodiarts: Oh you weren't told about this. But there's queens and avatars for ALL the monsters of the Kamen Riders from over the course of 50+ Years.

Me: It's true.

Nico: WHOA!

Lincoln: Yep. Some of my guardian angels are them too.

Nico: I didn't even know there WAS a Zodiarts Queen

Zeiram Zodiarts: Oh you weren't told about this. But there's queens and avatars for ALL the monsters of the Kamen Riders from over the course of 50+ Years.

Me: It's true.

Nico: WHOA!

Lincoln: Yep. Some of my guardian angels are them too.

Gentaro got a call.

Gentaro: Hello?

PHONE GARBLE!

Gentaro: What!? Phoenix Zodiarts and all 12 Zodiarts of the Zodiac!? Well be right over guys!

He hung up and he, Ryusei and Whenua were off.

They arrived later.

Whenua: We're here guys.

Gentaro: Yep.

Me: Oh guys meet the Fourze team.

Gentaro: Awesome to meet you Tara. I'm Gentaro Kisaragi, leader of the Fourze Team.

Ryusei: I'm Ryusei Sakuta, Kamen Rider Meteor

Whenua: And I'm Whenua, Toa Metru of Earth.

Tara Duncan: Awesome to meet you all.

Nico: Now, where are they?

Eli: I sense them over by the football stadium in the school.

Me: Lets get over there then.

Jim: Let me get my game face on

Me: Watch this one.

Jim: FOR THE GLORY OF MERLIN, DAYLIGHT IS MINE TO COMMAND!

He transformed and was ready!

Zayto: IT'S MORPHIN TIME! LINK TO MORPHIN GRID!

He turned into COSMIC FURY WHITE!

Eiji: HENSHIN!

He turned into Kamen Rider OOO.

Gentaro and Ryusei: HENSHIN!

They transformed too!

Me: Awesome!

Tara Duncan: Yeah!

Me: Lets go!

We were off.

We arrived and to our shock we saw the entire football team curled up on the ground in fetal positions and they were white as ghosts and shaking in fear.

Me: WHOA MAN! These guys have all been scared shitless.

Eli: Man something REALLY SCARED Them.

Nico: I wonder who?

Me: We'll find out soon.

Eli: Look!

We saw a girl with red hair, blue eyes and she had red clothes and had been crying.

Me: (GASP) Rinoa Phoenix!

Rinoa Phoenix: Stay away from me J.D.! Don't come near me.

Nico: You know her?

Me: Yeah. She's the avatar of Firewing Phoenix from the world of Magic the Gathering.

Nico: Whoa!

Me: Rinoa what's wrong? We just want to help.

Rinoa Phoenix: No. I was turned into a monster. I killed thousands of bullies all over the area. I'm a killer.

Nico: I doubt that.

Me: How did you kill them?

Rinoa Phoenix: Stay away! I killed them because they hurt me!

Me: How? Rinoa you can tell us anything.

Rinoa Phoenix: It's too horrible! I was blinded by my lust of vengeance against my tormentors. Then I got this.

She showed a Zodiarts Switch and it had the constellation of Phoenix The Firebird on it.

Me: That's a Zodiarts Switch.

Nico: That explains a lot

Eli: Rinoa that switch did that.

Me: You have to give me that Switch. It's too dangerous.

Gentaro: Yeah.

Rinoa Phoenix: I can't. I can't control this power from it! NO! GET AWAY!

She pressed it and the Constellation of Phoenix The Firebird in the Southern Sky appeared and she turned into PHOENIX ZODIARTS! She looked like the Phoenix Phantom from Wizard but with Phoenix Wings and had the constellation of Phoenix the Firebird on her chest.

WE GASPED!

Me: WHOA! Her power is amazing!

Eli: WOW!

Me: It looks like a carbon copy clone of Phoenix Phantom from Kamen Rider Wizard!

Nico: Looks like we have no choice.

Me: Okay then. Tara you are gonna see my ultimate transformation in action.

I unholstered my massive J.D. Eli: Cool huh?

Tara Duncan: Wow!

Then Aries, Taurus, Gemini, Cancer, Leo, Virgo, Libra, Scorpio, Sagittarius, Capricorn, Aquarius, and Pisces Zodiarts all came.

Me: The whole gang is here.

Will: Lets get them! GUARDIANS UNITE!

They transformed!

Will: (ENERGY SURGES) THE HEART!

Irma: (WATER SPLASHES) WATER!

Taranee: (FIRE BURNS) FIRE!

Cornelia: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Megan: (STAR SHIMMER) SPACE!

Nico: Lets get them!

We went at them and roared ferociously and they went at us. Then we collided and then...

EXTREMELY MASSIVE FIERY EXPLOSION!

I punched Phoenix Zodiarts and bashed it all over!

I kicked it in the face and we clashed and sparks and fire flew everywhere and turned much of the area into a raging inferno!

The Fairy Tail Girls blasted the Zodiarts all over the place.

Gali got out her Disk Animal and it turned into a fish.

Gali: Watch this.

She pulled out her book called Gali's Underwater Power of The Maelstrom.

Gali: (READS VERSE) "The power of Water is not a restriction, it's a force to be reckoned with as Gali blasts her enemies with water and makes sure they cleansed and purified with the powers of water."

She blasted them all over with water from her book.

Phoenix Dopant flew into the air and I flew after it and we clashed more.

She fired a massive blast of fire and I fired a massive blast of fire and the blasts collided and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Jim got out his Disk Animal and it looked like a dove.

Jim: And watch this.

He got out his Wonder Ride Book. It was called Jim Lake the Defender of the World in Daylight.

Jim Lake: (READS VERSE) "With the power of Merlin and the Daylight on his side, the powers of the dark forces of evil and the evil trolls were no match for the light of the protectors of light."

He fired waves of light and blasted the Zodiarts all over.

I kicked the Phoenix Zodiarts and blasted her.

Tara and friends blasted and pulverized the Zodiarts.

Zeiram Zodiarts: All of you are to stop this now!

Sagittarius Zodiarts: We can't lady Zeiram.

Zeiram Zodiarts: Then we're sorry it has to be this way.

Mal got out her Disk Animal and it turned into a crow.

Mal: Now here is my book.

She got out her book and it was called Mal the Dark Phoenix of Maleficent.

Mal: (READS VERSE) "With wings of darkness flying through the night sky, Mal flew and blasted her enemies and made them feel the powers of darkness at their worst and made them burn."

She flew and blasted them like it said.

BUT THEN DEMONIC LAUGHTER WAS HEARD AND WE SAW THE 12 ZODIARTS TURN WHITE AS GHOSTS!

We saw a girl with green hair, red eyes and had a nightmarishly ugly horrible tongue coming out of her mouth and it scared the living fucking daylights out of the Zodiarts!

She had black clothes and black angel wings and had a tiara with toepick on it.

Me: Megan Toepick!

She scared the Zodiarts so bad that they EXPLODED!

MASSIVE FIERY EXPLOSIONS!

Nico caught the Zodiart Switches and purified them!

Nico: WHOA!

Lola: Oh boy!

Nico: (Whimpering) I think I just wet myself!

Megan Toepick: Sorry (Grunts) about that!

Megan lost control and turned her gaze towards Stinky Butt

Stinky Butt: Uh oh.

LOUD FART!

He farted in her face and blasted her.

I kicked Phoenix Zodiarts and fired the antidote ray into her.

Me: There!

Nico: Boy she literally scared them to death!

Tara Duncan: Yep.

Then fireballs flew in and blasted Megan all over.

Out came the gene-slammer of Phoenix from Dungeons & Dragons!

Nico: Leia Phoenix!

Leia Phoenix: Nico my sister Rinoa was made that monster against her will. It was a really nasty story!

Nico: OH MAN!

Leia Phoenix: But it's good to see you again.

Lane charged at her and kicked her.

Lane: Take that!

Lane fired waves of light and blasted her all over.

Lane got out his Disk Animal and it turned into a raccoon.

Lane: Now like my female self, I got this!

Lane got out his book called Lane Loud of The Light Jester!

Lane: (READS VERSE) "With the light of a million rainbows, Lane fired waves of light that turned into whoopee cushions and they hit the target and farted with the force of a thousand stinkbombs."

NUMEROUS STINK BOMBS came came blasted Megan and farted.

LOUD NASTY FARTS!

I slashed down the Phoenix Zodiarts and me, Tara and Leia fired waves of fire and blasted Megan and exploded!

MASSIVE FIERY EXPLOSIONS!

Megan was blasted down and the antidote took effect and was cured.

Megan Toepick: (GROANS) What hit me?

Nico: Um... farting?

Megan Toepick: Oh.

Leia Phoenix: An explosion from the fart gas. Fire ignited it and blasted you down.

Megan Toepick: Oh sorry I asked.

Gentaro: Lets finish the Phoenix.

Me: Gladly.

Me, the Guardians and Tara and Gentaro: ZODIAC PHOENIX FIRESTORM BLAST!

We fired waves of fire and energy and elements and they hit Phoenix Zodiarts and it exploded!

KRAAAABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Rinoa was back to normal and I caught the Zodiarts Switch and purified it.

Me: Take that!

Nico: These Zodiarts have failed this city!

Tara Duncan: Yeah!

Nico: You okay?

Rinoa Phoenix: (groans) (weakly) I'll be okay.

Me: Good.

Leia hugged her sister.

Leia Phoenix: I'm glad you're back sis.

Rinoa Phoenix: Me too.

Me: We'll take Rinoa to the infirmary.

I picked up Rinoa.

Me: Do you have a good memory of Nico, Leia?

Leia Phoenix: I sure do. When me and Nico went to the Andes and we found this necklace I have.

Me: (Whistles) That is beautiful.

Lincoln: It sure is.

Me: Yep.

Nico: Yeah.

Nico and Leia hugged.

Nico: I've missed you.

Leia Phoenix: Same here.

We later went back home.

May: Hey guys. How did it go?

Me: Epic!

We went over what happened and it was intense.

May: WHOA! That is crazy!

Qin: Yeah!

Me: It was.

Nico: Next, Hitoshi, Izuku, Matt, Nigel, Caleb, Eric, Martin, and Yan Lin should come.

Me: Good idea.

Qin: Yeah.

Megan: Touma should come too.

Me: Okay.

Then the Alarm went off!

Computer: Alert! This is a Code 1 Emergency. Fusion Dimension Duel Academy Attack.

Me: UH OH!

Qin: Lets go get them!

Nico: We're under attack people!

May: Want some ice cream, Manaphy?

Manaphy: First lets take care of these monsters attacking mama!

May: Huh? Oh right!

We went down to the surface and saw a massive army of Fusion Dimension Duel Academy Students coming!

We went and blasted and slashed and kicked them.

Sunny Marina: You're gonna regret attacking us!

Me: YEAH!

Duelist: KILL THEM ALL!

We fired waves of energy and blasted them and swiped their decks.

I fired waves of energy and blasted them.

Camie: Take this!

She fired waves of energy and blasted them.

Lugnut: Time to crush you all!

He smashed them all over.

?: Let me help!

A girl with black hair, blue eyes and red Chinese clothes and she had red angel and she had a tiara with Bamboo Pandamonium on it.

Chi Yan Panda: Chi Yan Panda, Embodiment of Bamboo Pandamonium.

Captain America: Awesome!

Chris: Great to see you Chi Yan.

Chi Yan Panda: You too Chris and Captain America. Been a while.

She fired waves of leaves and destroyed the rest of the duelists.

We got their decks too.

Elita One: How did you meet Cap and Chris?

Chi Yan Panda: I met Captain America when he fought Red Skull the first time and I helped him beat him.

Me: That is cool!

Chi Yan Panda: Yep. And I met Chris when I helped him and his team beat their version of Venom.

Chris: That was cool.

Me: Thank goodness it wasn't that fucked up asshole Carnage.

Chi Yan Panda: I know.

Me: Would you like to join us?

Chi Yan Panda: I would be honored

Me: That's it for them.

Drill Man: Want some ice cream now, Manaphy?

Manaphy: Sure!

We got some ice cream.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before Luan's big day mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than Leo Akaba, he's on the move and causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, Leo Akaba.

Eli: It's time.

Lincoln: That it is.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and it's finally time: I just had a vision and I saw who it was that we're going to confront today: it was none other than Leo Akaba, he's on the move and causing havoc.

WE GASPED!

Luan: He's finally on the move.

Camie: Just as expected.

Kairi: Now, we can finally end that disgrace and send him to The Black Abyss.

Me: Exactly what I was about to say, Kairi.

Nico: Good thing we got our Duel Monsters decks that we got for Christmas and more, that total disgrace is about to learn a real lesson in Duel Monsters. Alright, team, let's go, we're off to help Yuya, Julia, Aura, and the others take care of that monster, Leo Akaba.

Lincoln: He will pay for everything he's done and more for his crimes.

Me: YEAH! But we're going to throw Leo in jail and send Claire to the Black Abyss AFTER we let the Court system have their way.

The previous group came.

Overdrive: Can me, El Oso, Count Vertigo, DC Enchantress, Tar Pit, Cavalier, Bronze Kneecap, Ebon, Black Spider, and Turtle go with you guys?

Nico: You sure can.

Overdrive: We saw the attack of all those duelists. So Leo made his move.

Me: Yep he sure has.

Qin: Now it's time for a retaliatory strike.

Me: Yep. He attacked us first, NOW we attack him!

Qin: YEAH!

Camie: That is for sure.

Yondu: Nico, which Gene Slammer do you think you'll meet next?

Nico: Mekanorimon.

Me: WHOA! I remember those were robots piloted by Digimon.

Qin: Yeah.

Camie: But they are still Digimon nonetheless.

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Claire McBadbat, she's on the move and she's also pissed off that not only was her plan foiled, but Leo Akaba has revoked their deal and now she's out for revenge. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move, Claire.

Travis Tackett: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Travis: the figure that we saw was Claire McBadbat, she's on the move and she's also pissed off that not only was her plan foiled, but Leo Akaba has revoked their deal and now she's out for revenge.

Me: Uh oh.

Luan: Thanks to her plan being foiled by us, the deal she made with Leo Akaba was revoked, between her plan getting foiled and being disowned by her parents and the deal with Leo revoked, now she really is done for.

Eli: Talk about karma.

Lincoln: Oh no, her karma has only just begun.

Me: You're right, we still got to deliver our own brand of punishment unto her for her lies over the years and for all her bullying.

Nico: And for lying to her parents about us this morning, now, she's already in for far worse than Hell.

Caleb Maxwell: I took Casey's advice and I already told the council, and they're also joining in as well.

Nico: What Casey said gave you an excellent idea. Alright, team, let's go, we're off to help Yuya, Julia, Aura, and the others destroy Leo Akaba.

Lincoln: His crimes against the Duel Monsters, Duelists, and the dimensions can never ever be forgiven, he will pay for his crimes, and once we get done with him, you're next, Claire McBadbat.

Luan: You've had this coming for so many years, Claire, you've gotten away with one lie too many, and now, your lies have finally come back to haunt you. Yuya, Julia, Aura, everyone, hang in there, we're coming.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Duel Academy in Yuya's dimension, and we're going to help Yuya, Julia, Aura, and the rest of the Resistance destroy Leo Akaba, and once that madman is taken care of, it'll soon be the turn of Claire McBadbat, and she too will die a horrible death for her crimes.

We were off.

We arrived.

Me: Here we are.

El Oso: (Spanish Accent) Lets get Vypra here amigos.

Me: I agree. She and Dark are both gonna want some action.

Eli: Yep.

We called them.

Vypra: We're here!

Dark Spicer: And ready to kick some ass!

Me: Yeah!

Nico: Where are they?

We heard a scream.

Me: That way!

We went to the scream and saw Yuya and a bunch of Duelists surrounded in black fire auras attacking them.

Me: Nice to know my spell still works.

Nico: Lets go help!

We went at them.

Yuya: Tell your boss he is gonna pay!

But then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard.

Zocks: (Singing) "Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

Yuya: It's Zocks!

Then fireballs flew out and blasted the Duelists all over and we landed.

Me: Thought you guys might like a hand.

Yuya: You all made it just in time!

Kairi: Hey Yuya!

Yuya: Hey sisters! You made it!

Camie: Like we would miss this!

She used her quirk and blasted the duelists and we blasted the rest and destroyed them.

Varie: Take that!

Me: YEAH!

Nico: That's it for them.

Varie: Yep.

Yuya: Awesome! Lets head to base so we can talk more.

Me: Okay.

We took the duelists decks as our own and went to Yuya's home.

Retrax: We want to thank you guys for helping out against Roberuga.

Zuzu: No problem guys.

Celina: That is for sure. And it was fun.

Me: It sure was.

We arrived and sat down.

Yuya: So whats been happening?

Me: Pretty much everything. Just a few minutes ago we were attacked by duelists too.

Tar Pit: Leo must be getting desperate

Me: Yeah.

Luan: To make matters worse, we found out that one of my old enemies is with him.

Zuzu: We saw her and we believe her name is Claire McBadbat.

Me: Yeah.

Chester: She holds no relation to me though.

Me: Yeah it's true.

Anya Annapova: We exposed her after her parents were lied to with all the evidence we collected and they disowned her.

Yuya: WHOA! So now you guys are free to kill her.

Me: Yes that's the case. But we're going to let the court system have their fun first.

Yuya: Jaden, is your more powerful monster Elemental Hero Divine Neos?

Trent: That's a very good question.

Me: All of his monsters are powerful.

Nico: Yeah.

Qin: They sure are.

Nico: Yep.

9m agoBronze Kneecap: And how was your Valentine's Day?

5m agoBronze Kneecap: And how was your Valentines Day?

Yuya: it was awesome!

Celina: We all had an awesome and fun time eating chocolate.

Zuzu: And watching Romance movies.

Me: Awesome.

Qin: Yeah.

THe DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume carrying three bottles of beer.

Poromon: (to the Arc V team) Hello there! I'm the beer fairy! Come to give you guys three bottles of beer!

Sea Clamp: You get some under your pillows if you're good!

WE LAUGHED!

Zuzu: Oh Poromon looks so cute in a fairy costume.

Poromon: I sure do.

Yuya: But Poromon we can't drink beer. We're too young.

Me: That's why I have this.

I pulled out my cooler and gave them root beer.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Black Spider: Vypra can leave a mark on Claire though

Vypra: It's true. And I will.

Me: Think of it as a reminder that she is damned.

Qin: Yep.

Me: Just like those in a certain movie we know and loathe.

I winked at Nico.

Yuya: What movie?

Me: And cue mascot craziness in 3...2...1...

Qin: Action!

Poliwag: THIS MOVIE! (shows trailer close to Yuya's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Gong Strong: THAT IS SICK!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

THEY SCREAMED!

Ace: This is also a mandatory thing

Me: Yeah. Oh for fucks sake!

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed them down.

Yuya: Was that Winnie the Pooh and Piglet!?

Turtle: No. Not the real ones. Abominations!

Me: Ugly story.

Qin: They were made when Christopher Robin went to college and they turned into bloodthirsty psychotic killing machines.

Xenia: Yeah.

Yuya: All that because Christopher Robin went to college?!

Poromon: RISE UP! RISE UP I SAY! RISE UP AGAINST THEM WHEN THEY RETURN!

Armada Starscream: HEY! That's what I would say!

Yuya: We're with you!

Qin: YEAH!

Me: This time we'll give them the Black Abyss.

Lincoln then had a Premonition.

Lincoln: OH MAN! This is bad!

Me: Uh oh.

Lincoln: I know which Akuma we're going to face. Her name is LuannaQuinn. The 2nd Akuma of Luan Loud and she is an insane prankster! YOU THOUGHT THE JOKER WAS BAD, LUANNAQUINN IS THE ABSOLUTE WORST! SHE KILLED 50,000 PEOPLE IN ONE FELL SWOOP AND SHE USES INSANE PRANKS TO KILL MANY PEOPLE ALL AT ONCE! She uses a stronger poison of the Joker and uses dangerous pranks to kill her victims. She was made when she was banned from all comedy clubs for life and she went insane and was sent to an insane asylum and she became this and vowed revenge on ALL THE PEOPLE OF THE CITY!

WE GASPED IN SHOCK AND HORROR!

Lincoln showed a sketch of her and she looked like Harley Quinn but worse!

Me: That is horrible1

Qin: A MONSTER WORSE THAN THE JOKER!? That can't be!?

Xenia: YEAH!

Ebon: I can bring us to where she is!

Eli: 500 yards from where we faced those duelists here!

Me: Lets do it!

He opened a portal

We arrived.

Agony: She should be here somewhere!

Me: We'll know she is here. Just keep your ears peeled for fucked up laughter.

WE HEARD FUCKED UP LAUGHTER!

Me: There!

We saw her!

She was bashing numerous duelists heads in and splatering their brains all over and their blood too!

LuannaQuinn: (LAUGHS LIKE A FUCKED UP LUNATIC)

Cavalier: Luan? Is that you?!

BASH!

She bashed his head in!

LuannaQuinn: (LAUGHS INSANELY) NOW YOU WILL DIE!

Vypra: You need to calm down!

Luan: Eli was right! If I didn't stop those terrible pranks I would have turned into you!

She fired waves of light and blasted her.

Eli: YEAH!

Eli fired waves of energy and lightning and blasted her all over.

Vypra charged at her and slashed her and cut her good.

Shotaro pulls out his belt and places it on his waist before pulling out the black flash drive with his right hand. A second belt appears on Philip's waist. Philip pulls out the green flash drive with his left hand, and presses a button on it.

Cyclone Memory: Cyclone!

At the same time, Shotaro presses the button on his black flash drive.

Joker Memory: Joker!

Now we see a cross section screen of the two crossing the hands that hold the flash drives across their bodies, lined up with editing to form a W.

Shotaro and Philip: Henshin!

With that cry, Philip places his green flash drive into his belt, and it immediately vanishes as he falls unconscious, only for the device to appear unsecured in Shotaro's belt, but he secures it, places his in the other side, and then splits the center portion of the belt so the flash drives appear at a 45 degree angle.

Double Driver: Cyclone! Joker!

As the Double Driver announces the Memories in question again, debris starts to fly around in a sudden wind, only to form on Shotaro into his suit, half green and gold, half black and purple, with a silver line down the middle, two silver points projecting out from where the eyebrows would be, two large red eyes, and a silver scarf-like piece of cloth coming off the back of his neck. Ryu Pulled out a belt that looks like a pair of motorcycle handlebars and a speedometer, placing it on his waist, then pulling out a red Gaia Memory. Then, he presses the button on the Memory.

Accel Memory: Accel!

Ryu: Hen...shin!

With that, Ryu places the Memory into a slot on his Driver, and then twists the handle on the right.

Claire McBadbat: YOU RUINED MY LIFE, YOU FUCKING METAL-MOUTH FREAK! I'LL KILL YOU!

Caleb Maxwell shot her in the leg.

Luan: I think that warning shot he gave you is his way of saying you brought that on yourself, Claire. And as for you, Leo, you've really got a lot to answer for.

Camie: And for everything you've done, don't you dare think you're not getting out of it with just a scratch.

Kairi: You two are both going to get a severe dose of punishment for both of your crimes, but you, Claire, you'll also be getting another dose of karma from (Points to Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt) these three.

Suddenly, the eyes of Luan, Camie, and Kairi turned neon blue and neon brown, and they were surrounded by colored energy auras, stars, elemental forces, phoenixes, and angels, they unholstered their weapons, and as they approached Leo Akaba and Claire McBadbat, they left colored energy, stars, elemental forces, phoenixes, and angels with every step.

Luan: What you've been doing here is absolutely the most disgusting thing ever, Leo, you've been using Duel Monsters as a means for world domination, and that will not stand any longer.

Camie: That's right, we've dealt with your irredeemable minions and sent them to The Black Abyss for good, sent your more honorable minions to Vypra, and saved everyone who was brainwashed by you, now it's your turn to die.

Kairi: And as for you, Claire McBadbat, you're also going to get the punishment of a lifetime for all of your crimes as well, now that your parents disowned you for good, there's no need for us to hold back, you're going to die for all of your crimes.

Troy: Boy it sure is! Thanks!

Me: No problem!

Troy: Lets get him!

Rangers: ULTRA SUPER COSMIC VICTORY BLAST!

Philip and Shotaro: SIN PURGE BLAST!

They fired waves of energy and it hit Master Spirit Tech Force - Pendulum Ruler and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

WE CHEERED WILDLY AS HE WAS DEFEATED!

Nico: Leo Akaba you have failed this universe!

Troy: Mega Rangers, that's a Mega Win!

Me: YEAH!

I went over to him.

Leo: (Groans) (Weakly) Go ahead. Kill me.

Just as he closed his eyes...

CLICK!

He saw that I had put handcuffs on him.

Leo: What?

Me: Like I said, you are going to prison. Yuya told me that you have honor and you don't deserve death. You were only doing all this to bring back your daughter and you loved her very much and couldn't go on without her. So this is why you need her. (SNAPS FINGERS)

I snapped my fingers and then sunbeams shined from the sky and then the divine singing of angels was heard and a figure came and it was RAY AKABA! BACK FROM THE DEAD!

Ray Akaba: Hey Daddy. I'm back.

He got up and hugged her.

Leo Akaba: Oh Ray! (Crying) I'm so sorry!

Ray Akaba: Oh dad it's okay. You did everything you could.

Leo Akaba: I know. I was so devastated. I did everything I could to...

Ray Akaba: I know. And I'm proud of you. I forgive you dad. I forgive you.

She hugged him and he cried.

We turned to the barrier Lincoln put up, and inside it was our next target: Claire McBadbat.

Lincoln: Right, our last piece of business is Claire McBadbat.

Lincoln put the barrier down, and we saw Claire McBadbat and she was absolutely enraged.

Claire McBadbat: Damn you, Team Loud Phoenix Storm, you've ruined my plans to finally destroy you all along with Gotham Royal York and my stupid parents and every last loser in the city! YOU WILL ALL DIE A HORRIBLE DEATH!

Suddenly, the fifteen large planets orbiting around my legs, the fifteen large planets orbiting around Lincoln's legs, the twelve large planets orbiting around the Loud Sisters and Parents' legs, the fifteen large planets orbiting around Nico's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the twelve large dark blue planets orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the fifteen large aqua blue planets orbiting around Girl Jordan's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the twelve large fiery red planets orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the twelve emerald green planets orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the twelve large planets orbiting around Liam's legs, the eight large marine blue orbs orbiting around Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn Jr.'s legs, the eleven coral red orbs orbiting around Timon's legs, the twelve large blood red planets around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our large gold halos with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from sprays of bullets and missiles from weapons that Claire McBadbat got out and the barrier really stood strong against onslaught, and she tried to destroy the barrier with her fists, but it didn't work, and her fists wound up getting bloody and her bones shattered.

Luan: Seriously, you're going to blame us for that. No, Claire, this was all your fault from day one.

Camie: A piece of trash like you doesn't deserve to belong here any longer.

Kairi: That's right, you're going to pay here and now.

Suddenly, Lincoln got a message on his wrist computer.

Lincoln: Wait, let's not kill her just yet. I just got a message from Judge Rockell, she said we got to capture Claire McBadbat and bring her back to court, everyone whom Claire lied to and beaten up over the years are pressing charges, and Mr. and Mrs. McBadbat are also pressing charges on her as well.

Me: That's even better!

Luan: Far better than that, what better way for Claire to face justice than in a court of law. But, we need to take her down first.

Suddenly, the eyes of Luan, Camie, and Kairi turned neon blue and neon brown, and they were surrounded by colored energy auras, stars, elemental forces, phoenixes, and angels, they unholstered their weapons, and as they approached Claire McBadbat, they left colored energy, stars, elemental forces, phoenixes, and angels with every step.

Luan: You've had this coming for so many years, Claire, you've lied to far too many people, deceived your own parents, and anyone who mustered up the courage to take you down and expose your lies to the world wound up either thrown in the hospital with severe life-threatening injuries, wind up in a coma, or even worse, dead because of your violent assaults.

Camie: You really are nothing more than a two-faced motherfucking snake, a compulsive liar, a total mega jerk, and complete mega bully. I'll finally be glad to get rid of you forever.

Kairi: The same goes with everyone else, they all want justice to be done and for you to suffer all the consequences of your misdeeds, Claire. Now, it's time for you to face judgement for your sins.

We were amazed by the transformations of Luan, Camie, and Kairi, but when Claire McBadbat saw it, she went mad and ran at them to kill them, but Luan, Camie, and Kairi fired massive barrages of rainbow energy, yellow energy, pink and red energy, stars, lights, fire, flames, illusions, light animals, fairies, swans, phoenixes, and angels, and they exploded as they hit Claire McBadbat, and this really pissed her off now.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF CLAIRE MCBADBAT TO NO END! NOW, THE BATTLE TO PUNISH THE DISOWNED EVIL LYING SNAKE, CLAIRE MCBADBAT, WAS ON!

Lincoln, Luan, Camie, Kairi, Nico, and I and the rest of us went after Claire McBadbat, and we fired extremely powerful blasts of rainbow energy, white and blue energy, aura energy, yellow energy, pink and red energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Claire McBadbat and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated dragon claws and his two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well and Luan, Camie, and Kairi also did the same by firing colored energy slashes from their massive greatswords and gold-plated dragon claws, and he, Luan, Camie, Kairi, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, and this was making Claire McBadbat even angrier than ever.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Everyone, let's get her Loud House Style!

Lincoln and his siblings pounced on Claire McBadbat, and they began viciously beating her up as she was overwhelmed by a massive fight cloud, and it really really got ugly as they viciously beat Claire McBadbat up, and then, Lincoln kicked Claire McBadbat hard out of the fight cloud and she crashed into a tree, she got back up, but she was beyond angry.

Claire McBadbat: YOU! YOU! I'M NOT FINISHED YET!

Lincoln fired a rainbow white and blue energy blast that turned into a straitjacket that tied up Claire McBadbat and she was also strapped to a gurney.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope,

Qin: Yep.

Vypra: (to Claire) I'm going to leave my mark on you!

Me: Yeah!

Vypra slashed Claire all over the place.

Everyone cheered wildly as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long light brown and fawn-colored wolf tails, 28th Century backpacks, large gold halos with four large orbiting gold rings on each corner behind the heads, large fifteen colored planets orbiting around the legs and fifteen black and red smaller planets orbiting around the waists, smaller planets orbiting around the fingers like rings, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of larger colored angel wings underneath the massive colored angel wings of Luan, Camie, and Kairi are permanent.

Lincoln: Now, for Part 2. Let's head back home and get Claire to the court to face judgement for all of her crimes.

Me: Right.

Gai charged at Zarc And bashed him down and Lynn, Wendy and Minuette bashed Z-ARC down and he was down.

Gai Kurenai: That's that.

Lynn: Yeah! We won!

Whiplash: No more will the so called Duel Academy ruin the name of ours.

Drakkon: We can always repurpose the building.

Vulture: (to the Ultraman Orb team) You guys helped too.

Gai: We sure did.

Yuya (to Gai): See you in 7 days.

Gai: See you then.

Yuya then threw a card near the ground at Gai before the two of them laughed.

Brain Freezer: What now?

Jaden: Well, I'm in the mood for an Eggwich!

Chalmers: Assuming there's still some left here.

Me: first we have the trial.

We teleported back home, and we brought Claire McBadbat to the courthouse, and everyone from the city was here along with the entire Masters of Evil, and the court was also being broadcasted all over the world. The trial began with witnesses and victims giving their testimony on what Claire had done to them in the past, and when Lincoln and his Guardian Angels came up, they also brought out all the files they had documented on Claire's malicious deeds and lies, and when they got done, everyone in court including the jury and Judge Rockell was absolutely disgusted at Claire McBadbat.

Claire McBadbat was about to open her big fat mouth and start threatening the people, but one glare from Judge Rockell silenced her. The jury went into deliberations, and in less than ten minutes, the jury came back.

Judge Rockell: Has the jury reached a verdict?

Foreman: We have, Your Honor. We find the defendant, Claire McBadbat, guilty on all charges.

Everyone whispered in shock and awe, but the message was clear: Claire McBadbat was found guilty for her crimes, and now, her punishment was about to be decided.

Judge Rockell: This is truly one of the worst cases I have ever been presented with, you've gotten away with everything you've done through nothing more than lies, deceit, and manipulation. But, it was only a matter of time before your lies came back to haunt you along with all of your crimes in the past. The severity of your crimes are indeed too severe, plus when I found out you'd allied with Leo Akaba, I was indeed disgusted: so in addition to not only becoming an enemy to Team Loud Phoenix Storm, you're also a traitor to the world. Claire McBadbat, it is with the judgement of this court that I hereby sentence you to death for your crimes, and you're also ordered to pay all of your victims over $900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 in damages.

WE GASPED AT THE AMOUNT!

Me: MY GOD! THAT'S AN ASTRONOMICAL AMOUNT!

Nico: HOW IS SHE GOING TO PAY THAT KIND OF AMOUNT?!

Lincoln: (Smirks) I already know just the solution.

After the trial ended, Lincoln blasted Claire McBadbat with gold energy giving her The Gessius Flores Vengeance Curse, and then, he invited all those who she lied in the past, and then, they beat her up severely, and every brutal assault they'd done caused massive tons of gold, gems, coins, and many currencies to explode out of Claire McBadbat!

Eli: BRUTAL!

Lincoln: This is also just like what I did to Miki Alden when we went after her last year, since just like Miki, Claire was going to refuse to pay that amount, I decided to use the Gessius Flores Vengeance Curse on her.

Nico: Claire's finally getting her just desserts for her misdeeds, and once the money's collected, it's off to The Black Abyss for her.

Eventually, every last one of Claire McBadbat's victims were done trashing her, and we counted all of the gold, gems, coins, and many currencies that exploded out of her, and the total amount added to $900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000: the amount of damages that she was ordered to pay in restitution to her victims.

Lincoln: Alright, and now, for the execution.

Lincoln removed The Gessius Flores Vengeance Curse, and he unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Universal Eternal United Friendship Almighty Universal Heavenly Cosmos True Eternal Celestial Cosmic Elemental Almighty Hinon True Immortal True Eternal Friendship Universal Cosmic Storm True Unbreakable Eternal Bonds and True Immortal Heroism Phoenix God Angel Justice, and he raised his massive greatsword over Claire's neck, and then...!

SLASH! SQUELCH!

LINCOLN SLASHED OFF CLAIRE MCBADBAT'S HEAD IN A BRUTAL DECAPITATION AND HER HEADLESS BODY AND HEAD EXPLODED AND WHITE AND BLUE HEAVENLY FLAMES CONSUMED HER HEADLESS BODY AND HEAD!

Then her spirit came.

Suddenly, the bell of judgement rang meaning her time was finally up! Then, the spirits of all those she had hurt appeared and grabbed her.

Spirits: Guilty!

The spirits found her guilty, and then, the kanji Black Abyss 黒深淵 appeared on her forehead, and she was being consumed by the black flames of The Black Abyss and she began to fade away: she was finally being erased by The Black Abyss!

Claire: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU, LUAN LOUD! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO HELL! (LETS OUT ONE LAST SCREAM BEFORE SHE FINALLY FADES AWAY FOREVER)

GOOD RIDDANCE, YOU MONSTROUS LIAR BITCH, AND DON'T YOU DARE COME BACK, YOU VIOLENT MONSTER OF CHAOS!

Lincoln: And that is that.

Luan: Yep, good riddance forever, Claire McBadbat.

Nico: See you never, bitch.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Maya Westbrook, Gene-Slammer and Avatar of Marincess Pascalus.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Maya Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Pascalus. She's the third youngest sister of The Westbrook Sisters, and she's the water mage of The Marincess Water Princesses. Lincoln met Maya Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Maya kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Maya absolutely despises Chase Young with a blazing passion, not only for the 1,500 years of pain and suffering he'd caused to so many over the centuries, but also, when she found out that he was the one who turned Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the very monsters she and the other Guardian Angels absolutely despised, she swore to make him pay for everything! She was glad that Chase Young's Dark Side finally got The Black Gates, but when she found out of Anti-Monitor taking Xehanort's place and he brought back the 310 worst villains we'd dealt with and among them was Chase Young's Dark Side, she swore that if he ever returned from The Black Gates, she would make him pay once again by brutally thrashing him and making him suffer all the tortures he put Lincoln through.

WE GASPED!

Nico: Oh shit!

Me: Oh man!

Eli: Damn!

Lincoln: She's not the only one who wants him to suffer: I also intend to make him pay for making my life Hell by turning Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the monsters I hated years ago by hitting him with all the curses I've been creating combined into one and banish him to The Black Abyss, but not before making him endure all the tortures he subjected me to.

WE GASPED IN HORROR!

Me: Ultimate Karmic Punishment times Infinity! Damn!

Nico: When that time comes, we will all make him suffer that punishment. Great job today everyone!

Me: Yeah!

Yuya: That was awesome!

Sunset Shimmer: Yeah it was!

Jaden: (To the viewers) Now the honor of Duel Academy was avenged.

Me: Yep.

We returned home and helped Yuya, Aura, and the others settle in to their new home, and Caleb Maxwell was looking out into the sky as the sun set and night had fallen.

Caleb Maxwell: The sun has set and night has fallen once again.

Then, he sees through an orb he created that the barrier has disappeared, and the other Demon Blood Influenced versions of Vessie Harris, Abby Smith, Leela Salyers, Peace Salyers, and Cronus Chase came out, and boy were they angry. The orb faded.

Caleb Maxwell: That's right, you five, get angry. Because, come tomorrow, we're back in business. Though I know Cronus Chase's Demon Blood Influenced self is gonna be a nasty challenge, and it's not much longer before Cronus has to show everyone his secret. Cage and Travis were the only ones who noticed that Cronus is in fact a vampire, but no one else knows of it until we do face his Demon Blood Influenced self.

Cronus Chase: And it's best that we keep it a secret until then, Caleb.

Cronus Chase came in, but his pale green eyes turned blood red and his fangs grew longer.

Caleb Maxwell: I know. Hope you're ready for when the time comes.

Cronus Chase: I will.

Cronus Chase left Caleb Maxwell's room and went back to his room, as Caleb Maxwell continued to look out into the night skies.

We went to sleep

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Colorado Springs, Colorado, but we got bad news: we got word that Shantae's old enemies, Pirate Master, Empress Siren, Tech Baron, and Ammo Baron, have returned, thanks to Morgana Midnight Sparkle and The Midnight Princesses, and they still want revenge on Shantae and her sisters, along with Lincoln for killing them. But, Lincoln's going to absorb them and send them to The Black Abyss, and we're going to meet Maya Westbrook, Gene-Slammer and Avatar of Marincess Pascalus, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Pascalus. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Maya kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Maya absolutely despises Chase Young with a blazing passion, not only for the 1,500 years of pain and suffering he'd caused to so many over the centuries, but also, when she found out that he was the one who turned Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the very monsters she and the other Guardian Angels absolutely despised, she swore to make him pay for everything! She was glad that Chase Young's Dark Side finally got The Black Gates, but when she found out of Anti-Monitor taking Xehanort's place and he brought back the 310 worst villains we'd dealt with and among them was Chase Young's Dark Side, she swore that if he ever returned from The Black Gates, she would make him pay once again by brutally thrashing him and making him suffer all the tortures he put Lincoln through.

XANA is back for Revenge but this rime we're READY FOR HIM!

See you next time.

End of XANA

Umbreon: Oh this came for you in the mail yesterday.

She gave her a letter.

Yumi: What is it?

She opened it and read it.

Qin: Reykjavik is amazing.

Xenia: It sure is.

Reggie Hjorleifsstræti: (Icelandic Accent) It feels great to be back home.

Brynja: (Icelandic Accent) It sure does.

Lilja: (Icelandic Accent) It sure feels good.

Me: Yeah.

Camie: I think Iceland is beautiful.

Zarya: It sure is.

Nico: Elec Man, I want to thank you, Spark Mandrill, and your teams for coming

Elec Man: No problem Nico. This is gonna be awesome.

Owlwoman: It sure is. I'm looking forward to this one.

Me: Me too Wenonah. This will be awesome.

Nico: Wenonah, was your name inspired by Batman?

Owlwoman: In a way it was. But I went with the Owl because of my heritage in the Cherokee Indians and I have enhanced hearing and sight in the dark.

Qin: Cool!

Xenia: It sure is!

Owlwoman: I agree there.

Camie: Yep.

Maria: And you're part of the Global Guardians, right?

Owlwoman: That's right.

Maria: Awesome.

Qin: That is cool.

Me: it sure is.

Camie: Yeah.

Me: Wow! Yesterday was intense!

Lola: It sure was!

Jaden: But Duel Academy's name has been cleansed.

Nico: To be honest, even though Leo made that evil Duel Academy, all he was doing was trying to save his daughter. Just like Yokai

Me: Yeah no kidding. But his daughter died and was split into 4 incarnations.

Qin: That is crazy.

Camie: Complicated.

Luan: It sure was.

Qin: Yeah. But J.D. resurrected her and we freed all the prisoners.

Nico: It was Claire who deserved death.

Me: Yep. And Leo is now in prison.

Camie: And that was awesome how her trial turned out.

Qin: It sure was.

Brynja: That monster had it coming.

Nico: Makes you wonder if there are other heroes out there using Duel Monsters

Me: Yeah I agree.

Qin: Yeah.

Me: But either way that Duel Academy is now a forgotten memory.

Camie: Good riddance.

Nico: Good ol Iceland.

Xenia: Yep.

Brynja: It's so awesome to be home.

Qin: it sure is awesome.

Lola: Yep.

Nico: You know about the letter Yumi got?

Me: Yeah it's an invitation for a reunion at Kadic.

Qin: Yeah.

Sissi: That's awesome.

Me: Looking forward to it.

Maria: I can't wait for William to show me around!

Me: Yeah.

Qin: It'll be cool to see what your school is like.

Sissi: You'll love my daddy. He's the principal there. He's strict. But that's why I love him!

Me: Looking forward to it Sissi.

Qin: Yeah.

Nico: By the way J.D. how is the search for the main computer of XANA?

Me: I found it successfully.

I showed a holographic map and it showed the coordinates. Latitude: 75° 09' 60.00" N and Longitude: 57° 49' 59.99" E

Nico: On the island of Novaya Zemlya in Russia.

Qin: Wow!

Me: It's located here.

I showed an abandoned satellite research facility.

Me: The Novaya Zemyla Satellite Weapons Research Center. It was built for researching orbital laser systems during the Cold War. But it was shut down after the Soviet Union fell from Power.

Nico: Perfect hiding spot for an evil supercomputer. We should expect him to launch at least one last attack.

Qin: Yep.

Me: I already alerted the world leaders and told them to be on the Alert for XANA to make its move.

Nico: We'll be ready.

Me: Yep. But also I found this.

I showed a network map of XANA's entire network. It spanned all over the world.

Nico: WHOA!

Me: Turns out XANA's entire network is much more sophisticated than we first anticipated.

Nico: Geez!

Me: Yeah. The Novaya Zemlya XANA is actually the CPU and the entire brain of the entire network. When we destroy that we hit XANA in its entirety. That's why I have a plan to destroy it forever after we upload my virus. We're going to use GoldenEye on it to destroy XANA all over the world.

Nico: Not that there's going to be anything left of him anyway when he gets sent to the Black Abyss.

Me: But we'll make sure he can't be brought back ever. It's gonna be over for XANA.

Qin: That is for sure.

Lola: Yeah.

Nico: I like it.

Qin: And it's fitting too. Use a weapon Russia gave us to destroy the evil supercomputer hiding out in Northern Russia.

Nico: Russia will get credit for this.

Qin: Yep.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Reykjavik, Iceland, but here's the dangerous part: we got word that the Akumas of Sissi and Brynja are here.

WE GASPED!

Nico: Whoa! And who are they, Lincoln?

Lincoln: Sissi's Akuma is Queen Beauty, the Hypothetical Akuma of Sissi and she is a very vain and awful queen. She is a master of dark magic and she was made because of XANA controlling her and vowed to get revenge on it.

Sissi: I was like that long ago before I changed my ways.

Lincoln: That's right, I remember, and Brynja's Akuma is Viking Queen, the Hypothetical Akuma of Brynja and she is a very fierce and brutal warrior who'll kill anyone in her way. She was made because of XANA and she vowed to kill XANA.

WE GASPED!

Eli: Ooh, boy.

Brynja: (Icelandic Accent) This is going to be one brutal battle against the both of them.

Lincoln: You got that right, but this is also a sign of who we're going to be facing today.

Me and Nico: XANA!

Lincoln: Yep.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as we could.

But, we saw everyone had claw marks on their stomachs.

Nico: Whoa, what happened?

Lori: Poromon's accidental prank pissed off Sebastian in a really nasty way, and we tried to restrain him, but he lost his temper and left claw marks on our stomachs, the nasty little monster.

Qin: We'll be sure to discipline Poromon.

Lincoln: But, that also means Sebastian's now on the loose and out to kill again, we'll be sure to restrain him once again, and I'll decide what to do with him. No one attacks my friends and family like that and gets away with it.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the

same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: (Flexes his even more massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Queen Beauty and Viking Queen) Aha, Gotcha! I just spotted Queen Beauty and Viking Queen, they're 20 yards away and they're on the attack. (Spotted the blood-crazed Sebastian) And I just spotted our resident blood-crazed monster.

Nico: Let's take down those two Akumas and restrain Sebastian before he does something that'll warrant big trouble.

Shannon heard a Pokemon Cry.

Shannon: Hey look!

We saw a Clefairy.

Me: Cool a Clefairy!

Qin: Wow!

Clefairy: Oh wow! Awesome to meet ya.

Shannon: Same here. Are you hungry?

She gave her food.

Clefairy: Thank you!

She was eating it.

Shannon: You wanna come with us?

Clefairy: Sure!

Me: Awesome!

Then we heard a roar and jumping out of the harbor and crashing in front of us was the legendary Ocean Pokemon, KYOGRE!

Qin: WHOA!

Me: Kyogre!

Nico: Where'd that come from?!

Qin: The Harbor no doubt!

Xenia: Wow!

Eli: I sense something about this one!

Rarity: Let me see here. (Uses Telepathy) (GASP) GOODNESS GRACIOUS DARLINGS! SAPPHIRE OCEAN!

WE GASPED!

Sweetie Belle: OH MAN! Big sis Sapphire!

Rarity: I'll explain later darlings! Lets go help her!

Me: Right!

We went over to her.

Rarity: Sapphire darling it's me Rarity!

Sweetie Belle: And Sweetie Belle!

She roared at them and ate Sweetie Belle.

Sweetie Belle then dodged her.

Me: We got to snap her out of it!

Rarity: Right!

We fired waves of energy and blasted her all over.

Nico: YEAH!

Rarity and Sweetie Belle fired energy blasts and smashed her all over.

Sweetie Belle: She is still in there.

Me: This will bring her out. (SNAPS FINGERS)

I snapped my fingers and she reverted back and was a girl with blue hair, blue eyes and had blue angel wings and had Kyogre in the middle of her forehead and had a green version of Rarity's cutie mark on her arm.

Rarity and Sweetie Belle wrapped a blanket around her and we brought her over to a bench.

Me: There.

Sweetie Belle: At least I didn't get covered in spit.

Me: Yuck.

She woke up.

Sapphire Ocean: (Groans)

Rarity: Sapphire?

Sapphire Ocean: Rarity? Sweetie Belle? (GASP) Sisters!

She hugged them both.

Sweetie Belle: Thank goodness you're okay.

Sapphire Ocean: Yeah. Wow Sweetie Belle you got so big.

Sweetie Belle: I've had a bit of a growth spell.

Rarity: She has and she is an amazing force of good darlings. Sapphire is a fashion designer like me. She is also the one that got me into Fashions.

Leni: Boy we totes have so much in common.

Maria: Sapphire will make an amazing addition to the Fashion Brigade.

Me: Yep. Also you were turned into the legendary Ocean Pokemon, Kyogre.

Sapphire Ocean: (GASP) I remember!

FLASHBACK!

She was in an ocean blue suit and strapped to the table and injected and then she busted out and turned into Kyogre and busted out.

FLASHBACK ENDS!

Sapphire Ocean: That was awful.

Rarity: It was darling.

Sapphire looked bloated.

Sapphire Ocean: My goodness did I eat something huge?

Me: Actually that's how Kyogre usually is. It's always bloated.

Leia Nocturn: Yeah take it from me. I'm a Kyogre gene-slammer and I know the feeling myself.

Sapphire Ocean: (LOUD BURP)

Me: Whoa.

Sapphire Ocean: Oops excuse me.

Nico: What's your role in Sonya's team?

Sapphire Ocean: I'm the Hydromancer of the team and I use water to bring down the team's enemies.

Me: Very awesome.

Qin: Yeah.

Sapphire Ocean: And like Rarity, outside the team I'm a fashionista. And I make my own clothes.

Carol: Wow!

Lori: Rarity's clothes have been literally amazing ever since she and her friends joined the team.

Me: Everyone in the city calls them the Envy of all the girls there.

Qin: Yeah.

Sapphire Ocean: Wow that is amazing.

Maria: It's true.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her an amazing blue dress and she looked radiant.

Sapphire Ocean: Oh my! I look amazing.

Camie: You sure do.

Maria: Hope you like them.

Me: Yep.

Nico: Now lets go get the Akumas of Sissi and Brynja.

Qin: Right!

We then took off into the air and we set out to take down Queen Beauty and Viking Queen and restrain Sebastian after Poromon's accidental prank pissed him off big time and he'd gone psycho.

We were flying in the air, and we spotted our targets: Queen Beauty and Viking Queen, the hypothetical Akumas of Sissi and Brynja.

Lincoln: There they are, now to give them a little Icelandic surprise.

Lincoln fired many orbs of aurora with snow and ice from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Queen Beauty and Viking Queen, and they hit them and they got hit badly, and that pissed them off as we landed.

Lincoln: Sorry I had to do that, but we can't have you hurting innocent people.

Viking Queen charged at Lincoln with her axe, but he blocked it with his massive greatsword and he pushed her back and he deflected dark magic blasts Queen Beauty fired at him with his massive greatsword and he sent them right back at her.

Sissi: Nice one!

Brynja: (Icelandic Accent) That was truly amazing.

Me: WHOA! You too look awesome!

Sissi: WOW! My Akuma is beautiful!

Me: She looks very much like the Evil Queen from Snow White.

Xenia: And Brynja's Akuma looks like a true viking.

Me: Iceland was known for having Viking's over the course of 1,000 years.

Nico: Sissi? Brynja? Is that you two?

Queen Beauty: Yes Nico it's us.

Viking Queen: (Icelandic Accent) That's right.

Me: These two Akumas are fitting for you girls.

Sissi: Yeah. I was a queen bee jerk back in Kadic before I joined the team.

Brynja: And I was a strong warrier too.

Lola: Wow!

Brynja: I wasn't a fighter. I was a good swimmer and I had beautiful looks.

Viking Queen: I remember.

Queen Beauty: Were is XANA?

Me: In Russia. We're going over there later after it makes its move and we're going to end him forever. I made a computer virus that will destroy it.

Jeremie: I know we're gonna face Yumi's Akuma later. And Ulrich's we'll face anotehr time. But where are the rest of ours?

Queen Beauty: They will show up in due time Jeremie.

Xenia: And I bet they are after the same thing. To kill XANA.

Viking Queen: That's right.

Me: Looks like you all want to terminate that monster.

Viking Queen: Can you blame us?

Nico: Not really.

Me: The entire world has now officially had enough of XANA and the Atrocities that it was responsible for.

Jeremie: Yeah we got seriously hurt over and over and over again!

Qin: XANA made Sissi's dad TORTURE and kill innocent people!

Me: That's why we have to destroy him.

Jeremie: (to Sissi) I still remember you letting Aelita go to Lyoko alone. She punched me really hard to knock me out!

Aelita: Sorry, Jeremie.

Me: Ouch.

Nico: Yikes.

Sissi: And I completely regret that.

Me: I remember hearing about this one time how XANA brought a Xenomorph-Esque prop to life.

Ulrich: During a movie being filmed at the factory.

Me: Wow. Not very smart of them to film it there.

Xenia: Yeah.

Sissi: Yeah.

Queen Beauty: I remember that.

Viking Queen: Hard to imagine.

Me: What infuriated me the most (EYES GLOW RED) How it turned Odd's dog Kiwi into a ZOMBIE VIRUS CARRIER!

William: Yeah, not my best moment.

Nico: Hey, at the time, you were trying to keep everyone from becoming zombies and all the adults were zombified. You had good intentions.

Me: Yeah. XANA also possessed a criminal that I was trying to kill for years. Peter Duncan.

Ulrich: I remember that jerk.

Queen Beauty: It's a shame you didn't include Jim as a Lyoko Warrior.

Yumi: It is. But we forgot to have the Supercomputer scan him

Me: We never met Jim before. But it would be awesome.

Qin: Yep.

Me: Anyway I just wanted to get that out of my system.

Viking Queen: No worries.

Lincoln dodged in time, and we spotted Sebastian, but the sclera of his eyes were deep red and his midnight blue eyes turned blood red, and we saw it: he was covered head to toe in pig's blood and he literally had murder in his eyes!

Me: Uh oh. EW! Is that pigs blood!?

Nico: So, that was Poromon's prank: pig's blood, and I can guess he was going to use it on the jerks, but Sebastian accidentally got in the way.

Qin: And due to that, he's now gone crazy. This isn't good at all.

Carrie: At least it didn't hit me!

Buster Bunny: You just can't keep a lid on your temper, can you?

Sebastian Mendez: (DEMONIC VOICE) DIE!

Sebastian fired blasts of darkness at us, but we dodged them.

Allie Maxwell fired bullets at the crazed Sebastian, and he got hit hard, and he went ballistic to the core! But, then, Lincoln tied him up in a white and blue energy straitjacket and he wasn't able to get out.

Sissi: Nice work with restraining him.

Brynja: (Icelandic Accent) Now, we can take down the Akumas and send them to Vypra.

Suddenly, the eyes of Sissi and Brynja turned neon pink and neon blue and they were surrounded by colored energy auras with stars, elemental forces, animals, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Queen Beauty and Viking Queen, they left colored energy, stars, elemental forces, animals, phoenixes, and angels with every step.

Sissi: I can't believe this is what I turned into thanks to XANA controlling me and this is also from what I was like in the past.

Brynja: (Icelandic Accent) But, you've changed after that day, Sissi, but we will never forgive XANA for what he's done, and when we do face him today, he will suffer for every last one of his crimes before we banish him forever!

Suddenly, Sissi and Brynja were surrounded by massive vortexes of colored energy with stars and elemental forces surrounding the vortexes, there are animals, phoenixes, and angels flying around the vortexes, and in the vortexes are pink and yellow phoenixes with blood red eyes glaring at Queen Beauty and Viking Queen: the blood red eyes of eternal judgement.

Nico: Uh oh, this is gonna get messy!

Me: Last time Brynja transformed, it was to pulverize that old goat.

Lincoln: Now, she and Sissi are going to beat up their Akumas and send them off to Vypra.

Then, as the vortexes fade, Sissi and Brynja emerged, but they were changed forever.

Sissi grew to 8'5" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large pink and black planets planets orbiting around her legs and she has fifteen smaller pink and black planets planets orbiting around her waist, she has the body of a goddess, she has pink highlights in the bangs of her long black hair and pink phoenix fire ombre streaks on the back and she now has a large gold halo in the center with gold angel wings on the bottom behind her head with pink flame gems embedded in it and four large orbiting gold rings on each corner with embedded pink flame gems in them, she has neon pink eyes and a pink and black energy aura with stars, pink fire, pink flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all the elements swirling around it, she has a dragon surrounded by a phoenix and angel emblazoned on her forehead and Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Star, Fire, God, Xelnaga, and Eternity Kanjis in its claws, she also has a phoenix with pink gems for eyes and holding the Star, Fire, God, Xelnaga, and Eternity Kanjis in its claws on the bottom of her pink phoenix-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi with pink gems in the gold lightning bolt links and she has on a white and gold accented Elemental Dragon Choker of Eternal Love on her neck. Suddenly, Sissi felt a sharp pain on her back, and then, massive black angel wings with pink tips on the large black feathers grew and sprouted out of her back with a wingspan of 50'0" and medium sized black angel wings with pink tips grew and sprouted out underneath her massive black angel wings with a wingspan of 40'0" and small sized black angel wings with pink tips grew and sprouted out underneath her medium sized black angel wings with a wingspan of 30'0" and another set of black angel wings with pink tips grew and sprouted out underneath the small sized black angel wings with a wingspan of 20'0" and another set of black angel wings with pink tips grew and sprouted out underneath the new black angel wings with a wingspan of 10'0" and she now has eleven massive and long black wolf tails with pink tips and pink markings grew larger and longer, Sissi has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps Ring on her left finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand, and she has on white fingerless gloves with a red phoenix and red angel on them and she has gold-plated armor on her fingers and gold dragon claws covering her fingers and smaller planets orbiting around her fingers like rings and she also now has medium sized pink and black planets orbiting around her wrists and ankles.

We were amazed by the transformations of Sissi and Brynja, and when Lincoln saw them, he had an atomic red blush on his face, hearts in his eyes, and his nose was gushing out blood, but when Queen Beauty and Viking Queen saw it, they ran at them, but Sissi and Brynja blocked all their attacks and fired energy blast barrages and a barrage of water and snow and fire and sent them flying into a wall, they got back out, but they were really enraged.

Lincoln, Sissi, Brynja, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Queen Beauty and Viking Queen, and we fired extremely powerful blasts of rainbow energy, pink and black energy, arctic blue energy, black and blood red energy, white and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Queen Beauty and Viking Queen and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Sissi, Brynja, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really making Queen Beauty and Viking Queen even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a ring of red energy with red fire and ladybugs appeared above his head along with three sets of red energy chains around the red ring and formed into a field that hit Queen Beauty and Viking Queen.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of red energy that bound Queen Beauty and Viking Queen.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) What XANA did to you can never be forgiven at all.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Queen Beauty and Viking Queen and a cluster of white and blue heavenly flames exploded out behind them, then, Lincoln formed a massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now...

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Queen Beauty and Viking Queen hard, and then, a massive explosion erupted as the red energy chains exploded into pieces, and Lincoln landed and Queen Beauty and Viking Queen were now on their last legs and they were really really mangled.

Then, Lincoln tied them up in red energy straitjackets and beamed them to The M.O.E. HQ. Everyone cheered wildly as we holstered our weapons and we powered down and the new bodies, clothes, weapons, jewelry, 28th Century backpacks, Third Eyes, eleven massive and long colored wolf tails, large gold halos with four orbiting large gold rings behind the heads, fifteen large colored planets orbiting around the legs, fifteen smaller planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized planets orbiting around the wrists and ankles, and massive colored angel wings and four sets of colored angel wings underneath the massive colored angel wings of Sissi and Brynja are permanent.

Nico: That was definitely one epic battle.

Me: Yep, and we now have two new members for The M.O.E.

Lincoln: Yep.

Then, we turned our attention to Sebastian who was still trying to get out, and he still had murder in his eyes along with still having a toxic heart and we also saw that he was still the same person who was once the monster from long ago.

Eli: Well, what do we do with Sebastian, Nico? It's true Poromon's prank accidentally went off and he went ballistic.

Nico: I agree, we should've gotten that pig's blood out of the way..

Mata Hari Henningway: Plus, we also found in his journal an entry he wrote in from last year when he was still possessed by the demons of his past.

We saw the entry, and he wrote that he contacted Maya Rosato, and he told her of how they can ruin the weddings of me and Lincoln which included shredding the dresses and tuxedos and if that didn't work, then, she was going to burst in along with Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, and Ravana Jacobs, and they were going to kill all of us and everyone in the church and burn it all to the ground and burn the city into the ground.

OUR JAWS DROPPED!

CLANG!

ELI CLOSED OUR JAWS!

Me: Whoa, it's a good thing we got all of his demons out of him and killed them along with Jack Ramirez, Eric Kessler, Adam Reynolds, Blake Daniels, Cole Devins, Duncan Evans, James Corbin, Dorian Jacobs, Abigail Ramirez, Dolores Kessler, Nellie Reynolds, Petunia Daniels, Regan Devins, Bellona Evans, Morgan Corbin, Ravana Jacobs, and Maya Rosato.

Sebastian Mendez: (ROARS LIKE A DEMON)

Poliwag: AH, SHADDUP!

POLIWAG SLAPPED HIM IN THE FACE WITH HIS TAIL, BUT

THEN, SEBASTIAN OPENED HIS MOUTH WIDE OPEN AND TRIED TO BITE OFF POLIWAG'S TAIL, BUT HE GOT HIS TAIL OUT OF THE WAY AND WOUND UP BITING A CHILI PEPPER, AND HE ROARED LIKE A DEMON AGAIN AS FIRE SPEWED OUT OF HIS MOUTH!

Lincoln: Alright, you guys have had your fun.

Lincoln formed a ball of water and threw Sebastian inside it and it got the pig's blood off him, but he was still in a straitjacket when he got removed from the water ball now turned red with blood.

Trudy Lawrence: Well, at least he's clean, but we're not letting him out of the straitjacket after what he did to us.

Suddenly, the claw marks on the stomachs of the rest of the team healed and sealed up.

Lynn: That's much better, but you're right, we're not letting him out of that straitjacket.

Cage Blunt: Jeez, he really pissed you guys off.

Buster Bunny: He's actually done it to me, my friends from Acme Acres, and The Z-Fighters nine years ago after Nico and his friends cut all ties with him, and trust me, he caused a lot of terror and madness for all of us.

Lincoln: It's a really really ugly story.

Travis Tackett: Right.

Nico: Nice job as always!

Ulrich: YEAH! Thar was fun!

Qin: It sure was!

Me: Yep.

Nico: Nice job Clefairy!

Clefairy: Thanks Nico! This was fun.

Poromon: Want some beer?

Clefairy: No thanks. But do you have any cheese in a can?

Me: Now that is a Pokemon that sure loves cheese.

I gave her some.

Clefairy: (GASP) CHEDDAR! AWWWWOOOOOOO! CHEDDAR WIZZY!

She sprayed it into her mouth.

Clefairy: (Smacking lips) Yummy! (COUGHING)

Nico: You okay?

Clefairy: Yeah. It was pretty scrumptious.

Me: (LAUGHS) You and Max's friend Bobby are gonna get along great.

Bobby (Goofy): A little cheesage.

WE LAUGHED!

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Sorry.

Nico: Elec Man, what do you like to do in your free time?

Elec Man: I work at the hydroelectric power plant and make electricity for everyone.

Me: That's a good job.

Qin: Yeah.

Poromon: The 4 of us are working on something.

Me: It's not a time machine is it?

Poromon: No goodness!

Manaphy: You'll love it.

Qin: Okay.

Nico: I hope it's fun.

Poromon: It is.

Qin: Okay then

Xenia: Yep.

Yumi: So, you all got the invite, right?

We nodded.

Me: All of us did.

Jeremie: we sure did.

Sissi: Yep.

Me: Cool.

But then...

KRASMASH!

A piano fell from out of nowhere and smashed onto May!

OOH! That's gonna leave a mark!

May came out and she had piano key teeth.

May: Mama where is the cream filling in that piano?

Me: GEEZ!

Qin: That is gonna hurt!

Nico: WHO DID THAT?!

Qin: No idea!

But then huge Siamese Fighting Fish came. It was as big as a basketball and it was beautiful.

Me: Ooh that's a Siamese Fighting Fish. That's one of my favorite fish.

Xenia: It's pretty.

Then the fish had arms with powerful boxing gloves and it started beating up Nico with boxing gloves.

DING DING! POW BLAM BIFF SMASH WHAM!

Patrick: The champ takes a swift uppercut to the jaw. [punches himself]

SpongeBob: Nico is against the ropes. A left, a right.

Patrick: How can a man stand it?

[Nico falls flat on the floor, knocking out his teeth.]

SpongeBob: Oh, and the champ is down!

Nico: Mommy read me the story of the boxer. (Spits out teeth) Ouch.

Qin: Holy crap!

Nico got up.

Nico: OKAY, WHO'S DOING THIS?!

Me: Them!

We saw Another Don Flamenco, Buster McMuttmauler, Number 31: Embodiment of Punishment and Kugutsukai!

Me: WHOA! Don Flamenco, Buster McMuttmauler, Number 31: Embodiment of Punishment and Kugutsukai!

Nico: They must've appeared when we were talking.

Me: So Owlwoman, T-Hawk, Apache Chief (DC), Cathleen Bate and Phantom Girl are up first.

Eli: And the Anothers are all one person.

Me: Nice.

Nico: Mind revealing yourself?!

Another Don Flamenco: (In a girls voice) Now is that any way to greet one of your friends Nico?

Nico: Niara Nightmare!? Wow!

They merged and reverted back and it was the Nightmare Beast Gene-slammer.

Niara Nightmare: Awesome to see you again Nico. Sorry about the funny pranks and also Mira remembers you.

Nico: She sure does.

Me: That Giant Siamese Fighting Fish is yours? She's gifted and pretty.

Niara Nightmare: Yep. That's Mira and she has quite a deadly punch.

Me: Nice. By the way is the Another Spark Mandrill and Yumi friendly or hostile?

Niara Nightmare: Friendly and Another Spark Mandrill are 4 people.

Me: WHOA!

Girl Jordan: Lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: 4 people huh?

Niara Nightmare: Yep. And you're going to know who they are.

Qin: Nice.

KRASMASH!

NICO GOT BASHED IN THE FACE WITH A BOWLING BALL FROM OUT OF NOWHERE!?

OOH! THAT IS GONNA HURT!

Nico: OW!

Me: Boy that's gonna hurt.

Nico: Jesus! What the Hell?!

Me: Boy these are funny shenanigans.

Juru: I'll say!

Rarity: I agree too darling.

I got the bowling ball off him.

Sapphire Ocean: Oh you must be Juru.

Juru: That's right. Leader of the Kiramagers.

Sapphire Ocean: Awesome to meet you.

Juru: Same here.

Me: Yep.

Juru: I'm Rarity's brother.

Me: Not by blood.

Sapphire Ocean: Oh wow. I heard about how Rarity did on her missions and that was awesome.

Rarity: It sure was darlings.

Sweetie Belle: It sure was.

Sapphire OCean: I guess that makes me your sister too.

Juru: It sure does.

Qin: Awesome.

Nico: That is cool.

BONK!

Nico then got hit on the head with a golf ball!

Nico: OUCH!

Then...

CLONK!

He got hit in the head with a coconut!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Nico: That guy was me, Patrick!

Patrick: Oh. Sorry.

KRASPLAT!

Nico then got hit in the head with a watermelon!

Me: GEEZ!

Nico: WHO KEEPS HITTING ME WITH ALL THIS!?

Qin: I think them!

We saw Another Spark Mandrill and Another Yumi! The Another Yumi was laughing hysterically!

Yumi: Hey! I don't do pranks like that!

Me: Oh boy.

Qin: Another Spark Mandrill and Yumi.

Another Spark Mandrill reverted back and split into 4 and it was 4 girls. It was the gene-slammers of Amethyst, Sapphire, Topaz and Emerald Dragons from Dungeons & Dragons!

Nico: Amethyst, Sapphire, Topaz and Emerald Ryu!

Me: Whoa! The gene-slammers of Amethyst, Sapphire, Topaz and Emerald Dragons from Dungeons & Dragons!

Nico: Yep.

Amethyst Ryu: Awesome to see you again Nico.

Sapphire Ryu: Our friend here sure got you hard.

Me: No shit! May even got a piano dropped on her.

May: YEAH!

Then another Yumi reverted back and it was a blond version of Yumi.

Yumi: (GASP) Hikari!

Hikari Ishiyama: That's right cousin! Just want to make you happy.

Yumi: It was painful though. But it's great to see you again.

Nico: Mind introducing yourself?

Hikari: I'm Hikari Ishiyama. Yumi's my cousin and Pranks are my game.

BLAM!

Nico got punched in the face by her with an extendo boxing glove!

OOH! MAN NICO IS GONNA FEEL THAT!

Nico: OUCH!

Odd: Where have you been all my life?!

Yumi: Hikari is a true prankster. She has done all kinds of crazy pranks to get me to be happy ever since I've embraced the Gothic Subculture. All her pranks were funny. But nothing worked on me.

Me: You were that stoic.

Yumi: Yep.

Hikari: That was crazy though.

Me: It was.

Qin: Yeah.

Me: And you girls have crystal powers?

Topaz Ryu: And lightning powers.

Spark Mandrill: That is awesome.

Qin: Yep.

Kaito (gets out Zi O gear): Did Swartz promise you anything?

Zocks (gets out Zero One gear): Because we can grant it instead

Kaito and Zocks got Zi O and Zero One swords.

Emerald Ryu: No he didn't. He feared us because of our powers.

Sapphire Ryu: We trapped him in a crystal and ran.

Sakura Knudson: Wow! That is amazing.

Me: Yeah.

Sougo (gets out Zi O II Ridewatch): You look like you love good pranks.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz (Gets out Vulcan Ridewatch): Too bad you didn't join the Lyoko Warriors back in the old days

Sougo became ZI O II while Geiz got Vulcan Armor

Hikari Ishiyama: I know.

Me: That would have been cool.

Lola: Yep.

Lincoln: Lets separate you girls.

We did so.

Me: Lets get it on.

Nico: PRANK ME AND MAY WILL YA!?

May: YEAH!

Nico: (Gets out Spark Mandrill's ridewatch) I'm gonna shock you bad!

May: (Gets out Don Flamenco's ridewatch) Time to burn!

Maria: (Gets out Number 31: Embodiment of Punishment's ridewatch) I've got 31 punishments for you!

Owlwoman: (Gets out Owlbeast's ridewatch) Time for the owl to strike!

They fired waves of energy with Spark Mandrill, Owlbeast, Don Flamenco, Buster McMuttmauler, Number 31: Embodiment of Punishment and Kugutsukai and blasted them all over.

Then Gumbald, RTN Deidara, Universe 666 Dag, Universe 666 Oryx, Universe 666 Kamen Rider Odin and Pot Spider came.

Me: Whoa!

Nico: Nice team Gumbald!

Gumbald: Thanks Nico.

Qin: Cool!

Boomer Kuwanger: That means my team is next.

Me: Yep.

?: That is cool!

ShimaUnimon came! And Mekanorimon!

Me: WHOA! ShimaUnimon and Mekanorimon.

Nico: Nice!

Mekanorimon: (In a girls voice) (Botswanan Accent) Looks like the fun began.

Nico: Sylvanella Molele!

She reverted back and it was a girl with black hair, blue eyes, blue clothes, blue wings and had Mekanorimon on her skirt, shirt and forehead and Botswana's Coat of Arms on her arm and she had a green Digivice and had a spear.

Sylvanella Molele: Good to see you again Nico. We got this.

They fired energy blasts and blasted the Anothers and I caught the ridewatches and purified them.

Me: Oh yeah!

Nico: Nice job!

Sylvanella Molele: Thanks Nico.

Me: You're one of Botswana's Digidestined. That is cool!

Sylvanella Molele: It sure is.

Me: Yep. I can tell because of the Coat of Arms of Botswana on your arm.

Sylvanella Molele: That's right.

Owlwoman: Do you have a favorite memory of Nico?

Sylvanella Molele: I sure do. When me and Nico met. We battled a bunch of Digimon in Gaborone and it was intense. We battled them and sent them back to the Digital World.

Me: Whoa so Botswana wasn't safe either.

Camie: That is crazy.

Sylvanella Molele: Yeah.

Nico and Sylvanella Molele hugged.

Nico: I've missed you.

Sylvanella Molele: Same here.

We later went back home.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of the members of Pirate Master, Empress Siren, Tech Baron, Ammo Baron, Squid Baron, Hypno Baron, Techno Baron, and Armor Baron and he began absorbing them and assimilating their powers, strength, and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and he retracted his tails and the stingers changed back, nothing was left of them except for their clothes and he banished them all to The Black Abyss. We cheered as we holster our weapons and powered down.

Lincoln: Pirate Master, Empress Siren, Tech Baron, Ammo Baron, Squid Baron, Hypno Baron, Techno Baron, and Armor Baron, you are done running loose, may you all suffer forever in The Black Abyss. (To Maya Westbrook) And it's so good to see you again, Maya.

Maya Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Maya Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Maya Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Maya Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Maya Westbrook and hugged her, and Maya Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maya Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs

Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Maya Westbrook, Gene-Slammer and Avatar of Marincess Pascalus, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Pascalus. She's the third youngest sister of The Westbrook Sisters, and she's the water mage of The Marincess Water Princesses. Lincoln met Maya Westbrook when she and the rest came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Maya kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Maya absolutely despises Chase Young with a blazing passion, not only for the 1,500 years of pain and suffering he'd caused to so many over the centuries, but also, when she found out that he was the one who turned Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the very monsters she and the other Guardian Angels absolutely despised, she swore to make him pay for everything! She was glad that Chase Young's Dark Side finally got The Black Gates, but when she found out of

Anti-Monitor taking Xehanort's place and he brought back the 310 worst villains we'd dealt with and among them was Chase Young's Dark Side, she swore that if he ever returned from The Black Gates, she would make him pay once again by brutally thrashing him and making him suffer all the tortures he put Lincoln through.

Nico: You have no idea of how pissed off we were yesterday when Selene told us.

Me: Same here, if we ever see him again, we'll make him pay.

Lincoln: And like I said, I also intend to make him pay for making my life Hell by turning Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the monsters I hated years ago by hitting him with all the curses I've been creating combined into one and banish him to The Black Abyss, but not before making him endure all the tortures he subjected me to, and now that you're here, Maya.

Lincoln with his massive muscular arms still wrapped around Maya Westbrook leaned his head down the right side of Maya Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Maya Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Maya Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental

Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Maya Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maya Westbrook.

Maya Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Maya Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Maya Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Maya Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Maya Westbrook: (In Heaven) My God.

Then, we went up to the thirty-five girls, and when Lincoln saw them, he immediately recognized them, the thirty-five girls are Universe 666 Ayeka, Universe 666 Dark Mio, Grace, Kira, Jelle the Jelly, Quillzone the Pisha Cat, Bonchovy the Mermaid, Spectrum the Centaur, Cassia the Mummy, and Nightingale the Harpy from Crush Crush, Sawako Yarimizu from Vitamin, Poppy from League of Legends, and D Violet, Annie, Beatrix, Feng, Hive, Juju, Umbrella, Regina, Marie, Peacock, Minette, Aeon, Aileen, Universe 666 Black Dahlia, Florence, Ileum, Molly, Mrs. Victoria, Rachel Wong, Roxie, Universe 666 Scythana, Squigly, and Universe 666 Venus from Skullgirls.

And when Ets saw the six girls, he immediately recognized them. The six girls are Niele von Brandenburg, Simulator Nelly Argiope, Simulator Juliette, Simulator Command Grab, Simulator Ji-Yoon, and Simulator Timara.

Ets: And Niele von Brandenburg, Simulator Nelly Argiope, Simulator Juliette, Simulator Command Grab, Simulator Ji-Yoon, and Simulator Timara.

Then, when Niele von Brandenburg, Simulator Nelly Argiope, Simulator Juliette, Simulator Command Grab, Simulator Ji-Yoon, and Simulator Timara saw Ets, they ran up to him and kissed him.

Nicole: It's been a long while since Ets had any additions to his harem.

Nico: That it has. Plus, we should keep all girls away from our murderous psycho monster, I heard him ranting that he was going to make all girls become nothing more than maids to be abused and murdered, and murder the harems of J.D. and Lincoln and all girls.

Lincoln: Seriously, remind me to throw Sebastian inside an Iron Maiden.

Qin: This is exactly why no girl would ever go out with someone like him, even despite that he'd been freed of his demons, he still has his reputation of being monstrous, murderous, psychotic, insane, condescending, blackhearted, and cold-blooded, and he even berates, insults, degrades, and belittles all girls and ladies.

Lincoln: What a monster, I'm glad I kicked him off my rescue team. Are you girls okay?

Grace: Yes, we're okay, thanks to you.

Then, when Grace and the other thirty-four other girls saw who it was that saved them from Pirate Master, Empress Siren, Tech Baron, Ammo Baron, Squid Baron, Hypno Baron, Techno Baron, and Armor Baron, their faces turned atomic red upon seeing the 18-year-old 9'10" tall, handsome heartthrob hulking hunk with abnormally massive and powerful upper and lower body muscles, ten-pack abs, long wild healed and the puncture marks sealed up, and he also kissed where he bit them.

Jelle the Jelly: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirty-five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Ayeka, Universe 666 Dark Mio, Grace, Kira, Jelle the Jelly, Quillzone the Pisha Cat, Bonchovy the Mermaid, Spectrum the Centaur, Cassia the Mummy, Nightingale the Harpy, Sawako Yarimizu, Poppy, D Violet, Annie, Beatrix, Feng, Hive, Juju, Umbrella, Regina, Marie, Peacock, Minette, Aeon, Aileen, Universe 666 Black Dahlia, Florence, Ileum, Molly, Mrs. Victoria, Rachel Wong, Roxie, Universe 666 Scythana, Squigly, and Universe 666 Venus with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home, and everyone was shocked to find out that the villains we went after were none other than Pirate Master, Empress Siren, Tech Baron, Ammo Baron, Squid Baron, Hypno Baron, Techno Baron, and Armor Baron.

But, when Lincoln showed what we did in trashing them and Lincoln using his Cell's stingers to absorb them and he sent them all to The Black Abyss and this time forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Maya Westbrook have a lot of catching up to do, now that she's back in town.

Maria: That'll teach those enemies of Shantae, serves them right.

Lincoln: Now, they won't hurt Shantae, her friends, and her sisters ever again.

Nico: That's for sure. By the way, where's Sebastian?

Suddenly, we saw the door to Sebastian's room sealed shut and holding on strong was being banged on and we heard the sounds of demonic roaring and crazed insane laughter through the door.

Manaphy: He's been making tons of nasty death threats and has been threatening to kill and slaughter us, he went mad, so we tied him up and threw him in his room and locked it.

Me: Yeesh. Poromon, next time, don't you dare bring any pig's blood into the estate.

Poromon: Aw nuts.

Caleb Maxwell: Well, we'll have to let him out, he's got to eat.

Poromon: Yeah, he's gonna eat our organs after he tears us limb from limb!

Nico: Oh brother.

?: (Ten girls' voices) He won't be doing that, we just need to keep him locked inside until he cools down.

Suddenly, we saw ten girls arrive: two of them have black hair, black angel wings, and blood red eyes, but the first girl has red and black clothes, the sigil of Lucifer on her forehead and the pentagram on her right arm and a demonic greatsword in hand, the second girl has on black clothes, she has the number 24 on her forehead and a darkness greatsword in hand, six of the girls have pink hair, pink eyes, pink clothes, pink angel wings, and Kirby-themed Keyblades in hand, the next girl has golden blonde hair, purple eyes, purple angel wings, yellow clothes, the symbol of Ephedia on her forehead and skirt, and a Ephedia-themed Keyblade, and the last girl has purple hair, purple clothes, purple angel wings, the symbol of The Otsutsuki Clan on her forehead and skirt, and she has a gold sword in hand.

Lincoln: (GASPS) Mara Lucifer, Avatar of Lucifer, Ruler of Hell and Gene-Slammer of Lucemon Falldown Mode, Ophelia Otsutsuki, Embodiment, Avatar, and Queen Goddess of the extinct Otsutsuki Clan, Kira Kirby, Keyblade Knight of Pop Star, Katie Kirby, Keyblade Knight of Rock Star, Katy Kirby, Keyblade Knight of Aqua Star, Kathy Kirby, Keyblade Knight of Neo Star, Kiva Kirby, Keyblade Knight of Shiver Star, Karra Kirby, Keyblade Knight of Ripple Star, Lily Ephedia, Keyblade Knight of Ephedia, and Morticia Addams Dracula, Avatar of Number 24: Dragulas The Vampiric Dragon.

Nico: So, Mara Lucifer's finally come out, and you know the rest of them, Lincoln?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, as we said yesterday, this is Mara Lucifer, Avatar of Lucifer, Ruler of Hell and Gene-Slammer of Lucemon Falldown Mode, she's Lincoln's Guardian Angel from Michigan and she's a very very powerful Goth Girl born to darkness and hellfire, and there is a reason why: she's The Avatar of Lucifer, the fallen angel and Ruler of Hell and she's said to been born during the time of his fall from grace and descent of Hell. She was born with the powers of eternal darkness, the fires of Hell, and the powers of Lucifer himself, and she's an extremely powerful force of eternal darkness and hellish darkness to be reckoned with and she's never ever to be messed with: she's one of seven queens of Hell itself and she's the leader of a powerful group called The Seven Queens of The Netherworld, and she and her six other friends are also friends with Maia Lucifer, Electra Dae, Taygete Lilith, Celaeno Beelze, Alcyone Levia, Sterope Belphe, and Merope Barba, The Seven Princess Sisters of The Netherworld. Thought to be a legend among the demons of The Netherworld and the legions of the damned, but she had proven to be quite real, and any who dare to anger her will face eternal damnation. She met Lincoln long ago, and she'd taught him everything about mastering the powers of eternal darkness, the fires of Hell, and the powers of Lucifer himself, and Mara Lucifer is also very good friends with Lucy and the Young Morticians' Club and she's also a powerful and great ally of Brittney Knudson. Lincoln made Mara Lucifer a very powerful greatsword of hellfire, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her along with the rest of his harem. She's more than once kept Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, and the rest of his enemies in check, but there's two people she absolutely despises with an infernal and deadly vengeance: they are none other than Lucifer and Lucemon, and she swore that if they ever come back, she would make the both of them pay: Lucifer for the eons of pain and suffering he'd caused to all of God's children and all humanity and Lucemon for the pain and suffering he'd caused to The Digital World.

Selene Emperyous: This is Ophelia Otsutsuki, Embodiment, Avatar, and Queen Goddess of the extinct Otsutsuki Clan, she's Lincoln's Guardian Angel from the planet Orion and she's a powerful shinobi and powerful master of Chakra, and she's The Goddess Queen of the extinct Otsutsuki Clan, and an extremely, deadly, powerful, and planetary lethal force of good, and she's a great power of planetary proportions that makes even the Akatsuki fear her including Orochimaru. She's a planetary powerful force of nature that's said to be 500,000,000,000,000,000,000,000,000 times more powerful than Omega Shenron and all the shinobi in the world combined together. She is very good friends with Naruto and everyone in the Leaf, but she absolutely HATES HER people, the Otsutsuki clan, with a vengeance. The reason is because she was so disgusted with everything that her people did to so many planets over the eons and she was appalled by all the actions they did and killed so many planets. She told them to stop, but they refused, and as punishment, she destroyed the entire planet of Orion and killed all of the Otsutsuki Clan except for Kaguya. She knew that she would be returned to the realm of good as a better person soon and freed from the corruption that lead to her becoming a monster. She's a member of The Gods of The Shinobi Villages, a group of girls who are the gods of said villages and hold more power than the Kages and the Daimyo combined and they can destroy any ninja no matter how powerful they are. She met Lincoln long ago, and she knew that he's not only a Shinobi of The Hidden Leaf Village, but he's also a good friend to Naruto and everyone in the Leaf, and she also taught him many powerful Jutsu, along with the powers of Chakra and the powers of the Otsutsuki. Lincoln made her a beautiful necklace, and to show thanks, she kissed Lincoln on the lips, and one time, Naruto arranged a date for Lincoln and Ophelia to go to a Japanese Restaurant, and they both enjoyed their date, and Ophelia hates all of Lincoln's enemies with a vengeance, and like Sakura Shinju, she vowed that if they ever hurt him she would destroy the entire planet of Earth and leave them all to die in the explosion, and yes, she has the power to destroy entire planets.

Me: Wait, now, I remember you all too well, 150,000 years hence, you were the one who destroyed Planet Orion and destroyed all members of The Otsutsuki Clan except for Kaguya.

Ophelia Otsutsuki: That's right, I never forgave the rest of my clan, so they deserved to die.

Nicole: The Keyblade Knights of the planets in the world of Kirby?! That really is incredible!

Lincoln: You got that right, even I was stunned, and they also trained me in mastering all the powers and copy abilities of Kirby.

Nicole: We've got to see it one day.

Sadie Emperyous: This is Lily Ephedia, Keyblade Knight of Ephedia, she's Lincoln's Guardian Angel from Ephedia and she's a powerful force of epic power to be reckoned with. She's a powerful and deadly warrior of good and powerful master of light and magic. She is the Keyblade Knight of the planet Ephedia and she's also strong enough to kill Praxina and Mephisto times 100,000 and make sure they both pay for their crimes. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot in everything that she knows in mastering the powers of light and magic, and she hates Killjoy Huggins with a vengeance.

Me: We already have them in The M.O.E. and Vypra has fixed the fractured sister bonds she had with Praxina and Mephisto.

Isis: I was still stunned Vypra was related to Praxina when we first met.

Camie Emperyous: We were also stunned too, and this is Morticia Addams Dracula, Avatar of Number 24: Dragulas The Vampiric Dragon, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Goth Girl and vampire born to darkness and she has immense powers over the eternal forces of darkness, dark magic, black magic, Satanic Magic, vampires, vampire dragons, and all creatures of the night, and she has all the powers and strengths of the vampires and none of their weaknesses, and here's the really big surprise, she's the descendant of Count Dracula and the niece of Morticia Addams and she also bears her namesake, and just like her family, she's a true lover of Gothic darkness and the macabre. Lincoln met Morticia and he showed her that he's a vampire-werewolf hybrid and an extremely powerful Alpha, and she'd known from the spirits of The Netherworld that he had been blessed in becoming an extremely powerful Alpha vampire-werewolf hybrid. Lincoln made Morticia a beautiful necklace with a blood red heart-shaped pendant along with a darkness greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry her along with the rest of his harem. She'd known of her cousin Wednesday being friends with Lily and what we had done in taking her in after what'd happened years ago, but when she heard that we'd brought the entire family back and brought them to our home, she was truly delighted, and she doesn't like it when her family winds up getting attacked by the angry mobs, and she'd resorted to every trick in the book to scare them away.

Morticia Addams: And it's so good to see you again, Morticia dear.

Morticia Addams Dracula: You too, Aunt Morticia.

Nico: Looks like I'm not the only one who knows a relative of The Addams Family.

Lincoln: And it looks like we're going to be related to The Addams Family when you marry Wednesday Addams Were Garuru and when I marry Morticia Addams Dracula.

Me: That's really incredible.

KABOOM!

Uncle Fester: Oh boy, that was good, Wednesday and Pugsley.

Morticia Addams Dracula: Looks like Uncle Fester's having fun with his explosives again.

Wednesday Addams Were Garuru: And it looks Pugsley and Wednesday are also having fun with Uncle Fester.

Lincoln: We made an explosives proof room for them to have their fun with Fester, and we've also put up some security systems in case any angry mobs come after the family again.

Morticia Addams Dracula: The angry mobs just don't even know when to quit. Oh well, now that I'm back, they better be ready for more frights and chills.

Gomez Addams: Capital idea, and in a month, we'll be holding a family reunion, and we're hoping you all would join us.

Nico: Of course. After all, Lincoln and I are going to become future members of the family.

Me: And we're also joining in as well since we're all friends with you.

After Lincoln and all of us destroyed Pirate Master, Empress Siren, Tech Baron, Ammo Baron, Squid Baron, Hypno Baron, Techno Baron, and Armor Baron and sent them to The Black Abyss and this time forever, we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maya Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Maya Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Maya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Maya Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Maya Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Travis Tackett got out another video.

Lincoln: Say, what's that memory about, Cage?

Cage Blunt: I know what that memory is, this is from when we encountered Caleb's ex-girlfriend and Drake Maxwell's slut, Kendra Matthews, and she was causing quite a ruckus at Christiano's restaurant.

Jack Howard: Unfortunately, we were over there for lunch with Allie, and when Caleb found out his ex-girlfriend was causing havoc, he almost got that close to trying to kill her and her clique.

Travis Tackett put the video in as it played on the screen, and it showed Allie Maxwell, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, and Cronus Chase at Christiano Maxwell's restaurant for lunch.

Past Roxy Drake: It's really nice you're treating us to lunch here at your uncle's restaurant, Allie.

Past Allie Maxwell: My uncle did want to treat you all with respect for everything you've done with protecting our city, and I know he banned The Big Claw Gang eight years ago after the scuffle Panther and Shroud started with Caleb when he was about to leave.

Past Carter Kenrick: Caleb wasn't able to defend himself from those two. They really played dirty with your brother using stomach blows for that.

Past Allie Maxwell: When Mom found out from my uncle, she was furious at them, and Caleb was really bruised in the stomach.

Past Jazz Jackson: I swear, if they even dare to do that again to your brother who's now this demon angel of death, there's gonna be blood on the streets.

Past Cage Blunt: Hope it doesn't come to that.

?: YOU ASSHOLES! YOU WILL PAY FOR DRAKE'S EXPULSION FROM THE SYNDICATE!

Past Allie Maxwell: Oh Hell no, not that slut again!

They saw Kendra Matthews, Caleb Maxwell's ex-girlfriend, enter, along with her clique, and she was pissed off to no end.

Past Cronus Chase: Oh no, what's that banshee doing here?

Then, Kendra Matthews and her clique began trashing Uncle Christiano's restaurant.

Past Allie Maxwell: What the Hell?! (GROWLS) That slut and her clique are trashing the restaurant, she and the rest of those trashy sluts are going to pay for this!

?: You goddamn cheap cheating slut! YOU GODDAMN PIECE OF TRASH!

Suddenly, they saw the skies turn blood red.

Past Cuffs Lane: Uh oh, your brother's here.

They looked at the entrance, and they saw Caleb Maxwell appear and he was pissed.

Past Caleb Maxwell: It wasn't bad enough you betrayed me with your lies of wanting to clean up your act and reveal you cheated on me with Drake, but now, eight years later, you and your trashy clique are now trashing my uncle's restaurant!

Past Kendra Matthews: THIS IS ALL YOUR FAULT! I'VE LOST MY WEALTH AND FAMILY CONNECTIONS THANKS TO YOU!

Past Caleb Maxwell: THAT'S IT! THAT IS IT! I'M GOING TO PAINT THE WHOLE PLACE FROM TOP TO BOTTOM WITH YOUR BLOOD! CHEAP CHEATING SLUTS!

Caleb Maxwell had his twin pistols in hand and he was about to start shooting!

Everyone: UH OH!

Then, we watched as Caleb Maxwell ran after Kendra Matthews and her clique who also charged at him as well, but he proceeded to fire dark energy blasts at them and they got hit hard, and he slashed at their stomachs with his gold-armored dragon claws leaving scars and spilling their blood on the floor.

Past Allie Maxwell: We better do something and fast, Caleb's really going to fulfill that threat he made to that slut and her trashy clique.

Past Cage Blunt: Right. Allie, you stay here with Travis, Peace, Leela, Cronus, and my dad.

Cage Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, and Abby Smith came out of hiding.

Past Casey Antonio: Kendra, you and your gang hold it right there!

They showed their police badges.

Past Kendra Matthews: Damn it, the police!

Past Selina Andrews: What the fuck?! Kendra, you said nothing about those pigs being here! Same with your undead brother!

Past Maria Lawrence: You bitch, you lied to us!

Past Sheila Edwards: Now, we're really going to get arrested.

Past Roxy Drake: Our words exactly. Kendra Matthews, Selina Andrews, Maria Lawrence, and Sheila Edwards, you four are under arrest for destruction of property and assault.

Cuffs Lane cuffed Kendra Matthews, Selina Andrews, Maria Lawrence, and Sheila Edwards and threw them into a police car that arrived and took them to the cells at the station.

Past Peace Salyers: Well, that's it for the trash quartet.

Past Leela Salyers: They really crossed the line when they came here.

Past Captain Whitten: We'll be sure to notify the parents about what they did.

Past Allie Maxwell: I don't think you'll be able to notify Kendra's parents of what their daughter did.

Past Roxy Drake: Why's that? Wait, the Matthews' parents murder case, she didn't...?

Past Allie Maxwell: No, Kendra didn't, but Caleb did.

Past Cronus Chase: Oh God, I think I know why. When I was in high school, I overheard some of the students talk about the story of Kendra Matthews' betrayal being exposed and that she was cheating on Caleb with his brother, Drake, and in his anger, he swore that he would kill her and her parents and he called her a cheap cheating slut and a rotten queen bee.

Past Jack Howard: Looks like he made good on his threat when he came back from the dead.

Past Carter Kenrick: Caleb...!

Suddenly, Caleb Maxwell was about to run out of the restaurant, but Casey Antonio grabbed him by his arms.

Past Casey Antonio: Caleb, it's over, just please stop.

Suddenly, Casey Antonio caught a blood tear falling from Caleb's eye.

Past Allie Maxwell: Casey...

Past Captain Whitten: I think we should let Casey handle this matter, Allie, not only does he have experience with youths caught in something serious, but ever since Caleb returned from the dead, Drake left him filled with only malice and hatred, and he lost a part of himself as well.

Past Allie Maxwell: A part of his soul torn out by Drake, the one that made him who he was in the past. I hope Casey can get through to him because when night falls, Caleb's desire for revenge will return once again, and The Syndicate will find themselves at his mercy again.

The video ends.

Me: Damn, I can't believe those girls trashed the place!

Nico: Absolutely disgusting.

Lincoln: If anyone trashed Dad's restaurant like that, we wouldn't forgive such outrageous behavior like that.

Roxy Drake: And Casey was taking a risk trying to help Caleb, but what the captain said was true, ever since Caleb returned from the dead, Drake left him filled with only malice and hatred, and he lost a part of himself as well.

Eli: I guess this proves some family ties were destined to be broken.

Allie Maxwell: You don't know the half of it, ever since Drake became a member of The Syndicate so long ago, he became heartless and ruthless towards us and Mom, and he even bodily harmed Mom, and Caleb had to defend both Mom and I many times and he bore the majority of the scars Drake inflicted on him, and Caleb had to suffer from that on his last year of high school and when he first started college and on the very day he was killed by that lowlife.

Luna: Physical scars heal easily, but mental scars never heal that easily, some heal through time.

Caleb Maxwell: But, others leave a dark stain on their heart and soul, and in my case, only something stronger can erase that dark stain on my heart and soul: Dad's confession and explanation broke that dark stain on my heart and soul, and that would lead to my eventual healing and the last sever to the darkness that haunted me.

We got a shower, and then, Lincoln, Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the white-haired, 9'10", handsome and extremely muscular man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the

speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all.

Michelle Vera: Wow, so this is Dolphin Shoals, it sure is beautiful.

Lincoln: It sure is, Michelle, and it's perfect for our first date, shall we?

Lincoln, Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma dived into the waters, and they began swimming, and they also saw the marine life that lived there, then, they went back to the beach, and the girls took turns in giving Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they had an amazing volleyball game, and they went into a workout area Lincoln created, and Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000.000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long white wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Kotori Ginryu: (Swooning) So manly.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma and they hugged the girls in their abnormally massive and powerful muscular arms and Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma placed their hands on the massive pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Siren Sara, Michelle Vera, Kotori

Ginryu, Ling Ling Huang, Sibella, and Phantasma are in your harem, Linky.

Siren Sara, Michelle Vera, Kotori Ginryu, Ling Ling Huang, Sibella, and Phantasma showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Michelle Vera: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much

worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Super Mario Odyssey adventure.

Nico: Bowser's Kingdom for another round.

Me: Nice. You know I'll go.

Nico: Who wants to come next?

Arkayna: Me and the Mysticons will go next.

Me: Okay.

Jaden: And me and Yugi too.

Me: Okay.

Nico: Lets go.

We went into the simulator and it activated and we were at Bowser's Kingdom!

Me: WOW!

Zarya Moonwolf: We're here.

Nico: Yep.

Nicole: And you guys are going to love the next baddie.

Nico: Which is?

Nicole: He's waiting in the courtyard.

Me: Okay.

Jaden: Funny how me and Yugi are coming considering yesterday

Yugi: I know.

Nico: Yep.

We were off.

We were flying and we got to the courtyard and we saw BIG BROTHER!

Big Brother: GIVE ME BACK MY STUFF YOU PUNKS!

Me: Big Brother!

I punched him in his face!

Jaden: Time to summon a monster suited for this! I summon ELEMENTAL HERO CLAYMAN!

He summoned said monster!

Yugi: Let me see here. I summon BERFOMET!

He summoned Berfomet!

Me: Oh yeah!

Big Brother: YOU WILL PAY FOR THAT! YOU BIG FAT CHICKENS!

Clayman charged at him. Big Brother did the same And Clayman bashed him in his face and smashed him into a pillar and kicked him through it!

Clayman bashed him down.

Arkayna: MYSTICONS ENERGIZE!

They transformed!

Me: Lets unleash the wolf! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON! 🌙

Me: (HOWLS)

Big Brother: You think I'm scared of you!

Me: You should be! Because my bite is worse than my bark.

I fired waves of blue fire and blasted Big Brother all over!

Yugi: And speaking of bite...

Berfomet went at him and bit him on his leg.

CHOMP!

Big Brother screamed in pain!

Nico: I summon INJECTION FAIRY LiLY!

He did so.

Lily: Hey there!

Nico: Hope he isn't afraid of needles! Give him a good injection!

Lily: Say ah!

She flew at him and Big Brother ran like a chicken and then.

STAB!

HE GOT STABBED RIGHT IN HIS BUTT BY LILY'S HUGE SYRINGE!

Me: OOOH! That is gonna hurt!

Joey: Now he knows how it feels!

WE LAUGHED!

Me: Yeah! Boy if Master Goku was still scared of Needles he would be scared out of his mind!

Goku: (LAUGHS) Yeah I sure would!

Nico: Yeah that would be funny Kakarot!

Me: And that was not a poke, that was a stab!

Big Brother rubbed his butt and he was in a lot of pain.

Big Brother: HEY! That hurt!

Me: Good! That was just the start!

I slashed Big Brother and Zarya fired an arrow and we blasted him.

Me: YEAH!

Then the gene-slammer of Orcwort and the Embodiment of Toxic came.

Nico: Orla Orcwort!

Tonia Seahorse: And Tonia Seahorse, Embodiment of Toxic Seahorse!

Thor: Tonia good to see thou.

Hikaru: Same here.

Tonia Seahorse: You too Hikaru and Thor. Been a while.

Nico: Lets get him.

We went at him

Nico: (gets out Spark Mandrill and Computer Dopant's Ridewatches) Time for this computer to give you a shock!

He activated them and fired lightning and blasted him all over.

Tonia fired poison blasts and Orla fired leaves and blasted him.

We fired waves of energy and blasted him and knocked him down.

Me: YEAH!

He was knocked out.

Nico: YEAH!

We high five!

Nico: How did you meet Thor and Hikaru?

Tonia: I met Thor in Asgard when he was battling Hela and that was cool. I helped him beat her. And I met Hikaru and he and Noriko were having their date and then Carnage came and I killed him for them and made sure they had a great date.

Me: WHOA! So that's one version of Carnage that bit the dust.

Tonia Seahorse: Yep. It was the one from the Marvel Zombie Avengers universe.

Me: WHOA! We never faced that one.

Qin: Yeah.

Me: Orla, What's your favorite memory of Nico?

Orla Orcwort: When me and Nico were in my family's Carnivorous plant farm and we fed lots of Death Row Inmates to my friends.

Me: WHOA! Wait you breed Carnivorous Plants that eat people? That is really cool!

Orla Orcwort: It sure is. But they are friendly to me and my friends. But to my enemies, they will kill them.

Nico: Yep.

Me: WHOA! Poison Ivy would be very proud of you.

Poison Ivy: And I sure am.

Nico: Cool.

Nico and Orla hugged.

Nico: I've missed you.

Orla Orcwort: Same here.

Me: Would you two like to join us?

Tonia Seahorse: We would be honored.

We left the simulator and cheered wildly.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown against XANA starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Hillary Shayminia saw what appeared to be the mascots.

Hillary Shayminia: There you guys are!

She went over to them and picked them up.

Poromon: LOOK AT IT!

Hillary Shayminia: HUH?!

Poromon: LOOK AT IT!

Poliwag: LOOK AT IT!

Manaphy: LOOK AT IT!

Horsea: LOOK AT IT!

Hillary Shayminia: Okay what's going on here!?

Poromon and the mascots came.

Mascots: TADAH!

Poromon: Like the new action figures of us that we made?

Elisa Stallone: They look just like you guys!

Me: You guys made these?

Poliwag: We sure did.

I looked at them.

Me: Cool!

Poromon: Yep. They come with Punching fists, slapping tails, and squirt functions and as you heard, each of us yelling like we would when we show the trailer.

Qin: That is cool!

Fellbat: Can you guys demonstrate?

Poromon: Sure!

They showed their functions. Poromon's wing flaps, Poliwag's tail slaps, Manaphy's eyes and antennae glowing, and Horsea squirting water for her ink and they also said...

Mascot Toys: LOOK AT IT!

Qin: That is cool!

Chromia: Do they come with accessories?

Poromon: Yep.

They showed them.

They came with beer bottles, sunglasses and more.

Airi: How many of these did you sell already?

Poromon: Lets see.

They counted.

Poromon: 523,329,932.

WE GASPED!

Me: WHOA! And how much do they sell for?

Poliwag: $10.00 each.

Me: Good money.

Horsea: It sure is. More of them are coming soon. We're going to make ones for all of us.

Qin: Cool!

Then, we heard the door to Sebastian's room was being banged on and we heard the sounds of demonic roaring and crazed insane laughter through the door while it was sealed shut and still holding on strong.

Caleb Maxwell: I think we better let the monster out now.

Poromon got out a crowbar and he pried the boards off the door, and then, Sebastian busted the door down and he came out and he was roaring like a demon only to be put in a straitjacket by Caleb Maxwell and Darren Deveraux.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was none other than our old enemy, XANA, he's returned and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, XANA.

Eli: It's time.

Lincoln: That it is.

Lincoln sounded the alarm.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and it's finally time: I just had a vision and I saw who it was that we're going to confront today: it was none other than our old enemy, XANA, he's returned and he's causing havoc.

WE GASPED!

William: This is it, now the time to finally destroy XANA forever has come.

Me: Yep, with the computer virius of our making combined with the multi-agent system that Jeremie made to destroy XANA, this time, we'll be rid of him forever. Where's he at, Lincoln?

Lincoln: At the abandoned Satellite research station forgotten on the Russian Island of Novaya Zemlya.

Me: Where he was created long ago.

Nico: And where he will die once and for all, and we'll unleash Sebastian on the monsters. Alright, team, let's go, the time to finally destroy XANA forever has finally come.

Lincoln: XANA, your time is finally up, this is where your hatred towards mankind ends here and now.

The previous group came.

Vulture: Can me, Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Brain Freezer, Chalmers, and Springfield Mafia go with you guys?

Louie: And those are nice action figures.

Poromon: Thanks.

Nico: And yes you can come with us.

Me: First we're going to Paris for the reunion at Kadic. Jeremie and friends got invited to a reunion there.

Jeremie: Yep.

Me: And when XANA makes its move we're going to take him down forever in Novaya Zemlya in Russia.

Louie: So that's where XANA's main source is at.

Me: Yep. And I'll need this too.

I pulled out a GoldenEye Nuclear Football.

Nico: What's that?

Me: The Nuclear Football for GoldenEye. It's a portable device that allows me to activate GoldenEye anywhere.

Nico: Cool!

Lola: Yep.

Arixam: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping for Tankmon next.

Qin: Cool!

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Buffy Blain, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Cage Blunt: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Cage: the figure we saw was Buffy Blain's Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and she's coming after us.

Buffy Blain: Uh oh, and I know how she's linked to Caleb's nightmares: one night, as we were going after Carla Claw and Panther, I'd run into Caleb Maxwell again who attacked them both in the worst possible way imaginable, and I ordered him to drop his weapons, but he fired a blast of darkness at me, and we got into a fight, and I shot him in the right shoulder, but he survived it and removed the bullet, and then, he unleashed pure Hell on me as he fired darkness blasts and bullets at me, and when he ordered me to attack him more, he had an unhinged insane look in his eyes, it was like looking into the eyes of The Devil himself. But, I fired a bullet that hit him in the stomach, and he had no choice but to flee.

Me: Jeez.

Nico: Oh boy.

Caleb Maxwell: I should've approached this in a better manner, but with my insane anger towards The Syndicate and me acting like a monster, that didn't go well.

Nico: Ooh, I can bet. Alright, team, let's go, today shall mark the end of X.A.N.A. once and for all!

Lincoln: For far too long, X.A.N.A. has harmed one too many innocent people, this is where he dies once and for all, and once we take down X.A.N.A., we're confronting the next of Caleb's nightmares.

Buffy Blain: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the Russian Island of Novaya Zemlya to finally end X.A.N.A. once and for all, and after we take down and end X.A.N.A. once and for all, Buffy Blain is going to face her Demon Blood Influenced self: the demons from the night she encountered Caleb Maxwell.

We were off to Paris.

* * *

We arrived at Kadic.

Me: So this is Kadic.

Yumi: Yep. This is it.

William: Yeah.

Griffin: Let's invite Merman too.

Me: Good idea.

We called him.

Merman: I'm here guys.

Me: Awesome.

Qin: Kadic sure looks like a nice place.

Jeremie: Yep it sure is.

Aelita: It was a fun place.

Nico: Must be nice to see your old school, eh?

Odd: Yeah we missed this place.

Ulrich: But it's good to be here again.

Qin: Cool.

Me: Maybe we should invite all of the Lyoko Warriors archenemies for this. It'll be fun.

Nico: That's a good idea.

We went in and saw everyone there.

Me: Wow! Everyone turned out for this.

Xenia: They sure did.

Milly: SISSI!

Sissi: Milly!

They hugged.

Milly: Awesome to see you and wow! Team Loud Phoenix Storm what an honor.

Me: Same here and you must be Milly Solovieff. Sissi told us so much about you.

Milly: I'm sure she did. But it's awesome seeing you all here and great to see you Sissi and you too Brynja. Its been a while.

Brynja: It sure has Milly.

We were introduced to the staff and teachers there.

Nico: You must be Jim Morales.

Jim Morales: I sure am and it's a pleasure to meet you Nico and all of you.

Me: Same here Jim. Jeremie and friends have told us so much about you.

Jim Morales: Yeah word got around.

Sissi: Hey guys.

We saw Sissi's dad the principal.

Sissi: This is my dad Jean-Pierre.

Principal Delmas: Awesome to meet you all. I'm so glad Sissi my little princess was in good hands.

Me: Thanks Mr. Delmas. And it's a pleasure to meet you too. Sissi told us so much about you.

Principal Delmas: I'm so glad you all came to meet everyone.

Me: Wouldn't miss this for anything.

Qin: Yeah.

Me: Mr. Delmas your daughter and her friends have been a TREMENDOUSLY massive help for all of us in the team and all over the entire universe too. You should be very proud of her.

Principal Delmas: I am REALLY proud of her.

Me: We all are.

Sissi: And daddy I've had lots of things happen to me that made me realize what a horrible spoiled brat I was. I let all that power go to my head that made me think I was better than everyone. I was a spoiled brat to the core and I'm sorry.

Principal Delmas: Oh princess it's alright.

Jim looked around to see if anyone else was eavesdropping.

Jim: So, how's fighting that XANA guy?

Jeremie: Say what now?!

Nick Fury appeared.

Nick Fury: It's alright. I told Jim everything. He's actually a retired SHIELD Agent.

Jim: (salutes) Agent Jim Morales reporting for duty. Though I'd rather not talk about it since the info's classified.

Nick Fury: (to Jeremie) Only fair Jim gets told everything since he was in your group before.

Jeremie: Wow. I didn't know you worked for SHIELD Jim. That is awesome.

Jim: I wasn't permitted to tell anyone.

Jeremie: That's okay.

Me: Oh Director Fury welcome.

Nick Fury: Thanks J.D. Jim told Jeremie that he works for us.

Me: Whoa. Jim I didn't know you work for SHIELD.

Jim: I'm retired now. But I still got some fight in me.

Me: Wow. Well everyone all over the world is aware of XANA. The World Leaders informed everyone. So I think it's best if we tell everyone.

Nico: Good idea.

Khybon: Right now, we're just looking around Kadic while the reunion's going on. A normal day in the life of a Lyoko Warrior is that you relax unless Jeremie's laptop detects XANA activity.

Me: Yeah. But everyone needs to be aware.

Nico: Good idea. J.D. tell them.

Me: Right. EVERYONE I have something to say.

Everyone looked at me.

Me: Now I'm sure you all remember about certain incidents that have taken place here over the years like say Teddyzilla and all that. Anyone remember all that?

They nodded.

Me: Well those incidents were the work of an evil Supercomputer codenamed X.A.N.A. Here's what it did.

I went over its history and it was a long one and it was terrifying!

When I was done everyone was SHOCKED! AND HORRIFIED!

Nico: It's true everyone! XANA poses a tremendous threat to everyone out there.

Aelita: My father made XANA to counteract Enemy communication signals during the Cold War. But as time flew by, XANA Became self aware and even developed it's own consciousness and right now has killed my father and even has goals that will kill us all.

Me: It's like SKYNET and Venjix that the RPM Rangers faced. But I made this to destroy it.

I showed my virus.

Me: We're going to destroy XANA at the source in Russia.

Everyone cheered for me.

Me: Thank you.

Jim: Look, I know I never actually fought on Lyoko. But like before, I'm willing to help you guys however I can.

Whiplash: Hey, if Brynja and Sissi can help without Lyoko Avatars, so can you.

Jim: Thanks guys. That means a lot.

Me: You're welcome.

Jeremie: Lets show you guys around.

We walked around Kadic and it was a really cool place.

Eli was using the Force and monitoring XANA.

Jeremie: This used to be our room.

Jeremie showed his room.

Me: Boy it's a nice room you got here.

Jeremie: Yeah it was home. I would always talk to Aelita in here.

Me: That is cool Jeremie.

Nico: Yep.

We later rejoined the party.

Me: Boy you guys have had a lot of fun here.

Camie: I'll say.

Jaden: Just like Duel Academy here.

Alexis: Yeah good times.

Just then, Jeremie's laptop beeped.

Eli: Uh oh! I sense XANA.

Jeremie: XANA's making his move. Funny thing is, this is the last time I'll be able to detect a XANA attack

Me: Yeah.

Eli: I sense him in the phones!

Jim's phone rang.

Jim: Excuse me. I gotta take this.

Stewie realized something and shot his blaster at Jim's phone.

Jim: What'd you do that for?!

Stewie: Jeremie told us about this!

Mr. Boss: XANA tried something like this before. Basically, anyone who answers possessed Cell Phones become aggresive and hostile

Me: Look!

We saw XANA's crest on the screen.

Jim: Oh man!

I fired energy beams and blasted some of the phones out of Milly and Mr. Delmas' hands.

Me: Sorry guys. But this is what XANA would have wanted. XANA is in the phones.

A kid went at me and I dodged his punches.

I chopped him on his head and knocked him out.

Nico: You didn't have to kill that kid!

Me: He's not dead. It's a knockout chop. Little trick I learned in 150,000 years.

Nico: Wow. That is clever.

Brain Freezer: We gotta get a move on before the possessed people here find us.

Jim: We'll get out using the back entrance. Follow me.

We followed him.

He lead us to the back entrance.

We came out of the back entrance.

Jim: Alright. Keep it coming. The faculty, students, and everyone else can't be far behind.

We then turned...to see a possessed mob of teachers, students, and even unfortunate family members of the Lyoko Warriors who came for the reunion!

Me: UH OH!

Disk Wars Mandarin: Are you fucking kidding me?! I was hoping we'd at least get a 5 minute head start!

Ms. Hertz: Jim. Stand aside.

Mrs. Della Robba: We intend to teach those brats a lesson!

Jim: Dammit, Suzanne, I'm not letting you all do this!

Ms. Hertz: Very well.

Mr. Della Robbia: If you're not with us, you're against us!

Jim: You guys go. I'll hold them off!

Me: Jim, we're not leaving you!

Jim: Lemme tell you kid, you got guts, but like I told Belpois before, if you think that I let my own men come under fire, you don't know good ol' Jim. Now get going!

Jeremie realized Jim told him something like that before

Mr. Delmas: (sighs):I'm staying with you, Jim.

Yumi: But sir-

Mr. Delmas: Miss Ishiyama! This day will surely go down in Kadic's history. I'd prefer it if my students could live to tell about it. Now go!

Jeremie: The two of them are buying us time, guys. We can't let that go to waste!

Me: Right! Good thing I brought our coats for this. Jim?

I saluted him!

Jim saluted me back!

Nico: LETS MOVE PEOPLE! THE FATE OF THE WORLD DEPENDS ON US!

Chalmers: Man, I should've been with the two of them in Kadic instead of in Springfield. (notices Sissi stopping) Sissi, we can't stop. We have to keep going.

Sissi: Dammit, I can't just leave my father! I have to go back for him!

Brynja: (holds out hand) WE will go back for him. (smiles) Pen pals?

Sissi: (smiles and holds hand) Pen pals!

Milly: Let me go with you two! Tamiya's there as well!

Nico: Scout, you, Soldier, Pyro, Engineer, Heavy, Demoman, Medic, Sniper, and Spy better go with them too!

Scout: Affirmative!

Soldier: Lets go!

Me: Guys! You may need these!

I gave them HTR 16 Blasters and lightsabers.

Mr. Delmas: Thanks J.D.

Me: Be careful.

Nico: Lets roll!

Lincoln: Wait!

Lincoln then ran and gave Sissi and Brynja kisses on their lips.

Nico: Aww.

Lincoln: For luck.

Brynja: Thanks Linky.

We were off to Russia!

Yolanda: (to Jim) I never liked your romantic advances to begin with!

POW!

Jim punched Yolanda, knocking her down.

Jim: Oh man, Sorry, Yolanda.

Herb was about to jump at Jim from behind only to be knocked down by Sissi.

KROW!

Sissi: Sorry, Herb!

Brynja: (knocks Nicolas down) He'll be fine, Sissi. Nicolas will be okay too!

Scout fires a burst of pellets from his Scattergun at Odd's parents knocking them down.

Jim: I thought we told you guys to get going!

Soldier: Negative, soldier! We leave no man behind!

Spy: Besides, J.D. and the others are on their way to XANA's hideout in Russia as we speak.

Jim: That's good! At least you are helping us!

Pyro: Yeah we are!

Soldier punched a teacher.

Jim: Odd's parents are going to be fine, right?

Engineer: They will. Nico made sure our weapons are non lethal to innocents. Just hope we got enough ammo. Because we're stuck with them now.

Heavy: No. Puny people are stuck here with us!

Heavy fires a storm of bullets from his minigun

Heavy: (laughs) Cry some more!

Sissi fired energy blasts and they hit a bunch of kids and knocked them down.

Brynja flipped and kicked Ulrich's parents down.

Principal Delmas: My goodness! Sissi you came a long way.

Sissi: I know daddy. We all have.

Milly blasted a bunch of kids and knocked them out.

(TECHNO FLYING - BRUCE FAULCONER PLAYS)

We were flying over Russia and heading to northern Siberia.

Me: We got to hurry!

Lola: YEAH!

Thorn: They won't hold out forever. Which means we need to hurry up and find where XANA is along with..other targets.

Nico: I know.

Me: We're almost there everyone! ETA 35 minutes.

Legs: Why didn't they show the powers possessed victims show?

Jeremie: XANA knows how powerful we are and probably didn't want to waste too much energy.

Me: That and the fact that we Damaged XANA on many occasions before and after you guys joined us.

Jeremie: That is true.

Qin: Yeah.

Nico: I feel like we're forgetting something

Me: You mean the monsters that XANA sent against the Lyoko Warriors?

Nico gasped!

Nico: Oh dear god!

Me: Nico don't worry. I told them what to do in case they show up.

Nico: Good.

Me: I told them to blast the eye with XANA's symbol on it.

Nico: Good.

Qin: Yeah.

Me: We're here!

We saw the satellite station in Novaya Zemlya.

Me: I'll send a shadow clone to help them out.

Nico: Good idea.

I did so.

Nico: No. That's not what we're forgetting

Me: Then what is it?

Nico: (sighs) Lincoln's premonition.

Odd: Oh. That's what you meant

Lincoln: Oh right! I just remembered. We're going to face Yumi's Akuma, Dark Geisha next. The Hypothetical Akuma of Yumi and she is a geisha girl that is deadly and she is a powerful fighter and master of darkness. She was made because of XANA controlling her and ruining her image. She vowed to destroy XANA no matter what

WE GASPED!

Me: WHOA!

Lincoln showed us a sketch and Yumi's Akuma looked like a traditional Geisha girl from Japan.

Yumi: Whoa! Fitting for me because of my Japanese heritage.

Fat Tony: We might see her on the way to XANA

Me: Yeah.

We got to the building and the door was locked.

Nico: It's locked.

Qin: I think there's a code here. Look.

We saw a code panel.

Eli: Let me try mine.

Eli ignited his lightsaber and stabbed the door and it glowed white hot and melted down.

Me: Nice job bro!

Carly Atlas: I hope we hit XANA with a thunder cannonball

Me: We'll hit it with more than that.

We went into the station and down a hall.

Eli: We're close. I sense a huge evil presence.

Nico: Oh : Think we should fight the Akuma first?

Me: Wait look!

We saw a figure and it was DARK GEISHA!

Me: There she is!

Merman: Oh wow!

Me: Wow!

Dark Geisha: (Japanese Accent) So you all have come.

Me: And you want the same thing we do. To destroy XANA right?

Dark Geisha: That's right.

Disk Wars Deadpool: So, Yumi. Is this form based on your Lyoko form from the first 3 seasons or the final season?

Dark Geisha: First three seasons Wade.

Me: Wow. It's fitting for you

Merman: I'm guessing we're gonna have to fight to see who gets the right to kill XANA?

Dark Geisha: I'm afraid so.

Me: So be it.

I unsheathed my sword and she went at me and I blocked her strikes and ducked under a kick and slashed at her and she ducked.

Me: WHOA! You're fast!

Qin: Yeah!

Dark Geisha: If you thought that was good, wait until you see this!

She threw energy disks at me and I blocked them and deflected them back.

Me: WOW! That was awesome!

Yumi: Just like my Lyoko form!

Dark Geisha: Indeed.

Merman charged at her and bashed her down and blasted her.

Nico: YEAH!

I fired a wave of energy and blasted her down.

Me: YEAH! Take that!

Yumi: Wow! This one put up more of a fight.

Nico: Is she down?

Eli: She is.

Me: Yeah.

Nico: Good. She'll be perfect for the M.O.E.

Qin: Cool.

Eli: Yep.

Nico: Lets go! We haven't got a moment to lose!

We went to face XANA at the source. We ran down a hall.

* * *

Jim, Mr. Delmas, Brynja, Milly, Sissi, and the TF2 team just retreated into the lunchroom to have some food to regain their energy. Engineer was putting up some sentries to guard them.

Jim: (to Sissi and Brynja) How come you two aren't tired yet?

Sissi: Our power has grown so fast and exponentially that we have infinite power and energy.

Brynja: We've gotten stronger and more powerful over the years.

Soldier: It's true soldier. Team Loud Phoenix Storm can go on for a long time. They have an infinite amount of energy.

Principal Delmas: Amazing!

Medic: You think the others will be able to kill XANA?

Spy: Let's hope so. Because if not, we'll be dead before nightfall.

Sissi Delmas: Not that we can die anyway.

Back with us we arrived at a big huge door with the XANA symbol on it.

Eli: XANA's main harddrive is right through this door.

Camie: Wow.

G1 Iron Bison: Strange how we haven't run into any monsters yet.

Nico: How about we don't jinx our luck?

Me: No doubt he's expecting us.

Qin: Yeah.

Eli: Wait I'm sensing a powerful warrior in there. It's XANA and he looks like William.

WE GASPED!

Beetle: J.D., you remembered to bring GoldenEye, right?

Me: Yep.

I showed the Nuclear Football.

Beetle: Good.

Nico: Lets do it guys. Entrance time.

We went at the door.

XANA was waiting patiently and wondering why the Lyoko Warriors weren't killed.

Then the spirits of the Computer came and swirled around it and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and a phoenix cry was heard and we came out.

Me: XANA!

Jeremie: This ends now XANA!

Aelita: You're going to pay for killing my father!

We saw a main supercomputer of XANA.

XANA came out! And he was in the form of William!

Me: So you finally revealed yourself XANA. I thought we were finally rid of you after everything you did.

XANA: (LAUGHS MALEVOLENTLY) You always were persistant fools. Too bad you all have to die. (To William) And William my dearly beloved general. So nice of you to come. To witness the death of your friends and the world as you know it. (LAUGHING MALEVOLENTLY)

William: I was NEVER YOUR GENERAL! You only used me like a puppet and nothing more!

XANA: So foolish. You humans thought you were rid of me but you were wrong. Soon this world will be mine to rule and all humans will be my slaves when I regain and reconfigure myself to better suit my technological prowess.

Me: A World Without Free Will!? Where's the honor in that!?

Lincoln: (to XANA) It's over, XANA. We played all your devilish games and brought the pain to your minions and-

Nico: (realizes something) No, we haven't.

Lincoln: Great. Now YOU'RE interrupting my line?!

Nico: You know what I mean, Lincoln. The possessed people don't count as minions. But we haven't fought a single monster on the way here. Why?

XANA: (chuckles evilly) How observant, Chan. No wonder you replaced J.D. as leader. You wanted to know where my minions were hiding? Here they are!

We then saw XANA's minions appear into the room. They consisted of Kankrelats, Bloks, Krabs, Hornets, Tarantulas, Creepers, Megatanks, and even the Scyphozoa and the giant Kolossus.

Whiger:...well, fuck.

Me: Oh shit!

Nico: J.D. we'll hold them off! You upload the virus and activate GoldenEye!

Me: Right!

I went by the Supercomputer body.

Me: Okay it'll take about 20 minutes to fully upload. More than enough time for us to have the usual battles too and activate GoldenEye.

I got everything ready.

I pulled out the Flashdrive.

Me: FUCK YOU XANA!

I stick it into the port and pressed a button.

Me: VIRUS UPLOADING! T-Minus 20 Minutes!

Nico: Roger that!

Grier: You're not the only one with backup! FIGHT ON! MEGATAUR!

In a swirl of rock and earth he summoned MEGATAUR!

Nico: OH YEAH!

Me: Okay.

I opened the case and got it ready and put in the disk.

Eli came and I gave him a key and we put theminto the slots.

Me: On my count... 3...2...1...

We turned both keys at the same time and it was activated.

Me: Okay. Target is here.

I put in the coordinates. Latitude: 75° 09' 60.00" N and Longitude: 57° 49' 59.99" E

Satellite nuke orbit was set.

Me: Okay it'll take 19 minutes to come. Perfect timing.

I armed it and it was ready.

Me: Armed and ready! T-Minus 19 minutes till Detonation.

Robo Blaze: And here's some backup that fits today. Tronics!

He summoned a bunch of Tronics!

I packed up the GoldenEye nuclear football.

Me: Here we go.

I unsheathed my sword and me and XANA clashed.

Me: Now I'm ready!

Samon Shakekisutanchin was next.

Samon Shakekisutanchin (to Power Pack): Yumi's Akuma is a Geisha Girl. Which is fitting for her.

Zero G: It is fitting for her because of her ties to her heritage in Japan. And I can't argue with that.

Lightspeed: I agree there and she is just as deadly as she is in the world of Lyoko.

Touma: I agree there and man was she brutal.

Metamorpho: But it was awesome though.

Energizer: Yeah no kidding there.

Mass Master: That was awesome facing her.

Fluttershy: But her Kimono was beautiful.

Dan: Boy that is for sure! J.D. traced XANA's source to an abandoned satellite station in Novaya Zemlya. Turns out it was an old satellite station that was used to jam radio signals during the Cold War.

Runo: Yeah and this was also where J.D. and everyone battled the Xenothium Radiation monster from what I heard about.

Then, they attacked her with their massive greatswords leaving painful scars on her, and they even scratched her with their gold-plated dragon claws and they smashed her all over the place with their superhuman strength, and it was making Demon Blood Influenced Buffy Blain even more enraged.

Demon Blood Influenced Buffy Blain: H-how?! How is this even possible?!

Caleb Maxwell: It's because Buffy is no longer weighed down by what happened back in the past, and I forgave her for the time I exposed my darker nature to her that night.

Buffy Blain: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my dedication to the police and protecting everyone in need.

Demon Blood Influenced Buffy Blain saw it and smiled.

Demon Blood Influenced Buffy Blain: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Buffy Blain faded away, but not before giving Buffy Blain a gift: her powers and abilities added to her own.

Buffy Blain: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Buffy Blain, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Buffy Blain's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen black and blue planets orbiting around her legs and fifteen black and blue smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized black and blue planets orbiting around her wrists and ankles, longer brown tail, and massive brown angel wings and four sets of larger brown angel wings underneath her massive brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Buffy.

Buffy Blain: That's right, just like Blunt and his old man, the captain, Carter, Jack, Roxy, Jazz, Casey, Cuffs, and Tackett, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Jasmine Westbrook, Gene-

Slammer and Avatar of Marincess Sea Angel.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Jasmine Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Sea Angel. She's the fourth youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Jasmine Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Jasmine kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Jasmine absolutely despises Chase Young with a blazing passion, not only for the 1,500 years of pain and suffering he'd caused to so many over the centuries, but also, when she found out that he was the one who turned Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the very monsters she and the other Guardian Angels absolutely despised, she swore to make him pay for everything! She was glad that Chase Young's Dark Side finally got The Black Gates, but when she found out of Anti-Monitor taking Xehanort's place and he brought back the 310 worst villains we'd dealt with and among them was Chase Young's Dark Side, she swore that if he ever returned from The Black Gates, she would make him pay once again by brutally thrashing him and making him suffer all the tortures he put Lincoln through.

WE GASPED!

Nico: Oh shit!

Me: Oh man!

Eli: Damn!

Lincoln: She's not the only one who wants him to suffer: I also intend to make him pay for making my life Hell by turning Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the monsters I hated years ago by hitting him with all the curses I've been creating combined into one and banish him to The Black Abyss, but not before making him endure all the tortures he subjected me to.

WE GASPED IN HORROR!

Me: Ultimate Karmic Punishment times Infinity! Damn!

Nico: When that time comes, we will all make him suffer that punishment.

Then, we turned our attention to Sebastian who was done tearing X.A.N.A.'s monsters apart, but he still had red in his eyes.

Gohan: You cooled down yet, Sebastian?

Sebastian let out a horrific demonic shriek and charged at Gohan and was about to gouge his eyes out, but Pan charged out and punched him hard in the right eye.

Sebastian Mendez: (SCREAMS IN AGONY)

Nico: Oh man, I think you destroyed his eye.

But, then, we saw his eye wasn't destroyed, but we saw blood tears falling from his right eye.

Buster Bunny: That's one of the curses Lincoln's Guardian Angels put on him nine years ago after he went mad and betrayed Nico, his siblings, and his friends, it's known as The Bloody Tears of Hatred, this curse was meant for someone whose heart became full of darkness and descended into madness and also had oceans of blood on his hands, and just one attack to his right eye, and he would scream in agony and blood tears will fall from it.

Me: Yikes!

Babs Bunny: And this one is permanent, it can never be removed nor broken, it's permanent.

Lincoln: All curses can be broken, but only if we find a bit of light in the neverending darkness of his heart.

Plucky Duck: That'll never happen with someone like him. Nico may've forgiven him, but we don't, he caused us far too much chaos for the past nine years, and if he so much as does something that's goes beyond forgiveness like trying to ruin our lives, we swear we'll make him know what real pain is!

Sebastian Mendez: (HISSES)

We returned home, and Caleb Maxwell was looking out into the sky as the sun set and night had fallen.

Caleb Maxwell: The sun has set and night has fallen once again.

Then, another memory appeared in his head: it was from eight years ago, and he was out at night, it wasn't long after he found out Kendra was cheating on him with Drake, and she was still the same brat she was.

Past Caleb Maxwell: That spoiled brat! She betrayed me and to find out she cheated on me with that asshole ex-brother of mine, she doesn't deserve to even live another single day, she and her parents both deserve to die!

Suddenly, he sees The Hallowshade Bar, but he decides not to enter it.

Past Caleb Maxwell: No. As angry as I am, I can't drink my anger away, it'll cause me to lash out at Allie and Mom, in that way, I'd be no better than Drake.

Suddenly, Mabel Jensen and Junie came out and spotted Caleb.

Past Mabel Jensen: I thought we heard your voice, Caleb.

Past Junie: And we heard everything about what happened, you don't have to purchase a drink, but we can talk if you want.

Suddenly, Caleb Maxwell considered the words, and he went in as the memory ended.

Caleb Maxwell: That night..., that night led me to also meeting Mabel, Junie, and the patrons at The Hallowshade Bar, and due to it, I was able to talk about everything and my heart became lighter as a result. (Sighs) But, at least, everyone from the Hallowshade Bar was brought back, and we can have those old talks from back then once again.

Me: Lets head back to Kadic and tell everyone the good news.

Nico: Right.

We were off.

We later arrived back.

Me: WHEW! Guys it's over! XANA IS GONE FOREVER!

EVERYONE CHEERED WILDLY!

Nico: J.D.'s virus and the GoldenEye system did it!

Qin: YEAH!

Mr. Delmas: On behalf of Kadic, I'd like to thank you all.

Zavok: It was nothing.

Me: That was so awesome!

General Schwarz: This victory was a little bittersweet since Franz Hopper is still gone.

Samon Shakekisutanchin: But hey, XANA's dead and everyone knows about the whole thing!

Nico: Yep.

BlackWarGreymon: That's still good news.

Dodgeball Wizard: Let's continue on with the reunion!.

Me: Good idea!

Nico: Yeah! Great job today everyone!

Jeremie: (To the viewers) Now that XANA is gone, the world will be much safer than ever.

Me: Yep.

We had a great reunion at Kadic and later went back home and went to sleep.

THE END

Another awesome fanfic done.

NOW We've officially seen the last of XANA and he will never hurt anyone again.

REVENGE OF THE HARVESTER

THE HARVESTER IS BACK FOR REVENGE

In the early morning hours at 1:35 AM, Lincoln had a dream, and he saw four figures hiding out and living on the streets of Lagos, Nigeria. But, there were no ordinary four figures, they were Soul Sweetie, daughter of Lincoln's future wife, Blossom Z. Roughneck Rumble, daughter of Lincoln's future wife, Buttercup Z. Melody Bubbles, daughter of Lincoln's future wife, Bubbles Z. and Vanessa Loud, daughter of Lincoln's future wife, Flare Corona. Lincoln woke up from the dream, but he wasn't the only one, Blossom Z, Buttercup Z, Bubbles Z, Flare Corona, Fira Loud, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Blossom Z: And it also means that we found out where our kids are at.

Me: There at Lagos, Nigeria.

Nico: Oh god, no! that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

As we were about to go to Lagos, Nigeria, to rescue Soul Sweetie, Roughneck Rumble, Melody Bubbles, and Vanessa Loud, then suddenly, there was a knock at the door.

Buttercup Z: (Groans and went to the door) Who would that be in the middle of the night? We have an importing mission to do.

Buttercup Z opened the door and a tall and muscular humanoid fire dragon who has red scaly skin, long ruddy orange wings, has two eyes; the right has a blue dragon-like eye while the left is a golden eye, white hair and beard, and sharp teeth. He has three large horns on each side of his forehead and sharp ghost-like claws. He wears blue dragon-theme armor with orange flame textures. He wields two swords called The Fire Swords of Justice. And A beautiful adolescent mermaid who has fair skin, red lips, long flowing thick pink hair with yellow streak, and large aqua blue eyes. She has a pink horizontal fish-like tail with sea-pink scales and seafoam green fins. She wore a pink sea armor. She wields her Trident of the Sea. They were Alpha Prime and Lady Shanty.

Alpha Prime: Are you Momoko, Kaoru, and Miyako, Heroes of New-Townsville? and Flare Corona, the Fire Hair Master?

Bubbles Z: Uh... Yeah?

Alpha Prime: My name is Alpha Prime, Wielder of the Fire Element.

Lady Shanty: And I'm Lady Shanty, Wielder of the Water Element. And do these kids belong to you four?

The four kids whore with Alpha Prime and Lady Shanty, was a beautiful 13-year-old young girl who has fair skin, pink eyes, and long ginger hair with white streaks held back in a ponytail with a red ribbon. She also has a pair of pinkish vampire wings on her back. She wears a white shirt with Fire and Water Element symbols on the middle and pink and red striped sleeves, denim pants, and shades of pink sneakers and white socks. A slender but muscular 13-year-old tomboy girl who has light skin, left white eye and right yellow eye with green irises, and short black hair with white streaks that is styled in a spiky bob with a full fringe. She also has some crimson tattoo marks. She wears a green sleeveless sporty jacket with an Earth Element Symbol on the back, a yellow short-sleeved v-neck undershirt with light green trim, green pants with black linings, and green slip-on sneakers. A young and slim 13-year-old girl has fair skin, blue eyes, and platinum-blonde hair in two pigtails and a neat curved fashion. She wears a pink winter denim blazer with a fur collar and an Air and Life Element Symbols, a blue sleeveless dress with frill at the edge of her dress skirt, white knee-high socks, and black Mary Jane flats. And a 16-year-old young girl who has fair skin, green eyes, and dark red hair that goes down to her waist. She wears a black long sleeved shirt, brown parts with belt pouches, And dark brown knee-high boots with high-tech wheels resembles roller skates. They were Soul Sweetie, Roughneck Rumble, Melody Bubbles, and Vanessa Loud.

When Blossom Z, Buttercup Z, Bubbles Z, and Flare Corona saw them, they were stunned.

Flare Corona: (Stunned) How did you find them?

Lady Shanty: Found in Lagos, Nigeria.

Blossom Z, Buttercup Z, Bubbles Z, and Flare Corona ran up to Soul Sweetie, Roughneck Rumble, Melody Bubbles, and Vanessa Loud, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Fira Loud, and Black Alpha.

Me: Thanks, Lady Shanty and Alpha Prime.

Lady Shanty: Anytime, J.D.

Alpha Prime: (to Lincoln) Do you have something to say to the girls?

Lincoln: Of course. (to Soul Sweetie, Roughneck Rumble, Melody Bubbles, and Vanessa Loud) There's something you should know, Momoko, Kaoru, Miyako, Flare, your mothers are one of my many future wives..

Soul Sweetie, Roughneck Rumble, Melody Bubbles, and Vanessa Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Soul Sweetie, Roughneck Rumble, Melody Bubbles, and Vanessa Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Soul Sweetie, Roughneck

Rumble, Melody Bubbles, and Vanessa Loud to the rest of his siblings, who are now her aunts. We were proud of what Lincoln, Alpha Prime, and Lady Shanty did in reuniting Blossom Z, Buttercup Z, Bubbles Z, and Flare Corona with their kids, and Soul Sweetie, Roughneck Rumble, Melody Bubbles, and Vanessa Loud now has a loving, strong, brave, and caring father in their life. As well as Alpha Prime and Lady Shanty join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes.

Liam woke up to see Rapidash staring at him

Rapidash: Morning Liam.

Liam: Oh howdy Rapidash.

Rapidash: Time for breakfast.

Liam: Oh boy!

He went and got dressed and went to the table and we were having bacon and eggs and ham.

Liam loved to piling on the protein.

Me: This is awesome.

Twilight Sparkle: Feels great to be back in Ponyville.

Qin: It sure does.

Camie: We've had so many awesome adventures here.

Laney: We sure did.

Varie: Yeah we sure did and they were all fun.

Applejack: Boy howdy we sure did.

Lola: Yep.

Boomer Kuwanger: I agree there too.

Nico: Boomer Kuwanger, I want to thank you, Gumbald, and your teams for coming.

Boomer Kuwanger: Thanks Nico. And it will be awesome.

Lola: Yeah!

Nico: It sure will be.

Han: I agree too.

Nico: Han, what do you like to do in your free time?

Han: I teach my techniques as sensei of the Steam Style.

Me: Cool! It's use of steam in ninja techniques.

Xenia: Yep.

Han: That's right. As the 5-Tails Jinchuriki I can do that.

Qin: That is amazing.

Nico: That's a good job to have

Han: I agree. It's good to teach what I know.

Me: I agree there too.

Qin: Yeah.

Sissi: WHEW! Man what an adventure yesterday.

Brynja: (Icelandic Accent) But we are all now finally rid of XANA forever.

Me: Thank goodness!

Brynja: Is no one gonna give me credit for fending off the possessed people with the others?

Me: You, Sissi and Milly and all the staff unaffected by XANA did a great job Brynja.

Qin: Yeah!

Sissi: Thanks guys. Wow! And the Red Team did good too.

Me: They sure did. Wow!

Laney: We made sure that all traces of XANA from the world forever.

Camie: Good riddance.

Me: Yep.

Eddy: Now we just have to give Jim a new phone?

Me: Don't worry i used my money and gave everyone who had their phones destroyed new ones,

Nico: Awesome.

Eddy: That's good.

Me: Yep.

Nico: Good use of GoldenEye.

Me: Yeah. That was so awesome.

Lola: Yep.

Eli: It was awesome how bro made that portable nuclear football for it.

Me: Figured it would be awesome to bring it with me whenever needed.

Nico: Good idea.

Brittney: Yumi you must be really glad that XANA is gone forever.

Yumi: Oh I sure am Brittney. Now I can rest easy.

Me: We all can. So can the world leaders and everyone.

Nico: And so can William.

Maria: That is for sure.

Me: Yep. Ironic isn't it. XANA was hiding out in Northern Siberia in Russia and we used a Russian weapon system to destroy it.

Nico: That is another thing we must give Russia credit for. But it was cool.

Lola: Yep.

Gumbald: We'll make sure Crimson Dynamo, Titanium Man, and KGBeast get credit

Me: And all our Russian teammates.

Lola: Yeah.

Nico: Either way, XANA is now gone for good.

Lola: Yeah.

Camie: Thank goodness.

Eli: And XANA will never return again.

Me: Nope. GoldenEye and the Black Abyss made sure that all traces of it were erased forever.

Nico: Yep.

Qin: Thank goodness.

We walked around Ponyville.

Me: So far Ponyville is doing great.

Applejack: It sure is.

Qin: I agree.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Equestria, but here's the dangerous part: it appears that sore loser Svengallop is back for revenge on Coloratura for ruining him.

WE GASPED!

Nico: That sore loser who turned Coloratura into something she's not?!

Me: I thought we wouldn't see him again.

Lincoln: And that's not the worst part, Svengallop also wants revenge on you and Applejack for exposing him for his manipulative nature.

Applejack: That no good ornery varmint.

Me: Should've known that was also coming. Well, then, he's going to be sent to The M.O.E.

Nico: Cool.

Camie: Who is Svengallop?

Me: He was Coloratura's manager that got her into the world of Pop Star music. Like how Doug and Michelle tried to get Luna to be like that.

Lincoln: I remember that.

Me: Yeah. I remember Svengallop. It's how me and the Knights of the Friendship Table first met Coloratura and Applejack told us how they went to Friendship Camp together and became great friends. Also while that was going on, we exposed him and got him blacklisted from ever being manager to anyone again.

Nico: Wow!

Coloratura: But, not before I make him pay for what he did.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and the Midnight Princesses have resurrected the Feydooms, and sent them after us.

Lincoln: Are you kidding me? Morgana, why you little...?

Me: Lincoln, what's wrong? Oh no, who did Morgana bring back now?

Lincoln: She and her minions have brought back the Feydooms from Yumeria.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico opened his mouth wide, and his skeleton came out.

Qin: It's been two years since we last dealt with them, and Morgana brought them back?

Nico put his skeleton back.

Nico: I hate it when that happens. Lincoln, I hope you absorb the Faydooms and send them to The Black Abyss.

Lincoln: Leave that to me.

Suddenly, the rest of the team arrived thanks to Lincoln's telepathic message.

Ed Cowart: We got here as soon as we could.

Lori: I can't believe Svengallop is back, and that Morgana also brought back the Faydooms. When Mikuri and the others found out, they immediately mobilized.

Lincoln: The Faydooms are going to regret coming back.

We also saw Poromon and the Mascots also looking nervously.

Poromon: Uh..., Sebastian, you're still not that pissed off at my prank accidentally going off and splattering you with pig's blood, are you?

Sebastian Mendez: Oh no, no I'm not anymore.

We sensed it was a lie, and we know Sebastian's still pissed, and he's gonna go after them again in the way when Sandy and SpongeBob ran away from The Alaskan Bull Worm.

Me: (GULP)

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles)

Lincoln: (Flexes his massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Svengallop) AHA! Gotcha! I just spotted Svengallop, he's 20 yards away, and he's really out to get revenge on Coloratura, Applejack, and you, J.D. (Sensed the Faydooms) And I just spotted Morgana's next line of puppets.

Nico: Let's take that loser down and tear those Faydooms limb from limb.

Erza heard a Pokemon Cry.

Erza: Look here.

We saw a Mega Aegislash!

Me: Whoa Mega Aegislash!

Xenia: Wow!

Me: Poor thing is hungry.

Mega Aegislash: Yeah I'm starving.

We gave it some food and apples.

Mega Aegislash: Thank you.

She ate them.

Erza: You want to come with us?

Mega Aegislash: Sure!

Me: Cool! You won't regret it.

Nico: Stay close to us.

Me: Yep.

Then we heard a roar and in the sky we saw RAYQUAZA!

Me: WHOA! Rayquaza!

Nico: What's that doing here?!

Qin: It might be one of Sonya's teammates!

Lightning Dust: Let me see.

She used her Telepathy and then gasped!

Lightning Dust: Thats Shadow Lightning! My sister!

Me: WHOA! We better help her!

Me and Lightning Dust flew up to her.

Lightning Dust: Shadow! It's me Lightning Dust! Remember!?

She roared!

Me: Uh oh!

She fired a powerful Hyper Beam Blast and we dodged it.

The blast hit the ground outside the town and then...

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: WHOA!

Qin: Powerful!

Me: She's not going to listen!

Lightning Dust: Lets stop her!

Me and Lighting Dust fired lightning blasts and electrocuted her.

She roared again!

Me: This will stop her!

I snapped my fingers and she reverted back and was a girl with black hair, golden eyes, green angel wings and had Rayquaza in the middle of her forehead and had a black and purple version of Lightning Dust's Cutie Mark on her arm.

Me and Lightning Dust grabbed her and wrapped her in a blanket and brought her over to a bench and we sat her down.

Me: There.

Lightning Dust: Wow! That was close.

She woke up.

Shadow Lightning: (Groans) What?

Lightning Dust: Sis? Are you okay?

Shadow Lightning: Lightning? (GASP) Lightning Dust!

They hugged.

Shadow Lightning: I'm so glad you are okay.

Lightning Dust: Me too.

Shadow Lightning: I heard about how you were kicked out of the Wonderbolts and I'm sorry about that.

Lightning Dust: It's okay Shadow. I got kicked out because of my recklessness.

Me: It's like how we were back in the old days because of Dark Orb Contamination.

Shadow Lightning: Oh man.

Nico: I guess asking you how you know Lightning Dust would be silly.

Shadow Lightning: Yeah. I'm Lightning Dust's twin sister. I was born 2 minutes after her.

Lightning Dust: Me and Shadow were known as the Thunderbolts of the Eclipse. Before she went to train in The Shadowbolts with Princess Luna we were called that. I wanted to be just like her in the Wonderbolts.

Me: Wow that is cool.

Soarin: I can tell she has a lot of potential.

Nico: Yeah.

Me: You were turned into a Rayquaza by the evil organization Dark Gale.

Shadow Lightning: (GASP) I remember!

She was strapped to a table wearing a sea foam green body suit and she was injected and she busted out and turned into RAYQUAZA! She busted out of there.

FLASHBACK ENDS

Shadow Lightning: It was awful.

Me: I know.

Nico: What's your role in Sonya's team?

Shadow Lightning: I'm the Night Lightning master. Watch.

She held out her hand and fired a blast of pitch black lightning and it hit Zig who was coming for Marina and electrocuted him brutally!

Lana: WHOA! That is powerful lightning!

Me: Nice shot!

Shadow Lightning: I was born with powerful Night Lightning Powers. They are lightning that's black and purple.

Me: Wow! That is amazing.

Shadow Lightning: It's how I got the name Shadow Lightning.

Me: That is fitting and cool.

Qin: Yep.

Me: What's your role outside the team?

Shadow Lightning: I go to Crystal Prep Academy and work on my studies for school.

Me: Awesome!

Indigo Zap: Glad one of our fellow students is alright.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new clothes and they were sea foam green clothes.

Shadow Lightning: Wow! I look awesome!

Lightning Dust: You sure do sis.

Qin: Yeah.

Lightning Dust: Wanna join the Shadow Bolts with me?

Shadow Lightning: I sure do. But only if they are in Team Loud Phoenix Storm.

Lightning Dust: They are!

Shadow Lightning: Then I'm in!

Qin: Cool!

Nico: Awesome. Lets get a move on.

We then took off into the air and we set out to take down Svengallop and send him to The M.O.E. and destroy the Faydooms and send them to The Black Abyss.

We were flying in the air, and we spotted our target: the disgraced Svengallop.

Lincoln: There you are, you disgraceful excuse for a music manager.

Lincoln fired many orbs of elemental energy and magic with Alicorns, Earth Ponies, Pegasi, and Unicorns orbiting from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Svengallop and they hit him and he got hit badly, and that pissed him off as we landed, and when he saw Coloratura, Applejack, and me, he was even more pissed off.

Coloratura: I should've known you'd show up here again, Svengallop.

Me: Strange seeing you here in Ponyville.

Applejack: You just don't even know when to quit, do you, you low-down no good snake in the grass!

Svengallop: This is all your fault! If you both hadn't gotten in my way, I would've been rich!

Me: You're just like that music-hating jerk, Doug.

Qin: YEAH!

Lincoln: You deserved to be humiliated and disgraced forever for what you did to Coloratura.

Me: That is for sure!

Xenia: Yeah!

Lola: And it's gonna hurt really bad!

Andy was starring at him.

Svengallop: (to Andy) What're you staring at, wimp?

Andy Johnson: Just mad that you hurt my sister's friend!

KRABLAM!

Rodney bashed Svengallop on his head from behind with a dented stop sign!

Nico: Nice one!

Qin: OUCH!

Lola: Yeah!

Rodney: NO ONE CALLS ANDY A WIMP!

Me: Especially to someone that loves Applejack!

Svengallop had a NASTY LUMP on his head.

Qin: OUCH!

Me: Also here is some good music.

(I RAN (SO FAR AWAY) BY A FLOCK OF SEAGULLS PLAYS)

Me: (SINGING DIVINELY AS FIRE AND PHOENIXES SWIRLED AROUND ME)

… I walked along the avenue

I never thought I'd meet a girl like you

Meet a girl like you

With auburn hair and tawny eyes

The kind of eyes that hypnotize me through

Hypnotize me through

… And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

… A cloud appears above your head

A beam of light comes shining down on you

Shining down on you

The cloud is moving nearer still

Aurora borealis comes in view

Aurora comes in view

… And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

… Reached out a hand to touch your face

You're slowly disappearing from my view

'Pearing from my view

Reached out a hand to try again

I'm floating in a beam of light with you

A beam of light with you

… And I ran, I ran so far away

I just ran, I ran all night and day

And I ran, I ran so far away

I just ran, I couldn't get away

I danced and fired waves of fireballs and blasted him all over the place.

Qin: OH YEAH!

Nico: Love that song!

Lola: So awesome!

Svengallop: Is that all you got?!

Me: I'm just getting started.

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

A Total Solar Eclipse formed in the sky as light and darkness swirled around me.

Me: (SINGING DIVINELY AS LIGHT AND DARKNESS SWIRLED AROUND ME)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

I dance and fired waves of light and darkness and blasted him all over the place with it.

Qin: OH YEAH!

Xenia: That was awesome!

Shadow Lightning: That was a great song!

Lightning Dust: It's one of the songs that made The Rainbooms so fun and popular!

Nico: OH YEAH!

Svengallop: Mediocre.

Me: Oh like you are any better.

Nico: How about this one?

(BEDS ARE BURNING BY MIDNIGHT OIL PLAYS)

Australia and Uluru formed with lightning striking around us.

Nico: (SINGING DIVINELY AS SPIRITS OF AUSTRALIA SWIRLED AROUND HIM)

* * *

Out where the river broke

The bloodwood and the desert oak

Holden wrecks and boilin' diesels

Steam in forty-five degrees

The time has come to say fair's fair

To pay the rent, to pay our share

The time has come, a fact's a fact

It belongs to them, let's give it back

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

Nico floated and fired waves of energy and blasted him all over.

Nico: OH YEAH!

Sheila Eingana: (Australian Accent) RIPPER MATE! I love that song!

Xenia: YEAH!

Me: My dad danced to that song all the time years ago.

Nico: RIGHTEOUS!

Mega Aegislash charged at him and slashed him all over.

I never had something that I can't walk away from

Well, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience

There's something 'bout you, girl, I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you

All the in between is killing me

You know I come unglued from missing you

Sunset eyes, no, I don't have to try

Because you know exactly what to do

I never had something that I can't walk away from (walk away from)

LUCCA OF CHRONO TRIGGER! KONAN THE ANGEL OF THE RAIN BESt MATCH!

(SEND ME AN ANGEL BY REAL LIFE PLAYS)

Light shined down and fire and angels swirled around them.

Lucca and Konan: (SINGING DIVINELY AS FIRE AND LIGHT SWIRLED AROUND THEM)

Do you believe in heaven above

Do you believe in love

Don't tell a lie don't be false and untrue

It all comes back to you
Open fire!
On my burning heart
I've never been lucky in love
My defences are down
A kiss or a frown
I can't survive on my own
If a girl walks in and carves her name in my heart
I'll turn and run away
Everyday we've all been led astray
It's hard to be lucky in love
It gets in your eyes
It's making you cry
Don't know what to do
Don't know what to do
You're looking for love
Calling heaven above
Send me an angel
Send me an angel
Right now, right now
Empty dreams can only dissapoint
In a room behind your smile

But don't give up,

Don't give up

You can be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now.

They floated and fired waves of light and fire and blasted him all over.

Qin: OH YEAH!

Camie: Love that song!

Me: Me too!

Svengallop: I'm still standing!

Me: Well then how about this one then? Time for a little history.

Lincoln: Starting with this one.

(THE HIGHWAYMAN BY LOREENA MCKENNITT PLAYS)

Lightning and darkness swirled around him.

Lincoln: (SINGING DIVINELY AS DARKNESS SWIRLED AROUND HIM)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moon

A highwayman came riding

Riding, riding

A highwayman came riding, up to the old inn-door

He'd a french cocked hat on his forehead, a bunch of lace at his chin

A coat of glaring velvet, and breeches of brown doe skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a chill and a twinkle

His pistol butts a twinkle

His rapier hilt a twinkle, under the jeweled sky

And over the cobbles he clattered and clashed in the dark of night

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a long dark red love-knot into her long black hair

One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply, and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way

He rose upright in the stirrups, he scarce could reach her hand

She loosened her hair in the casement, her face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight!

Then he tugged at his rein in the moonlight, and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise of the moon

When the road was a gypsy's ribbon, looping the purple moon

A red-coat troop came marching

Marching, marching

King George's men came marching, up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement, with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see, through the casement

The road that he would ride

They had tied her up to attention, with many a sniggering jest

And they bound a musket beside her, with the barrel beneath her breast

Now keep good watch and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

She writhed her hands 'til her fingers were wet with sweat or blood!

They stretched and strained in the darkness and the hours crawled on by like years!

'Til, now, on the stroke of midnight

Cold, on the stroke of midnight

The tip of one finger touched it!

The trigger at least was hers

Tlot-tlot! Had they heard it? The horse-hoofs ringing clear

Tlot-tlot, in the distance, were they deaf that they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence, tlot, in the echoing night

Nearer he came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Her finger moved in the moonlight

Her musket shot her in the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed, with her head o'er the musket, drenched with her own red blood

Not 'til the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Watched for her love in the moonlight, and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white rope smoking behind him and his rapier brandished high

Blood-red were the spurs inthe golden moon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway, with a bunch of lace at his throat

Still of a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon, tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moon

The highwayman comes riding

Riding, riding

The highwayman comes riding, up to the old inn-door

He fired waves of horses made of lightning and blasted him all over.

Me: OH YEAH!

Svengallop: What was that!?

Me: It was a song based on the poem called The Highwayman. It takes place during the American Revolution in England during the 18th Century. In 18th-century rural England, tells the story of an unnamed highwayman who is in love with Bess, a landlord's daughter. Betrayed to the authorities by Tim, a jealous ostler, the highwayman escapes ambush when Bess sacrifices her life to warn him. Learning of her death, he is killed in a futile attempt at revenge ("so they shot him down on the highway, like a dog upon the highway"). In the final stanza, the ghosts of the lovers meet again on winter nights.

Svengallop: Wow.

Qin: That was amazing.

Xenia: Yeah. Sad too.

Hunter: (German Accent) Ja! Und also here is this one.

(THE ATTACK OF THE DEAD MEN BY SABOTON PLAYS)

OSOWIEC FORTRESS FROM 1915 FORMED AND WE WERE IN THE BATTLE DURING THAT TIME!

Hunter: (SINGING DIVINELY AS CHEMICALS SWIRLED AROUND HIM)

Turmoil at the front

Wilhelm's forces on the hunt

There's a thunder in the east

It's an attack of the deceased

They've been facing poison gas

7000 charge en masse

Turn the tide of the attack

And force the enemy to turn back

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men

Charge again

Die again

Two combatants spar

Hindenburg against the Tsar

Move in 12 battalions large

Into a Russian counter-charge

They'll be fighting for their lives

As their enemy revives

Russians won't surrender, no

Striking fear into their foe

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men

Charge again

Die again

And that's when the dead men are marching again

Osowiec then and again

Attack of the dead, hundred men

Facing the lead once again

Hundred men

Charge again

Die again

He blasted him all over the place.

Svengallop: What was all that!?

Me: That was what happened during the battle of Osowiec Fortress. Back on August 6th, 1915, during World War I, Germany attacked a fortress in Poland occupied by Russia. They bombarded the fortress with Chlorine Gas and ended up killing many Russian Troops. But the German troops were all poisoned big time by their own weapon and it had them rise as dead men. Russia won that battle back then and it brought us into the age of Chemical Weapons.

Nico: Yep.

Camie: WOW! That was scary.

Me: Yep.

Svengallop: Oh goodness! Scary!

Me: It was.

Nico: That was awesome!

Svengallop: What was that!?

Me: The Night Witches. The 588th Air Division of Russia back during World War II. Yevdokiya Bershanskaya And her team Serafima Amosova and Yevdokiya Rachkevich all used the cover of the darkness of the night and bombed the hell out of land soldiers on the Taman Peninsula during 1943.

Nico: Yep.

Ace and Bugs: (SINGING DIVINELY)

Let's all Square Dance! Places, all! Bow to your corner! Bow to your own!

Three hands up and round you go!

Break it up with a dosey doe.

Chicken in the bread pan, kickin' out dough.

Skip to ma Lou, my darling!

The old lady out, you pretty little thing!

Promenade around the ring!

Big foot up and little foot down!

Make that big foot jar the ground!

Lady step back and two gents in!

Back you go and forward again!

Step right up with an elbow swing!

Skip to ma Lou, my darling

Allemande left with the old left hand!

Follow through with a right-left grand!

Meet your honey with a great big smile!

Promenade Indian style!

Promenade across the floor!

Sashay right on out the door!

Out the door and into the glade,

And everybody promenade!

Step right up! You're doing fine.

I'll pull your beard! You pull mine!

Yank it again like you did before!

Break it up with a tug o'war!

Now into the brook and fish for the trout!

Dive right in and splash about!

Trout, trout, pretty little trout –

One more splash and come right out!

Shake like a hound dog! Shake again!

Wallow around in the ol' pig pen!

Wallow some more! You all know how.

Roll around like an ol' fat sow!

Allemande left with your left hand!

Follow through with a right-left grand!

Now leave your partner, the dirty ol' thing!

Follow through with an elbow swing!

Grab a fence post! Hold it tight!

Whomp your partner with all your might!

Hit him in the shin! Hit him in the head!

Hit him again! That critter ain't dead.

Whomp him low and whomp him high!

Stick your finger in his eye!

Pretty little rhythm, pretty little sound –

Bang your heads against the ground!

Promenade all around the room!

Promenade like a bride and groom!

Open up the door and step right in!

Close the door and into a spin!

Whirl, whirl, twist and twirl –

Jump all round like a flying squirrel!

Now don't you cuss and don't you swear!

Just come right out and form a square!

Now right hand over and left hand under,

Both join hands and run like thunder!

Over the hill and over the dale –

Duck your head and lift your tail!

Don't you stray and don't you roam

Turn around and promenade home

Corn in the crib pen, wheat in the sack!

Turn your partner and promenade back!

And now you're home. Bow to your partner. Bow to the gent across the hall. And that is all!

DARKNESS SWIRLED AROUND US AND DARKENED THE AREA!

Shannon, Brittney and Raven: (SINGING DIVINELY AS DARKNESS SWIRLED AROUND THEM)

Whether the throned monarch weareth the crown

Which I know not to his belongeth

Doth he hence the sceptre sway?

Seasoneth he justice?

Daresay I he doth not

Will he then use his sceptre as a wand?

Where doth sit my awe?

Trieth me conjure

Perchance a spell, a reptile, a sullied hound?

Is the gentle rain a quality of his?

I bethink this fro my thoughts, hitherto about this

I beheld to these words no tongue

Are the monarch's men his thralls or his servants?

Oft I waylay my tongue

Those of which are withal by my gnarled heart not heeded

Or doth the throstle sing more glee at daybreak than at twilight?

Brawl not my imp, nor my cherub, reserve my judgement

Crave not the sword when the bodkin fro ere thine is

That undiscovered country

Be that of calamity, be that of joy, be that of apathy

Tread not paths of new when those of old are far by an only single footstep

Walk, be it on the left, on the right

Be it the one which straightforward leadeth

The one of correct I have as until now not heeded any signs of

I have as until now not heeded any signs of

Dark storm clouds formed above us and lightning struck.

Shannon and Bonnie: (SINGING DIVINELY AS LIGHTNING AND DARKNESS SWIRLED AROUND THEM)

She sang for you last night, she heard you were calling

Yearning in tears a thousand times

Your spirit was floating, your spirit was searching

On a cloud of dreams

A moonbeam shines bright in the city of angels

Guiding the dreamers back to life

And they'll do the same every tomorrow

Till the pain subsides

Don't be scared now, close your eyes

She holds guard tonight

Go on forward, no remorse

Life will take its course

She danced with you last night so you will remember

All you have shared, the lifetime

The angels were watching and death will be waiting

Until the time is right

Don't be scared now, close your eyes

She holds guard tonight

Go on forward, no remorse

Life will take its course

Hold on to memories

See what lies ahead

Life will go on and we are one

With every step you take

Fallen asleep from our vanity, might cost us our lives

I hear they're getting closer

Their howls are sending chills down my spine

And time is running out now

They're coming down the hills from behind

When we start killing

It's all coming down right now

From the nightmare we've created,

I want to be awakened somehow

(I want to be awakened right now!)

When we start killing it all will be falling down

From the Hell that we're in

All we are is fading away

When we start killing...

We've been searching all night long but there's no trace to be found

It's like they all have just vanished but I know they're around

I feel they're getting closer

Their howls are sending chills down my spine

And time is running out now

The screams have gone

Too many have fallen

Few still stand tall

Is this the ending of what we've begun?

Will we remember what we've done wrong?

Nikiya and Eliza: (SINGING DIVINELY AS ANIMAL SPIRITS SWIRLED AROUND THEM)

If you leap awake

In the mirror of a bad dream

And for a fraction of a second

You can't remember where you are

Just open your window

And follow your memory upstream

To the meadow in the mountain

Where we counted every falling star

I believe the light that shines on you

Will shine on you forever (forever)

And though I can't guarantee

There's nothing scary hiding under your bed

I'm gonna stand guard

Like a postcard of a Golden Retriever

And never leave 'til I leave you

With a sweet dream in your head

I'm gonna watch you shine

Gonna watch you grow

Gonna paint a sign

So you'll always know

As long as one and one is two

There could never be a father loved his daughter

More than I love you

Trust your intuition

It's just like goin' fishin'

You cast your line and hope you get a bite

But you don't need to waste your time

Worryin' about the market place

Try to help the human race

Struggling to survive its harshest night

I'm gonna watch you shine

Gonna watch you grow

Gonna paint a sign

So you'll always know

As long as one and one is two

There could never be a father loved his daughter

Light and fire swirled around them.

Runo and Dan: (SINGING DIVINELY AS FIRE AND LIGHT SWIRLED AROUND THEM)

Many times I tried to tell you

Many times I cried alone

Always I'm surprised how well you cut my feelings to the bone

Don't want to leave you really

I've invested too much time to give you up that easy

To the doubts that complicate your mind

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

Maybe it's a sign of weakness when I don't know what to say

Maybe I just wouldn't know what to do with my strength anyway

Have we become a habit? Do we distort the facts?

Now there's no looking forward

Now there's no turning back

When you say

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

Close your eyes and try to sleep now

Close your eyes and try to dream

Clear your mind and do your best to try and wash the palette clean

We can't begin to know it, how much we really care

I hear your voice inside me, I see your face everywhere

Still you say

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

Lincoln: And you Faydooms better get out here, there's nowhere for you to run.

We then saw our secondary targets: The Faydooms, and they were mad and furious.

The Faydooms rushed at us to attack, but Mikuri and the others blasted them and knocked them all down. Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chests of the Faydooms, and one by one, he began absorbing them and he and all of us assimilated their powers, strength, and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and he retracted his tails and the stingers changed back, nothing was left of them and he banished them all to The Black Abyss.

Coloratura: Okay, I think you guys have done enough damage to him, and now, it's my turn.

Suddenly, Coloratura's moderate opal eyes turned moderate opal, and she was surrounded by a dark grayish indigo, dark indigo and moderate opal energy aura with stars, music notes, soundwaves, magic, Alicorns, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Svengallop, she left dark grayish indigo, dark indigo and moderate opal energy, stars, music notes, soundwaves, magic, Alicorns, phoenixes, and angels with every step.

Coloratura: Even after all this time, I still can't ever forgive you for turning me into something I'm not, and on top of that, you exploited me for your own selfish personal gain. That is truly inexcusable, and for that, I'm going to make you pay for all of your selfish actions, Svengallop.

Suddenly, Coloratura was surrounded by a massive vortex of dark grayish indigo, dark indigo and moderate opal energy with stars, music notes, soundwaves, and magic surrounding the vortex, there are Alicorns, phoenixes, and angels flying around the vortex, and in the vortex is a light aquamarineish gray phoenix with blood red eyes glaring at Svengallop: the blood red eyes of eternal judgement.

Me: WHOA!

Applejack: Hoowee! Coloratura's about to transform and let that greedy varmint have it.

Nico: His greedy actions have finally caught up to him.

Lincoln: But, he'll be working under Vypra after this: the opposite of Doug who's now being humiliated forever after we took him down and exposed his darker actions.

Then, as the vortex faded, Coloratura emerged, but she was changed forever.

Coloratura grew to 8'5" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large dark grayish indigo, dark indigo and moderate opal planets planets orbiting around her legs and she has fifteen smaller dark grayish indigo, dark indigo and moderate opal planets orbiting around her waist, she has the body of a goddess, she has moderate opal highlights in the bangs of her long dark grayish indigo and dark indigo hair with moderate opal highlights and moderate opal phoenix fire ombre streaks on the back and she now has a large gold halo in the center with gold angel wings on the bottom behind her head with indigo music note-shaped gems embedded in it and four large orbiting gold rings on each corner with embedded indigo music note-shaped gems in them, she has neon moderate opal eyes and a dark grayish indigo, dark indigo and moderate opal energy aura with stars, music notes, soundwaves, magic, Alicorns, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all the elements swirling around it, she has an Alicorn surrounded by a phoenix and angel emblazoned on her forehead and Third Eye with pink iris, she has on Alicorn earrings with moderate opal gems for eyes and holding the Star, Music, God, Xelnaga, and Eternity Kanjis in its hooves, she also has an Alicorn with moderate opal gems for eyes and holding the Star, Music, God, Xelnaga, and Eternity Kanjis in its hooves on the bottom of her dark indigo Alicorn-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with dark indigo crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi with dark indigo gems in the gold lightning bolt links and she has on a white and gold accented Elemental Dragon Choker of Eternal Love on her neck. Suddenly, Coloratura felt a sharp pain on her back, and then, massive light aquamarineish gray angel wings with dark grayish indigo, dark indigo and moderate opal tips on the large light aquamarineish gray feathers grew and sprouted out of her back with a wingspan of 50'0" and medium sized light aquamarineish gray angel wings with dark grayish indigo, dark indigo and moderate opal tips grew and sprouted out underneath her massive light aquamarineish gray angel wings with a wingspan of 40'0" and small sized light aquamarineish gray angel wings with dark grayish indigo, dark indigo and moderate opal tips grew and sprouted out underneath her medium sized light aquamarineish gray angel wings with a wingspan of 30'0" and another set of light aquamarineish gray angel wings with dark grayish indigo, dark indigo and moderate opal tips grew and sprouted out underneath the small sized light aquamarineish gray angel wings with a wingspan of 20'0" and another set of black light aquamarineish gray angel wings with dark grayish indigo, dark indigo and moderate opal tips grew and sprouted out underneath the new light aquamarineish gray angel wings with a wingspan of 10'0" and her dark grayish indigo and dark indigo tail with moderate opal highlights grew larger and longer and she now has a light aquamarineish gray horn on top of her head, Coloratura has on a Ring of The Phoenix with moderate opal gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps Ring on her left finger and rainbow Thunderbird wedding ring on her left pinkie and Stone of Gelel embedded in her left hand, and she has on white fingerless gloves with an Alicorn, phoenix, and angel on them and she has gold-plated armor on her fingers and gold dragon claws covering her fingers and smaller planets orbiting around her fingers like rings and she also now has medium sized dark grayish indigo, dark indigo and moderate opal planets orbiting around her wrists and ankles.

Suddenly, Coloratura's massive greatsword and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of dark grayish indigo, dark indigo and moderate opal energy, stars, music notes, soundwaves, magic, Alicorns, phoenixes, and angels, and when it emerged, it was transformed into Coloratura's True Cosmic Eternal Harmony Melodious Song Soundwave Magic Friendship Alicorn Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Melodious Song Soundwave Magic Friendship Alicorn Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded dark indigo gems and the cutie mark of Coloratura etched on the 8'5" massive, wide, double-edged gold blade, large gold Alicorn heads with dark indigo gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large dark indigo gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold Alicorn heads with dark indigo gems for eyes and on the bottom of the large gold Alicorn heads is a large gold Alicorn head with dark indigo gems for eyes and dark indigo gem in its mouth for the pommel, Coloratura has on his new large gold Bracers of The Champions of The Universe with dark indigo gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on the left gold Bracer, large gold Elemental Belt of Eternal Bravery with a gold Alicorn with moderate opal gems for eyes and dark indigo gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver and Crystal Saber holstered on his left hip. We were amazed by the transformation of Coloratura, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was gushing out blood, but when Svengallop saw it, he went mad with rage, but Coloratura fired a massive barrage of dark grayish indigo, dark indigo and moderate opal energy, stars, music notes, soundwaves, magic, Alicorns, phoenixes, and angels which hit Svengallop and sent him flying into a tree, he got back out, but boy, was he angry now!

Lincoln, Coloratura, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Svengallop, and we fired extremely powerful blasts of rainbow energy, dark grayish indigo, dark indigo and moderate opal energy, black and blood red energy, white and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Svengallop and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot him multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Coloratura, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really making Svengallop even angrier than ever.

Suddenly, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings spread out even more as a ring of rainbow energy with Alicorns surrounding the ring appeared above his head along with three sets of red energy chains around the red ring and formed into a field that hit Svengallop.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It's over, Svengallop, your days of exploiting Coloratura for your selfish gains end here.

Then, Lincoln's massive white angel wings and four other sets of large white angel wings underneath his massive angel wings fired chains of rainbow energy that bound Svengallop.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Svengallop and a cluster of rainbow, white, and blue heavenly flames exploded out behind him, then, Lincoln formed a massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now...

Lincoln attacked him with two powerful energy slashes, and then...!

Lincoln: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Demon Dragon Mermaid Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Godly Universal Mythological Harmony United Friendship Elemental Thunderbird Alicorn Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope,

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) THIS IS THE END!

Lincoln did one final powerful energy slash that hit Svengallop hard, and then, a massive explosion erupted as the red energy chains exploded into pieces, and Lincoln landed and Svengallop was now on his last legs and he was really really mangled.

Me: (Divine Echoing Godly Voice of The Universal Mythological Cosmic Eternal Harmony United Friendship Elemental Phoenix Vampire Werewolf Demon Dragon Mermaid January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Cosmic Eternal Harmony Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) JUMPING JACKRABBITS!

Then, Lincoln tied him up in a red energy straitjacket and beamed him to The M.O.E. HQ. Everyone cheered wildly as we holstered our weapons and we powered down and Coloratura's new body, clothes, weapons, jewelry, 28th Century backpack, Third Eye, longer and larger dark indigo grey and dark indigo tail, large gold halo with four orbiting large gold rings behind her head, fifteen large dark grayish indigo, dark indigo and moderate opal planets orbiting around her legs, fifteen smaller dark grayish indigo, dark indigo and moderate opal planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized dark grayish indigo, dark indigo and moderate opal planets orbiting around her wrists and ankles, and massive light aquamarineish gray angel wings and four sets of light aquamarineish gray angel wings underneath her massive light aquamarineish gray angel wings are permanent.

Shadow Lightning tried to walk but fell down

Shadow Lightning: WHOA!

FWOMP!

Shadow Lightning: Ouch.

We helped her up.

Lightning Dust: You okay?

Shadow Lightning: Yeah. Still not used to walking.

Me: No worries.

Nico: Nice job Mega Aegislash!

Mega Aegislash: Thanks Nico!

Poromon: Want some beer?

Mega Aegislash: Oh no thank you. I don't drink.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poliwag: Sorry.

Nico: Boomer, what do you like to do in your free time?

Boomer Kuwanger: I'm a Ninja Dojo master and I teach how to be a ninja.

Qin: Cool!

Xenia: That is awesome.

Lola: Yep.

Nico: That's a great job.

Boomer Kuwanger: It sure is.

Me: Yep.

Nico: And next time, if we see you doing this again, we are seriously going to tie you up and run you out of town on a rail!

Lincoln: Easy, Nico, with what Vypra's going to do to him, he'll be on his best behavior.

Poromon: He deserved it.

Suddenly, the Mascots saw Sebastian looming over them, and the sclera of his eyes turned dark red and his midnight blue eyes turned bright red and he had a demonic wide smirk on his face and his teeth turned into ugly sharp fangs.

Poliwag: He's still pissed off at Poromon's prank accidentally going off and covering him in pig's blood, right?

We nodded.

Poromon: Oh nuts.

Manaphy: Figures. (FREAKS OUT AND YELLS AT THE TOP OF HER LUNGS) RUN FOR YOUR LIVES!

SEBASTIAN LET OUT A DEMONIC ROAR AND OPENED HIS MOUTH WIDE ENOUGH AND HE TRIED TO BITE THEIR HEADS OFF, BUT THEY SPRINT AWAY QUICK, AND SEBASTIAN LET OUT ANOTHER ANGRY DEMONIC ROAR AND HE UNHOLSTERED HIS GREATSWORD AND CHASES AFTER

THEM!

Poliwag: So, what's the plan, Poromon?

Poromon: (Looks back and see that Sebastian is approaching fast) Run faster!

Manaphy: With how he's trying to catch up to us, we need to run even faster than that.

Horsea: Hey, wait, we were right, weren't we?

Poromon: Later!

Tentacool: You knew Sebastian was still that pissed off at you, isn't he?

Poromon: Not now, Tentacool.

Mevya: We wanna hear you say it!

Poromon: Can we talk about this another time?

Poliwag: Say it!

Poromon: Poliwag!

Poliwag: Say it, or I'll trip you! (Has his tail poised to trip Poromon)

Poromon: No! Get away!

Poliwag: Say it!

Poromon: Not now!

Poliwag: Say it!

Poromon: Okay! You were right, Sebastian was still pissed that my prank accidentally went off and covered him pig's blood yesterday. Are you happy now?

Poliwag: (Smirks) I knew it.

Sebastian let out another demonic growl prompting the Mascots to run even faster as they all let out a scream, they run up and down a mound of Earth, which Sebastian plows through and cuts it in half with his greatsword.

Then, they run past a pedestrian, who is leaning over under his car's hood, and his butt was bandaged up for what happened yesterday, and Sebastian who let out another demonic roar passes by and inadvertently slashes him on his butt, wounding him once again!

Unnamed Pedestrian: Not again!

Poliwag: Uh, Poromon?

Poromon: Yeah?

Poliwag: What do we do now?

Poromon: (Panting and sweating, and Sebastian roars demonically again, and he sees the seemingly endless trees in front of them) (Gets an idea) I've got it! Poliwag, you got a paper clip and a string?

Poliwag: Got it.

Poromon takes them and fashions them into a rope and hook. Then, he uses the hook of the paper clip to wrap around one of the trees and they grab on to Poromon and they swing up and over the branch.

Poromon: YEE-HAW!

THEY LAND ON THE RAMPAGING SEBASTIAN'S BACK!

Poromon: Now, this is what I call a rodeo! We'll be nice and safe up here!

Nico: RIDE 'EM, COWBOY! YEE-HAW!

Maria: Okay, this is way too hilarious! The Mascots are the cowboys and cowgirls, and Sebastian is the rampaging bull!

Sebastian Mendez: (ROARS DEMONICALLY)

But, they weren't safe for long, Sebastian was starting to plow into a ravine like a runaway train as a whistle blows.

Mascots: (SCREAMS IN TERROR)

The Mascots ran and jumped to the safety of the plateau as Sebastian falls into the ravine.

Manaphy: We did it!

Poromon: Yay! He'll never get out of there!

We ran up to the Mascots.

Me: Thank God, you all are alright.

Poromon: That was actually a lot of fun.

But, then, Sebastian turned into a rising mist of darkness and got out of the ravine and then, he landed right in front of us in anger.

Sebastian Mendez: (DEMONIC ANGRY VOICE) POROMON!

SEBASTIAN WAS APPROACHING POROMON WITH ANGER AND MURDER IN HIS EYES, BUT HE WAS UNAWARE OF A ROCK THAT MANAPHY PUT IN HIS PATH, AND THEN...!

CRACK!

HE JAMMED HIS TOE INTO THE ROCK!

Sebastian Mendez: WOO! WOW! OH! (HOPPING ON ONE FOOT) OH, MY (DOLPHIN CHIRPS) FOOT! WHAT (DOLPHIN CHIRPS) GENIUS PUT A (DOLPHIN CHIRPS) ROCK IN A (DOLPHIN CHIRPS) PATH! CAN'T YOU SEE I GOT A (BOAT HORN NO. 1) FOOT HERE! OH! (SEAL BARK)!

SEBASTIAN THEN CONTINUED SAYING A BUNCH OF SWEAR WORDS CENSORED OUT BY SEAGULLS, FOGHORNS, SHIP BELLS, AND VARIOUS OTHER AQUATIC ANIMAL CALLS AND NAUTICAL NOISES!

At the same time, Lincoln and Lily were counting the swear words he uses.

Lincoln: Five, six, seven...

Sebastian Mendez: AND A WHOLE LOT OF (BOAT HORN NO. 3) WITH A SIDE OF (DOLPHIN CHIRP), AND A HEAPING HELPING OF (BOAT HORN NO. 4), AND A BOATLOAD OF (BOAT HORN NO. 5)

Lily: Nine.

Sebastian Mendez: AW, (SEAL BARK, SEAGULL SQUAWK) GRABBIN'... (SPONGEBOB'S ALARM CLOCK BLARES, CRIES OUT IN PAIN!)

Lincoln: (Cuts to his ten fingers and three of his eleven massive and long white wolf tails) That's all 13, Lily!

OUR JAWS DROPPED TO THE GROUND!

CLANG!

ELI CLOSED OUR JAWS!

Caleb Maxwell: THAT'S IT! (Pounces on Sebastian and they get into a fight cloud) I'LL SHOW YOU WHAT HAPPENS WHEN YOU OPEN YOUR BIG FAT MOUTH AND LET OUT A STORM OF SWEARS! HOW ABOUT A LITTLE MANNERS AND DISCIPLINE UPSIDE YOUR FAT HEAD, YOU MUSHU PORK BRAIN! I'LL MAKE GRAVY OUT OF YOUR BACKBONE, YOU BIG SACK OF GARBANZO BEANS!

We busted out laughing.

Then, Caleb Maxwell got off Sebastian who got tied up, and he was really mangled and had a bar of soap in his mouth.

Manaphy: He's still at it?!

Me: Sebastian?

Manaphy: Who else?!

Me: Oh lighten up it was an accident. Poromon accidentally spilled pigs blood on him by mistake.

Qin: Yeah!

Me: Also if you meant Zig too, he's not going to stop till he eats Marina.

Nico: Yeah

Manaphy: I'm also talking about Zig.

Me: I had a feeling. But like I said, he won't stop till he eats Marina.

Mevya: He's not the only one she needs to worry about!

Me: Gatomon, I know you're a cat Digimon but No eating Marina!

Gatomon (pouts): Fine! I'll just eat this salmon!

Gatomon ate it.

Me: That's better.

Lana: Yep.

Mevya: AND NO EATING ME!

Gatomon: I'm not gonna bother eating you. You tasted gross, remember?

Menya: Oh right.

Lana: If I see Zig one more time I'm gonna send him flying into a pool of Rotten Chum!

All of us: EW!

Qin: YUCK!

Me: That would smell horrible!

Nico: Yeah!

Plankton: There's an idea!

Eli: (Senses something) HERE HE COMES!

He was running to us fast and laughing and was going at Marina!

Poromon placed a hole under him.

Zig fell into it.

CLANG!

Out came a cannon!

Lana: Now this will be fun! FIRE!

Lana pressed a button and then...

KRABANG!

It fired and he screamed as he flew and then in front of M.O.E. HQ was a huge pool of ROTTEN CHUM!

KRASPLAT!

HE LANDED WITH A MASSIVE SPLAT AND IT WAS AN ATOMIC CHUMPLOSION! HE WAS DRENCHED FROM HEAD TO TOE IN ROTTEN CHUM!

Nico: NICE SHOT LANA!

Poromon: YEAH! My cannon hole works!

Me: WOW! It sure does!

Poromon: I made that cannon hole out of inspiration from the cannons in Super Mario 64.

Me: Genius!

Qin: Yeah!

Nico: Nice, Poromon!

Poromon: Thanks.

Me: Wait you guys have a Chum Pool?

RTN Deidara: Yeah we use the rotten chum there to make fertilizer for our garden.

Me: That's an awesome form of recycling.

Xenia: It sure is.

Poromon: Zig is like Tom and Marina is like Jerry.

Me: And Sharko is like Spike too from Tom and Jerry. And also Hector the Bulldog.

Nico: Yep.

Qin: Awesome observation.

Marina: That is funny.

Lana: It sure is. And That also makes me like Hector too.

Qin: It sure does.

Me: Yep.

Poliwag: Hector isn't part of Tom and Jerry

Me: I know. But Hector defends Tweety the same way as Spike did from Tom and Jerry.

Poliwag: True.

Nico: Yep.

Qin: Both are still funny.

Lola: Yeah.

Me: Now for the next part of our rescue, The Anothers.

Nico: Yep.

Eli: (CONCENTRATES) WHOA! We got Another Gumbald, Liam, RTN Deidara, Universe 666 Dag, Universe 666 Oryx, Universe 666 Kamen Rider Odin and Pot Spider

Me: WHOA! Nice Dragon Roar!

Nico: That was our greeting. Also back in my high school days I made an awesome Dungeons & Dragons RPG Club and we were called The Sovereigns of Eberron.

Me: Cool!

Maria: Nico I didn't know you had a Dungeons & Dragons club back then.

Nico: You never asked about it.

Maria: Touche.

Me: And that is awesome. You girls are now Black Rock Triskelion, Cyclonic Ravager, Holocaust Disciple, Waterveiled Assassin, Storm Elemental, Tempest Elemental, Living Holocaust, Blood Elemental, Lightning Elemental, Mud Elemental, Ice Elemental and Cheese Elemental!

Cana Blood: We sure are.

Wendy Storm: The Elementals are some of our favorite monsters.

Sheila (D&D 1983): That is cool that you guys are all Dungeons & Dragons gene-slammers. Me and my friends went to Eberron.

Me: Long story on that but it was intensely awesome.

Bobby (D&D 1983): Yeah. But we had a great time there.

Lola: Yeah.

Nico: (Drools) And I love awesome cheese!

Me: (LAUGHS)

Catarina Gruyere: (LAUGHS) I know how much Nico loves his cheese.

WE LAUGHED.

Me: Yeah. By the way girls are the Another Gumbald and Liam friendly or hostile?

Yuki Hyozon: Friendly and they are awesome.

Me: Cool.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for Backup. (TURNS DIAL) SPARK FORCE!

She summoned Spark Mandrill, Don Flamenco, Buster McMuttmauler, Number 31: Embodiment of Punishment and Kugutsukai

Qin: YEAH!

Nico: And now, we wait.

Me: Yep.

But then...

Pat.

Me: GAH!

I saw a donut land in my hand.

Me: (EATING IT) Mmm! Chocolate. Is it raining donuts?

Nico: That is weird but awesome and cool.

But then...

XYLOPHONE SCALE DOWN!

NUMEROUS DONUTS RAINED AND BURIED ME IN A HUGE PILE OF DONUTS!

Homer: WOOHOO! DONUTS!

Lily: DONUTS!

Homer and Lily then ate many of the donuts.

Me: Boy this is a lot of donuts.

Nico: (Eating Strawberry Glazed) Mmm! Yummy!

Laney: Boy that is funny!

Pinkie Pie: (Eating Donuts) But they are good donuts!

Xenia: They sure are.

Poromon: But who's making them appear?

Lola: I think they are!

We saw Another Gumbald and Liam!

Me: WHOA!

Qin: The Anothers.

Another Gumbald: (In a girls voice) Like all my donuts?

Me: Dinah Donut! I knew it!

She reverted back and it was the Embodiment of Donut!

Dinah Donut: Awesome to see you again J.D.

Me: You too. Dinah is a donut chef and she makes billions of kinds of donuts.

Lily: WOW!

Homer: Mmm donuts. (DROOLS) Where have you been all my life!?

WE LAUGHED!

Me: Homer and Lily love Donuts and they are the Donut Gurus of the city.

Dinah Donut: (LAUGHS) I can tell they love all my donuts.

Me: Yep. Also she makes really awesome fruit punch too.

Gumbald: Like me too. And I am a bowl full of punch.

Me: Yep.

Nico: Who's your friend.

She reverted back and it looked like a female Liam!

Linka: LIA!

Lia Hunnicutt: LINKA!

They hugged.

Liam: GREAT HORNY TOADS! She is a female me!

Nico: Do you know her?

Linka: I sure do. She's from my universe. This is Lia Hunnicutt and she is the female version of Liam.

Jaime Diana: I'm so glad you're alright Lia.

Lia Hunnicutt: Me too Jaime. And it's great to see y'all again.

Linka: Same here.

Me: But it's awesome to meet you Lia.

Lia Hunnicutt: Same here.

Kaito: (gets out Shinkenger gear) Did Swartz promise you anything?

Zocks: (gets out Goseiger gear) Because we can grant it instead

Kaito and Zocks got Goseiger and Shinkenger weapons.

Dinah Donut: No he didn't. I gave him 10 days worth of donuts and he ate them and we ran.

Sakura Knudson: (LAUGHS) Swartz loved donuts as much as Homer does and HE HAD an insatiable sweet tooth.

WE LAUGHED!

Me: That is too funny!

Lola: (LAUGHS) Yeah!

Nico: That explains why me and Pain tasted donuts on him when we ate him.

Sougo (gets out Samurai Ridewatch): You should be proud of Linka.

Geiz (Gets out Basic Megaforce Ridewatch): She really has come a long way,

Sougo got SamuraiRedArmor and Geiz got BasicMegaforceRedArmor

Lia: Oh I am and that is so awesome.

Linka: It sure is.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (Gets out Gumbald's ridewatch) Want some punch?

May: (Gets out Universe 666 Dag's Ridewatch) Time to eat some cows!

Maria: (Gets out Universe 666 Kamen Rider Odin's ridewatch) I am the Embodiment of Wrath!

Han: (Gets Out RTN Deidara's ridewatch) This is something you would never thought I would say. MY ARE IS AN EXPLOSION!

They used the powers of Gumbald, RTN Deidara, Universe 666 Dag, Universe 666 Oryx, Universe 666 Kamen Rider Odin and Pot

Spider and blasted the Anothers down.

Me: That is something I never thought you would say Han. Also I've heard it a million fucking times.

Then Dr. Drakken, Pyrus the Lava Titan, Warclaw, Menardi, Sun Emperor and Damon (Broken Colors) then came.

Me: WHOA!

Nico: Nice team Drakken!

Dr. Drakken: Thanks Nico.

Nico:...it really has been a long time since we last fought, huh?

Drakken: It sure has.

Qin: Wow! No kidding.

Kim Possible: I'm glad you are behaving.

Drakken: I know.

?: That is good.

Then Tankmon and DemiDevimon came!

Me: Tankmon! And DemiDevimon!?

DemiDevimon: I'm actually the partner of this one here.

Tankmon: (In a girls voice) (German Accent) Ja und he is with me.

Nico: Bernadette Schmidt! Wow!

She reverted back and was a girl with blond hair, blue eyes, red, black and yellow clothes and red angel wings and had Tankmon on her forehead, skirt and shirt and had the Germany Coat of Arms on her arm and had a red Digivice and had a Red Sword.

Bernadette Schmidt: Awesome to see you Nico, ja. We got this. (ECHOING) HYPER CANNON!

DemiDevimon: (Echoing) BAT FLUTTER!

They fired a powerful missile and bats and blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Poromon: Hooray for tanks!

Lola: Awesome!

Me: Yep. Wow Bernadette you're one of Germany's Digidestined. I can tell because of Germany's coat of arms on your arm.

Bernadette Schmidt: Ja und it's great.

Me: It sure is.

Hunter: Wunderbar to meet one of Germany's Digidestined und a fellow German native.

Bernadette Schmidt: Und you too Hunter.

Me: And we didn't expect you to have a DemiDevimon as your partner Digimon. That is cool.

Bernadette Schmidt: It sure is.

Han: Do you have a favorite memory of Nico?

Bernadette Schmidt: Ja it's where me met. Me und Nico battled a bunch of IceDevimon running around in Berlin.

Nico: They were causing problems near the Brandenburg Gate and we were going to send them back home.

Me: WOW! So even Berlin was having problems during the International Digimon Skirmish.

Bernadette Schmidt: Ja und it was a great adventure.

Me: Wow.

Nico: Yep.

Nico and Bernadette hugged.

Nico: I've missed you.

Bernadette Schmidt: Same here Nico.

We then went back home.

Lincoln: Whoa, we're here in the world of Taboo Tattoo, and I know what we're going to do here, not only am I going to rescue the fifteen girls here, but we're also going to resurrect Touko Ichinose for Justice "Seigi" Akatsuka, and destroy Aryabhata and banish her to The Black Abyss and send her subordinates to the MOE after stripping them of their powers.

Nico: We've never been here before.

Me: It sure looks like it.

Lincoln: That's right, but I've been wanting to come here, I hated what Aryabhata did in killing Touko and breaking Seigi's heart. So, I'm going to bring Touko back and reunite her with Seigi, and kill that witch, Aryabhata, but her subordinates are going to be stripped of their powers and sent to Vypra.

Boomer Kuwanger: That's a good idea.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Sea Angel, she has a water greatsword in hand and with her are the fifteen girls.

Lincoln: (GASPS) Jasmine Westbrook, Gene-Slammer and Avatar of Marincess Sea Angel.

Jasmine Westbrook: That's right, and I got the girls away from Aryabhata, but we got to hurry to Seigi and the others, that witch has sent her subordinates after them.

Lincoln: Right.

We high-tailed it, and we saw Justice "Seigi" Akatsuka fighting Aryabhata's subordinates, and we landed in between them and Seigi.

Seigi Akatsuka: Team Loud Phoenix Storm?

Suddenly, Lincoln stabbed the tips of his eleven massive and long white wolf tails into the chests of Aryabhata's subordinates, and one by one, he began absorbing and assimilating their powers, strength, and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and he retracted his tails, all of Aryabhata's subordinates were left powerless and he sent them to The M.O.E.

Lincoln: Sorry for the surprise arrival, but when we heard that Aryabhata was running loose, we had to come. Plus, we know of what happened to Touko, and you need her back more than ever.

Lincoln snapped his fingers, and a heavenly light descended on the ground, and we saw Touko Ichinose come back from the dead.

Seigi Akatsuka: Touka?

Touko Ichinose: Seigi?

They hugged.

Nico: Now, that was really awesome, Lincoln.

Lincoln: We're not done yet.

?: (ENRAGED SCREAM)

We then saw our main target, Aryabhata, heading for us, and boy, was she absolutely angry.

Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them into the chest of Aryabhata and he began absorbing her and assimilating her powers, strength, and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

When Lincoln was done and he retracted his tails and the stingers changed back, nothing was left of Aryabhata except for her clothes and he banished her to The Black Abyss. We cheered as we holster our weapons and powered down.

Lincoln: Aryabhata, you are done running loose, may you suffer forever in The Black Abyss. (To Jasmine Westbrook) And it's so good to see you again, Jasmine.

Jasmine Westbrook: You too, Lincoln, it's been seven years since we last met.

Suddenly, Jasmine Westbrook had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, ten-pack abs, and stomach. When Jasmine Westbrook was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, ten-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

We snickered.

Jasmine Westbrook: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Jasmine Westbrook and hugged her, and Jasmine Westbrook is very surprised at just how much more taller, more handsome, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and even more massive white angel wings and four other sets of larger sized angel wings underneath with orange and aurora tips underneath his even more massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger white wolf ears with rainbow markings on his head, eleven massive and longer white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jasmine Westbrook: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'10" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a man with really massive and powerful upper and lower body muscles and ten-pack abs, and you still have those vampire fangs and massive white angel wings and medium sized white angel wings and small sized white angel wings underneath, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's ten-pack abs) And cut a rock into a diamond on those rock-hard ten-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Jasmine Westbrook, Gene-Slammer and Avatar of Marincess Sea Angel, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Sea Angel. She's the fourth youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Jasmine Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Jasmine kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Jasmine absolutely despises Chase Young with a blazing passion, not only for the 1,500 years of pain and suffering he'd caused to so many over the centuries, but also, when she found out that he was the one who turned Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the very monsters she and the other Guardian Angels absolutely despised, she swore to make him pay for everything! She was glad that Chase Young's Dark Side finally got The Black Gates, but when she found out of Anti-Monitor taking Xehanort's place and he brought back the 310 worst villains we'd dealt with and among them was Chase Young's Dark Side, she swore that if he ever returned from The Black Gates, she would make him pay once again by brutally thrashing him and making him suffer all the tortures he put Lincoln through.

Nico: You have no idea of how pissed off we were yesterday when Selene told us.

Me: Same here, if we ever see him again, we'll make him pay.

Lincoln: And like I said, I also intend to make him pay for making my life Hell by turning Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins into the monsters I hated years ago by hitting him with all the curses I've been creating combined into one and banish him to The Black Abyss, but not before making him endure all the tortures he subjected me to, and now that you're here, Jasmine.

Lincoln with his massive muscular arms still wrapped around Jasmine Westbrook leaned his head down the right side of Jasmine Westbrook's trapezius, and he slowly bit her and he fed on her blood, and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Jasmine Westbrook: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Jasmine Westbrook with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Jasmine Westbrook: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jasmine Westbrook.

Jasmine Westbrook had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Jasmine Westbrook's waist, and he leaned down to her face and kissed her on the lips, and with Jasmine Westbrook's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Jasmine Westbrook had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Jasmine Westbrook: (In Heaven) My God.

Then, we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them, the fifteen girls are Bluesy Fluesy, Universe 666 Aryabhata, Kujuri, Lisa Lovelock, Simulator Touko Ichinose, Universe 666 Iltutmish, and Universe 666 Kar Shekar from Taboo Tattoo, Tonbo Ooi from Tonbo, Towa, Tsumugi Tsutsumi, Hisui Tsuribuka, Sayuri Kagami, and Noeru Izumi from Studio Apartment, Good Lighting, Angel Included, Nono from Dragon Raja: The Blazing Dawn, and Nanaka Kirisato from Nanaka 6/17.

Seigi Akatsuka: I recognize Bluesy, Kujuri, and Lisa, and I never knew there was a Simulator version of Touko, or the Universe 666 versions of Aryabhata, Iltutmish, and Kar Shekar.

Nicole: Thank goodness Jasmine got them away from Aryabhata and her subordinates.

Lincoln: Aryabhata was a monster who kills anyone who gets in her way, so she had to die. Are you girls okay?

Tonbo Ooi: Yes, we're okay, thanks to you.

Noeru Izumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and four sets of larger white angel wings with orange and aurora tips on the large feathers spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Tsumugi Tsutsumi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Bluesy Fluesy, Universe 666 Aryabhata, Kujuri, Lisa Lovelock, Simulator Touko Ichinose, Universe 666 Iltutmish, Universe 666 Kar Shekar, Tonbo Ooi, Towa, Tsumugi

Tsutsumi, Hisui Tsuribuka, Sayuri Kagami, Noeru Izumi, Nono, and Nanaka Kirisato with colored gems embedded in the lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies. We returned home, and everyone was shocked to find out that the villain we went after was none other than Aryabhata.

But, when Lincoln showed what we did in meeting Seigi Akatsuka and Lincoln stripping the subordinates of Aryabhata of their powers and sending them to The M.O.E. and bringing back Touko Ichinose and us trashing Aryabhata and Lincoln using his Cell's stingers to absorb her and he sent her all to The Black Abyss and this time forever, everyone cheered wildly as everyone hugged us and Lincoln's harem kissed him, Lincoln and Jasmine Westbrook have a lot of catching up to do, now that she's back in town, and we welcomed Seigi Akatsuka, Touko Ichinose, and their allies to the team.

Maria: That witch definitely had it coming. Who does she think she is?!

Lincoln: And we went through one of the worlds where we hadn't left our mark before.

Nico: That's true, we hadn't left our mark on that world.

Me: Now, we have.

Caleb Maxwell: And we got rid of another dangerous enemy and sent her to The Black Abyss.

Eli: You got that right.

After Lincoln and all of us destroyed Aryabhata and sent her to The Black Abyss and stripped her subordinates of their powers and sent them to The M.O.E., we were training intensely in the gym, doing 900,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Jasmine Westbrook saw Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000.000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Jasmine Westbrook: My God, I was right that Lincoln's really grown into a 18-year-old, 9'10" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his ten-pack abs really hard at work, and really working out with those 900,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and in his human form, he also got one awesome tan, and he's also doing 900,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful

teachers, J.D. and Nico included, Jasmine, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Jasmine Westbrook: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Jasmine Westbrook: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long rainbow wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm rang, and when Lincoln checked the computer, he saw who it was that was causing havoc: the figures were Chiros, Starbreaker, and Perpetua, and bad news: they were brought back by Morgana Midnight Sparkle and The Midnight Princesses.

Lincoln: I can't believe her! Morgana, you lunatic!

Lincoln flew out of The World Tree Estate and he fired paralyzing energy blasts that hit Chiros, Starbreaker, and Perpetua. Then, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers and he stabbed them first into Perpetua's chest, and he began absorbing her, and he assimilated her Nigh Omnipotence added to his True Omnipotence, Regeneration, Telepathy, Immortality, Size Alteration, Reality Creation, Power Transferal, Superhuman strength, Multiversal Manipulation, Illusion Phasing, Charisma, Time Control, Energy projection, Teleportation, Pain Immunity, Dimension Travel, Cosmic Awareness, Cosmic Energy Manipulation, Spell Casting, and Magic and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, Lincoln was done absorbing Perpetua and he retracted his tails, nothing was left of Perpetua except for her dress.

Then, he stabbed his stingers into Chiros' chest and he began absorbing him and he assimilated his Superhuman strength, Superhuman stamina, Superhuman durability, Reality-manipulation, Pyrokinesis, Hypnosis, Telepathic communication with his minions, Extensive knowledge of magic especially of rituals pertaining to the Primal Stones, Immortality, and Magic and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, Lincoln was done absorbing Chiros and he retracted his tails, nothing was left of him.

Finally, he stabbed his stingers into Starbreaker's chest and he began absorbing him and he assimilated his Alien Physiology, Energy Absorption, Power Distribution, Bio-Fission, Dimensional Travel, Energy Projection, Energy Transference, Empathy, Illusion Casting, Immortality, Flight, Interstellar Travel, Size Alteration, Superhuman Reflexes, Superhuman Speed, Superhuman Durability, Superhuman Strength, Telekinesis, Chronokinesis, Telepathy, and Science Mysticism and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, Lincoln was done absorbing Starbreaker and he retracted his tails and the stingers changed back, nothing was left of Starbreaker except for his clothes, and he banished the souls of Perpetua, Chiros, and Starbreaker to The Black Abyss, and he came back to The World Tree Estate and continued working out.

Cage Blunt: Do these sorts of things always happen?

Nico: Not all the time though.

Me: There are times when villains show up to cause trouble when we're doing workouts, and it always ends with them getting The Black Gates.

Lincoln: But, with The Black Gates compromised, we're sticking with banishing the most dangerous villains to The Black Abyss, but for the least dangerous, it's off to The Black Gates.

Eli: If we face off against a massive group of thugs, you can bet we're throwing them in The Black Gates.

Lincoln: That'll be something I'm looking forward to doing to them.

6-Gigabytes, Warrior Wasp, Fearline, Beatrice Sagan, and Shiroi Nousagi A.K.A. Luna and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and ten-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It...was...so...AWESOME!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Himari Ichika A.K.A. Twist-O-Rama, Universe 666 Sundora, Megan Doom A.K.A. Female Doomageddon, Spring Summers, Minima Minuet, Celine A.K.A. Kitten, Roxanne "Roxy" Gothlington, Delilah Graves, Dental Mistress, Obsydia, Karina Admin, Jennifer "Jenny" Lockhart A.K.A. 6-Gigabytes, Warrior Wasp, Fearline, Beatrice Sagan, and Shiroi Nousagi A.K.A. Luna on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Himari Ichika A.K.A. Twist-O-Rama, Universe 666 Sundora, Megan Doom A.K.A. Female Doomageddon, Spring Summers, Minima Minuet, Celine A.K.A. Kitten, Roxanne "Roxy" Gothlington, Delilah Graves, Dental Mistress, Obsydia, Karina Admin, Jennifer "Jenny" Lockhart A.K.A. 6-Gigabytes, Warrior Wasp, Fearline, Beatrice Sagan, and Shiroi Nousagi A.K.A. Luna are in your harem, Linky.

Himari Ichika A.K.A. Twist-O-Rama, Universe 666 Sundora, Megan Doom A.K.A. Female Doomageddon, Spring Summers, Minima Minuet, Celine A.K.A. Kitten, Roxanne "Roxy" Gothlington, Delilah Graves, Dental Mistress, Obsydia, Karina Admin, Jennifer "Jenny" Lockhart A.K.A. 6-Gigabytes, Warrior Wasp, Fearline, Beatrice Sagan, and Shiroi Nousagi A.K.A. Luna showed the marks Lincoln made on the right sides of their necks.

Jenna: You guys had no trouble at all.

Roxanne Gothlington: Nope, not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us all swooning when he lifted thirteen massive 900,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long white wolf tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: (WHISTLES) Since when did he get THAT confident?!

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and Bubble Bass, Lewis Travolta, NO MA'AM, and Mindy stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lucy, Dora and Brittney's final mission.

Nico: Anyone else want to go with Dora, Lucy, and Brittney? Besides Hitoshi, Izuku, Matt, Nigel, Caleb, Eric, Martin, and Yan Lin?

Haiku: I'll go.

Amora: So will I.

Sakura Avalon: I will go too.

Cassidy: And me and my fellow guardians will go too.

Phoebe Vandom: Same here.

Me: Okay.

Lincoln: And my siblings too.

Qin: Awesome!

Me: Okay. Lets go!

We were off.

We arrived.

Phoebe: And we are Will and her friends sisters. I'm Phoebe.

Hayley: I'm Hayley Lair.

Emma Cook: I'm Emma Cook.

Nicole Hale: I'm Nicole Hale.

Xenia Lin: And I'm Xenia Lin.

Hay Lin: They go by P.H.E.N.X.

Lily: And I'm Lily.

Tara Duncan: WOW! Lucy you and Lincoln have a lot of siblings!

Lucy Loud: I know and we are an amazing family.

Me: Yes and their mom and dad both thought it would be cute if their names all started with the letter L. (Whispers to Cal) Their family has never been one that believes in Condoms.

Cal snickered.

Me: You met Haiku before.

Tara Duncan: I sure did.

Amora: Awesome to meet you. I'm Amora the Enchantress.

Sakura Avalon: And I'm Sakura Avalon, Sorceress of the Clow.

Tara Duncan: Wow! It's a pleasure to meet you all.

Sakura Avalon: Same here.

Izuku: You know those quirks J.D. and the rest have been using?

Tara Duncan: I sure do. I saw many of them in action. They are so cool!

Me: They sure are.

Izuku: Well I am from a world where we all have those.

Me: Izuku and his friends come from a world where 80% of the entire population was all born with their powers. It is amazing.

Eli: That was cool.

Hitoshi: It sure is.

Tara Duncan: Wow! That is awesome!

Hitoshi: And those Disk Animals came from my team

Me: Yep. Hitoshi and the Hibiki Riders are where they come from.

Tara Duncan: That is amazing!

Me: Yep. And we owe the Kamen Riders a massively huge debt.

Tara Duncan: What kind of debt?

Me: Ever heard of a terrible event called the 20 Days of Darkness?

Tara Duncan: You mean the worst days of your lives?

Me: Yep. The very same. From January 23rd to February 11th, 2021 we had to endure all that. The Kamen Riders from over the course of 50+ Years helped us durinig those times and we owe them big time for that.

Lynn: It's true and it was so awesome.

Lola: Yeah.

Me: Yeah and we owe the Riders big time.

Hitoshi: It's true. Many of us weren't present there but it was cool.

Tara Duncan: Also, we got the Mascot toys

They showed the toys.

Mascot toys: LOOK AT IT!

Cal: (LAUGHS) They are so funny.

Nico: (LAUGHS) Yeah they sure are.

Me: Glad you like the toys. We all think they are cool.

Laney: Yeah they sure are.

Lucille: Aye that they are lads.

Tara Duncan: Yep. Wow! Lucille you look like a carbon copy of Lucy.

Lucy: Lucille is my Scottish ancestor.

Nico: We learned a lot about Lucille and her family during one of MY Biggest moments to shine.

Me: Ever heard of the epic battle we had with Team Dark Phoenix Storm?

Tara Duncan: Oh yeah with the nuclear warheads and Morag and all that.

Me: Yep. Nico demonstrated supremely awesome leadership skills and he was ready for being promoted to leader.

Nico: It's true. Also we found out that the Loud Family had blood ties to Scottish Royalty. Their ancestors were royals. Until Morag's ancestor Aggie McLaughlin banished them by overthrowing them.

Lola: And all because she wanted some stupid peace and quiet from us!

Me: Trying to get the Loud's to be quiet is like trying to ask God to make it stop raining.

Tara Duncan: How petty can you get!?

Me: No shit! She was a monster!

Lucille: Aye she was and that's why if she comes back were going to kill her forever.

Eli: Yeah! That big assed bitch had it coming!

Tara: I think Poromon ate Mr. Mind

Me: Yes he did.

WE LAUGHED!

Nico: That was funny. He tasted like chicken.

Cal: That is funny.

Me: It sure is.

Tara: You know it's only a matter of time before the 4 bad guys that each of the mascots took down unite, right?

Me: You mean Officer X and their enemies right?

Tara: Yeah.

Me: Well we're gonna be ready for them.

Eli: Yeah. Anti-Monitor no doubt busted them out.

Me: Yeah.

Lana: If they touch our mascots me and Lola will bite their legs off like we did with Jo.

Lola: YEAH!

Tara Duncan: You bit off Jo's legs!?

Me: You know the Total Drama sore loser Jo right?

Tara Duncan: Yeah she was a nasty bitch!

Me: Yep. Lana and Lola did just that.

Nico: Yep.

Tara Duncan: Nice.

Nico: Anyway, how have things been here?

Tara Duncan: Well no Kamen Rider Monsters were sighted this time. This time it's one of my enemies. It's Evendor

She showed an image of him on her computer.

Brittney: Oh yeah. The spirits have told me all about him. He's an elf that is hellbent on revenge and he wants nothing more than to kill T'andilus M'angil for firing him.

Me: Great just what the world needs. A Disgruntled Employee.

Eli: Oh boy.

Brittney: Then we're going to have to kill him.

Nico: Where is he right now?

Eli: (Concentrates) He's heading to the park.

Me: Lets go get him. Oh Tara.

I gave her Legend Items of her own.

Tara Duncan: Awesome!

Nico: Lets go get that son of a bitch.

We were off.

We arrived.

Me: Here we are.

Hitoshi: Better get ready. Henshin.

He transformed and was ready!

Tara Duncan: Wow!

Me: Yep.

Tara Duncan: Wait can you even kill an Elf?

Me: Yes we can. We killed Immortal Beings before and I have the weapon that enables us to do so.

Nico: J.D.'s blood.

Me: Yep. You'll see it soon.

We walked on and then we saw him.

Me: There target at 9:00.

We saw EVENDOR!

Me: EVENDOR!

Evendor: Team Loud Phoenix Storm!

Me: You will not get your revenge.

Evendor: You will not stop me! I WILL KILL ANYONE THAT GETS IN MY WAY!

Me: Then you will die!

Evendor: You can't kill me! I'm immortal! I can't die!

Me: What a coincidence. Neither can I. But can you bleed?

Will Vandom: GUARDIANS UNITE!

We powered up and transformed!

Will Vandom: (ENERGY SURGES) THE HEART!

Irma: (WATER SPLASHES) WATER!

Taranee: (FIRE BURNS) FIRE!

Cornelia: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Megan: (STARS SHIMMER) SPACE!

Cassidy: (WATER SPLASHES) POWER OF WATER!

Halinor: (FIRE BURNS) POWER OF FIRE!

Yan Lin: (WIND BLOWS) POWER OF AIR!

Kadma: (VINES GROW) POWER OF EARTH!

Nerissa: (ENERGY SURGES) POWER OF THE HEART!

Phoebe Vandom: (ENERGY SURGES) LIGHT OF THE HEART!

Hayley Lair: (WATER SPLASHES) LIGHT OF WATER!

Emma Cook: (FIRE BURNS) LIGHT OF FIRE!

Nicole Hale: (VINES GROW) LIGHT OF EARTH!

Xenia Lin: (WIND BLOWS) LIGHT OF AIR!

We were ready!

Tara got out her Disk Animal and it turned into an Owl!

Tara: WOW!

It fired laser blasts and blasted Evendor all over!

Tara Duncan: Now lets see here.

She got out her Wonder Ride Book and it was called Tara Duncan, Maiden of the Spellbinding Nebula.

Tara Duncan: (Reads verse) "With the Power of the Jellyfish Nebula, Tara unleashed a powerful swarm of Nebulonic Jellyfish that packed the power of lightning unto her enemies and they struck them down with the power of Lightning."

An image of the Jellyfish Nebula appeared and numerous jellyfish came and they latched onto Evendor and then...

MASSIVE ZAP!

Me: OUCH!

Nico: WHOA! Nice one!

Tara Duncan: That was cool!

Me: Well done Tara!

Izuku got out his Disk Animal And it turned into a Dragon and it fired laser blasts.

Izuku: YEAH! Now watch this.

He got out his Wonder Ride Book and it was called Izuku of The Many Quirks.

Izuku: (Reads Verse) "With the might aura of Emerald Lightning ablaze, Izuku unleashed the powers of all the quirks he knows from his enemies and friends and blasted down his enemies with the righteous might of the heroes heart."

He flared up his Emerald Lightning and fired a massive energy blast and it formed into his friends and blasted Evendor all over!

Eli: Take that!

Hitoshi: Time for me to go Hibiki Kurenai

He transformed into said form and it was awesome.

He bashed Evendor all over.

Lola: YEAH!

Lori Loud: You literally are a terrible elf!

Lori and the Loud kids fired waves of wind, gravity, water, light, lava, darkness, lightning, leaves, ice, fire, gears and magic and blasted Evendor all over.

Laney: YEAH!

Me: We discovered this too. OWL NEBULA LIGHTNING STYLE NINJA ART: THUNDERSTRIKE OF THE NIGHT!

I formed the Owl Nebula and fired a massive blast of lightning and it formed into an owl and blasted Evendor all over with powerful force.

Tara Duncan: WHOA! Ninja Techniques combined with Quirks?

Me: Yep.

Hitoshi got out his Disk Animal and it was a dragon.

Hitoshi: I'm counting on you.

He had it flew and blast Evendor all over.

Lola: YEAH!

Hitoshi: Here is Nico's favorite.

Hitoshi got out his Wonder Ride Book called Hitoshi of Hibiki VS The Angry Chicken Hordes.

Hitoshi: (Reads Verse) "With the intense flavor of angry chickens covered in 11 herbs and spices and the hottest peppers in the world, the angry chickens marched on and blasted Hitoshi and he dodged the fire and then blasted the chickens all over and was eating them left and right with the powers of fire."

ANGRY CHICKENS WENT AT EVENDOR and blasted him with fire and Hitoshi blasted him with fire too and blasted him.

Nico: OH YEAH! That's my kind of power.

Xenia Lin: It sure is!

Yan Lin got out her Disk Animal and it was a fairy.

Yan Lin: Time for some wind.

Yan Lin got out her book and it was called The Wind Sky of Yan Lin.

Yan Lin: (READS VERSE) "Through the skies of the Earth, Yan Lin fired waves of wind and blasted her enemies as they were flying at her and blew them around in a powerful tornado of fury."

She fired a massive tornado and blasted Evendor all over the place.

Me: OH YEAH!

Evendor then got mad and he formed a sword of darkness and I unsheathed my sword and we clashed.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Sparks flew everywhere.

I kicked him in his face and he crashed into a bench and he got up and we clashed more.

Haiku charged at her and fired orange fire.

Haiku got out her Disk Animal and it was a hummingbird.

It flew at her and fired waves of fire and blasted her.

I fired the Antidote ray and injected her.

But then globs of red slime flew in and splattered all over Gloria.

A girl with red hair, red eyes, red clothes and red angel wings and had Bloodfire Ooze on her forehead, skirt and shirt and a red sword in her hands came and she had a nasty scar on her arm.

Nico: (GASP) Jeanne Shura!

Me: WHOA! The gene-slammer of Bloodfire Ooze!

Jeanne Shura: Yep that's right. I'll help you guys face her.

Nico: Thanks Jeanne.

Irma fired water and drenched Gloria.

Cornelia and Hay Lin fired waves of earth and wind and blasted her.

Will and Taranee fired waves of fire and lightning and blasted her all over.

We fired element blasts and blasted her.

Jeanne fired globs of slime and drenched her all over.

Nico: YUCK!

Eli: Nice one!

Then the Antidote ray took effect and she was back to normal.

Gloria Whampire: (Groans) I feel like I got hit by a train.

Eli helped her up.

Me: That was awesome!

Nico: Nice job!

Tara Duncan: YEAH! Wow!

Jeanne Shura: I agree there.

Nico: Another member of the Sovereigns returns.

Jeanne Shura: Yep. (DRAGON ROAR)

Nico: YEAH!

Me: Wow! So you're a member of the Sovereigns of Eberron.

Jeanne Shura: That's right. How did you know?

Me: We met 12 of them earlier this morning.

Jeanne Shura: Wow! That is awesome.

Me: It sure is. Do you have a favorite memory of Nico?

Jeanne Shura: I sure do. When me and Nico were at my family's meat processing plant and we found a bunch of hams being stolen by crooks and we brought them to justice.

Me: That is pretty silly. What would a bunch of criminals want with a bunch of other white meat?

Jeanne Shura: There was a massive bag of diamonds hidden in one of the hams.

Me: WHOA! That is crazy.

Nico: It was.

Nico and Jeanne hugged.

Nico: I've missed you.

Jeanne Shura: Same here.

Cal: That was so fun.

Tara: Lucy, ever since I met you, Brittney, and Dora, I've seen you girls as sisters

Lucy Loud: Really?

Brittney: We're so honored.

Dora Santiago: Same here.

They hugged and the Loud kids hugged them.

Me: Looks like the Loud Kids have another sibling.

Eli: They sure do.

We later went back home.

We arrived back home.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone about it.

May: Wow! That is cool!

Qin: It sure was.

Nico: Zipp Storm, you, Lightning Dust, and Lena Mack are next for ambassador missions

Zipp Storm: Aw yeah! This is gonna be awesome!

Lightning Dust: YEAH!

Shadow Lightning: Awesome sis! This will be so cool!

Me: Yeah!

Lena Mack: I agree there.

Me: Yep.

Later we were in the park relaxing and Zig went at Marina again and he laughed and had his mouth open.

Lana: DON'T EVEN THINK ABOUT IT!

She smashed his face in with a stop sigh.

KRABLANG!

Lana kicked him back to the M.O.E.!

Heidi Brad Wurst: Such a nice day.

Me: It sure is. Except for Zig going after Marina.

Zig appeared again and laughed and went at Marina.

Lana bashed him in his face and kicked him into a rock.

Lana: YOU STUPID REPULSIVE FLEABAG!

Zig laughed and went at Lana and she kicked him in his face.

Sonia Winston: He just doesn't give up!

Sharko: He has been trying to Eat Marina for so long. Since we were kids.

Nico: That is REALLY UNHEALTHY!

Camie: No kidding.

Zig laughed and went at Marina again and Lana smashed his face in with a rock.

Lana then kicked him in his face.

Me: He should know better than to take on the Most Powerful force in the entire universe. Including someone that loves all animals like children.

Qin: That is for sure.

Shenzi: He may be one of us but he definitely has some spunk.

Banzai: You got that right.

Ed (Lion King): (LAUGHING)

Banzai: It's not funny Ed!

Ed (Lion King): (LAUGHING HYSTERICALLY)

Banzai: HEY SHUT UP!

Thunderblast: Don't hyenas eat other foods?!

Shenzi: Yeah we sure do. And you know how we are. It's what hyenas do and we are never full.

Me: I wonder if the Joker's hyenas were like that.

Ed still was laughing and Banzai growled and jumped him.

Shenzi: WILL YOU KNOCK IT OFF!

Banzai: Well he started it!

Shenzi: Look at you guys! No wonder we're dangling at the bottom of the food chain.

Banzai: Man I hate dangling!

Poliwag put a trap next to Marina

Zig went at her and then...

CLANG!

A bear trap clamped onto his leg!

Lana then threw him far and then...

LOUD NASTY FARTS!

Me: He landed right into the Whoopee Cushion Factory!

WE LAUGHED!

Luan: Now that was a Gas! (LAUGHS) Get it?

WE LAUGHED HYSTERICALLY!

Zig then came back for more.

Nico: HE JUST WON'T QUIT!

But then...

ZIP!

He got trapped in a web cocoon!

Me: WHOA! Nice job Peter!

Spiderman: That wasn't me!

The Spiderman Counterparts shook their heads. Same with Venom and the Symbiotes.

We saw the Embodiment of Web Spider.

Winona Spider: Looks like you guys are having a little pest problem. Winona Spider, Embodiment of Web Spider at your service.

Lucy: Gasp! Good to see you again Winona.

Lars: Same here.

G1 Firestar: How did you meet Lucy and Lars?

Winona Spider: I met them at a coffin convention and showed them an amazing coffin called the Spider Body 5000. It was a coffin with spider legs.

Me: That is cool. Creepy but cool.

Winona Spider: Yep.

Me: Would you like to join us?

Winona Spider: (BATS ZIG AWAY) I would be honored.

Me: Awesome!

Kabuto: Hopefully, that's the last of Zig we'll see today

Me: Yeah one can only hope.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the main mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky

muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than Lincoln's old enemy, The Harvester, he's returned from the dead thanks to Anti-Monitor and he's on another bloody rampage. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, and this is someone we are none too pleased to see again: I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than my old enemy, The Harvester, he's returned from the dead thanks to Anti-Monitor and he's on another bloody rampage.

WE GASPED!

Qin: What the fuck?!

May: Of all the villains we've faced in the past, The Harvester is literally the bloodiest and most demonic ever.

Liam: Boy howdy, that varmint was the one who gave Lincoln those nightmares long ago.

Me: You got that right. But, we now have the chance to finally send that deranged monster to The Black Abyss forever. Where's he at, Lincoln?

Lincoln: At his abandoned farm in Kansas.

Me: Where we dealt with Dag and his pack.

Nico: And now, it'll be where The Harvester dies here and now. Alright, team, let's go, this is the final time we ever have to deal with The Harvester.

Lincoln: I've had it up to hear with him, this is where he dies here and now.

Liam: Yeah. He was lurking around my barn earlier. Now we can destroy him forever.

Qin: Good.

The previous group came.

Brick: Can me, my brothers, Baron Mordo, Chillyfish, Knightbrace, Zavok, Ben Ravencroft, General Schwarz, Samon Shakekisutanchin, BlackWarGreymon and Dodgeball Wizard go with you guys?

Boomer: Why do I get the feeling this is gonna be bloody?

Nico: And it's gonna be brutal. But yes you all can come with.

Boomer: All right!

Qin: Cool

Catzi: Nico, which Gene Slammer do you think you'll meet next?

Nico: Guardromon next.

Qin: Cool!

Lola: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and four sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a dark energy signal with their eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was the next of the dark nightmares that haunted Caleb Maxwell and brought to life by Morana Desdemona and her minions: Demon Blood Influenced Vessie Harris, and she's coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Cage Blunt: Lincoln, that figure we saw, that wasn't...?

Lincoln: I'm afraid so, Cage: the figure we saw was Vessie Harris' Demon Blood Influenced self, the next of the dark nightmares of Caleb Maxwell brought to life by Morana Desdemona, and she's coming after us.

Vessie Harris: Uh oh, and I know how she's linked to Caleb's nightmares: one night, as I was at the front desk, I saw a dark shadow slip past me and the security system, and then, it went into the holding cells where we kept a few Syndicate thugs. Then, I heard the sound of screams and gunshots, I headed down there with the rest of the squad, but when I opened the door, it was a mess, the thugs were shot dead and blood was all over the place, and we found casings for 15 mm bullets, and when the forensics came back, they were a match to Caleb.

Me: Jeez. So, he snuck past you and the security systems and murdered the thugs.

Nico: Oh boy.

Caleb Maxwell: I should've approached this in a better manner, but with my insane anger towards The Syndicate and me acting like a monster, that didn't go well.

Nico: Ooh, I can bet. Alright, team, let's go, today shall mark the end of The Harvester once and for all!

Lincoln: For far too long, that monster has harmed one too many innocent people and caused me nothing but nightmares for years, this is where he dies once and for all, and once we take down The Harvester, we're confronting the next of Caleb's nightmares.

Vessie Harris: The demons that haunted me since that night are coming to an end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the abandoned farmhouse in Kansas to finally end The Harvester once and for all, and after we take down and end The Harvester once and for all, Vessie Harris is going to face her Demon Blood Influenced self: the demons from the night she encountered Caleb Maxwell.

We were off to the Harvester's Abandoned farm.

We arrived.

Me: Here we are guys. This is where the Harvester used to live.

Camie: Yep.

Lola: Scary.

Chillyfish: Let's call Iron Lung.

Butch: Good idea!

We did so.

Iron Lung came.

Iron Lung: I'm here guys.

Qin: Awesome.

Nelson: I packed tomatos for snacks

Me: Great.

Qin: Cool.

Eli: This whole town was butchered by the Harvester. No one is left.

Camie: Yeah.

Marina: That's horrible guys!

Sharko: Yeah!

Ben Ravencroft: I know. It's disgusting

Candy: Yeah. (STOMACH GRUMBLES) UH OH!

SHE VOMITED ALL OVER LOLA!

Lola: (SCREAMS)

Rothar: You alright?

Candy: Thinking about gruesome scenes makes me sick to my stomach.

Maria washed off Lola.

Lola: Thanks Maria.

Maria: No problem.

CANDY HURLED HER GUTS OUT ONTO THE GROUND!

Samon Shakekisutanchin: Would some salmon help you feel better?

Candy: (VOMITS)

She hurled big!

Samon Shakekisutanchin: Whoa guess not.

Me: Lets let her try and get through this.

Taylor: I hope that monster hasn't killed anyone else

Me: No thankfully. I told everyone to stay inside with the doors and windows locked until we deal with it.

Camie: Good.

Taylor: Whew.

Me: Yeah.

Dodgeball Wizard: That's good news at least

Me: Yep.

Yuya: Uh who is the Harvester?

Me: Oh that's right. Here. This will help.

I showed the trailer on my phone.

Narrator: "He was a humble farmer until a drought ravaged his land."

[the farmlands have dried out and a tumbleweed passes by.] "Now, he's found a new crop..." [the farmer suddenly starts killing innocent victims with his scythe and harvesting their organs in a cooler.] "...human organs! He is...The Harvester! Opens this Friday."

[The title of the movie is bloodstained on the blade of the scythe]

Me: He was a farmer that went mad and was killing people left and right and taking their organs.

Yuya: That is sick!

Me: Yeah. Lincoln saw that movie and it scared the living shit out of him. Gave him REALLY BAD Nightmares.

Ace: And with no adult supervision.

Me: Yeah.

Lincoln: But I'm not going to let my fear control me anymore.

Qin: YEAH!

Nico: Lets go find the monster.

We continued walking and then...

SQUISH!

I stepped on A HUMAN BEATING HEART!

Me: YUCK!

Then we saw a NASTY NUMBERS OF HUMAN ORGANS AND BLOOD SPLATTERED ALL OVER THE GROUND!

Me: OH MAN!

Nico: He's been here already!

Me: GOOD GOD!

Lincoln had a premonition!

Lincoln: Wait! I know who did this. And it's not the Harvester. It's Liam's 2nd Akuma, FarmBlood! The 2nd Hypothetical Akuma of Liam and he is a farmer that is a bloodcrazed monster that kills people and eats them! He's a cannibalistic farmer that eats people like the Sawney Bean Clan did and it is GRUESOME! He was made when Liam's farm was turned into a mall by a couple of conmen and he vowed to kill them by any means and EAT THEM!

WE GASPED!

Lincoln showed a sketch and it was a farmer covered in blood and gore!

Viceroy: I don't even know the difference between him and the Harvester!

Me: The Harvester is more than just a serial killer. This guy is a cannibal!

Qin: OH SICK!

Me: He makes Jeffery Dahmer look like a saint.

CANDY HURLED EXPLOSIVELY!

Candy: (VOMITS BIG)

BlackWarGreymon: Where is he?!

Eli: Just follow the trail of organs.

We went and followed it and saw him! It was FARMBLOOD!

HE WAS EATING SOMEONES HEART AND LIVER!

Me: You are REALLY Disgusting!

FarmBlood: Glad you all came!

Agitos: Liam? Is that you?!

FarmBlood: Yep. But now I'm a cannibal. I killed all these monsters here. These organs are those of the men and women that took my farm and were going to.

Qin: Oh god!

Me: You are sick! How many did you kill?

FarmBlood: 5,213.

WE GASPED!

Me: You are more than sick, you are REALLY FUCKED UP!

CANDY VOMITED BIG TIME!

General Schwarz: You get one chance to surrender!

FarmBlood: NEVER!

Me: Then burn!

I fired a wave of fire and blasted him.

Iron Lung charged at him and blasted him down with wind.

I fired waves of lightning and electrocuted him.

I fired waves of energy and blasted him all over and knocked him down

Carmen: Is he down?

He was knocked out cold.

Me: Yep. He is out.

Camie: Good.

We beamed him to M.O.E. HQ

Qin: There.

Camie: Now to find the Harvester.

Mokuba: Now we only have one bloodthirsty monster left

Me: Yep. And it's gonna end badly for him.

Eli: Yeah. He's in the corn. Coming this way.

Zavok: You okay now, Candy?

Candy: (VOMITS)

Zavok: Guess not.

Me: Lets burn the corn.

I fired a wave of fire and incinerated the corn in a massive wall of fire. He screamed in pain!

Major Dr. Ghastly: That got his attention!

Nico: Yep. Entrance time!

We went at him.

In the middle of the charred corn field was THE HARVESTER! Then the spirits of the farm came and swirled around him and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out.

Me: Harvester your time has come!

Me and the Harvester then clashed! I clashed my sword with his scythe!

Knightbrace: You've killed your last person!

Harvester: I WILL NEVER STOP KILLING!

Me: You're a disgusting and sick freak!

I kicked him and knocked him down and jumped over his scythe and slashed him and cut his cheek!

Akira Nijino: This is your place to die!

Me: You've been dead for too long. Now you are going to be even more dead!

Camie: With a worse place than hell!

Me: Being forgotten!

Baron Mordo: Have some of this!

He fired mystic blasts and blasted the Harvester all over.

Then the Harvester slashed me across my cheek on my face with his scythe.

But I smirked!

My poisonous blood burned and disintegrated the scythe into nothing.

My wound healed.

Nico: WHOA!

Liam: YEEHAW!

Rapidash fired a wave of fire and blasted the Harvester.

Liam: YEAH!

Shadow Lightning: No! I control the power. It doesn't control me!

She reigned it in with the strength of her will.

Suddenly, we felt Liam's power and energy rising astronomically, and then...!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF LIAM WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE ICE PHOENIX, RAINBOW FIRE YUKI-ONNA, RAINBOW FIRE ANGEL, RAINBOW FIRE SEAL, RAINBOW FIRE MUSK OX, AND RAINBOW FIRE ICE DRAGON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE ICE PHOENIX, RAINBOW FIRE YUKI-ONNA, RAINBOW FIRE ANGEL, RAINBOW FIRE SEAL, RAINBOW FIRE MUSK OX, AND RAINBOW FIRE ICE DRAGON WENT BACK TO EARTH AND LIAM GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Liam was surrounded by a massive vortex of marine blue energy with stars, ice, snow, ice crystals, and snowflakes surrounding the vortex, there are musk ox, seals, ice dragons, phoenixes, angels, and a Yuki-Onna flying around the vortex, and in the vortex is an orange phoenix with blood red eyes glaring at The Harvester: the blood red eyes of eternal death and eternal judgement, and we saw heavenly lights shining down on the vortex.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a suddenly flurry of claw attacks.

Lincoln: (Catches the scent of blood) I knew there was no mistaking the scent of blood, you better get out here, Demon Vessie Harris, or we're forcing you out.

A figure came out, and it was none other than Vessie Harris' Demon Blood Influenced form: she looks exactly like her, but with black sclera and blood red iris.

Vessie Harris: So, you're here, and I got to tell you, honey, the demon look is not a good look.

Demon Blood Influenced Vessie Harris: You can't get rid of me that easily, I'm part of you.

Vessie Harris: Yes, you're a manifestation of the day I encountered Caleb, but this nightmare ends here and now.

Suddenly, Vessie Harris was surrounded by a very massive vortex of black and blue energy with stars, darkness, dark magic, black magic, Satanic Magic, and shadows surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a dark blue phoenix with blood red eyes with blue ring glaring at her Demon Blood Influenced self: the blood red eyes of eternal death and eternal judgement and the blue ring of understanding.

Vessie Harris: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Alright. Let's do this.

Vessie Harris, Cage Blunt, Travis Tackett, and James Blunt went after Demon Blood Influenced Vessie Harris, and they fired extremely powerful blasts of black and blood red energy, black and blue energy, stars, darkness, dark magic, black magic, Satanic Magic, blood, shadows, vampire bats, phoenixes, and angels at Demon Blood Influenced Buffy Blain, and they exploded with incredible power as they hit her. Then, they attacked her with their massive greatswords leaving painful scars on her, and they even scratched her with their gold-plated dragon claws and they smashed her all over the place with their superhuman strength, and it was making Demon Blood Influenced Vessie Harris even more enraged.

Demon Blood Influenced Vessie Harris: H-how?! How is this even possible?!

Caleb Maxwell: It's because Vessie wasn't weighed down by what happened back in the past, and I escaped that night long before she and the others came down to the cells.

Vessie Harris: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) That's right, and not only is Caleb no longer weighed down by that rage and hatred, I'm still continuing on with my dedication to the police and protecting everyone in need.

Demon Blood Influenced Vessie Harris saw it and smiled.

Demon Blood Influenced Vessie Harris: You made the right step in the direction you chose.

Suddenly, Demon Blood Influenced Vessie Harris faded away, but not before giving Buffy Blain a gift: her powers and abilities added to her own.

Vessie Harris: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Almighty Police Defender True Immortal Phoenix God Angel Hope) Rest in peace.

Vessie Harris, Cage Blunt, Travis Tackett, and James Blunt holstered their massive greatswords on their backs and powered down, and Vessie Harris' new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, large fifteen black and blue planets orbiting around her legs and fifteen black and blue smaller planets orbiting around her waist, smaller planets orbiting around her fingers like rings, medium sized black and blue planets orbiting around her wrists and ankles, longer dark brown tail, and massive dark brown angel wings and four sets of larger dark brown angel wings underneath her massive dark brown angel wings are permanent.

Me: That was a surprise, the battle didn't end with your Demon Blood Influenced self getting killed by you, Vessie.

Vessie Harris: That's right, just like Blunt and his old man, the captain, Carter, Jack, Roxy, Jazz, Casey, Cuffs, Buffy, and Tackett, my demon blood influenced self had merged with me after I finally made peace.

Caleb Maxwell: And with that, another nightmare ends here.

Me: You said it. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Lincoln: Ooh, I've got a good one: Marina Westbrook, Gene-Slammer and Avatar of Marincess Sea Star.

Adriana Westbrook: I knew it was her next, and you guys are going to love meeting her, Marina Westbrook is Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Sea Star. She's the fifth youngest sister of The Westbrook Sisters, and she's the water master of The Marincess Water Princesses. Lincoln met Marina Westbrook when she and the rest of the sisters came to Michigan, and she taught Lincoln really well in mastering the power of water, lightning, and the sea, and he also helped her and her sisters in protecting the marine life in the world's oceans, and he even showed them ocean planets with abundant marine life, and they also swore to protect those planets as well. Lincoln made her a water greatsword and necklace with a blue heart pendant, and to show thanks, Marina kissed Lincoln on the lips, and as a result, he promised that when he comes of age, he'll marry her along with his entire harem, and Marina absolutely despises Killjoy Huggins with a blazing passion, because of everything he's done to try and get rid of Lincoln, and she knew Anti-Monitor had also brought him back from The Black Gates, and she swore that she was going to rip him apart limb from limb if she ever, and I mean, EVER SHOWS HIS BALD TOUPEE WEARING MISERABLE HIDE AGAIN!

WE GASPED!

Nico: Oh shit!

Me: Oh man!

Eli: Damn!

Lincoln: She's not the only one who wants him to suffer: I also intend to make him pay for everything he's done to try and get rid of me.

Eli: It'll be a repeat of what you, Lily, your mom, and your Guardian Angels did last year when we went after him. You guys seriously tore him apart.

Lincoln: It'll actually be much bloodier than last year.

We returned home, and Caleb Maxwell was looking out into the sky as the sun set and night had fallen.

Caleb Maxwell: And so another day ends.

Then, another memory appeared in his head: it was from eight years ago, and he was out at night, but he was suddenly overwhelmed by a profound sadness.

Past Caleb Maxwell: Why is it that every day no matter what, I have to face more and more nightmares caused by my ex-brother and my ex-father and every night getting chased by those two vampires. When will this ever end?

Suddenly, his mark reacted and blood poured from his right arm. Then, he turned around and spotted Cage Blunt and Travis Tackett.

Past Cage Blunt: Contemplating suicide, are you? Now, what fun is that if our prey winds up killing himself?

Caleb Maxwell got out a knife.

Past Caleb Maxwell: Cage, Travis, stay back, I'm warning you!

Past Travis Tackett: Aw, how cute, you got a knife to defend yourself or are you going to use it to slit your own arms? Either way, killing yourself isn't going to make things better.

Then, Cage Blunt took his knife and threw it away.

Past Cage Blunt: Think carefully. Do you really think killing yourself will truly make anything better?

Past Caleb Maxwell: Well, it's obvious! Because, I can't keep dealing with...!

Suddenly, Cage Blunt and Travis Tackett grabbed Caleb's shoulders.

Past Travis Tackett: No, that's not the right answer, it'll only lead to more suffering to those all around you.

Cage Blunt and Travis Tackett left him as the memory ended.

Caleb Maxwell: Travis was right, killing myself wasn't going to make things better for me nor for anyone else. And Cage did me a huge favor getting the knife away from me, if he hadn't, I would've killed myself.

Bizarro: Bad riddance to good rubbish!

Goof: Um...I don't agree!

10,000 Volt Ghost: Now, he'll never haunt Lincoln again.

Grundy: Grundy happy to hear that!

Me: Thank goodness.

Dumbbelltron: Me too!

Dixie: This calls for a celebration!

Wilbur: But where can we go for it?

Me: No place here. This place was made a ghost town.

Camie: Lets head back home.

Nico: Good idea. Great job today everyone!

Xenia: Yeah!

Lincoln: (To the viewers) Now the Harvester is gone for good.

Me: Yep he sure is buddy. At least your childhood fears are done for.

Anna Anyanova: Yeah no kidding. Me and the guardian angels would have gone with Linky.

Me: You sure would have.

Qin: Yeah.

We went back home and had a great meal at Lynn's Table and went home and went to sleep.

THE END

Alright, and for tomorrow, the next match-up is Abby Smith VS. Demon Blood Influenced Abby Smith

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Yokai Academy, and we got another pervert busting mission: our targets are The Fan Club Coalition, the names of the members of this club are: Kozo Kasahara, who is a fan of Moka Akashiya, Kubasaki Nagai, who is a fan of Yukari Sendo, and Bosaburo Taira, who is a fan of Kurumu Kurono, but the problem is that they idolize these three respective girls too much to the point of obsession, and Lincoln's going to get really angry when he learned about this, especially what Kubasaki Nagai and Bosaburo Taira did: Kubasaki Nagai took a picture of Yukari without her noticing and Bosaburo Taira kept following Kurumu no matter where she went and he observed her all the time, and Lincoln's going to tell Kubasaki Nagai and Bosaburo Taira off for that, and we'll also tell off Kozo Kasahara as well. But, those three aren't going to take that lightly and turn into their monster forms, which are really ridiculous, and it'll be a huge mistake because Lincoln's going to turn into Lincoln the Nocturnal and those two are gonna piss their pants when they see Lincoln in his Lincoln the Nocturnal form, and he's going to let out the biggest and loudest wolf roar and send those two flying into a wall to make them get the point and lay off following Kurumu and Yukari, and we're also going to beat Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira up and make sure they finally get the message.

And we're going to meet Marina Westbrook, Gene-Slammer and Avatar of Marincess Sea Star, she's Lincoln's Guardian Angel from New York, and she's a powerful master of water, lightning, and the sea, and she's the Gene-Slammer and Avatar of Marincess Sea Star. Me: So this is where Matilda used to live.

Qin: Yeah.

Lola: I remember this place. And there's where the Wormwood's used to live.

We saw the house totally demolished and torn down.

Me: Torn down. Didn't want bad names to be remembered.

Camie: Yeah.

Xenia: Yeah jerks.

Lola: Yep.

Nico: Solar Man, I want to thank you, Drakken, and your teams for coming

Solar Man: No problem Nico. This will be fun.

Qin: Yeah!

Samantha Solar Flare: I agree there too.

Nico: Samantha, what do you like to do in your free time?

Samantha Solar Flare: I'm a Sun Astronomer. I show everyone what is going on with the sun.

Me: Cool!

Qin: That is awesome.

Me: It sure is.

Samantha Solar Flare: Yeah I show my research on solar flares and how they affect the atmosphere of planets like Earth.

Nico: That's an interesting job to have.

Me: It sure is.

Samantha Solar Flare: It is. But I use special magic to make me look at the sun in a miniature model and orb that shows me what's going on.

She formed the sun in her hand and it didn't make us go blind.

Me: Whoa!

Qin: So that's the sun.

Camie: Wow!

Nico: Amazing.

Samantha Solar Flare: Yeah it's amazing. And I can show it in different spectrum parts too.

She showed it in Ultraviolet, Gamma Rays, Infrared, Visible Light, X-Rays and radio waves.

Nico: Wow!

Qin: Very complex.

Lincoln: I agree.

Maria: Don't forget magnetic.

Nico: Yeah.

Samantha Solar Flare: I know. That is still amazing.

Qin: Yep.

Lola: Yeah. Linky are you glad the Harvester is now gone for good?

Lincoln: You wanna know something funny?

Nico: What?

Lincoln: I'm happy.

Laney: We are too.

Anna Anyanova: Same here.

Qin: Yeah!

Lola: That monster had it coming.

Rita: And Lincoln learned a huge lesson about going to horror movies like that on his own.

Lincoln: I sure did mom.

Nico: It's always good to have adult supervision

Me: That is for sure.

Nico: J.D. how come you never saw The Harvester?

Me: Well slasher films are not really my cup of tea. I'm into Science-Fiction Horror movies.

Nico: Oh.

Me: But to tell you the truth we all saw the Harvester last night and I watched it with everyone and it didn't scare me one bit.

Camie: That's good.

Nico: WOW!

Laney: Yeah we weren't scared at all.

Lincoln: At least he died in the end.

Vroon: How'd you talk me into watching with you guys?!

Me: Vroon we killed that monster for real so he's gone forever now.

Vroon: True. But still.

Me: We wanted to see what it was like in the screen.

Rita: Lynn was really scared.

Back at the estate, Lynn was whimpering and hiding under his bed in fright of the movie.

Nico: Poor messed up Mr. Lynn

Me: Yeah he's hiding under his bed like a frightened little kitten.

Qin: Yikes. It really scared him bad.

Me: He was like that when Lincoln showed the trailer.

Xenia: Yikes.

Camie: Oh man.

Nico: Poor guy. First The Hills Have Eyes and now The Harvester.

Qin: Yeah no kidding.

Juran: Boy those movies scared him bad.

Nico: Lets leave him alone for now.

Lana: Yeah dad will come around.

Rita: Yeah we helped each other before.

Me: Yeah.

Nico: I'll give him ice cream to make him feel better

Eddy: With jawbreakers.

Lana: And gummy worms.

Fu: Ino is gonna help him like she did the mascots.

Me: Good idea Fu. If anyone can help him it's Ino.

Nico: I'll get his favorite flavor.

Me: I remember he likes rocky road.

Qin: Cool.

Nico: Rocky Road it is.

Lily: I agree there.

Me: Lets focus on the rescue first.

Nico: Right.

Lincoln: Okay, gang, we're in for a huge battle for this rescue, we're here in Matilda's former home town, but here's the bad news: it appears our old enemy, Agatha Trunchbull, has returned from The Black Gates, and she wants revenge on Matilda, Jennifer, and us.

WE GASPED!

Me: WHAT?! THE TRUNCHBULL IS BACK!

Nico: This has Anti-Monitor all over it!

Lincoln: It sure does, but if that wasn't bad enough, I also got word from the warden that Matilda's ex-parents, Harry and Zinnia Wormwood, have escaped from prison to also get revenge!

Me: WHAT THE FUCK?! AS IF DEALING WITH THE TRUNCHBULL RETURNING WASN'T BAD ENOUGH, NOW WE HEAR MATILDA'S TRASH EX-PARENTS HAVE ESCAPED FROM PRISON TO ALSO GET REVENGE! THAT'S IT, IT'S PAYBACK TIME!

Just then, we saw Matilda and Jennifer.

Matilda: Guys, thank goodness you made it, and I'm sure you heard the news.

Nico: We did.

Lincoln: Due to how dangerous and murderous The Trunchbull is, we're sending her to The Black Abyss forever, and as for Harry and Zinnia, we're sending them back to prison, but this time, we're sending them to The Uranus Prison's Supermax Security Solitary Confinement Wing because they're the most dangerous criminals in the United States.

Me: Great idea.

Eli: You said it.

Suddenly, Lincoln had a premonition, and it's not good: it appears Morgana Midnight Sparkle and the Midnight Princesses have resurrected Alternate Kaos from the Alternate Skylands, Dr. N. Tropy and his female counterpart, along with the Elementals, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko, and sent them after us.

Lincoln: Are you kidding me? Morgana, why you little...?

Me: Lincoln, what's wrong? Oh no, who did Morgana bring back now?

Suddenly, Crash Bandicoot appeared.

Crash Bandicoot: I can save you some time and say it right now, Morgana and her minions have resurrected Alternate Kaos from the Alternate Skylands, Dr. N. Tropy and his female counterpart, along with the Elementals, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko, and sent them after us.

Me: WHAT THE FUCK?!

Nico: SAY WHAT?!

Nico opened his mouth wide, and his skeleton came out.

Qin: It's been two years since we last dealt with them, and Morgana brought them back?

Nico put his skeleton back.

Nico: I hate it when that happens.

Crash Bandicoot: Then, allow me to deal with them once and for all. I feel something about to come out, it's very different from when we faced Kiba Daioh when we went after Dag and his pack.

Me: Wait, I feel it too.

Lincoln: Same here. Alright, let's go find The Trunchbull, Harry, and Zinnia, and give them our usual treatment.

Nico: Oh, this should be good.

Camie: Who is Agatha Trunchbull?

Me: She was the former principal of Crunchem Hall Elementary and she was a nasty one!

I went over her history and it was horrible.

Camie: (GASP) She killed Ms. Honey's mother!? And killed kids all for her own disciplinary pleasure!? WHAT A MONSTER!

Lola: I know!

Gabrielle: (British Accent) I was there during the first days of the team when I faced her.

Lola: I remember that! That was awesome!

Nico: What happened?

I went over the events of chapter 78 in Loud House Revamped and it was awesome.

Nico: WHOA! So that is how you guys met Matilda and Ms. Honey. I'm amazed.

Me: Yep.

Camie: And what about Matilda's former parents?

Me: They were criminals. Harry was a car dealer. He sold used cars for cheap prices and made them with stolen car parts that he bought on the Black Market. Zinnia was a bingo player.

I went over their history too and it was bad.

Camie: Man! What a couple of douchebags!

Qin: I know! They were truly a corrupt family.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more larger in muscle thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles)

Lincoln: (Flexes his massive muscles) Yep, and this curse will be on them until we finally kill them. (Sensed for Agatha Trunchbull, Harry Wormwood, and Zinnia Wormwood) AHA! There you are, you child-abusing varmints! I just spotted The Trunchbull and the Wormwoods, they're 20 yards away, but they're coming fast at us no doubt after Matilda and Jennifer. (Sensed Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko) And I just spotted Morgana's next line of puppets.

Nico: Let's tear them apart.

Syd heard a Pokemon cry.

Syd Chang: Hey guys look!

We saw a Galarian Rapidash!

Me: Cool a Galarian Rapidash!

Xenia: Awesome.

Me: The poor thing is hungry.

Syd Chang: Here you go.

She gave her apples.

Galarian Rapidash: Oh thank you.

She ate them.

Syd: You want to come with us?

Galarian Rapidash: I would be honored.

Syd got on her.

Syd Chang: Wow!

Qin: Cool.

Me: Wait listen!

We heard a familiar song.

Melody: (GASP) That song!

Laney: LOOK!

In the sky we saw LUGIA!

Me: WHOA! Lugia!

Nico: How did that get here?

Qin: No idea!

Xenia: Yeah!

Starlight Glimmer: (GASP)

She saw that it was her sister Moonlight Glimmer!

Starlight Glimmer: That's my sister Moonlight!

Starlight flew up to her.

Starlight Glimmer: Moonlight! Moonlight it's me Starlight!

All she did was roar.

But then she charged a powerful energy blast.

Me: UH OH!

She fired a powerful Aeroblast attack and we dodged it and then it hit the local jail and blew it to smithereens in a massive and powerful fiery explosion!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Qin: WHOA! What power!

Nico: Good thing no one was in there!

Me: That prison was abandoned thankfully.

Qin: Yeah.

Starlight fired waves of skulls and bashed her all over.

I fired a wave of energy and blasted her.

Then I snapped my fingers and she reverted back to a blue hair girl with purple eyes and had Lugia in the middle of her forehead and had blue angel wings and had a blue version of Starlight's cutie mark on her arm. Starlight flew and caught her and wrapped her in a blanket and brought her over.

Starlight sat her on a bench.

Starlight Glimmer: That was intense.

She woke up.

Moonlight Glimmer: (Groans)

Starlight Glimmer: Moonlight? Moonlight?

Moonlight Glimmer: (Groans) Starlight? (Gasp) Starlight! Thank goodness!

She and Starlight hugged.

Starlight Glimmer: I'm so glad you're okay.

Moonlight Glimmer: Me too.

Me: You were turned into a Lugia by Dark Gale.

Moonlight Glimmer: I remember! That was awful.

She was in a dark blue suit and strapped to a table and was injected and then she busted out and was turned into a Lugia and flew out.

FLASHBACK ENDS

Moonlight Glimmer: That was awful.

Me: Well we're going to kill Dark Gale soon.

Nico: What's your role on Sonya's team?

Moonlight Glimmer: I'm the Lunamancer and I have moonlight powers. I can use the power of the moon to blind my enemies with the powers of the phases of the moon.

Nico: Wow that is cool.

Moonlight Glimmer: It sure is. And outside the team I'm an artist. I like to paint pictures.

Starlight Glimmer: Moonlight always was an amazing artist.

Me: That is cool.

Nico: You should be proud of Starlight.

Moonlight Glimmer: I am. After how I heard about how she redeemed herself and all that including her Ambassador Mission in the Live Action Transformers Universe and how she killed their Megatron there including how she has their Optimus Prime as a brother, I'm so proud of her even more.

Starlight Glimmer: Thanks sis.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade went and gave her awesome blue clothes.

Moonlight Glimmer: Wow! I look amazing.

Maria: You sure do.

Qin: Yeah.

Nico: Lets go stop our targets then.

We then took off into the air and we set out to take down Harry and Zinnia Wormwood and send them back to prison and destroy Agatha Trunchbull, Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko, and send them to The Black Abyss for good.

We were flying in the air, and we spotted our targets: Agatha Trunchbull, Harry Wormwood, and Zinnia Wormwood, and they were looking for Matilda and Jennifer, and boy, were they madder than heck!

Lincoln: There you are, you child-abusing pieces of trash.

Lincoln fired many blasts of elements with mythical beasts and creatures from his massive white angel wings and four other sets of large white angel wings underneath his massive white angel wings at Agatha Trunchbull, Harry Wormwood, and Zinnia Wormwood and they hit them and they got hit badly, and that pissed them off as we landed, and when they saw Matilda, Jennifer, and us again, they were even more pissed off.

Zinnia Wormwood: YOU LITTLE BRAT! YOU'RE GONNA PAY FOR THROWING US IN PRISON!

Matilda: You did that all to yourselves, so don't blame me.

Harry Wormwood: SHUT UP!

The Wormwoods went charging at Matilda, but she used her psychic powers and sent them flying into nearby trashcans, and they were covered in garbage and stink lines were coming off them.

Nico: EW! That stinks!

Agatha Trunchbull: (ENRAGED BELLOW) I'LL KILL YOU, YOU LITTLE VERMIN!

Agatha Trunchbull went charging at Matilda like an absolute mad bull, but Matilda used her psychic powers and The Trunchbull went through the same beatdown Patrick forced himself to get, and then, The Trunchbull was kicked hard and sent flying into a dumpster, she got out, but boy, was she covered in muck, scum, and trash, and stink lines were coming off her.

Me: Ew, that's disgusting!

Lincoln: You three deserved it. (To Harry and Zinnia Wormwood) You two for being abusive and cruel to Matilda. (To Agatha Trunchbull) And you, oh, you especially deserved it not only for your cruelty towards Matilda and Jennifer, but also, to all the kids.

Me: And for killing Jennifer's father!

Qin: YEAH!

I fired a blast of energy and it hit Zinnia and blasted her all over and smashed her into a street light.

Harry Wormwood: Everything was fine until you all showed up into our lives!

Matilda: By all accounts I couldn't care less. You may have brought me into this world biologically, but you were NEVER my parents!

She fired a psychic energy blast and blasted them both.

Gabrielle: And you have no right to call yourselves parents after everything you did.

Qin: Especially for using stolen car parts!

Juran: Wait. Where's their son?

Me: You must mean Michael. He was put into the Foster Care system and lives in Gotham Royal York. He's doing much better.

Qin: Good.

Juran: Yeah.

Harry Wormwood: HEY! Those car parts were bought! Not stolen!

Me: Bullshit! They were stolen property!

Agatha Trunchbull: You little brat! You should've let me do my job in punishing troublemakers instead of getting in my business!

Matilda: Your "Job" was doing more harm than good!

Me: What you call your job I call abuse! You were killing and hurting kids and that is something we NEVER Tolerate!

Nico: You also killed Ms. Honey's father, you filthy piece of shit!

Me: And you killed innocent children all for your own sick enjoyment!

Qin: YEAH!

Xenia: We would NEVER do that to kids like you did! MURDERER!

Syd Chang: Lets get them!

Galarian Rapidash: You got it!

Syd and Galarian Rapidash charged at them and fired waves of psychic energy and leaves and blasted them all over the place.

Qin: YEAH! TAKE THAT!

Me: And here's what we think of you Harry!

Me: That's right!

Lincoln: And Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko, you better get out here right now, there's no use in hiding.

We then saw our secondary targets: Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko, and they have the demonic Alicorn on their foreheads.

Dr. N. Tropy: You've ruined all of my plans for the last time, Crash Bandicoot, now you will pay! PREPARE TO DIE!

Alternate Kaos: (Growls Angrily) You stupid Sky-Losers, you're all going to pay for what you did in ruining my plan to conquer Skylands.

Crash Bandicoot now had a look of rage in his eyes, and he glared at Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko with a burning rage and anger, but we saw it in his eyes: his emerald green eyes have the white flames of heavenly judgement.

Crash Bandicoot: That's enough out of all of you! (Emerald green eyes shrank with rage) Never in a million years will I ever forgive any of you for what you've all done!

We felt it for ourselves: Crash Bandicoot's rage has been let loose once again!

Spyro: Uh oh, here it comes!

Aku-Aku: (Jamaican Accent) His true fury has finally been let loose, and we saw it within his eyes: the white flames of heavenly judgement. Now, these bringers of chaos are about to face judgement for their crimes.

Suddenly, something within Crash Bandicoot's mind suddenly snapped as all the memories of what Kaos had done in the past and what Alternate Kaos did in mortally wounding Alternate Master Eon last year along with what Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko had done in the past rushed and echoed through his head as a primal and divine rage was unleashed, and he was surrounded by a rainbow, white, and blue energy aura with stars, aura energy, white and blue flames, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, light, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels, he unholstered his massive Crash Bandicoot's True Cosmic Eternal Harmony Skylands Guardian Ten Elemental Draconic Bandicoot Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Skylands Guardian Ten Elemental Draconic Bandicoot Phoenix God Angel Justice from his back, and as he angrily approached Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko, he left rainbow, white and blue energy, aura energy, white and blue flames, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels with every step.

Crash Bandicoot: No matter how many times we always do this, it always ends with all of you getting your butts kicked, your plans foiled at every single turn, and your minions beaten to a pulp. (SUDDENLY NOW GETTING EXTREMELY AND DANGEROUSLY PISSED OFF AS HIS RAINBOW, WHITE, AND BLUE AURA WITH ELEMENTAL FORCES, BANDICOOTS, DRAGONS, PHOENIXES, AND ANGELS FLARES UP EXTREMELY AS HIS MASSIVE UPPER AND LOWER BODY MUSCLES BULGE) But, I still can't forget everything that you all have done, you caused us nothing but trouble, and for what, your plans of destroying or taking over the world, you all make me sick to no end, and for you to have no sense of remorse and continue to be so pitch black-hearted and cold-blooded about that..., YOU HAVE ABSOLUTELY CROSSED ONE TOO MANY LINES FOR THE VERY LAST TIME, YOU PITCH-BLACKHEARTED COLDBLOODED BASTARDS! Nico: (AMAZED) UNREAL!

Lincoln: (AMAZED) THAT IS...REALLY...AWESOME!

And when Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko saw it, their eyes went wide with true fear and horror: they're now face to face with someone who's literally ascended and become a true God among men, but their fear literally turned into rage.

D. N. Tropy: I do not care how powerful all of you are! WE WILL DESTROY ALL OF YOU AND THE WORLD WILL FINALLY BELONG TO US!

Crash Bandicoot: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos

Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Chuckles) Dr. Nefarious Tropy, Alternate Kaos, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko, need I remind you of the situation that all of you are facing along with the fact that we destroyed all of you in the past. But, now, I'll make sure that none of you will return again, this is the end.

Crash Bandicoot went after Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko, and he fired extremely powerful blasts of rainbow, white and blue energy, aura energy, white and blue flames, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko and exploded, and he slashed at them with his massive greatsword leaving scars on them, and that just made Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko even angrier.

Alternate Kaos, N. Tropy and his female counterpart, and The Elementals fired blasts of dark magic, fire, water, lightning, earth, and time at Crash Bandicoot, but he absorbed them, and it made him even stronger than ever. Then, he ran with superhuman speed at N. Tropy and his female counterpart and he skewered N. Tropy with his massive greatsword and grabbed N. Tropy's female counterpart with his left hand, and he began sucking out N. Tropy's energy and assimilating his Scientific know-how, Genius-level intellect, Intimidation, Chronokinesis, Knowledge of time and space, and Teleportation along with Female N. Tropy's energy and assimilating her Teleportation, Technological expertise, and Strength, and he made them his own, and when he was done, they were drained of their energy and powers and he set them on fire as they were consumed by white and blue heavenly flames and he sent them to The Black Abyss.

Nicole: (AMAZED) Incredible, he wasted those two like they were nothing!

Then, Crash Bandicoot turned his gaze to Alternate Kaos and he then attacked him with his massive greatsword leaving Alternate Kaos with scars, and he demonstrated the powers of Rainbow Dash by charging right at Alternate Kaos at superfast speed and punched him really hard in the gut with really immense superhuman strength demonstrating the powers of Applejack, then, he fired gems and jewels at Alternate Kaos as he had demonstrated the powers of Rarity, then, he made various bear roars and bears came and mauled Alternate Kaos demonstrating the powers of Fluttershy, then, he fired confetti bombs and balloon bombs at Alternate Kaos which exploded as they hit him demonstrating the powers of Pinkie Pie, then, he fired blasts of purifying magic which nullified the dark magic energy blasts Alternate Kaos fired demonstrating the powers of Twilight Sparkle, and he fired blasts of bones at Alternate Kaos which clubbed him on the head demonstrating the powers of Starlight Glimmer, then, he saw all of Alternate Kaos' crimes as he grabbed him and fired superhot fire blasts demonstrating the powers of Sunset Shimmer, then, he demonstrated the powers of Princesses Celestia and Luna by forming the cutie marks of the Two Sisters and they fired blasts of sunlight and moonlight at Alternate Kaos, and he was really beaten down badly.

Nico: SO INCREDIBLE! WHAT POWER AND STRENGTH!

Maria: GET HIM, CRASH, KICK HIS ASS!

Then, Crash Bandicoot ran right at Alternate Kaos and he drove his massive greatsword into Alternate Kaos' stomach and he sucked out all his elemental powers and dark magic and he made them his own, and he also sucked out Alternate Kaos' energy, and he set him on fire as he was consumed by white and blue heavenly flames and he sent him to The Black Abyss.

Then, Crash Bandicoot turned his gaze to Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko who continued to fire blasts of fire, water, lightning, and earth, but he absorbed them, and it made him even stronger than ever and he fired extremely powerful blasts of rainbow, white and blue energy, aura energy, white and blue flames, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko and exploded, and he slashed at them with his massive greatsword leaving scars on them, and that just made Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko even angrier.

Then, he grabbed Py-Ro and he sucked out and absorbed his Pyrokinesis, then he grabbed Rok-Ko and he sucked out and absorbed his Terrakinesis, then, he grabbed Lo-Lo and he sucked out and absorbed his Aerokinesis, and finally, he grabbed Wa-Wa and he sucked out and absorbed his Hydrokinesis and Cryokinesis, and the Elementals were now extremely powerless.

Then, Crash Bandicoot fired blasts of white and blue heavenly fire that hit the Elementals and they were consumed by the flames and sent to The Black Abyss. Suddenly, he saw Agatha Trunchbull come charging again, but he fired a white energy beam that ricocheted all over the place and it hit the Monitor Orb that was embedded in her butt and destroyed it and not only did we get a massive power boost, but Agatha Trunchbull was screaming in pain.

Matilda: I think you all angered them enough, now it's my turn.

Suddenly, Matilda's brown eyes turned neon brown, and she was surrounded by a royal blue energy aura with stars, psychic energy, fire, flames, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Agatha Trunchbull, Harry Wormwood, and Zinnia Wormwood, she left royal blue energy, stars, psychic energy, fire, flames, phoenixes, and angels with every step.

Matilda: I shouldn't be so surprised to find out that you've returned from The Black Gates all thanks to Anti-Monitor, I felt it in the air, and I'm also not surprised you two also broke out of prison to come after me and Mom, but that ends today, Agatha Trunchbull, you're heading for a place far worse than The Black Gates, and you two are heading back to prison where you'll stay there until you die.

Suddenly, Matilda was surrounded by a massive vortex of royal blue energy with stars, psychic energy, fire, and flames surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a brown phoenix with blood red eyes glaring at Agatha Trunchbull, Harry Wormwood, and Zinnia Wormwood: the blood red eyes of eternal death and eternal judgement.

Me: WHOA!

Nico: UH OH! NOW, YOU PIECES OF HUMAN TRASH ARE SO DONE FOR!

Lincoln: They've all had this coming for a very long time, Matilda's going to get payback on those two criminals for abusing her all her life and Agatha Trunchbull's also going to get her comeuppance once more, but this time, it's adios forever.

Then, as the vortex faded, Matilda emerged, but she was changed forever.

Matilda grew to 8'5" in height, she has large gold metal braces on her biceps and thighs, and she now has fifteen large royal blue planets orbiting around her legs and she has fifteen smaller royal blue planets orbiting around her waist, she has the body of a goddess, she has moderate blue highlights in the bangs of her long brown hair and royal blue phoenix fire ombre streaks on the back and she now has a large gold halo in the center with gold angel wings on the bottom behind her head with royal blue flame-shaped gems embedded in it and four large orbiting gold rings on each corner with embedded royal blue flame-shaped gems in them, she has neon brown eyes and a royal blue energy aura with stars, psychic energy, fire, flames, phoenixes, and angels surrounding her and immense protective neon rainbow aura with all the elements swirling around it, she has a griffon surrounded by a phoenix and angel emblazoned on her forehead and Third Eye with royal blue iris, she has on phoenix earrings with royal blue gems for eyes and holding the Star, Fire, Psychic, God, Xelnaga, and Eternity Kanjis in its claws, she has on her Crystal Necklace of The Buddha with royal blue gems in the gold flame links and royal blue crystal links and royal blue phoenix-shaped Element of Harmony and on the bottom of The Element of Harmony is a phoenix with royal blue gems for eyes and holding the Star, Fire, Psychic, God, Xelnaga, and Eternity Kanjis in its claws for the pendant and she has on a white and gold accented choker on her neck. Matilda has on her white short-sleeved shirt and royal blue sleeveless dress, red sneakers, and long white sleeveless trenchcoat with stars, psychic energy, fire, flames, phoenixes, and angels and on the back is a Flower of Life and a phoenix and angel surrounding it and surrounded by psychic energy and silver 28th Century Hi-Tech Futuristic Miracle Box backpack with phoenixes and angels surrounding a royal blue gem with neon glowing royal blue lights equipped with recognition of her and fits an infinite number of items and components for her Miraculous, Familiars, and Bakugan to rest in. Suddenly, Matilda felt a sharp pain on her back, and then, massive brown angel wings with royal blue tips on the large brown feathers grew and sprouted out of her back with a wingspan of 50'0" and medium sized massive brown angel wings with royal blue tips grew and sprouted out underneath her massive brown angel wings with a wingspan of 40'0" and small sized massive brown angel wings with royal blue tips grew and sprouted out underneath her medium sized brown angel wings with a wingspan of 30'0" and another set of massive brown angel wings with royal blue tips grew and sprouted out underneath the small sized brown angel wings with a wingspan of 20'0" and another set of massive brown angel wings with royal blue tips grew and sprouted out underneath the new brown angel wings with a wingspan of 10'0". Matilda has on a Ring of The Phoenix with royal blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps Ring on her left finger and Stone of Gelel embedded in her left hand, and she has on white fingerless gloves with phoenix and angel on the back and she has gold-plated armor on her fingers and gold dragon claws covering her fingers and smaller planets orbiting around her fingers like rings and she also now has medium sized royal blue planets orbiting around her wrists and ankles.

Suddenly, Matilda's massive greatsword and all the greatswords and swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of royal blue energy, stars, psychic energy, fire, flames, phoenixes, and angels, and when it emerged, it was transformed into Matilda Honey's True Cosmic Eternal Harmony Royal Blue Inferno Psychic Firestorm Phoenix God Angel Greatsword of True Cosmic Eternal Harmony Royal Blue Inferno Psychic Firestorm Phoenix God Angel Justice, it's a brand-new massive greatsword with embedded royal blue gems and a phoenix and angel etched on the 8'5" massive, wide, double-edged gold blade, large gold phoenix heads with royal blue gems for eyes for the crossguard, large white angel faces built into both sides of the hilt and large dark indigo gems embedded in their foreheads and surrounding the white angel faces are the Elements of Harmony and the Unity Stones on top of the Element of the Magic of Friendship, longer midnight black handle, four large gold Alicorn heads with dark indigo gems for eyes and on the bottom of the large gold Alicorn heads is a large gold Alicorn head with dark indigo gems for eyes and dark indigo gem in its mouth for the pommel, Coloratura has on his new large gold Bracers of The Champions of The Universe with dark indigo gems on her arms and Dragon Ball Bracelet and wrist computer and Omnitrix on the left gold Bracer, large gold Elemental Belt of Eternal Bravery with a gold Alicorn with moderate opal gems for eyes and dark indigo gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver and Crystal Saber holstered on his left hip. There's a royal blue kanji with royal blue flames in between the kanji below the Flower of Life that said, "Matilda Honey, Psychically Gifted Child, Daughter of Jennifer Honey, True Immortal, Goddess, and Omnipotent Powerful Warrior of The Universe, Master of Psychic Energy and Royal Blue Flames, Despiser and Destroyer of Agatha Trunchbull, Harry Wormwood, and Zinnia Wormwood, Amazing Member of Team Loud Phoenix Storm, Awesome and Powerful Defender of Many Innocent People, Master of The Black Gates and The Black Abyss, Amazing And Powerful Student of Many Amazing and Powerful Teachers, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

We were amazed by Matilda's transformation, but when The Trunchbull, Harry Woodworm, and Zinnia Woodworm saw it, their faces turned red and they charged at her and Jennifer to kill them, but Matilda fired a massive barrage of royal blue energy, stars, psychic energy, fire, flames, phoenixes, and angels which hit the trash trio and sent them flying into another dumpster, they got back out, but boy, were they raging mad now!

James Blunt: (Divine Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel and Divine True Cosmic Eternal Harmony Universal Eternal Demon Shadow Bloody Darkness Vampire Phoenix God Angel Hope) Better start praying, you piles of trash.

Lincoln, Matilda, Crash Bandicoot, Caleb Maxwell, Cage Blunt, Travis Tackett, and James Blunt went after Svengallop, and we fired extremely powerful blasts of rainbow energy, royal blue energy, black and blood red energy, white and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Agatha Trunchbull, Harry Woodworm, and Zinnia Woodworm and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Caleb Maxwell, Allie Maxwell, Cage Blunt, James Blunt, and Travis Tackett shot the multiple times and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cage Blunt, Travis Tackett, James Blunt, Allie Maxwell and Caleb Maxwell did the same by firing black and blood red energy slashes from their gold plated claws, and Lincoln, Matilda, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Cage Blunt, Travis Tackett, James Blunt, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really making Agatha Trunchbull, Harry Wormwood, and Zinnia Wormwood even angrier than ever.

Then, Lincoln fired rainbow, white, and blue energy blasts that turned into straitjackets, and tied Harry Wormwood and Zinnia Wormwood up.

Crash Bandicoot: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Excellent work, Lincoln. Now, let me take care of Agatha Trunchbull.

Suddenly, Crash Bandicoot's massive red angel wings and four other sets of large red angel wings underneath his massive reddish-brown angel wings spread out even more as an intricate halo of gold energy with dragons, bandicoots, phoenixes, and angels surrounding the ring appeared above his head along with three sets of gold energy chains around the gold halo and formed into a purifying field that hit Agatha Trunchbull, and we found ourselves in Heaven.

Your days of iron-fisted tyranny and cruelty end here and now.

Then, Crash Bandicoot's massive red angel wings and four other sets of large red angel wings underneath his massive red angel wings fired chains of gold energy that bound Agatha Trunchbull.

Then, Crash Bandicoot charged and smashed his rainbow energy infused left fist into the stomachs of Agatha Trunchbull and a cluster of rainbow, white, and blue heavenly flames exploded out behind her, then, Crash Bandicoot formed a massive glowing rainbow energy blade surrounding the 9'5" massive, wide, double-edged gold blade of his massive greatsword.

And now, this is where you meet your end.

Qin fired a wave of ice and liquid nitrogen and flash froze her solid.

I pulled out my gun and pointed it at her.

Me: Hasta La Vista, Baby.

BANG!

I fired and it shattered her into a million pieces and killed her.

Nico: Nice shot!

Her spirit then appeared and we banished her to the black abyss.

Everyone cheered wildly as we holstered our weapons and we powered down and Matilda's new body, clothes, weapons, jewelry, 28th Century backpack, Third Eye, large gold halo with four orbiting large gold rings behind her head, fifteen large royal blue planets orbiting around her legs, fifteen smaller royal blue planets orbiting around her waist, smaller planets orbiting around the fingers, medium sized royal blue planets orbiting around her wrists and ankles, and massive brown angel wings and four sets of brown angel wings underneath her massive brown angel wings are permanent and Crash Bandicoot's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind his head, large twenty colored planets orbiting around his legs, twenty smaller colored planets orbiting around his waist, smaller planets orbiting his fingers, medium sized planets orbiting around his wrists and ankles, Third Eye, and massive red angel wings and four sets of larger red angel wings underneath his massive red angel wings are permanent.

Nico: That was a really really intense battle, and Crash, that was really awesome that you like J.D. unlocked that brand-new form of yours, it was really powerful.

Me: No fooling, you wasted Alternate Kaos, Dr. N. Tropy and his female counterpart, Py-Ro, Lo-Lo, Wa-Wa, and Rok-Ko like they were nothing.

Crash Bandicoot: It was like a divine fury awakened within me: the fury of The Heavens, and you're right, I wasted them like it was nothing, and I certainly won't be the only one who gets that transformation. You, Nico, Lincoln, and everyone else will also be undergoing the very same transformation like me, J.D.

Nico: Oh man.

Nicole: Really incredible.

Crash Bandicoot: (Emerald Green Eyes glow) Poromon, you better not try anything to get Sebastian to come after you again.

Poromon: What the?! How did you know about?!

We saw that Poromon had a water balloon in his wings.

Lincoln: Whoa! You saw that was going to happen, just like me.

Me: Incredible, your powers have literally evolved to an extremely infinite extent, Crash. One day, we'll have to spar a little to see just how much stronger you've gotten.

Crash Bandicoot: (Smirks) That may be a bad idea, J.D.

Crash Bandicoot got out a TNT crate.

MY JAW DROPPED TO THE FLOOR!

CLANG!

CRASH CLOSED MY JAW!

Nicole: I see what you mean, if you litter the place with TNT crates and you do your spin attack and send them at Dad,...!

Nico: Kaboom! And the place will be an utter mess!

Me: Yeah!

Nico: Now, what to do with these two?

Me: Send them back to prison.

Matilda: They aren't worth killing.

Me: Good idea.

Qin: Yeah.

Nico: Nice job Galarian Rapidash!

Galarian Rapidash: Thanks Nico. That was fun.

Poromon: Want some beer?

Galarian Rapidash: Oh no thanks. I don't drink.

Poromon: Okay then.

Poliwag: (Does Puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Qin: Yeah.

Nico: Oh, Solar Man. What do you like to do in your free time?

Solar Man: I'm a Solar Farm engineer. I test and charge up solar cells for solar farms.

Camie: Cool!

Qin: Nice!

Nico: That's a nice job to have

Solar Man: Thanks. It's good money.

Qin: Yep.

KRABLANG!

We saw Lana beating up Zig again who was after Marina again.

She was bashing him with a baseball bat!

Lana: You just never quit do you!?

KRABLANG! KRABLANG!

Nico: Like I said, persistant.

Camie: Yep.

Lana bashed him and sent him flying.

Lana: He'll be back.

Sharko: Yep. He sure will.

Qin: It's still funny though.

Ed: Pull my finger Eddy. (LOUD FART!)

Eddy: Nice one Lumpy!

Moonlight Glimmer: So, you must be the live action version of Optimus Prime

Live Action Optimus: That's right. I am Optimus Prime, Leader of the Autobots.

Moonlight Glimmer: Awesome to meet you. And that makes me your sister too.

Qin: Yep.

Moonlight: I heard what happened in your world.

Crosshairs: You mean the shit involving humanity hating the Autobots?

Moonlight: Yeah.

Me: Along with those fuckshitters of Cemetery Wind.

Moonlight: Yeah those guys were evil monsters.

Nico: But we fixed that mess

Me: But it came with a terrible price.

Nico: General Morshower made the ultimate sacrifice.

Moonlight: Oh man. I heard all about that. That was awful.

Xenia: It was.

Live Action Hound: You know killing cons was basically our entire lives, right?

Moonlight: I sure do. Man that was awful all that happened.

Me: I know. the Autobots and Decepticons were fighting each other for over 8,000,000 years all over the galaxy and it was terrible.

Nico: But after we destroyed Unicron, I am leading the Decepticons on the road to redemption and now they have much more better evils to destroy and face.

Live Action Optimus: That is true. And it works much better for all of us.

Live Action Hound: I meant that in a good way. Who am I gonna shoot now?

Lola: How about Zig there!

Live Action Hound saw Zig and he fired a blast of energy and blasted him.

Lana: Awesome shot!

Lana picked up Zig and bashed him back to M.O.E. HQ

Qin: Yeah!

Nico: Trust me. The Cybertronian Wars being over is for the best.

Moonlight: I have no arguments there. But yeah.

Me: Yeah.

Marina: I'm glad that war is over.

Qin: So are we.

Poromon: We have something to show you guys later

Me: Okay.

Qin: Can't wait.

Camie: Yep.

Me: For now lets get down to business.

Eli: We have Another Dr. Drakken, Stacy, Pyrus the Lava Titan, Warclaw, Menardi, Sun Emperor and Damon (Broken Colors).

We gasped!

Qin: WHOA!

Lola: This is gonna be good.

Eli: And I sense the anothers minus Drakken and Stacy are 1 person.

Me: So Solar Man, Samantha Solar Flare, Saya Solar, Arpina Apollonia, Callie Parsons and Crystal Sunburst are up.

Nico: There they are!

We saw Another Pyrus the Lava Titan, Warclaw, Menardi, Sun Emperor and Damon (Broken Colors)!

Me: WHOA!

Qin: This will be good.

Another Pyrus: (in a girls voice) It sure will!

They merged and she reverted back and it was the gene-slammer of Conflagration Ooze!

Nico: Connie Conflag!

Connie Conflag: Awesome to see you Nico.

They did a dragon roar!

Me: Another of Nico's Sovereigns of Eberron buddies. Awesome!

May: Cool!

Me: By the way are the Another Drakken and Stacy friendly or hostile?

Connie Conflag. Friendly but...

KRASPLAT!

A pie hit me square in the face!

Me: HEY! (SLURPS) Yummy! Strawberry vanilla.

Connie Conflag: She's a prankster.

Qin: Oh boy.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Nico: And now, we wait

KRABLAM!

A piano smashed right onto Nico's head!

Connie Conflag: The Another Stacy is a prankster

Nico came out with Piano Keys for teeth.

Nico: OW!

Qin: Geez!

Me: That had to hurt.

May: No kidding. (LOUD NASTY FART)

May blushed in embarrassment.

May: Excuse me!

Me: You stepped on that.

She saw that it was a whoopee cushion.

Luan: Boy that was a gas! (LAUGHS) Get it?

We laughed!

Horsea: Who's doing that?!

But then...

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

MARIA GOT HIT ON THE HEAD WITH 10 COCONUTS!

Horsea: MARIA!

Me: Yikes!

Nico: Ouch. OKAY WHO IS THE WISEASS!?

Me: Them!

We saw Another Drakken and Stacy!

Me: Whoa!

Qin: This is gonna be good!

Another Drakken: (In a girls voice) Sorry about all the pranks.

She reverted back and it was the gene-slammer of the Greater Fire Elemental!

Nico: Lyra Fire! Wow!

She roared like a dragon.

Nico: Awesome to see you again.

Lyra Fire: Same here. Also I'm a genius and I have smarts as powerful as Drakken.

Drakken: Wow! That is cool.

Me: And who is your friend?

Poliwag: Your friend has explaining to do!

Another Stacy: (LAUGHING HYSTERICALLY) Like all my pranks?

Stacy: Oh boy! I knew it was you!

She reverted back and was a girl with red hair and blue eyes and had black clothes like Stacy's.

Stacy: Carra! Carra Bolton!

She ran and hugged her.

Stacy Bolton: Awesome to see you cousin.

Carra: You too Cousin.

KROW!

Stacy: OUCH!

Rice kicked her!

Stacy: Hey what's the big idea!?

Rice: You had this put on you.

She pulled off a Kick Me Sign.

Stacy: (Reading) Kick me, I'm a stupid buttkicking poohead. OH Very funny cousin!

Nico: You two know each other?

Stacy: She's my cousin. Carra Bolton. Me and my brothers always got a great laugh out of all of her pranks. One time she pranked Paradigm and crushed him with a piano in front of everyone in the university and exposed him as a Piranha.

Qin: Whoa! Nice.

Camie: And that's how everyone knew he was a monster.

Me: Yep.

Kaito (gets out Ohranger gear): Dud Swartz promise you anything?

Zocks (gets out Carranger gear): Because we can grant it instead

They got Turbo and Zeo Swords.

Lyra Fire: No he didn't.

Carra: I bashed him on his head with an anvil and we ran.

Sakura Knudson: That explains how I found him with a huge lump on his head.

Qin: Ouch.

Sougo (gets out Zeo Ridewatch): You're probably the only Bolton not Gene Slammed

Geiz (gets out American Turbo Ridewatch): But if you want, we can change that

Sougo got ZeoRedArmor while Geiz got AmericanRedTurboArmor

Carra: That's right. I was not touched by Paradigm.

Stacy Bolton: Thank goodness.

Qin: Yeah.

Lincoln: Lets separate you both.

We did so.

Me: Lets do it.

Nico: (gets out Drakken's Ridewatch) I'll show you what this genius can do!

May: (Gets out Warclaw's ridewatch) Taste this war

Maria: (Gets out Sun Emperor's ridewatch) Feel the sun.

Samantha Solar Flare: (Gets out Pyrus the Lava Titan's ridewatch) I am fire, I am death.

They used the powers of Dr. Drakken, Pyrus the Lava Titan, Warclaw, Menardi, Sun Emperor and Damon (Broken Colors) and blasted the Anothers.

Then Crescent Grizzly, Doris (X-Squad Universe), Prism, Flarmiglarmi, Sou Fueki and Rainbow Dark Dragon came.

Me: Cool!

Nico: Nice team Crescent Grizzly!

Crescent Grizzly: Thanks Nico!

Crystal Man: My team's next.

Nico: Yep.

Then Guardromon came.

Me: WHOA! Guardromon.

Monochromon too.

Me: Monochromon too! Wow!

Guardromon: (In a girls voice) (Norwegian Accent) This is gonna be fun.

Kate Lloyd: (GASP) Norwegian.

Nico: Astrid Wolner.

She reverted back and was a girl with red hair, brown eyes, brown and red clothes and had red angel wings and on her vest was a badge for Thule Station. She also had a new crest on her forehead and had Guardromon on her shirt and skirt and had Norway's Coat of Arms on her arm and had a red digivice and an ice sword.

Astrid Wolner: Awesome to see you again Nico. We got this. (Echoing) GUARDIAN BARRAGE!

She fired missiles!

Monochromon: (Echoing) VOLCANIC STRIKE!

He fired fireballs and the blasts blasted the Anothers and I caught the Ridewatches and purified them.

Me: Awesome!

Qin: YEAH!

Me: Yep.

Kate: You're from Norway?

Astrid Wolner: That's right.

Me: One of Norway's Digidestined.

Astrid Wolner: That's right.

Kate Lloyd: Your last name is Wolner. Are you related to...

Astrid Wolner: That's right. I'm Edvard Wolner's granddaughter.

WE GASPED!

Me: Your grandfather was one of those that Kate worked with down in Antarctica.

Nico: He was one of those that were lost in the Nightmare of The Thing back in 1982.

Astrid Wolner: I know. What happened back then was horrible.

Nico: We're really sorry.

Me: Kate here lived through a terrible nightmare because of that gruesome and horrifying monstrosity.

Kate Lloyd: Killed everyone I knew in Thule Station.

Nico: Yeah.

Astrid Wolner: I read all about that. Happened to Outpost 31 too.

Me: Yeah it was awful.

Astrid whistled and out came a couple of huskies.

Nico: Jed and Zed.

He pet them.

Me: Aww your huskies are so adorable.

Astrid Wolner: I know.

Samantha Solar Flare: Do you have a favorite memory of Nico?

Astrid Wolner: When me and Nico met. Oslo was being attacked by Digimon and we battled them and sent them back home.

Me: Not even Norway was safe from the International Digimon Skirmish.

Nico: Yep.

Laney: Wow.

Lana: Your huskies are beautiful though.

Astrid Wolner: Yeah me and my family are Husky and Sled Dog breeders.

Qin: Awesome.

Nico: Yep.

Nico and Astrid hugged.

Nico: I've missed you.

Astrid Wolner: Me too Nico.

We went back home later.

Our targets are The Fan Club Coalition, the names of the members of this club are Kozo Kasahara, who is a fan of Moka Akashiya, Kubasaki Nagai, who is a fan of Yukari Sendo, and Bosaburo Taira, who is a fan of Kurumu Kurono, but the problem is they idolize these three respective girls too much to the point of obsession, and Lincoln's going to get really angry when he learns about this, especially what Kubasaki Nagai and Bosaburo Taira did: Kubasaki Nagai took a picture of Yukari without her noticing and Bosaburo Taira kept following Kurumu no matter where she went and he observed her all the time, and Lincoln's going to tell Kubasaki Nagai and Bosaburo Taira off for that, and we'll also tell off Kozo Kasahara as well. But, those three aren't going to take that lightly and turn into their monster forms, which are really ridiculous, and it'll be a huge mistake because Lincoln's going to turn into Lincoln the Nocturnal and those two are gonna piss their pants when they see Lincoln in his Lincoln the Nocturnal form, and he's going to let out the biggest and loudest wolf roar and send those two flying into a wall to make them get the point and lay off following Kurumu and Yukari, and we're also going to beat Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira up and make sure they finally get the message.

Lincoln: Ah, we're here in Yokai Academy, and I know what we're going to do here, not only am I going to rescue the seventy girls here and Ets is going to rescue the three girls here, but we got another pervert busting mission.

Nicole: It better not be Ginei at it again, because if it is, I'm gonna...!

Kurumu: No, it's not him, it's The Fan Club Coalition, the names of the members of this club are Kozo Kasahara, who is a fan of Moka, Kubasaki Nagai, who is a fan of Yukari, and Bosaburo Taira, who is a fan of me, but the problem is they idolize us too much to the point of obsession.

Nico: Oh God.

Me: Sheesh.

Kurumu: And here's the thing you're not going to like, Linky. Kubasaki Nagai took a picture of Yukari without her noticing and Bosaburo Taira kept following me no matter where I went and he observed me all the time.

When Lincoln heard it, he growled as his body turned fiery red and steam exploded out of his normal ears and large wolf ears on top of his head!

STEAM WHISTLE!

Solar Man: Oh no.

Lincoln: They...did...WHAT?!

Everyone: Uh...oh.

Lincoln: Those perverts did that to you and Yukari?! That's it, they're not getting away with it!

Shizuka Nekonome: Oh no, now they've done it.

Suddenly, we saw a girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long ocean blue hair with light blue streaks, blue eyes, blue angel wings, blue clothes, long white sleeveless trenchcoat with stars, water, ocean waves, sea creatures, phoenixes, and angels on the coattails, and on the back is Marincess Sea Star, she has a water greatsword in hand and with her are the seventy girls Lincoln is to rescue and the three girls Ets is to rescue.

Lincoln: (GASPS) Marina Westbrook, Gene-Slammer and Avatar of Marincess Sea Star.

Marina Westbrook: That's right, and I got the girls away from those three perverts.

Eli: It's time. Where are they?

Suddenly, we heard the screams of Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira.

Mizore: Uh oh, looks like someone's starting without us.

We rushed out, and we saw Tsukune and Moka throttling Kozo Kasahara and Kubasaki Nagai and Bosaburo Taira were cowering like cowards.

Nicole: Hey, you starting without us?

Moka: Sorry, Nicole. But, those three were at it again.

Nicole: Let me handle Kozo.

Nicole took a deep breath, and she really let him have it!

Nicole: YOU PERVERTED LITTLE SHIT! I CAN'T BELIEVE YOU'D

STOOP TO THIS KIND OF LOWDOWN FILTHY BEHAVIOR! MOKA IS ALREADY TOGETHER WITH TSUKUNE, AND YOU, YOU'RE JUST A CREEP WHO HAS NO MANNERS NOR RESPECT TOWARDS WOMEN!

THEN, NICOLE PUNCHED HIM IN THE FACE AND SENT HIM FLYING INTO A WALL!

Brittney: Nice one, sis!

Lincoln: (To Kubasaki Nagai and Bosaburo Taira) And as for you two...! (WOLF GROWL)

Nico: Oh shrimp!

Suddenly, Lincoln took a deep breath, and he really let those other two perverts have it!

Lincoln: YOU PERVERTED LITTLE SHITS! JUST LIKE KOZO, I CAN'T BELIEVE YOU TWO WOULD ALSO STOOP TO THIS KIND OF LOWDOWN FILTHY BEHAVIOR! YUKARI AND KURUMU ARE ALREADY TOGETHER WITH ME, AND IF YOU THINK THAT I'M GOING TO LET YOU TWO GET AWAY WITH THAT, YOU'RE SADLY MISTAKEN! (SAVAGE WOLF GROWL)

Suddenly, Kozo Kasahara, Kubasaki Nagai, and Bosaburo Taira turned into their monster forms, and they looked really ridiculous and we laughed hysterically!

Crash Bandicoot: (LAUGHS HYSTERICALLY) Seriously?! Those are your monster forms?!

Nico: (LAUGHS HYSTERICALLY) Oh brother! Lincoln, I think you should show them what a real monster is!

Lincoln: (Smirks) Gladly.
